Golf cart legislation ceremonial signing & parade

PHOENIX – More than 200 golf carts are expected to parade down Sun City's South Golf Course cart path Aug. 14 and then watch Governor Jan Brewer's ceremonial signing of the bill championed by Rep. Debbie Lesko, R-Peoria that makes it legal for Sun City residents to drive their golf carts on the side of the road.

This legislation solves a major safety problem in Sun City (Lesko's district) and Sun City West, and clarifies the law so that golf car drivers can continue to drive along the side of the road, which they have been doing since 1960 in Sun City and 1978 in Sun City West, when the communities were established.
