B. The fund transfers in this section shall be made as soon as is practicable to avoid a shortfall in each fund. On or before March 15, 2009, the governor's office of strategic planning and budgeting shall report to the joint legislative budget committee on any fund transfers that have not been fully made as of February 28, 2009. For each fund transfer not fully made as of March 1, 2009, the report shall list when the fund transfer will be completed or additional steps required to make the full fund transfer.

Sec. 6. Laws 2009, first special session, chapter 1, section 7 is amended to read:

Sec. 7. Personnel appropriations; fiscal year 2008-2009; revertment

Notwithstanding any other law, ~~$10,854,200~~ $9,369,900 is reduced from other state funds that were appropriated to state agency units in fiscal year 2008-2009 and from nonfederal nonappropriated funds for personnel expenses and related benefit costs and is transferred to the state general fund for the purposes of providing adequate support and maintenance for agencies of this state. The joint legislative budget committee staff shall determine and the department of administration shall allocate to each agency or department the amount of reduction for each agency's fund.

Sec. 7. Repeal

Laws 2009, first special session, chapter 4, section 10 is repealed.

Sec. 8. Supplemental appropriations; Arizona health care cost containment system

A. In addition to the appropriation made by Laws 2008, chapter 285, section 3, the sum of $5,108,900 is appropriated from the state general fund and $20,443,800 in additional expenditure authority of federal monies is appropriated in fiscal year 2008-2009 to the Arizona health care cost containment system to restore funding for graduate medical education services.

B. In addition to the appropriation made by Laws 2008, chapter 285, section 3, the sum of $2,500,800 is appropriated from the state general fund and $9,657,300 in additional expenditure authority of federal monies is appropriated in fiscal year 2008-2009 to the Arizona health care cost containment system to restore funding for rural hospital reimbursement.

Sec. 9. Supplemental appropriation; department of economic security; child care; condition; notice

A. In addition to the appropriation made by Laws 2008, chapter 285, section 6, the sum of $18,200,000 is appropriated from the federal child care and development fund block grant in fiscal year 2008-2009 to the department of economic security to maintain existing child care services. These monies may not be used to expand eligibility or increase provider payments for child care services beyond the levels in effect as of January 30, 2009.

B. The appropriation made in subsection A of this section is not effective unless this state receives at least $18,200,000 in federal child care and development fund block grant monies from the American recovery and reinvestment act of 2009.

C. On receipt of monies pursuant to subsection B of this section, the department of economic security shall send a notice to each family participating in the program informing them that the funding for the program is only for this fiscal year and that the funding does not continue the program indefinitely.

1 Sec. 10. Appropriations; purpose
