

PROPOSITION ____
HOUSE CONCURRENT RESOLUTION 2002
land conservation fund; reversion

ANALYSIS BY LEGISLATIVE COUNCIL

1 The Land Conservation Fund consists of monies appropriated from the state
2 general fund and monies received as donations. \$20,000,000 was appropriated annually
3 for 11 years from the state general fund to the Land Conservation Fund. The final
4 appropriation is scheduled in fiscal year 2010-2011. Monies in the fund must be used to
5 award grants to:

- 6 1. Acquire and conserve state trust land or development rights in state trust land.
- 7 2. Implement conservation based management or reduce production on state
8 lands leased for agricultural purposes.

9
10 Proposition ____ would transfer the remaining balance in the Land Conservation
11 Fund to the state general fund.
