

Livestock Loss Board

PURPOSE: To address the depredation of wolves on livestock operations. The Committee shall: (1) establish and implement procedures to compensate landowners, lessees or livestock operators for wolf depredation on livestock; (2) establish requirements for landowners, lessees and livestock operators to report and demonstrate wolf depredation on livestock; (3) establish eligibility and application requirements to receive compensation for wolf depredation on livestock; (4) determine the compensation rate for each livestock animal depredated by wolves; (5) research and develop measures to prevent wolf depredation on livestock; and (6) establish procedures for landowners, lessees or livestock operators to appeal decisions of the Livestock Loss Board. The Board shall submit to the Governor, the President of the Senate and the Speaker of the House of Representatives on or before December 31 of each year a report of the number of applications for compensation, the total amount of monies provided to landowners, lessees and livestock operators that year and any recommendations. The Board shall provide a copy of this report to the Secretary of State.

MEMBERSHIP:

Other Two members who represent wildlife conservation or wildlife management, who have knowledge and experience with livestock production or management, appointed by the Governor and approved by the Senate:

Mr. Stephen Clark, Arizona Elk Society (7/1/2019)
