SPECIAL LINE ITEMS			
Biomedical Informatics	2,187,500	2,999,100	2,999,100
Downtown Phoenix Campus	57,632,300	73,502,300	81,182,600
Research Infrastructure Lease-Purchase Payment	13,555,000	13,555,000	13,555,000 ^{3/}
Prior Year Deferral Payment ^{4/}	0	36,622,300	74,760,400
Payment Deferral ^{4/}	(36,622,300)	(74,760,400)	(74,760,400)
AGENCY TOTAL	561,813,600	604,776,200	660,592,400^{5/6/7/}
FUND SOURCES			
General Fund	307,570,500	288,211,000	326,349,100 ^{8/9/}
<u>Other Appropriated Funds</u>			
University Collections Fund	254,243,100	316,565,200	334,243,300 ^{10/}
SUBTOTAL - Other Appropriated Funds	254,243,100	316,565,200	334,243,300
SUBTOTAL - Appropriated Funds	561,813,600	604,776,200	660,592,400
Other Non-Appropriated Funds	596,687,500	697,138,200	685,638,800
Federal Funds	220,984,600	175,534,500	187,448,100
TOTAL - ALL SOURCES	1,379,485,700	1,477,448,900	1,533,679,300

1/ The amounts include 329 FTE Positions and their associated funding above the original FY 2010 amounts.

2/ Includes 769.7 GF FTE Positions funded from Special Line Items in FY 2011.

3/ Includes \$13,555,000 from the General Fund appropriated by Laws 2003, Chapter 267 to finance lease-purchase payments for research infrastructure projects.

4/ Includes the Arizona State University - Tempe and Downtown Phoenix Campuses (ASU-Tempe/DPC) portion of a \$100,000,000 FY 2009 General Fund payment that was deferred until FY 2010, as authorized by Laws 2009, 1st Regular Session, Chapter 5 and as amended by Laws 2009, 1st Regular Session, Chapter 12. Also includes ASU-Tempe/DPC's portion of a \$200,000,000 FY 2010 General Fund payment that was deferred until FY 2011, including \$100,000,000 authorized by Laws 2009, 3rd Special Session, Chapter 9 and \$100,000,000 authorized by Laws 2010, 7th Special Session, Chapter 1 (the FY 2011 General Appropriation Act). The FY 2011 General Appropriation Act deferred \$200,000,000 from the FY 2011 General Fund payment until FY 2012. Each university's portion of the deferral is required to be proportional to the university's General Fund appropriation. The FY 2009 deferral for ASU-Tempe/DPC is as identified by the university, the FY 2010 deferral is an estimate and FY 2011 deferral is a proportional split by university campus, as was identified in the FY 2011 General Appropriation Act.

5/ The appropriated monies shall not be used for scholarships or any student newspaper. (General Appropriation Act footnote)

6/ The appropriated monies shall not be used by the Arizona State University College of Law Legal Clinic for any lawsuits involving inmates of the State Department of Corrections in which the state is the adverse party. (General Appropriation Act footnote)

7/ General Appropriation Act funds are appropriated as an Operating Lump Sum with Special Line Items by Agency.

8/ The state General Fund appropriations shall not be used for alumni association funding. (General Appropriation Act footnote)

9/ It is the intent of the Legislature that the General Fund base funding for Arizona State University - Tempe and Downtown Phoenix Campuses is \$312,794,100. This appropriation includes a deferral of \$74,760,400 from FY 2011 to FY 2012. This deferral shall be paid as required by Section 129 of this act. (General Appropriation Act footnote) The General Fund base funding of \$312,794,100 plus the \$13,555,000 in Laws 2003, Chapter 267 lease-purchase appropriations equals the FY 2011 total of \$326,349,100.

AGENCY DESCRIPTION — Established in 1885, Arizona State University (ASU) is one of 3 public universities governed by the Arizona Board of Regents (ABOR). As a primary research institution, ASU offers more than 273 baccalaureate, master's, doctoral and first professional degree programs to 55,552 full- and part-time students at its Tempe Campus. The Downtown Phoenix Campus (DPC), budgeted as a unit of the Tempe Campus, offers 51 degree programs to 11,503 full- and part-time students.

Operating Budget

The budget includes \$562,855,700 and 5,607.3 FTE Positions for the operating budget in FY 2011. These amounts consist of:

	FY 2011
General Fund	\$280,210,700
University Collections Fund	282,645,000

These amounts fund the following adjustments:

State Fiscal Stabilization Fund

The budget continues a decrease of \$(3,738,100) from the General Fund in FY 2011, as related to federal stimulus funding stipulations identified in Laws 2009, 3rd Special Session, Chapter 11, Section 15. Chapter 11 stipulates that if the state receives federal assistance from the State Fiscal Stabilization Fund established by the American Recovery and Reinvestment Act of 2009 (ARRA), university General Fund appropriations would be reduced by a total of \$(10,000,000). The ASU-Tempe/DPC reduction was allocated in the same manner that ABOR implemented universitywide reductions in FY 2009 and FY 2010. *(Please see more information on ARRA in the FY 2011 Baseline Summary Book and the ABOR narrative pages.)*

Enrollment Growth

The budget includes an increase of \$9,997,800 from the University Collections Fund in FY 2011 for enrollment growth.

Since enrollment growth contributes to an increase in university tuition and fee collections, the University Collections Fund amount reflects these additional revenues.

The budget includes no funding for General Fund enrollment growth. If General Fund enrollment growth was funded, it would have provided an increase of \$11,670,800. These amounts would have funded projected growth in student enrollment, as calculated by the part-statutory, part-conventional student enrollment funding formula. Formula growth is projected to grow by 1,538 full-time equivalent (FTE) students, to 32,106 FTE students for ASU-Tempe in FY 2011.

Laws 2009, 3rd Special Session, Chapter 9 requires the universities to separately report out-of-state student enrollment. The legislative intent was to use this information as a basis to exclude out-of-state students from enrollment growth calculations. As part of the enrollment calculation, the projected decline of (255) FTE out-of-state students was not included in the above calculation. Total out-of-state FTE students for ASU-Tempe are projected at 14,084 in FY 2011.

A.R.S. § 15-1661 codifies, for all state universities, the first calculation of the enrollment funding formula. This first step derives student enrollment, in units of FTE students, by weighing total earned credit hours according to 3 different academic levels. These weights are summarized below:

<u>Academic Level</u>	<u>Credit Hours/FTE</u>
Lower-Division Undergraduate	15
Upper-Division Undergraduate	12
Graduate and Professional	10

The second calculation of the enrollment funding formula, which does not appear in statute, projects student enrollment for the next academic year based on a weighted rolling average of the next, current, and prior academic years, with the current academic year receiving double the weight of each of the other 2 years.

The third calculation, which also does not appear in statute, adds or subtracts 1 faculty and 0.75 support FTE Position, and their associated General Fund costs, for every 22-FTE-student change. The average salary per FTE is \$70,100.

Biomedical Informatics

The budget includes \$2,999,100 and 19.7 FTE Positions from the General Fund for the Biomedical Informatics Department in FY 2011. These amounts are unchanged from FY 2010.

This multidisciplinary department incorporates computer science, biology, and engineering to organize and analyze medical data. The department is closely integrated with

10/ Any unencumbered balances remaining in the collections account on June 30, 2010 and all collections received by the university during the fiscal year, when paid into the State Treasury, are appropriated for operating expenditures, capital outlay and fixed charges. Earnings on state lands and interest on the investment of the Permanent Land Funds are appropriated in compliance with the Enabling Act and the Constitution of Arizona. No part of this appropriation may be expended for supplemental life insurance or supplemental retirement. Receipts from summer session, when deposited in the State Treasury, together with any unencumbered balance in the summer session account, are appropriated for the purpose of conducting summer sessions but are excluded from the amounts enumerated above. (General Appropriation Act footnote)

the University of Arizona Phoenix Medical Campus. (For more information on this campus, please see the University of Arizona - Health Sciences Center section.)

Downtown Phoenix Campus

The budget includes \$81,182,600 and 750 FTE Positions for programs headquartered at the Downtown Phoenix Campus (DPC) in FY 2011. These amounts consist of:

General Fund	29,584,300
University Collections Fund	51,598,300

These amounts fund the following adjustments:

Enrollment Growth

The budget includes an increase of \$7,680,300 from the University Collections Fund in FY 2011 for enrollment growth.

The budget includes no funding for General Fund enrollment growth. If General Fund enrollment growth was funded, it would have provided an increase of \$8,965,500. These amounts would have funded projected growth in student enrollment, as calculated by the part-statutory, part-conventional student enrollment funding formula. (For more information, please see the enrollment funding formula explanation in the Operating Budget section of this report.)

Formula growth is projected to grow by 1,182 full-time equivalent (FTE) students, to 4,749 FTE students for ASU-DPC in FY 2011.

Laws 2009, 3rd Special Session, Chapter 9 requires the universities to separately report out-of-state student enrollment. The legislative intent was to use this information as a basis to exclude out-of-state students from enrollment growth calculations. As part of the enrollment calculation, the projected growth of 242 FTE out-of-state students was not included in the above calculation. Total out-of-state FTE students at ASU-DPC are projected at 1,209 in FY 2011.

ASU first offered classes in downtown Phoenix in 1986, at the site of the former Phoenix Union High School. (That facility has been renovated to house the Phoenix Medical Campus.) In 1990, ASU relocated those classes across the street to a 160,000 square-foot, 4.5 acre facility known as the Mercado.

In fall of 2006, ASU opened the ASU Downtown Phoenix Campus, which currently houses the Colleges of Public Programs and Nursing and Healthcare Innovation, as well as the University College. The Cronkite School of Journalism and Mass Communication moved from the ASU Main Campus to the Downtown Phoenix Campus in the fall of 2008. KAET-TV/Channel 8, the Phoenix Public

Broadcasting Station, is scheduled to move to the campus in fall of 2009. ASU expects to house a total of 1,300 students in residence halls on its Downtown Phoenix Campus. The first phase of residence halls opened in the fall of 2008. The second phase of residence hall buildings opened in the fall of 2009.

ASU and the City of Phoenix have planned for a Downtown Phoenix Campus that encompasses 2 million square feet on 15 acres and roughly bordered by Fillmore, Van Buren, 3rd Street, and 1st Avenue. This location places the facility 2 city blocks from the Phoenix Medical Campus. A City of Phoenix bond election in March 2006 approved \$188,000,000 to acquire (through purchase or condemnation) the necessary land, renovate 300,000 square feet of existing facilities, and construct up to 400,000 square feet of new facilities. The renovation of existing facilities was completed in the fall of 2006. Construction of additional facilities for the College of Nursing and Health Care Innovation was completed in the fall of 2009.

In total, ASU's financial obligations include lease-purchase payments for the Mercado; all operations, utilities, maintenance, facilities security, building renewal, and non-capital equipment costs; a portion of interest charges for projects already underway; the construction and operation of parking facilities; and a Civic Center usage fee. Additionally, ASU will transfer without cost its ownership of the Mercado to the City of Phoenix once ASU has repaid the existing indebtedness.

ASU hopes to complete the development of the downtown campus by 2020, at which time the program would include housing for 4,000 students and also accommodate 15,000 students and 1,800 faculty and staff.

Research Infrastructure Lease-Purchase Payment

The budget includes \$13,555,000 from the General Fund for the Research Infrastructure Lease-Purchase Payment Special Line Item in FY 2011. This amount is unchanged from FY 2010.

Laws 2003, Chapter 267 appropriated a total of \$34,625,000 from the General Fund to the state university system from FY 2008 through FY 2031 to finance lease-purchase payments for research infrastructure project agreements entered into before July 1, 2006. Therefore, this funding does not appear in the General Appropriation Act. In total, the universities have issued \$482,500,000 in Certificates of Participation (COPs) for research infrastructure projects. Of this amount, ASU-Tempe/DPC has issued \$187,200,000 in COPs for the following projects:

- \$80,700,000 for the Biodesign Institute at ASU Building B;

- \$93,300,000 for the Interdisciplinary Science & Technology Buildings I and II;
- \$13,200,000 for the Arizona Biomedical Collaborative Building at the Downtown Phoenix Campus.

ASU-Tempe/DPC has completed each of these projects.

Prior Year Deferral Payment/Payment Deferral

The budget includes \$74,760,400 from the General Fund for FY 2010 payments that were deferred until FY 2011 and includes a FY 2011 General Fund payment deferral of \$(74,760,400) until FY 2012. The payment deferral is unchanged from FY 2010.

These amounts constitute a portion of a \$200,000,000 universitywide payment deferral for FY 2010 and FY 2011, pursuant to the General Appropriation Act (Laws 2010, 7th Special Session, Chapter 1) and the FY 2009 Higher Education Budget Reconciliation Bill (Laws 2009, 3rd Special Session, Chapter 9). An FY 2009 payment of \$100,000,000 was also deferred until FY 2010. *(Please see the ABOR budget narrative pages for more information.)*

Other Issues

5% FTE Position Reduction

Laws 2009, 3rd Special Session, Chapter 11, Section 17 mandated a 5% General Fund FTE Position reduction by February 1, 2010. This provision required ASU-Tempe/DPC to reduce 133 General Fund FTE Positions in FY 2010 and an additional 185 General Fund FTE Positions in FY 2011. These changes have been incorporated in the agency's budget.
