**AGENCY DESCRIPTION** — The Arizona Power Authority (APA) manages Arizona’s allocation of hydroelectric power from the Hoover Dam for the benefit of the state. Within the scope of that management, APA cooperates with federal, state, and non-governmental agencies to address regulatory and environmental matters that impact electric and water uses of the Colorado River. In addition, the APA serves as an informational resource for its customers on electricity utilization. APA is not subject to appropriation.

**Additional Legislation**

**Agency Continuance, Hearings, and Audit**

Laws 2016, Chapter 107 continues the APA for 8 years (until July 1, 2024); instructs the Office of Administrative Hearings to conduct hearings on appeals or proceedings, orders, or actions of the APA; and requires the Auditor General to conduct a performance audit on the APA and submit the report to the Legislature by December 31, 2016. Prior to Chapter 107, the APA Commission could conduct administrative hearings acting as an administrative law judge without the services or personnel of the Office of Administrative Hearings.
