Phoenix, AZ 85007

Dear Ms. Douglas:

Pursuant to A.R.S. § 41-1276, the Joint Legislative Budget Committee is responsible to inform you by March 15 of each year of the Truth in Taxation (TNT) rates for the following fiscal year.

The TNT rates for equalization assistance to school districts consist of the qualifying tax rate (QTR) and the state equalization assistance property tax rate (SETR), both of which are used in the K-12 school funding formula. Based on the latest available net assessed value information, we have calculated the FY 2017 TNT rates.

The new QTR and SETR for FY 2017 are shown in the table below. Please note that if there are revisions to the QTR and SETR subsequent to the distribution of this memo, we will provide you with updated information at that time.

FY 2017 TRUTH IN TAXATION RATES
