**Agency Description** — *The board reviews cases involving violations of the state's occupational safety and health laws. The cases start with an informal conference with the Industrial Commission's Occupational Safety and Health Division Director. If the case cannot be resolved, the employer can request a hearing before an Industrial Commission Administrative Law Judge. If either the Director of the Occupational Safety and Health Division or the employer disagrees with the ruling, it can be appealed before the Occupational Safety and Health Review Board.*
