38 preparing for sale or commercial use any livestock, agricultural or
39 horticultural product or any other product, article, substance or commodity
40 and who sells the product of such business at retail in this state is deemed,

- 45 under this subsection, the retailer shall register with the department as a

1 solar energy retailer. By registering, the retailer acknowledges that it
2 will make its books and records relating to sales of solar energy devices
3 available to the department for examination.

4 O. In computing the tax base in the case of the sale or transfer of
5 wireless telecommunications equipment as an inducement to a customer to enter
6 into or continue a contract for telecommunications services that are taxable
7 under section 42-5064, gross proceeds of sales or gross income does not
8 include any sales commissions or other compensation received by the retailer
9 as a result of the customer entering into or continuing a contract for the
10 telecommunications services.

11 P. For the purposes of this section, a sale of wireless
12 telecommunications equipment to a person who holds the equipment for sale or
13 transfer to a customer as an inducement to enter into or continue a contract
14 for telecommunications services that are taxable under section 42-5064 is

24 pipeline.

25 S. If a seller is entitled to a deduction pursuant to subsection B,
26 paragraph 16, subdivision (b) of this section, the department may require the
27 purchaser to establish that the requirements of subsection B, paragraph 16,
28 subdivision (b) of this section have been satisfied. If the purchaser cannot
29 establish that the requirements of subsection B, paragraph 16, subdivision
30 (b) of this section have been satisfied, the purchaser is liable in an amount
31 equal to any tax, penalty and interest which the seller would have been
32 required to pay under article 1 of this chapter if the seller had not made a
33 deduction pursuant to subsection B, paragraph 16, subdivision (b) of this
34 section. Payment of the amount under this subsection exempts the purchaser
35 from liability for any tax imposed under article 4 of this chapter and
36 related to the tangible personal property purchased. The amount shall be
37 treated as transaction privilege tax to the purchaser and as tax revenues
38 collected from the seller to designate the distribution base pursuant to
39 section 42-5029.

6 corresponding use tax exemption to the tax imposed by article 1 of this
7 chapter and the rate of the tax in the purchaser's state of residence is
8 lower than the rate prescribed in article 1 of this chapter, and the
9 nonresident has secured a special ninety day nonresident registration permit
10 for the vehicle as prescribed by sections 28-2154 and 28-2154.01, there shall
11 be deducted from the tax base a portion of the gross proceeds or gross income
12 from the sale so that the amount of transaction privilege tax that is paid in
13 this state is equal to the excise tax that is imposed by the purchaser's
14 state of residence on the nonexempt sale or use of the motor vehicle.
