3 read:

4 11-829. Amendment of ordinance or change of zoning district
5 boundaries: definition

6 A. A property owner or authorized agent of a property owner desiring
7 an amendment or change in the zoning ordinance changing the zoning district
8 boundaries within an area previously zoned shall file an application for the
9 amendment or change. All zoning and rezoning ordinances, regulations or
10 specific plans adopted under this article shall be consistent with and
11 conform to the adopted county plan. In the case of uncertainty in
12 constructing or applying the conformity of any part of a proposed rezoning
13 ordinance to the adopted county plan, the ordinance shall be construed in a
14 manner that will further the implementation of, and not be contrary to, the
15 goals, policies and applicable elements of the county plan. A rezoning
16 ordinance conforms with the county plan if it proposes land uses, densities
17 or intensities within the range of identified uses, densities and intensities
18 of the county plan.

19 B. The board of supervisors shall adopt by ordinance a citizen review
20 process that applies to all rezoning and specific plan applications that
21 require a public hearing. The citizen review process shall include at least
22 the following requirements:

23 1. Adjacent landowners and other potentially affected citizens will be
24 notified of the application.

1 2. The county will inform adjacent landowners and other potentially
2 affected citizens of the substance of the proposed rezoning.

3 3. Adjacent landowners and other potentially affected citizens will be
4 provided an opportunity to express any issues or concerns that they may have
5 with the proposed rezoning before the public hearing.

6 C. Upon receipt of the application the board shall submit it to the
7 commission for a report. Prior to reporting to the board, the commission
8 shall hold at least one public hearing thereon after giving at least fifteen
9 days' notice thereof by one publication in a newspaper of general circulation
10 in the county seat and by posting of the area included in the proposed
11 change. If the matter to be considered applies to territory in a high noise
12 or accident potential zone as defined in section 28-8461, the notice shall
13 include a general statement that the matter applies to property located in
14 the high noise or accident potential zone. In case of a rezoning, the
15 posting shall be in no less than two places with at least one notice for each
16 quarter mile of frontage along perimeter public rights-of-way so that the
17 notices are visible from the nearest public right-of-way. The commission
18 shall also send notice by first class mail to each real property owner as
19 shown on the last assessment of the property within three hundred feet of the
20 proposed amendment or change and each county and municipality which is
21 contiguous to the area of the amendment or change. In proceedings involving
22 rezoning of land that is located within territory in the vicinity of a
23 military airport or ancillary military facility as defined in section
24 28-8461, the commission shall send copies of the notice of public hearing by
25 first class mail to the military airport. The notice sent by mail shall
26 include, at a minimum, the date, time and place of the hearing on the
27 proposed amendment or change including a general explanation of the matter to
28 be considered, ~~AND~~ **AND** a general description of the area of the proposed
29 amendment or change. ~~FOR THOSE COUNTIES WITH FIVE OR MORE SUPERVISORS,~~
30 **THE NOTICE MUST INCLUDE A GENERAL DESCRIPTION OF** how the real property owners
31 within the zoning area may file approvals or protests of the proposed
32 rezoning, and notification that if twenty per cent of the property owners by

1 area and number within the zoning area file protests, an affirmative vote of
2 three-fourths of all members of the board will be required to approve the
3 rezoning. The following specific notice provisions also apply:

4 1. In proceedings that are initiated by the commission involving
5 rezoning, notice by first class mail shall be sent to each real property
6 owner, as shown on the last assessment of the property, of the area to be
7 rezoned and all property owners, as shown on the last assessment of the
8 property, within three hundred feet of the property to be rezoned.

9 2. In proceedings involving one or more of the following proposed
10 changes or related series of changes in the standards governing land uses,
11 notice shall be provided in the manner prescribed by paragraph 3 of this
12 subsection:

13 (a) A ten per cent or more increase or decrease in the number of
14 square feet or units that may be developed.

15 (b) A ten per cent or more increase or reduction in the allowable
16 height of buildings.

17 (c) An increase or reduction in the allowable number of stories of
18 buildings.

19 (d) A ten per cent or more increase or decrease in setback or open
20 space requirements.

21 (e) An increase or reduction in permitted uses.

22 3. In proceedings governed by paragraph 2 of this subsection, the
23 county shall provide notice to real property owners pursuant to at least one
24 of the following notification procedures:

25 (a) Notice shall be sent by first class mail to each real property
26 owner, as shown on the last assessment, whose real property is directly
27 affected by the changes.

28 (b) If the county issues utility bills or other mass mailings that
29 periodically include notices or other informational or advertising materials,
30 the county shall include notice of such changes with such utility bills or
31 other mailings.

1 (c) The county shall publish such changes prior to the first hearing
2 on such changes in a newspaper of general circulation in the county. The
3 changes shall be published in a display advertisement covering not less than
4 one-eighth of a full page.

5 4. If notice is provided pursuant to paragraph 3, subdivision (b) or
6 (c) of this subsection, the county shall also send notice by first class mail
7 to persons who register their names and addresses with the county as being
8 interested in receiving such notice. The county may charge a fee not to
9 exceed five dollars per year for providing this service and may adopt
10 procedures to implement this paragraph.

11 5. Notwithstanding the notice requirements set forth in paragraph 2 of
12 this subsection, the failure of any person or entity to receive notice shall
13 not constitute grounds for any court to invalidate the actions of a county
14 for which the notice was given.

15 D. If the planning commission or hearing officer has held a public
16 hearing, the board may adopt the recommendations of the planning commission
17 or hearing officer through use of a consent calendar without holding a second
18 public hearing if there is no objection, request for public hearing or other
19 protest. If there is an objection, a request for public hearing or a
20 protest, the board shall hold a public hearing thereon at least fifteen days'
21 notice of which shall be given by one publication in a newspaper of general
22 circulation in the county seat and by posting the area included in the
23 proposed change. In counties with territory in the vicinity of a military
24 airport or ancillary military facility as defined in section 28-8461, the
25 board shall hold a public hearing if, after notice is mailed to the military
26 airport pursuant to subsection C of this section and before the public
27 hearing, the military airport provides comments or analysis concerning the
28 compatibility of the proposed rezoning with the high noise or accident
29 potential generated by military airport or ancillary military facility
30 operations that may have an adverse impact on public health and safety, and
31 the board shall consider and analyze the comments or analysis before making a
32 final determination. After holding the hearing the board may adopt the

1 amendment BY A MAJORITY VOTE OF THE BOARD FOR THOSE COUNTIES WITH FEWER THAN
2 FIVE SUPERVISORS. ~~,-but~~ If twenty per cent of the owners of property by area
3 and number within the zoning area file a protest to the proposed change, the
4 change shall not be made except by a three-fourths vote of all members of the
5 board FOR THOSE COUNTIES WITH FIVE OR MORE SUPERVISORS. If any members of
6 the board are unable to vote on the question because of a conflict of
7 interest, the required number of votes for the passage of the question is
8 three-fourths of the remaining membership of the board FOR THOSE COUNTIES
9 WITH FIVE OR MORE SUPERVISORS, except that the required number of votes in no
10 event shall be less than a majority of the full membership of the board. In
11 calculating the owners by area, only that portion of a lot or parcel of
12 record situated within three hundred feet of the property to be rezoned shall
13 be included. In calculating the owners by number or area, county property
14 and public rights-of-way shall not be included.

15 E. The planning commission, on its own motion, may propose an
16 amendment to the zoning ordinance and, after holding a public hearing as
17 required by this chapter, may transmit the proposal to the board which shall
18 thereupon proceed as set forth in this chapter for any other amendment.

19 F. Notwithstanding title 19, chapter 1, article 4, a decision by the
20 governing body involving rezoning of land which is not owned by the county
21 and which changes the zoning classification of such land or which changes the
22 zoning standards of such land as set forth in subsection C, paragraph 2 of
23 this section may not be enacted as an emergency measure and such a change
24 shall not be effective for at least thirty days after final approval of the
25 change in classification by the board. Unless a resident files a written
26 objection with the board of supervisors, the rezoning may be enacted as an
27 emergency measure that becomes effective immediately by a four-fifths
28 majority vote of the board for those counties with five or more supervisors
29 or a two-thirds majority vote of the board for those counties with ~~less~~ FEWER
30 than five supervisors.

31 G. The legislature finds that a rezoning of land that changes the
32 zoning classification of the land or that restricts the use or reduces the

1 value of the land is a matter of statewide concern. Such a change in zoning
2 that is initiated by the governing body or zoning body shall not be made
3 without the express written consent of the property owner. In applying an
4 open space element or a growth element of a county plan, a parcel of land
5 shall not be rezoned for open space, recreation, conservation or agriculture
6 unless the owner of the land consents to the rezoning in writing. For the
7 purposes of this subsection, rezoning does not include the creation or
8 expansion of overlay zones solely for the purpose of implementing airport
9 safety and protection. Rezoning also does not include the redesignation of
10 areas of the county to which the residential provisions of the county
11 building codes apply or do not apply. The county shall not adopt any change
12 in a zoning classification to circumvent the purpose of this subsection.

13 H. For the purposes of this section, "zoning area" means the area
14 within three hundred feet of the proposed amendment or change."
