6 hearing suspends the imposition of a suspension without pay or a dismissal
7 pending completion of the hearing.

8 23. Notwithstanding sections 13-3108 and 13-3120, prescribe and enforce
9 policies and procedures that prohibit a person from carrying or possessing a

17 a statewide private entity that supervises interscholastic activities, to
18 inform and educate coaches, pupils and parents of the dangers of concussions
19 and head injuries and the risks of continued participation in athletic
20 activity after a concussion. The policies and procedures shall require that,
21 before a pupil participates in an athletic activity, the pupil and the
22 pupil's parent must sign an information form at least once each school year
23 that states that the parent is aware of the nature and risk of concussion.
24 The policies and procedures shall require that a pupil who is suspected of
25 sustaining a concussion in a practice session, game or other interscholastic

33 participation in athletic activity from a health care provider who has been
34 trained in the evaluation and management of concussions and head injuries. A
35 health care provider who is a volunteer and who provides clearance to
36 participate in athletic activity on the day of the suspected injury or on a
37 subsequent day is immune from civil liability with respect to all decisions
38 made and actions taken that are based on good faith implementation of the
39 requirements of this subdivision, except in cases of gross negligence or
40 wanton or wilful neglect. A school district, school district employee, team
41 coach, official, ~~OR~~ team volunteer or a parent or guardian of a team member

45 organization that uses property or facilities owned or operated by a school

1 district for athletic activities shall comply with the requirements of this
2 subdivision. A school district and its employees and volunteers are not
3 subject to civil liability for any other person or organization's failure or
4 alleged failure to comply with the requirements of this subdivision. This
5 subdivision does not apply to teams that are based in another state and that
6 participate in an athletic activity in this state. For the purposes of this
7 subdivision, athletic activity does not include dance, rhythmic gymnastics,
8 competitions or exhibitions of academic skills or knowledge or other similar
9 forms of physical noncontact activities, civic activities or academic
10 activities, whether engaged in for the purposes of competition or recreation.

15 physician assistant who is licensed pursuant to title 32, chapter 25.

16 25. Prescribe and enforce policies and procedures regarding the smoking
17 of tobacco within school buildings. The policies and procedures shall be
18 adopted in consultation with school district personnel and members of the
19 community and shall state whether smoking is prohibited in school buildings.
20 If smoking in school buildings is not prohibited, the policies and procedures
21 shall clearly state the conditions and circumstances under which smoking is
22 permitted, those areas in a school building that may be designated as smoking
23 areas and those areas in a school building that may not be designated as
24 smoking areas.

25 26. Establish an assessment, data gathering and reporting system as

34 compensation and secure performance and payment bonds for all construction
35 projects.

36 30. Keep on file the resumes of all current and former employees who
37 provide instruction to pupils at a school. Resumes shall include an
38 individual's educational and teaching background and experience in a
39 particular academic content subject area. A school district shall inform
40 parents and guardians of the availability of the resume information and shall
41 make the resume information available for inspection on request of parents
42 and guardians of pupils enrolled at a school. ~~Nothing in~~ This paragraph
43 shall NOT be construed to require any school to release personally

5 13-706 or that involves a deadly weapon or dangerous instrument or serious
6 physical injury and any conduct that poses a threat of death or serious
7 physical injury to employees, students or anyone on the property of the
8 school. This paragraph does not limit or preclude the reporting by a school
9 district or an employee of a school district of suspected crimes other than
10 those required to be reported by this paragraph. For the purposes of this
11 paragraph, "dangerous instrument", "deadly weapon" and "serious physical
12 injury" have the same meanings prescribed in section 13-105.

13 32. In conjunction with local law enforcement agencies and local
14 medical facilities, develop an emergency response plan for each school in the

21 include the reasons for the proposed closure and the time and place of the
22 meeting. The governing board shall fix a time for a public meeting on the
23 proposed closure no less than ten days before voting in a public meeting to
24 close the school. The school district governing board shall give notice of
25 the time and place of the meeting. At the time and place designated in the
26 notice, the school district governing board shall hear reasons for or against
27 closing the school. The school district governing board is exempt from this
28 paragraph if it is determined by the governing board that the school shall be
29 closed because it poses a danger to the health or safety of the pupils or
30 employees of the school. A governing board may consult with the school
31 facilities board for technical assistance and for information on the impact
32 of closing a school. The information provided from the school facilities
33 board shall not require the governing board to take or not take any action.

35 existing curricula.

36 35. Prescribe and enforce policies and procedures allowing pupils who
37 have been diagnosed with anaphylaxis by a health care provider licensed

39 practitioner licensed and certified pursuant to title 32, chapter 15 to carry
40 and self-administer emergency medications, including auto-injectable
41 epinephrine, while at school and at school sponsored activities. The pupil's
42 name on the prescription label on the medication container or on the
43 medication device and annual written documentation from the pupil's parent or
44 guardian to the school that authorizes possession and self-administration is
45 sufficient proof that the pupil is entitled to the possession and

1 self-administration of the medication. The policies shall require a pupil
2 who uses auto-injectable epinephrine while at school and at school sponsored
3 activities to notify the nurse or the designated school staff person of the
4 use of the medication as soon as practicable. A school district and its
5 employees are immune from civil liability with respect to all decisions made
6 and actions taken that are based on good faith implementation of the
7 requirements of this paragraph, except in cases of wanton or wilful neglect.

8 36. Allow the possession and self-administration of prescription
9 medication for breathing disorders in handheld inhaler devices by pupils who
10 have been prescribed that medication by a health care professional licensed
11 pursuant to title 32. The pupil's name on the prescription label on the
12 medication container or on the handheld inhaler device and annual written
13 documentation from the pupil's parent or guardian to the school that
14 authorizes possession and self-administration shall be sufficient proof that
15 the pupil is entitled to the possession and self-administration of the
16 medication. A school district and its employees are immune from civil
17 liability with respect to all decisions made and actions taken that are based
18 on a good faith implementation of the requirements of this paragraph.

19 37. Prescribe and enforce policies and procedures to prohibit pupils
20 from harassing, intimidating and bullying other pupils on school grounds, on
21 school property, on school buses, at school bus stops, at school sponsored

35 (c) A requirement that, at the beginning of each school year, school

37 and support services available to a pupil who is an alleged victim of an
38 incident reported pursuant to this paragraph.

39 (d) If an incident is reported pursuant to this paragraph, a
40 requirement that school officials provide a pupil who is an alleged victim of

44 harassment, intimidation or bullying and for the confidentiality, maintenance
45 and disposition of this documentation. School districts shall maintain

1 documentation of all incidents reported pursuant to this paragraph for at
2 least six years. The school shall not use that documentation to impose
3 disciplinary action unless the appropriate school official has investigated
4 and determined that the reported incidents of harassment, intimidation or
5 bullying occurred. If a school provides documentation of reported incidents
6 to persons other than school officials or law enforcement, all individually
7 identifiable information shall be redacted.

8 (f) A formal process for the investigation by the appropriate school
9 officials of suspected incidents of harassment, intimidation or bullying,
10 including procedures for notifying the alleged victim on completion and
11 disposition of the investigation.

12 (g) Disciplinary procedures for pupils who have admitted or been found
13 to have committed incidents of harassment, intimidation or bullying.

14 (h) A procedure that sets forth consequences for submitting false
15 reports of incidents of harassment, intimidation or bullying.

26 affected.

27 (c) A procedure to notify the residents of the households affected by
28 the attendance boundary changes.

29 (d) A process for placing public meeting notices and proposed maps on
30 the school district's website for public review, if the school district
31 maintains a website.

32 (e) A formal process for presenting the attendance boundaries of the
33 affected area in public meetings that allows public comments.

34 (f) A formal process for notifying the residents and parents or
35 guardians of the affected area as to the decision of the governing board on
36 the school district's website, if the school district maintains a website.

37 (g) A formal process for updating attendance boundaries on the school
38 district's website within ninety days of an adopted boundary change. The
39 school district shall send a direct link to the school district's attendance
40 boundaries website to the department of real estate.

41 (h) If the land that a school was built on was donated within the past
42 five years, a formal process to notify the entity that donated the land
43 affected by the decision of the governing board.

44 39. If the state board of education determines that the school district
45 has committed an overexpenditure as defined in section 15-107, provide a copy

1 of the fiscal management report submitted pursuant to section 15-107,
2 subsection H on its website and make copies available to the public on
3 request. The school district shall comply with a request within five
4 business days after receipt.

5 40. Ensure that the contract for the superintendent is structured in a
6 manner in which up to twenty per cent of the total annual salary included for
7 the superintendent in the contract is classified as performance pay. ~~Nothing~~
8 ~~is~~ This paragraph shall NOT be construed to require school districts to
9 increase total compensation for superintendents. Unless the school district
10 governing board votes to implement an alternative procedure at a public
11 meeting called for this purpose, the performance pay portion of the
12 superintendent's total annual compensation shall be determined as follows:

13 (a) Twenty-five per cent of the performance pay shall be determined
14 based on the percentage of academic gain determined by the department of
15 education of pupils who are enrolled in the school district compared to the
16 academic gain achieved by the highest ranking of the fifty largest school
17 districts in this state. For the purposes of this subdivision, the
18 department of education shall determine academic gain by the academic growth
19 achieved by each pupil who has been enrolled at the same school in a school
20 district for at least five consecutive months measured against that pupil's
21 academic results in the 2008-2009 school year. For the purposes of this
22 subdivision, of the fifty largest school districts in this state, the school
23 district with pupils who demonstrate the highest statewide percentage of
24 overall academic gain measured against academic results for the 2008-2009
25 school year shall be assigned a score of 100 and the school district with
26 pupils who demonstrate the lowest statewide percentage of overall academic
27 gain measured against academic results for the 2008-2009 school year shall be
28 assigned a score of 0.

29 (b) Twenty-five per cent of the performance pay shall be determined by
30 the percentage of parents of pupils who are enrolled at the school district
31 who assign a letter grade of "A" to the school on a survey of parental
32 satisfaction with the school district. The parental satisfaction survey
33 shall be administered and scored by an independent entity that is selected by
34 the governing board and that demonstrates sufficient expertise and experience
35 to accurately measure the results of the survey. The parental satisfaction
36 survey shall use standard random sampling procedures and provide anonymity
37 and confidentiality to each parent who participates in the survey. The
38 letter grade scale used on the parental satisfaction survey shall direct
39 parents to assign one of the following letter grades:

- 40 (i) A letter grade of "A" if the school district is excellent.
- 41 (ii) A letter grade of "B" if the school district is above average.
- 42 (iii) A letter grade of "C" if the school district is average.
- 43 (iv) A letter grade of "D" if the school district is below average.
- 44 (v) A letter grade of "F" if the school district is a failure.

1 (c) Twenty-five per cent of the performance pay shall be determined by
2 the percentage of teachers who are employed at the school district and who
3 assign a letter grade of "A" to the school on a survey of teacher
4 satisfaction with the school. The teacher satisfaction survey shall be
5 administered and scored by an independent entity that is selected by the
6 governing board and that demonstrates sufficient expertise and experience to
7 accurately measure the results of the survey. The teacher satisfaction
8 survey shall use standard random sampling procedures and provide anonymity
9 and confidentiality to each teacher who participates in the survey. The
10 letter grade scale used on the teacher satisfaction survey shall direct
11 teachers to assign one of the following letter grades:

- 12 (i) A letter grade of "A" if the school district is excellent.
- 13 (ii) A letter grade of "B" if the school district is above average.
- 14 (iii) A letter grade of "C" if the school district is average.
- 15 (iv) A letter grade of "D" if the school district is below average.
- 16 (v) A letter grade of "F" if the school district is a failure.
- 17 (d) Twenty-five per cent of the performance pay shall be determined by
18 other criteria selected by the governing board.

19 41. Maintain and store permanent public records of the school district
20 as required by law. Notwithstanding section 39-101, the standards adopted by
21 the Arizona state library, archives and public records for the maintenance
22 and storage of school district public records shall allow school districts to
23 elect to satisfy the requirements of this paragraph by maintaining and
24 storing these records either on paper or in an electronic format, or a
25 combination of a paper and electronic format.

26 42. IF THE SCHOOL DISTRICT MAINTAINS A WEBSITE, POST A LINK TO THE
27 WEBSITE OF THE APPROPRIATE COUNTY OFFICE WHERE CAMPAIGN FINANCE REPORTS ARE
28 AVAILABLE FOR CANDIDATES FOR MEMBERSHIP ON THE SCHOOL DISTRICT GOVERNING
29 BOARD. THE COUNTY'S WEBSITE SHALL ALSO LIST THE NAMES OF GOVERNING BOARD
30 CANDIDATES WHO HAVE FILED A FIVE HUNDRED DOLLAR THRESHOLD EXEMPTION
31 STATEMENT. IF THE SCHOOL DISTRICT DOES NOT MAINTAIN A WEBSITE, THE SCHOOL
32 DISTRICT SHALL NOTIFY EACH RESIDENT OF THE SCHOOL DISTRICT OF THE APPROPRIATE
33 COUNTY OFFICE WHERE CAMPAIGN FINANCE REPORTS ARE AVAILABLE.

34 B. Notwithstanding subsection A, paragraphs 7, 9 and 11 of this
35 section, the county school superintendent may construct, improve and furnish
36 school buildings or purchase or sell school sites in the conduct of an
37 accommodation school.

38 C. If any school district acquires real or personal property, whether
39 by purchase, exchange, condemnation, gift or otherwise, the governing board
40 shall pay to the county treasurer any taxes on the property that were unpaid
41 as of the date of acquisition, including penalties and interest. The lien
42 for unpaid delinquent taxes, penalties and interest on property acquired by a
43 school district:

- 44 1. Is not abated, extinguished, discharged or merged in the title to
45 the property.

1 2. Is enforceable in the same manner as other delinquent tax liens.

2 D. The governing board may not locate a school on property that is
3 less than one-fourth mile from agricultural land regulated pursuant to
4 section 3-365, except that the owner of the agricultural land may agree to
5 comply with the buffer zone requirements of section 3-365. If the owner
6 agrees in writing to comply with the buffer zone requirements and records the
7 agreement in the office of the county recorder as a restrictive covenant
8 running with the title to the land, the school district may locate a school
9 within the affected buffer zone. The agreement may include any stipulations
10 regarding the school, including conditions for future expansion of the school
11 and changes in the operational status of the school that will result in a
12 breach of the agreement.

13 E. A school district, its governing board members, its school council
14 members and its employees are immune from civil liability for the
15 consequences of adoption and implementation of policies and procedures
16 pursuant to subsection A of this section and section 15-342. This waiver
17 does not apply if the school district, its governing board members, its
18 school council members or its employees are guilty of gross negligence or
19 intentional misconduct.

20 F. A governing board may delegate in writing to a superintendent,
21 principal or head teacher the authority to prescribe procedures that are
22 consistent with the governing board's policies.

23 G. Notwithstanding any other provision of this title, a school
24 district governing board shall not take any action that would result in a
25 reduction of pupil square footage unless the governing board notifies the
26 school facilities board established by section 15-2001 of the proposed action
27 and receives written approval from the school facilities board to take the
28 action. A reduction includes an increase in administrative space that
29 results in a reduction of pupil square footage or sale of school sites or
30 buildings, or both. A reduction includes a reconfiguration of grades that
31 results in a reduction of pupil square footage of any grade level. This
32 subsection does not apply to temporary reconfiguration of grades to
33 accommodate new school construction if the temporary reconfiguration does not
34 exceed one year. The sale of equipment that results in a reduction that
35 falls below the equipment requirements prescribed in section 15-2011,
36 subsection B is subject to commensurate withholding of school district
37 capital outlay revenue limit monies pursuant to the direction of the school
38 facilities board. Except as provided in section 15-342, paragraph 10,
39 proceeds from the sale of school sites, buildings or other equipment shall be
40 deposited in the school plant fund as provided in section 15-1102.

41 H. Subsections C through G of this section apply to a county board of
42 supervisors and a county school superintendent when operating and
43 administering an accommodation school.
