16 consist of monies paid into it in accordance with subsections D and F of this
17 section and legislative appropriations to the account. All monies in the
18 fund are exempt from the provisions of section 35-190 relating to lapsing of
19 appropriations.

20 B. The director shall make a recommendation for the allocation of a
21 varying sum to the capital outlay stabilization fund each year. No part of
22 the fund may be expended without specific appropriation from the legislature.

25 using space in a building owned by or leased to the state shall pay rental
26 and tenant improvement labor costs as prescribed in subsection D, E or F of
