36 personal property and gross income from services.

37 H. If a person is engaged in the business of selling tangible personal
38 property at both wholesale and retail, the tax under this section applies

8 wireless telecommunications equipment as an inducement to a customer to enter
9 into or continue a contract for telecommunications services that are taxable
10 under section 42-5064, gross proceeds of sales or gross income does not
11 include any sales commissions or other compensation received by the retailer
12 as a result of the customer entering into or continuing a contract for the
13 telecommunications services.

14 P. For the purposes of this section, a sale of wireless
15 telecommunications equipment to a person who holds the equipment for sale or
16 transfer to a customer as an inducement to enter into or continue a contract
17 for telecommunications services that are taxable under section 42-5064 is
18 considered to be a sale for resale in the regular course of business.

32 paragraph 16, subdivision (b) of this section, the department may require the

34 subdivision (b) of this section have been satisfied. If the purchaser cannot
35 establish that the requirements of subsection B, paragraph 16, subdivision
36 (b) of this section have been satisfied, the purchaser is liable in an amount
37 equal to any tax, penalty and interest which the seller would have been
38 required to pay under article 1 of this chapter if the seller had not made a
39 deduction pursuant to subsection B, paragraph 16, subdivision (b) of this
40 section. Payment of the amount under this subsection exempts the purchaser
41 from liability for any tax imposed under article 4 of this chapter and
42 related to the tangible personal property purchased. The amount shall be
43 treated as transaction privilege tax to the purchaser and as tax revenues
44 collected from the seller to designate the distribution base pursuant to
45 section 42-5029.

2 separately account for revenues collected under the retail classification

10 nonresident of this state, if the purchaser's state of residence allows a
11 corresponding use tax exemption to the tax imposed by article 1 of this
12 chapter and the rate of the tax in the purchaser's state of residence is
13 lower than the rate prescribed in article 1 of this chapter or if the
14 purchaser's state of residence does not impose an excise tax, and the
15 nonresident has secured a special ninety day nonresident registration permit
16 for the vehicle as prescribed by sections 28-2154 and 28-2154.01, there shall
17 be deducted from the tax base a portion of the gross proceeds or gross income
18 from the sale so that the amount of transaction privilege tax that is paid in
19 this state is equal to the excise tax that is imposed by the purchaser's
20 state of residence on the nonexempt sale or use of the motor vehicle.

46 wares or articles of manufacture.

1 4. "Overhead materials" means tangible personal property, the gross

5 expense account and allocated to various contracts based upon generally
6 accepted accounting principles and consistent with government contract
7 accounting standards.
