7 director and transact other business properly brought before the commission.

8 B. The commission shall oversee a state lottery to produce the maximum

7 with a qualified provider through a competitive sealed proposal process as
8 provided by the procurement practices adopted by the state board of
9 education.

10 B. A school district may enter into a guaranteed energy cost savings
11 contract with a qualified provider if it determines that the amount it would
12 spend on the energy cost savings measures recommended in the proposal would
13 not exceed the amount to be saved in energy and operational costs over the
14 expected life of the energy cost savings measures implemented or within
15 twenty-five years, whichever is shorter, after the date installation or
16 implementation is complete, if the recommendations in the proposal are
17 followed. The school district shall retain the cost savings achieved by a

22 qualified provider, including the cost of the contract, the energy and
23 operational cost savings, the net projected energy savings, the quality of
24 the technical approach, the quality of the project management plan, the
25 financial solvency of the qualified provider and the experience of the
26 qualified provider with projects of similar size and scope. The school
27 district shall set forth each criterion with its respective numerical
28 weighting in the request for proposal.

33 contractor is adequately bonded to perform the work and that the contractor
34 has not failed to perform on a prior job.

35 E. A study shall be performed by the selected qualified provider in
36 order to establish the exact scope of the guaranteed energy cost savings
37 contract, the fixed cost savings guarantee amount and the methodology for
38 determining actual savings. This report shall be reviewed and approved by
39 the school district before the actual installation of any equipment. The
40 qualified provider shall transmit a copy of the approved study to the school
41 facilities board and the ~~department of commerce~~ GOVERNOR'S energy office.

42 F. The guaranteed energy cost savings contract shall require that, in
43 determining whether the projected energy savings calculations have been met,
44 the energy or operational cost savings shall be computed by comparing the
45 energy baseline before installation or implementation of the energy cost

1 savings measures with the energy consumed and operational costs avoided after
2 installation or implementation of the energy cost savings measures. The
3 qualified provider and the school district may agree to make modifications to
4 the energy baseline only for any of the following:

- 13 8. Significant changes in the nature or intensity of energy use such
14 as the change of classroom space to laboratory space.

15 G. The information to develop the energy baseline shall be derived
16 from actual energy measurements or shall be calculated from energy
17 measurements at the facility where energy cost savings measures are to be
18 installed or implemented. The measurements shall be taken in the year
19 preceding the installation or implementation of energy cost savings measures.

20 H. When submitting a proposal for the installation of equipment, the
21 qualified provider shall include information on the projected energy savings
22 associated with each proposed energy cost savings measure.

23 I. A school district, or two or more school districts, may enter into
24 an installment payment contract or lease-purchase agreement with a qualified
25 provider for the purchase and installation or implementation of energy cost
26 savings measures. The guaranteed energy cost savings contract may provide
27 for payments over a period of not more than the expected life of the energy
28 cost savings measures implemented or twenty-five years, whichever is shorter.
29 The contract shall provide that all payments, except obligations on
30 termination of the contract before its expiration, shall be made over time.

31 J. The guaranteed energy cost savings contract shall include a written
32 guarantee of the qualified provider that either the energy or operational
33 costs savings, or both, will meet or exceed the costs of the energy cost
34 savings measures over the expected life of the energy cost savings measures
35 implemented or within twenty-five years, whichever is shorter. The qualified
36 provider shall:

37 1. For the first three years of savings, prepare a measurement and
38 verification report on an annual basis in addition to an annual
39 reconciliation of savings.

40 2. Reimburse the school district for any shortfall of guaranteed
41 energy cost savings on an annual basis.

42 K. The school district may obtain any required financing as part of
43 the original competitive sealed proposal process from the qualified provider
44 or a third-party financing institution.

1 L. A qualified provider that is awarded the contract shall give a
2 sufficient bond to the school district for its faithful performance of the
3 equipment installment.

4 M. The qualified provider is required to make public information in
5 the subcontractor's bids only if the qualified provider is awarded the
6 guaranteed energy cost savings contract by the school district.

7 N. For all projects carried out under this section, the district shall
8 report to the ~~department of commerce~~ GOVERNOR'S energy office and the school
9 facilities board:

- 10 1. The name of the project.

15 report to the school facilities board, by October 15 each year, the actual
16 energy and cost savings.

17 P. This section does not apply to the construction of new buildings.

18 Q. A school district may utilize a simplified energy performance
19 contract for projects less than five hundred thousand dollars. Simplified
20 energy performance contracts are not required to include an energy savings

8 limit prescribed by subsection J of this section.

9 I. Within thirty days after receiving a complete and correct

16 J. The ~~department~~ AUTHORITY shall not preapprove income tax credits

35 placement. Once reallocated, the amount of the credit applies against the
36 dollar limit of the original credit year regardless of the year in which the
37 reallocation occurs.

38 L. A taxpayer may voluntarily relinquish unused credit amounts.

39 M. Preapproval under this section lapses, the application is void and
40 the amount of the preapproved income tax credits does not apply against the
41 dollar limit prescribed by subsection J of this section if, within twelve
42 months after preapproval, the renewable energy business fails to provide to
43 the ~~department~~ AUTHORITY documentation of its expenditure of two hundred
44 fifty thousand dollars in qualifying investment or, if the period over which
45 the qualifying investment will be made exceeds twelve months, documentation

1 of additional expenditures as required in this subsection for each twelve
2 month period.

3 N. Beginning in 2010, after October 31 of each year, if the ~~department~~

16 ~~OFFICER~~. The certified public accountant and the firm the certified public
17 accountant is affiliated with shall not regularly perform services for the
18 applicant or its affiliates. The managed review shall include an analysis of

21 by section 42-12006, 43-1083.01 or 43-1164.01 to confirm the amount of credit
22 or property tax incentive. The certified public accountant shall furnish
23 written findings of the managed review to the ~~director~~ ~~CHIEF EXECUTIVE~~
24 ~~OFFICER~~. The ~~director~~ ~~CHIEF EXECUTIVE OFFICER~~ shall review the findings and
25 may examine records and perform other reviews that the ~~director~~ ~~CHIEF~~
26 ~~EXECUTIVE OFFICER~~ considers necessary to verify that the managed review
27 substantially conforms to the terms of the managed review agreement. The
28 ~~director~~ ~~CHIEF EXECUTIVE OFFICER~~ shall accept or reject the findings of the
29 managed review. If the ~~director~~ ~~CHIEF EXECUTIVE OFFICER~~ rejects all or part
30 of the managed review, the ~~director~~ ~~CHIEF EXECUTIVE OFFICER~~ shall provide
31 written reasons for the rejection.

32 P. When the renewable energy operation begins operations, a renewable

35 of the credits and submit documentation certifying the total amount and dates
36 of the qualifying investments and identifying the fixed capital assets
37 associated with the renewable energy operation incurred from and after
38 September 30, 2009 through the date of application for postapproval. From
39 and after December 31, 2009, the ~~department~~ ~~AUTHORITY~~ shall provide
40 postapproval to a renewable energy business that it has met the eligibility
41 requirements of this section and shall notify the department of revenue that
42 the renewable energy business may claim the tax credits pursuant to section
43 43-1083.01 or 43-1164.01. If the amount of qualifying investment actually
44 spent is less than the amount preapproved for income tax credits, the
45 preapproved amount not incurred lapses and does not apply against the dollar

1 limit prescribed by subsection J of this section for that year. The
2 ~~department~~ AUTHORITY shall not allow a credit under section 43-1083.01 or
3 43-1164.01 that exceeds the amount of the postapproval for the project under
4 this subsection. For the purposes of this subsection, "begins operations"
5 means:

6 1. A headquarters facility opens for public business.

7 2. A manufacturing facility begins producing commercial quantities of
8 usable products.

9 Q. The ~~department of commerce~~ AUTHORITY may rescind the business'
10 postapproval if the business no longer meets the terms and conditions
11 required for qualifying for the tax incentives. The ~~department~~ AUTHORITY may
12 give special consideration, or allow temporary exemption from recapture of
13 tax benefits, in the case of extraordinary hardship due to factors beyond the
14 control of the qualifying business.

15 R. If the ~~department of commerce~~ AUTHORITY rescinds an applicant's
16 preapproval or postapproval under subsection Q of this section, it shall
17 notify the department of revenue and the county assessor of the action and
18 the conditions of noncompliance. If the department of revenue obtains
19 information indicating a possible failure to qualify and comply, it shall
20 provide that information to the ~~department of commerce~~ AUTHORITY. The
21 department of revenue may require the business to file appropriate amended
22 tax returns reflecting any recapture of income tax credits under section
23 43-1083.01 or 43-1164.01.

24 S. Preapproval and postapproval of a business for the purposes of tax
25 incentives under this section do not constitute or imply compliance with any
26 other provision of law or any regulatory rule, order, procedure, permit or
27 other measure required by law. To maintain qualification for tax incentives
28 under this section, a business must separately comply with all environmental,
29 employment and other regulatory measures.

30 T. For five years after postapproval for tax incentives under this
31 section, in any action involving the liquidation of the business assets or
32 relocation out of state, this state claims the position of a secured creditor
33 of the business in the amount of income tax credits and property tax
34 incentives the business received pursuant to section 42-12006, 43-1083.01 or
35 43-1164.01.

36 U. Any information gathered from a renewable energy business for the
37 purposes of this section is considered to be confidential taxpayer
38 information and shall be disclosed only as provided in section 42-2003,
39 subsection B, paragraph 12, except that the ~~department~~ AUTHORITY shall
40 publish the following information in its annual report:

8 shall establish the process by which the department qualifies and preapproves
9 a company for motion picture production tax incentives. This process shall
10 preapprove a company for motion picture production tax incentives based on
11 priority placement established by the date that such motion picture
12 production company filed its initial application for qualification with the

1 submitted regardless of whether the initial preapproval period extends into
2 the following year or years. Before the expiration of the initial
3 preapproval or requalification period, a company may voluntarily relinquish
4 unused credit amounts.

5 H. The department of commerce shall reallocate the amount of credits
6 that is voluntarily relinquished under subsection G of this section, that
7 lapses under subsection F of this section or that lapses under subsection O
8 of this section. The reallocation shall be to other motion picture
9 production companies that applied in the original credit year based on
10 priority placement. The amount of the reallocated credits shall continue to
11 apply against the dollar limit of the original credit year regardless of the
12 year in which the reallocation occurs. If for any year an unused balance
13 occurs in the income tax credits authorized under the dollar limit prescribed
14 by subsection J of this section:

15 1. The balance shall be allocated to motion picture production
16 companies that successfully appeal the denial of approval under this section
17 or section 41-1517.01. Any amount of income tax credits due to successful
18 appeals that are not paid from an unused balance in any year shall be paid
19 against the dollar limit allowed by subsection J of this section in the
20 following year.

21 2. Any remaining unused balance shall be reallocated for the purposes
22 of this section in the following year.

23 I. Beginning with the tax credits allocated for 2006 pursuant to
24 subsection J of this section, an approved credit offsets tax liability for
25 the taxable year for which the credit was originally allocated or any
26 subsequent taxable year within the applicable carryforward period pursuant to
27 section 43-1075, subsection G or section 43-1163, subsection G. The credits

10 reaches the minimum expenditure threshold requirements of subsection A,
11 paragraph 1 of this section.

12 3. In lieu of a script under subsection C, paragraph 9 of this
13 section, the applicant must submit a synopsis or storyboard that:

23 5. Expenses incurred before the date of submission of a completed
24 application under subsection C of this section do not qualify as production
25 costs.

26 6. The department shall allocate the income tax credit incentives
27 based on priority placement established by the date that the company files
28 its application and based on the percentage of estimated total expenditures
29 in this state allowed as a credit under section 43-1075 or 43-1163.

30 7. Within sixty days after applying with the department under
31 subsection C of this section, a company that is preapproved for a specific
32 production must notify and provide documentation of expenditures to the
33 department of the total amount of eligible production costs associated with
34 the production.

35 8. The company is not eligible for income tax credit incentives until
36 the company's eligible production expenditures reach two hundred fifty
37 thousand dollars in a period of twelve consecutive months. When the company
38 reaches that threshold, the company may apply to the department for approval
39 of the income tax credit incentives pursuant to subsection 0 of this
40 section. Applications for approval of income tax credit incentives may not
41 be submitted by the same company more frequently than once a calendar month.

42 9. Notwithstanding any other provision of this section, the department
43 of commerce shall adopt rules and prescribe forms and procedures as necessary
44 for the purposes of this subsection.

1 L. Except for applications with respect to commercial advertisement
2 and music video production under subsection K of this section, after October
3 31 of each year, if the department has preapproved the maximum calendar year
4 tax credit amount pursuant to subsection J of this section, the department
5 may accept initial applications for the next calendar year. The preapproval
6 of any application pursuant to this subsection shall not be effective prior
7 to the first business day of the following calendar year. The department may
8 accept initial applications with respect to commercial advertisement and
9 music video production under subsection K of this section only during the
10 calendar year in which the credits would be allotted.

11 M. Subject to subsection O of this section, the department of commerce
12 shall deny an application submitted on completion of the production pursuant
13 to subsection O of this section if it determines that:

23 picture production company qualifies for motion picture production tax
24 incentives, the department shall issue the company a written letter of
25 qualification and transmit a copy of the letter to the department of revenue.
26 Beginning from and after December 31, 2007, a letter of qualification is
27 effective for twenty-four consecutive months as stated in the letter.

28 O. Upon completion of the motion picture production, a motion picture
29 production company that qualifies for the motion picture tax incentives shall
30 apply to the department in writing for approval of income tax credits, submit
31 a viewable copy of the motion picture, except as provided in subsection P of
32 this section, and certify the total amount of eligible production costs
33 associated with the project incurred from and after December 31, 2005. From
34 and after June 30, 2006, the department shall provide approval to a motion
35 picture production company that it has met the eligibility requirements of
36 this section and shall notify the department of revenue that the motion
37 picture production company may claim the tax credits pursuant to sections
38 43-1075 and 43-1163. If the eligible production costs actually spent are
39 less than the amount preapproved for income tax credits, the preapproved
40 amount not incurred lapses and does not apply against the dollar limit
41 prescribed by subsection J of this section for that year.

42 P. A motion picture production company may apply for postapproval of
43 the production under subsection O of this section before a viewable copy of
44 the production is available. To do so, the company must submit with its
45 application a letter of credit, payable to the department of revenue,

1 providing that within two business days after the issuer receives a written
2 determination from the department of commerce that the production fails to
3 qualify for the tax credits the issuer will pay to the department of revenue
4 the full face value of the income tax credits in the application. If the
5 department of revenue draws on the letter of credit, the monies shall be
6 transferred to and held in an interest bearing account pending the final
7 outcome of an appeal, if any. The letter of credit may be released on the
8 determination by the department of commerce that the completed production
9 qualifies for the tax credits.

10 Q. If a preapproved motion picture production company fails to
11 undertake production, as described in subsection F of this section, and also
12 fails to voluntarily relinquish the unused credit amounts for reallocation by
13 the department as provided by subsection G of this section within the
14 ninety-day period, the company and all persons signing the application for
15 preapproval are disqualified from receiving, or participating in any motion
16 picture production company that applies for or receives, tax incentives
17 pursuant to this section for three years after the original application.

18 R. The department of commerce, with the cooperation of the department
19 of revenue, shall adopt rules and publish and prescribe forms and procedures
20 as necessary to effectuate the purposes of this section.

21 S. Any information gathered from motion picture production companies
22 for the purposes of this section, or applicants for infrastructure incentives
23 for the purposes of section 41-1517.01, shall be considered confidential

28 infrastructure applicant and the amount of income tax credits preapproved for
29 each production and infrastructure project.

30 2. The amount of credits approved with respect to each production.

31 T. The department of commerce shall:

32 1. Keep annual records of the information provided on applications for
33 motion picture production tax incentives. These records shall reflect a
34 percentage comparison of the annual amount of monies exempted or credited to
35 qualifying motion picture production companies to the estimated amount of
36 monies spent on in-state production costs by motion picture production
37 companies.

38 2. Maintain annual data on growth in Arizona-based motion picture
39 industry companies and motion picture industry employment and wages.

40 3. Not later than April 30 of each year, prepare and publish a report
41 summarizing the information collected pursuant to this subsection. The
42 department shall make copies of the annual report available to the public on
43 request.

44 U. Subject to annual legislative authorization, the amount of three
45 hundred thirty seven thousand seven hundred dollars from the dollar amount of

1 income tax credits under subsection J of this section is allocated each year
2 to the department of commerce for up to six full-time equivalent positions
3 dedicated solely for the purposes of this section and section 41-1517.01. If
4 the income tax credits terminate pursuant to subsection A of this section and
5 section 41-1517.01, subsection A, the authorization under this subsection and
6 any positions dedicated for those purposes also terminate.

16 defined in section 41(c) of the internal revenue code and is computed as
17 follows:

18 (a) If the excess is two million five hundred thousand dollars or

39 ARIZONA COMMERCE AUTHORITY under section 41-1518, the department of revenue
40 shall deny the credit if the misrepresentation relates to whether the
41 applicant was a qualified investor or made a qualified investment. If the
42 misrepresentation relates to whether the investment was made to:

43 1. A qualified small business, the department of revenue shall deny
44 the credit only if the applicant knew or should have known at any time before
45 the certification that the representation was false.

1 2. A bioscience enterprise or a business that maintains its principal
2 place of business in a rural county in this state, the department of revenue
3 shall decrease the amount of the credit that would have been allowed only if
4 the applicant knew or should have known at any time before the certification
5 that the representation was false.

6 Sec. 99. Section 43-1076, Arizona Revised Statutes, is amended to
7 read:

8 43-1076. Credit for employment by a healthy forest enterprise

6 within twelve months before the current date of hire.

7 4. The employer shall provide health insurance coverage for employees

16 credits or changes ownership through reorganization, stock purchase or
17 merger, the new taxpayer may claim the second or third year credits if it
18 meets the other eligibility requirements of this section. Credits for which
19 a taxpayer qualified before the changes described in this subsection are
20 terminated and lost at the time the changes are implemented.

21 J. If, within five taxable years after first receiving a credit
22 pursuant to this section, the certification of qualification of a business is
23 terminated or revoked under section 41-1516 other than for reasons beyond the
24 control of the business as determined by the ~~department of commerce~~ ARIZONA
25 COMMERCE AUTHORITY, the credits allowed the business pursuant to this section
26 are subject to recapture pursuant to this subsection. This subsection
27 applies only in the case of the termination or revocation of a certification
28 of qualification. This subsection does not apply if, in any taxable year, a
29 taxpayer otherwise does not qualify for or fails to claim the credit under
30 this section. The recapture of credits under this subsection is computed by
31 increasing the amount of taxes imposed in the year following the year in
32 which the qualification of the business was terminated or revoked by an
33 amount determined by multiplying the full amount of all credits previously
34 allowed under this section by a percentage determined as follows:

37 certification of qualification of a business is terminated or revoked, one

5 years before the taxable year in which the certification of qualification of
6 a business is terminated or revoked, twenty per cent.

7 Sec. 100. Section 43-1077, Arizona Revised Statutes, is amended to
8 read:

9 43-1077. Credit for employment by qualified defense contractor

10 A. A credit is allowed against the taxes imposed by this title for:

15 2. Net increases in private commercial employment during the taxable
16 year, as computed under subsection E of this section, by a qualified defense
17 contractor who is certified by the ~~department of commerce~~ ARIZONA COMMERCE
18 AUTHORITY under section 41-1508 due to full-time equivalent employee
19 positions transferred during the taxable year by the taxpayer from
20 exclusively defense related activities to employment by the taxpayer in
21 exclusively private commercial activities.

22 B. The amount of the credit is a dollar amount allowed for each
23 full-time equivalent employee position created, determined as follows:

25 2nd year	\$2,000
26 3rd year	\$1,500
27 4th year	\$1,000
28 5th year	\$ 500

29 C. If the allowable tax credit exceeds the taxes otherwise due under
30 this title on the claimant's income, or if there are no taxes due under this
31 title, the taxpayer may carry the amount of the claim not used to offset the
32 taxes under this title forward until taxable years beginning from and after
33 December 31, 2011 as a credit against subsequent years' income tax liability,
34 regardless of continuing certification as a qualified defense contractor.

35 D. The net increase in employment under defense related contracts
36 shall be determined as follows:

37 1. Establish an employment baseline for the taxpayer based on a
38 multiyear forecast of employment on United States department of defense
39 contracts that was submitted to the department of defense before June 1,
40 1992. The annual average employment forecast for the first year the taxpayer
41 qualified is the baseline. If the taxpayer did not make such a forecast
42 before June 1, 1992, the baseline is the average annual employment as
43 reported to the department of economic security during the preceding taxable
44 year. If a taxpayer qualifies in the same year it relocates into this state,
45 the taxpayer's baseline is zero.

5 1. Multiply the amount paid as taxes on property classified as class
 6 one, paragraphs 12 and 13 pursuant to section 42-12001 in this state during
 7 the taxable year by a percentage based on net new defense related employment,
 8 determined by subtracting the employment baseline determined pursuant to
 9 section 43-1077, subsection D, paragraph 1, from average annual employment as
 10 reported to the department of economic security for the taxable year, as
 11 follows:

<u>New employment</u>	<u>Credit percentage</u>
More than 900	40%
601 - 900	30%
301 - 600	20%
1 - 300	10%

17 2. Multiply the amount determined under paragraph 1 of this subsection
 18 by a percentage determined by dividing the taxpayer's total gross income from
 19 United States department of defense contracts apportioned to this state by
 20 the taxpayer's total gross income from all sources apportioned to this state.

21 C. If the allowable tax credit exceeds the taxes otherwise due under
 22 this title on the claimant's income, or if there are no taxes due under this
 23 title, the taxpayer may carry the amount of the claim not used to offset the
 24 taxes under this title forward until taxable years beginning from and after
 25 December 31, 2011 as a credit against subsequent years' income tax liability,
 26 regardless of continuing certification as a qualified defense contractor.

27 D. The credit allowed by this section is in lieu of a deduction for
 28 property taxes under section 43-1042 with respect to the same taxes paid.

29 E. Co-owners of a business, including partners in a partnership and
 30 shareholders of an S corporation, as defined in section 1361 of the internal
 31 revenue code, may each claim only the pro rata share of the credit allowed
 32 under this section based on the ownership interest. The total of the credits
 33 allowed all such owners may not exceed the amount that would have been
 34 allowed for a sole owner of the business.

 41 military reuse zone, established under title 41, chapter 10, article 3, and
 42 who are primarily engaged in providing aviation or aerospace services or in
 43 manufacturing, assembling or fabricating aviation or aerospace products. The
 44 amount of the credit is a dollar amount allowed for each new employee,
 45 determined as follows:

1 1. With respect to each employee other than a dislocated military base
 2 employee:

3 1st year of employment	\$ 500
4 2nd year of employment	\$1,000
5 3rd year of employment	\$1,500
6 4th year of employment	\$2,000
7 5th year of employment	\$2,500

8 2. With respect to each dislocated military base employee:

 17 may be carried forward as a credit against subsequent years' income tax
 18 liability for the period, not to exceed five taxable years, if the business
 19 remains in the military reuse zone.

20 C. The net increase in the number of employees for purposes of this
 21 section shall be determined by comparing the taxpayer's average employment in
 22 the military reuse zone during the taxable year with the taxpayer's previous
 23 year's fourth quarter employment in the zone, based on the taxpayer's report
 24 to the department of economic security for unemployment insurance purposes
 25 but considering only employment in the zone.

26 D. Co-owners of a business, including partners in a partnership and
 27 shareholders of an S corporation, as defined in section 1361 of the internal
 28 revenue code, may each claim only the pro rata share of the credit allowed
 29 under this section based on the ownership interest. The total of the credits
 30 allowed all such owners may not exceed the amount that would have been
 31 allowed for a sole owner of the business.

32 E. A credit is not allowed under this section with respect to an
 33 employee whose place of employment is relocated by the taxpayer from a
 34 location in this state to the military reuse zone, unless the employee is
 35 engaged in aviation or aerospace services or in manufacturing, assembling or
 36 fabricating aviation or aerospace products and the taxpayer maintains at
 37 least the same number of employees in this state but outside the zone.

38 F. A taxpayer who claims a credit under section 43-1074, 43-1077 or
 39 43-1083.01 may not claim a credit under this section with respect to the same

1 H. A taxpayer who claims a credit under section 43-1074, 43-1077 or

25 employees.

15 amount determined by multiplying the full amount of all credits previously
16 allowed under this section by a percentage determined as follows:

25 years before the taxable year in which the certification of qualification of
26 a business is terminated or revoked, sixty per cent.

27 4. If the initial credit under this section was allowed four taxable
28 years before the taxable year in which the certification of qualification of

31 years before the taxable year in which the certification of qualification of
32 a business is terminated or revoked, twenty per cent.

4 F. If the allowable tax credit for a taxable year exceeds the income
5 taxes otherwise due on the claimant's income, or if there are no state income
6 taxes due on the claimant's income, the amount of the claim not used as an
7 offset against income taxes shall be paid to the taxpayer in the same manner

10 that a refund is incorrect or invalid, the excess refund may be treated as a
11 tax deficiency pursuant to section 42-1108.

12 G. Except as provided by subsection H of this section, if, within five
13 taxable years after first receiving a credit pursuant to this section, the
14 certification of qualification of a business is terminated or revoked under
15 section 41-1511, other than for reasons beyond the control of the business as
16 determined by the ~~department of commerce~~ ARIZONA COMMERCE AUTHORITY, the
17 taxpayer is disqualified from credits under this section in subsequent
18 taxable years. On a determination that the taxpayer has committed fraud or
19 relocated outside of this state within five taxable years of first receiving
20 a credit pursuant to this section, the credits allowed the taxpayer in all
21 taxable years pursuant to this section are subject to recapture pursuant to
22 this subsection. This subsection applies only in the case of the termination
23 or revocation of a certification of qualification under section
24 41-1511. This subsection does not apply if, in any taxable year, a taxpayer
25 otherwise does not qualify for or fails to claim the credit under this
26 section. The recapture of credits is computed by increasing the amount of
27 taxes imposed in the year following the year of termination or revocation by
28 the full amount of all credits previously allowed under this section.

29 H. A taxpayer who claims a credit under section 43-1161, 43-1165 or
30 43-1167 may not claim a credit under this section with respect to the same
31 full-time employment positions.

32 I. The department of revenue shall adopt rules and prescribe forms and
33 procedures as necessary for the purposes of this section. The department of
34 revenue and the ~~department of commerce~~ ARIZONA COMMERCE AUTHORITY shall
35 collaborate in adopting rules as necessary to avoid duplication and
36 contradictory requirements while accomplishing the intent and purposes of
37 this section.

38 J. For the purposes of this section, renewable energy operations are
39 limited to manufacturers of, and headquarters for, systems and components
40 that are used or useful in manufacturing renewable energy equipment for the
41 generation, storage, testing and research and development, transmission or
42 distribution of electricity from renewable resources, including specialized
43 crates necessary to package the renewable energy equipment manufactured at
44 the facility.

1 Sec. 110. Section 43-1165, Arizona Revised Statutes, is amended to
2 read:

3 43-1165. Credit for employment by qualified defense contractor

4 A. A credit is allowed against the taxes imposed by this title for:

5 1. Net increases in employment under United States department of
6 defense contracts during the taxable year, as computed under subsection D of
7 this section, by a qualified defense contractor that is certified by the
8 ~~department of commerce~~ ARIZONA COMMERCE AUTHORITY under section 41-1508.

9 2. Net increases in private commercial employment during the taxable
10 year, as computed under subsection E of this section, by a qualified defense
11 contractor that is certified by the ~~department of commerce~~ ARIZONA COMMERCE
12 AUTHORITY under section 41-1508 due to full-time equivalent employee
13 positions transferred during the taxable year by the taxpayer from
14 exclusively defense related activities to employment by the taxpayer in
15 exclusively private commercial activities.

16 B. The amount of the credit is a dollar amount allowed for each
17 full-time equivalent employee position created, determined as follows:

18 1st year	\$2,500
19 2nd year	\$2,000
20 3rd year	\$1,500
21 4th year	\$1,000
22 5th year	\$ 500

23 C. If the allowable tax credit exceeds the taxes otherwise due under
24 this title on the claimant's income, or if there are no taxes due under this
25 title, the taxpayer may carry the amount of the claim not used to offset the
26 taxes under this title forward until taxable years beginning from and after
27 December 31, 2011 as a credit against subsequent years' income tax liability,
28 regardless of continuing certification as a qualified defense contractor.

29 D. The net increase in employment under defense related contracts
30 shall be determined as follows:

31 1. Establish an employment baseline for the taxpayer based on a
32 multiyear forecast of employment on United States department of defense
33 contracts that was submitted to the department of defense before June 1,
34 1992. The annual average employment forecast for the first year the taxpayer
35 qualified is the baseline. If the taxpayer did not make such a forecast
36 before June 1, 1992, the baseline is the average annual employment as
37 reported to the department of economic security during the preceding taxable
38 year. If a taxpayer qualifies in the same year it relocates into this state,
39 the taxpayer's baseline is zero.

40 2. For the first year of the credit, the taxpayer's net increase in
41 average employment is the increase in employment reported to the department
42 of economic security for the taxable year over the employment baseline.

43 3. For each succeeding year of the credit, the taxpayer's net increase
44 in average employment is the increase in employment reported to the

1 department of economic security for the taxable year over the preceding
2 taxable year's average employment.

3 E. In computing the amount of credit allowed under subsection A,
4 paragraph 2 of this section, the taxpayer shall:

5 1. Prorate employment during the taxable year according to the date of
6 transfer from defense to private commercial activities or the date of
7 transfer from private commercial activities to defense.

8 2. Compute and subtract an amount pursuant to subsection B of this
9 section for full-time equivalent employee positions that were transferred
10 during the taxable year by the taxpayer from exclusively private commercial
11 activities to exclusively defense related activities.

12 F. The taxpayer shall account for qualifying full-time equivalent
13 employee positions on a first-in first-out basis. If a decrease in
14 qualifying employment occurs, the taxpayer shall subtract the decrease from
15 the earliest qualifying positions.

16 G. A credit is not allowed under both subsection A, paragraphs 1 and 2
17 of this section with respect to the same employee position. A full-time
18 equivalent employee position may be considered for purposes of computing the
19 credit under either subsection A, paragraph 1 or 2 of this section, but not
20 both.

21 H. A credit is not allowed under this section with respect to
22 employment that was transferred from an outside contractor in this state to
23 in-house employment by the taxpayer solely for purposes of qualifying for the
24 credit.

25 I. A taxpayer that claims a credit under section 43-1161, 43-1164.01
26 or 43-1167 may not claim a credit under this section with respect to the same
27 employee positions.

28 J. Co-owners of a business, including corporate partners in a
29 partnership, may each claim only the pro rata share of the credit allowed
30 under this section based on the ownership interest. The total of the credits
31 allowed all such owners may not exceed the amount that would have been
32 allowed for a sole owner of the business.

33 Sec. 111. Section 43-1166, Arizona Revised Statutes, is amended to
34 read:

35 43-1166. Credit for property taxes paid by qualified defense
36 contractor

37 A. A credit is allowed against the taxes imposed by this title equal
38 to a portion of the amount paid as taxes during the taxable year by a
39 qualified defense contractor that is certified by the ~~department of commerce~~
40 ARIZONA COMMERCE AUTHORITY under section 41-1508 on property in this state
41 that is classified as class one, paragraphs 12 and 13 pursuant to section
42 42-12001.

43 B. The amount of the credit is determined as follows:

44 1. Multiply the amount paid as taxes on property classified as class
45 one, paragraphs 12 and 13 pursuant to section 42-12001 in this state during

1 the taxable year by a percentage based on net new defense related employment,
 2 determined by subtracting the employment baseline determined pursuant to
 3 section 43-1165, subsection D, paragraph 1 from average annual employment as
 4 reported to the department of economic security for the taxable year, as
 5 follows:

<u>New employment</u>	<u>Credit percentage</u>
6 More than 900	40%
7 601 - 900	30%
8 301 - 600	20%
9 1 - 300	10%

10
 11 2. Multiply the amount determined under paragraph 1 of this subsection
 12 by a percentage determined by dividing the taxpayer's total gross income from
 13 United States department of defense contracts apportioned to this state by
 14 the taxpayer's total gross income from all sources apportioned to this state.

15 C. If the allowable tax credit exceeds the taxes otherwise due under
 16 this title on the claimant's income, or if there are no taxes due under this
 17 title, the taxpayer may carry the amount of the claim not used to offset the
 18 taxes under this title forward until taxable years beginning from and after
 19 December 31, 2011 as a credit against subsequent years' income tax liability,
 20 regardless of continuing certification as a qualified defense contractor.

21 D. Co-owners of a business, including corporate partners in a
 22 partnership, may each claim only the pro rata share of the credit allowed
 23 under this section based on the ownership interest. The total of the credits
 24 allowed all such owners may not exceed the amount that would have been
 25 allowed for a sole owner of the business.

26 Sec. 112. Section 43-1167, Arizona Revised Statutes, is amended to
 27 read:

28 43-1167. Credit for increased employment in military reuse
 29 zones: definition

30 A. A credit is allowed against the taxes imposed by this title for net
 31 increases in employment by the taxpayer of full-time employees working in a
 32 military reuse zone, established under title 41, chapter 10, article 3, and
 33 who are primarily engaged in providing aviation or aerospace services or in
 34 manufacturing, assembling or fabricating aviation or aerospace products. The
 35 amount of the credit is a dollar amount allowed for each new employee,
 36 determined as follows:

37 1. With respect to each employee other than a dislocated military base
 38 employee:

39 1st year of employment	\$ 500
40 2nd year of employment	\$1,000
41 3rd year of employment	\$1,500
42 4th year of employment	\$2,000
43 5th year of employment	\$2,500

44 2. With respect to each dislocated military base employee:

45 1st year of employment	\$1,000
---------------------------	---------

1	2nd year of employment	\$1,500
2	3rd year of employment	\$2,000
3	4th year of employment	\$2,500
4	5th year of employment	\$3,000

5 B. If the allowable tax credit exceeds the taxes otherwise due under
 6 this title on the claimant's income, or if there are no taxes due under this
 7 title, the amount of the claim not used to offset the taxes under this title
 8 may be carried forward as a credit against subsequent years' income tax
 9 liability for the period, not to exceed five taxable years, if the business
 10 remains in the military reuse zone.

11 C. The net increase in the number of employees for purposes of this
 12 section shall be determined by comparing the taxpayer's average employment in
 13 the military reuse zone during the taxable year with the taxpayer's previous
 14 year's fourth quarter employment in the zone, based on the taxpayer's report
 15 to the department of economic security for unemployment insurance purposes
 16 but considering only employment in the zone.

17 D. Co-owners of a business, including corporate partners in a
 18 partnership, may each claim only the pro rata share of the credit allowed
 19 under this section based on the ownership interest. The total of the credits
 20 allowed all such owners may not exceed the amount that would have been
 21 allowed for a sole owner of the business.

22 E. A credit is not allowed under this section with respect to an
 23 employee whose place of employment is relocated by the taxpayer from a
 24 location in this state to the military reuse zone unless the employee is
 25 engaged in aviation or aerospace services or in manufacturing, assembling or
 26 fabricating aviation or aerospace products and the taxpayer maintains at
 27 least the same number of employees in this state but outside the zone.

28 F. A taxpayer who claims a credit under section 43-1161, 43-1164.01 or
 29 43-1165 may not claim a credit under this section with respect to the same
 30 employees.

31 G. For the purposes of this section, "dislocated military base
 32 employee" means a civilian who previously had permanent full-time civilian
 33 employment on the military facility as of the date the closure of the
 34 facility was finally determined under federal law, as certified by the
 35 ~~department of commerce~~ ARIZONA COMMERCE AUTHORITY.

36 Sec. 113. Section 43-1168, Arizona Revised Statutes, as amended by
 37 Laws 2010, chapter 289, section 6 and chapter 312, section 7, is amended to
 38 read:

39 43-1168. Credit for increased research activities

40 A. A credit is allowed against the taxes imposed by this title in an
 41 amount determined pursuant to section 41 of the internal revenue code, except
 42 that:

- 43 1. The amount of the credit is computed as follows:
- 44 (a) Add:

1 (i) The excess, if any, of the qualified research expenses for the
2 taxable year over the base amount as defined in section 41(c) of the internal
3 revenue code.

4 (ii) The basic research payments determined under section 41(e)(1)(A)
5 of the internal revenue code.

6 (b) If the sum computed under subdivision (a) is two million five
7 hundred thousand dollars or less, the credit is equal to twenty-four per cent
8 of that amount.

9 (c) If the sum computed under subdivision (a) is over two million five
10 hundred thousand dollars, the credit is equal to six hundred thousand dollars
11 plus fifteen per cent of any amount exceeding two million five hundred
12 thousand dollars, except that:

13 (i) For taxable years beginning from and after December 31, 2000
14 through December 31, 2001, the credit shall not exceed one million five
15 hundred thousand dollars.

16 (ii) For taxable years beginning from and after December 31, 2001
17 through December 31, 2002, the credit shall not exceed two million five
18 hundred thousand dollars.

19 (d) FOR TAXABLE YEARS BEGINNING FROM AND AFTER DECEMBER 31, 2011, AN
20 ADDITIONAL CREDIT AMOUNT IS ALLOWED IF THE TAXPAYER MADE BASIC RESEARCH
21 PAYMENTS DURING THE TAXABLE YEAR TO A UNIVERSITY UNDER THE JURISDICTION OF
22 THE ARIZONA BOARD OF REGENTS. THE ADDITIONAL CREDIT AMOUNT IS EQUAL TO TEN
23 PER CENT OF THE BASIC RESEARCH PAYMENTS THAT CONSTITUTE EXCESS EXPENSES FOR
24 THE TAXABLE YEAR OVER THE BASE AMOUNT. THE DEPARTMENT SHALL NOT ALLOW CREDIT
25 AMOUNTS UNDER THIS SUBDIVISION AND SECTION 43-1074.01, SUBSECTION A,
26 PARAGRAPH 1, SUBDIVISION (c) THAT EXCEED, IN THE AGGREGATE, A COMBINED TOTAL
27 OF TEN MILLION DOLLARS IN ANY CALENDAR YEAR. SUBJECT TO THAT LIMIT, ON
28 APPLICATION BY THE TAXPAYER, THE DEPARTMENT SHALL PREAPPROVE CREDIT AMOUNTS
29 UNDER THIS SUBDIVISION AND SECTION 43-1074.01, SUBSECTION A, PARAGRAPH 1,
30 SUBDIVISION (c) BASED ON PRIORITY PLACEMENT ESTABLISHED BY THE DATE THAT THE
31 TAXPAYER FILED THE APPLICATION. NOTWITHSTANDING SUBSECTIONS B AND D OF THIS
32 SECTION, ANY AMOUNT OF THE ADDITIONAL CREDIT UNDER THIS SUBDIVISION THAT
33 EXCEEDS THE TAXES OTHERWISE DUE UNDER THIS TITLE IS NOT REFUNDABLE, BUT MAY
34 BE CARRIED FORWARD TO THE NEXT FIVE CONSECUTIVE TAXABLE YEARS.

35 2. Qualified research includes only research conducted in this state
36 including research conducted at a university in this state and paid for by
37 the taxpayer.

38 3. If two or more taxpayers, including corporate partners in a
39 partnership, share in the eligible expenses, each taxpayer is eligible to
40 receive a proportionate share of the credit.

41 4. The credit under this section applies only to expenses incurred
42 from and after December 31, 1993.

43 5. The termination provisions of section 41 of the internal revenue
44 code do not apply.

1 B. Except as provided by subsection D of this section, if the
2 allowable credit under this section exceeds the taxes otherwise due under
3 this title on the claimant's income, or if there are no taxes due under this
4 title, the amount of the credit not used to offset taxes may be carried
5 forward to the next fifteen consecutive taxable years. The amount of credit
6 carryforward from taxable years beginning from and after December 31, 2000
7 through December 31, 2002 that may be used under this subsection in any
8 taxable year may not exceed the taxpayer's tax liability under this title or
9 five hundred thousand dollars, whichever is less, minus the credit under this
10 section for the current taxable year's qualified research expenses. The
11 amount of credit carryforward from taxable years beginning from and after
12 December 31, 2002 that may be used under this subsection in any taxable year
13 may not exceed the taxpayer's tax liability under this title minus the credit
14 under this section for the current taxable year's qualified research
15 expenses. A taxpayer that carries forward any amount of credit under this
16 subsection may not thereafter claim a refund of any amount of the credit
17 under subsection D of this section.

18 C. If a taxpayer has qualified research expenses that are carried
19 forward from taxable years beginning before January 1, 2001, the amount of
20 the expenses carried forward shall be converted to a credit carryforward by
21 multiplying the amount of the qualified expenses carried forward by twenty
22 per cent. A credit carryforward determined under this subsection may be
23 carried forward to not more than fifteen years from the year in which the
24 expenses were incurred. The amount of credit carryforward from taxable years
25 beginning before January 1, 2001 that may be used under this subsection in
26 any taxable year may not exceed the taxpayer's tax liability under this title
27 or five hundred thousand dollars, whichever is less, minus the credit under
28 this section for the current taxable year's qualified research expenses. The
29 total amount of credit carryforward from taxable years beginning before
30 January 1, 2003 that may be used in any taxable year under subsection B and
31 this subsection may not exceed the taxpayer's tax liability under this title
32 or five hundred thousand dollars, whichever is less, minus the credit under
33 this section for the current taxable year's qualified research expenses.

34 D. For taxable years beginning from and after December 31, 2009, if a
35 taxpayer who claims a credit under this section employs fewer than one
36 hundred fifty persons in the taxpayer's trade or business and if the
37 allowable credit under this section exceeds the taxes otherwise due under
38 this title on the claimant's income, or if there are no taxes due under this
39 title, in lieu of carrying the excess amount of credit forward to subsequent
40 taxable years under subsection B of this section, the taxpayer may elect to
41 receive a refund as follows:

42 1. The taxpayer must apply to the department of commerce for
43 qualification for the refund pursuant to section 41-1507 and submit a copy of
44 the department of commerce's certificate of qualification to the department
45 of revenue with the taxpayer's income tax return.

1 2. The amount of the refund is limited to seventy-five per cent of the
2 amount by which the allowable credit under this section exceeds the
3 taxpayer's tax liability under this title for the taxable year. The
4 remainder of the excess amount of the credit is waived.

5 3. The refund shall be paid in the manner prescribed by section
6 42-1118.

7 4. The refund is subject to setoff under section 42-1122.

8 5. If the department determines that a credit refunded pursuant to
9 this subsection is incorrect or invalid, the excess credit issued may be
10 treated as a tax deficiency pursuant to section 42-1108.

11 E. A taxpayer that claims a credit for increased research and
12 development activity under this section shall not claim a credit under
13 section 43-1164.02 for the same expenses.

14 Sec. 114. Section 43-1168, Arizona Revised Statutes, as amended by
15 Laws 2010, chapter 289, section 7 and chapter 312, section 8, is amended to

9 SECTION, ANY AMOUNT OF THE ADDITIONAL CREDIT UNDER THIS SUBDIVISION THAT
10 EXCEEDS THE TAXES OTHERWISE DUE UNDER THIS TITLE IS NOT REFUNDABLE, BUT MAY
11 BE CARRIED FORWARD TO THE NEXT FIVE CONSECUTIVE TAXABLE YEARS.

12 2. Qualified research includes only research conducted in this state

25 title, the amount of the credit not used to offset taxes may be carried
26 forward to the next fifteen consecutive taxable years. The amount of credit
27 carryforward from taxable years beginning from and after December 31, 2000

37 subsection may not thereafter claim a refund of any amount of the credit
38 under subsection D of this section.

39 C. If a taxpayer has qualified research expenses that are carried
40 forward from taxable years beginning before January 1, 2001, the amount of
41 the expenses carried forward shall be converted to a credit carryforward by
