(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:

2 Section 1. Section 36-2999.54, Arizona Revised Statutes, is amended to  
3 read:

4 36-2999.54. Assessments; penalty for failure to pay

5 A. Each nursing facility shall pay a quality assessment as prescribed  
6 pursuant to this article. The administration shall determine the assessment  
7 rate prospectively for the applicable fiscal year on a per resident day  
8 basis, exclusive of medicare resident days. The administration shall adopt  
9 rules for facility reporting of nonmedicare resident days and for payment of  
10 the assessment.

11 ~~B. The nursing facility assessment is due quarterly with the initial  
12 payment due within forty-five days after the state plan has been approved by  
13 the centers for medicare and medicaid services. Subsequent quarterly  
14 payments are due not later than forty-five days after the end of the calendar  
15 quarter.~~

16 ~~C.~~ B. A nursing facility may increase its charges to other payors to  
17 incorporate the assessment but may not establish a separate line-item charge  
18 on the bill reflecting the assessment.

19 ~~D.~~ C. If an entity conducts, operates or maintains more than one  
20 nursing facility, the entity must pay a quality assessment for each nursing  
21 facility separately.

22 ~~E. If a nursing facility does not pay the full amount of the  
23 assessment when due, the department of revenue shall impose a civil penalty  
24 of five per cent of the amount of the assessment. The department of revenue  
25 shall credit subsequent payments first to the unpaid assessment amounts,  
26 rather than to penalty or interest amounts, beginning with the most  
27 delinquent installment. The department of revenue may waive a penalty for  
28 good cause shown.~~

29 ~~F.~~ D. ~~In addition to a civil penalty,~~ The administration may seek any  
30 of the following remedies for failure to pay an assessment:

31 1. Withhold any medical assistance reimbursement payments until the  
32 assessment is paid in full.

33 2. Suspend or revoke the nursing facility's license.

34 3. Require the nursing facility to pay any delinquent assessment in  
35 installments.

36 Sec. 2. Section 41-1507, Arizona Revised Statutes, is amended to read:

37 41-1507. Tax credit for increased research activity;  
38 qualification for refund

39 A. The authority shall receive applications and evaluate and certify  
40 taxpayers who otherwise qualify for income tax credits for increased research  
41 activities to further qualify for income tax refunds.

42 B. An application for a refund of the taxpayer's credit must include:

1           1. The taxpayer's name, address and taxpayer identification number and

5 activities conducted by the taxpayer.

9 refund of the taxpayer's income tax credit.

10          4. The amount of the taxpayer's income tax credit for the taxable  
11 year.

12          5. Any other information required by the authority.

18 refund.

19           2. Notify the applicant of denial of the application with specific  
20 reasons for the denial. A denial of the application does not preclude a  
21 subsequent application if the applicant is able to correct any error or  
22 deficiency.

23          E. The authority shall not approve refunds exceeding a total of five  
24 million dollars in any calendar year. Refunds are allowed on a first come,  
25 first served basis, according to the date of application. An approved amount  
26 applies against the dollar limit for the year in which the application was  
27 submitted. If, at the end of any year, an unused balance occurs under the  
28 dollar limit prescribed by this subsection, the balance shall be reallocated  
29 for the purposes of this section in the following year.

30          F. The authority, with the cooperation of the department of revenue,

44 THE SOLAR ENERGY DEVICE WAS INSTALLED.

1 G. The authority and the department of revenue shall collaborate in  
2 adopting rules that are necessary to accomplish the intent and purpose of  
3 this section.

34 energy operation pay a wage that equals:

35 (a) At least one hundred twenty-five, but less than two hundred, per  
36 cent of the median annual wage in this state, as determined by the most  
37 recent annual Arizona commerce authority occupational wage and employment

39 THIS SECTION, the property may be classified as class six for ten tax years.

44 classified as class six for fifteen tax years.

1 D. Final eligibility for the tax incentives is subject to any  
2 additional requirements prescribed by sections 42-12006, 43-1083.01 and  
3 43-1164.01, as applicable.

4 E. An applicant may separately apply and qualify with respect to  
5 investments for:

6 1. Renewable energy operations in separate locations.

7 2. Separate expansions of a renewable energy operation.

8 F. To determine the amount of income tax credit to be preapproved to a  
9 qualifying applicant, the authority shall use one of the following  
10 computations:

11 1. Ten per cent of the amount the applicant has projected in total  
12 qualifying investment in renewable energy operations meeting the following  
13 minimum employment requirements:

14 (a) For renewable energy manufacturing operations, at least one and  
15 one-half new full-time employment positions projected by the applicant for  
16 each five hundred thousand dollar increment of capital investment.

17 (b) For renewable energy business headquarters, at least one new  
18 full-time employment position projected by the applicant for each two hundred  
19 thousand dollar increment of capital investment.

20 2. For other qualifying renewable energy investment, ten per cent of  
21 the amount computed as follows:

22 (a) Five hundred thousand dollars for each one and one-half new  
23 full-time employment positions projected by the applicant in new renewable  
24 energy manufacturing operations.

25 (b) Two hundred thousand dollars for each new full-time employment  
26 position projected by the applicant at a new renewable energy business  
27 headquarters.

28 G. Beginning with income tax credits allocated for 2010, an approved  
29 income tax credit:

30 1. Must be claimed on a timely filed original income tax return,  
31 including extensions.

32 2. Must be claimed in five equal installments as provided in section  
33 43-1083.01 or 43-1164.01.

34 H. The authority shall establish a process for qualifying and  
35 preapproving applicants for the tax incentives. The authority shall not  
36 preapprove an applicant as qualifying for tax incentives under this section  
37 **FOR TAXABLE YEARS BEGINNING FROM AND** after December 31, 2019. Preapproval is  
38 based on:

39 1. Priority placement established by the date that the applicant files  
40 its initial application with the authority.

41 2. The availability of income tax credit capacity under the dollar  
42 limit prescribed by subsection J of this section.

43 I. Within thirty days after receiving a complete and correct  
44 application, the authority shall review the application to determine whether

1 the applicant satisfies all of the criteria prescribed by this section and  
2 either preapprove the project as qualifying for the purposes of the tax  
3 incentives or provide reasons for its denial. The authority shall send  
4 copies of the preapproval to the department of revenue and the applicable  
5 county assessor.

6 J. The authority shall not preapprove income tax credits under this  
7 section and section 41-1512 that combined would exceed seventy million  
8 dollars in any calendar year, except as provided by this subsection and  
9 subsection K of this section. The authority shall not preapprove income tax  
10 credits under this section for any one taxpayer in excess of thirty million  
11 dollars in any calendar year. A preapproved amount applies against the  
12 dollar limit for the year in which the application was submitted regardless  
13 of whether the initial preapproval period extends into the following year or  
14 years. If, at the end of any year, an unused balance occurs under the dollar  
15 limit prescribed by this subsection:

16 1. The balance shall be allocated to businesses that successfully  
17 appeal the denial of approval under this section or section 41-1512. Any  
18 amount of income tax credits due to successful appeals that are not paid from  
19 an unused balance at the end of any year shall be paid against the dollar  
20 limit in the following year.

21 2. Any remaining unused balance accruing through December 31, 2011  
22 shall be reallocated for the purposes of this section and section 41-1512 in  
23 the following year.

24 3. Any remaining unused balance accruing in 2012 and thereafter lapses  
25 and shall not be reallocated in the following year.

26 K. The authority shall reallocate the amount of income tax credits  
27 that are voluntarily relinquished under subsection L of this section, that  
28 lapse under subsection M of this section or that lapse under subsection P of  
29 this section. The reallocation shall be to other businesses that applied  
30 under this section or section 41-1512 in the original credit year based on  
31 priority placement. Once reallocated, the amount of the credit applies  
32 against the dollar limit of the original credit year regardless of the year  
33 in which the reallocation occurs.

34 L. A taxpayer may voluntarily relinquish unused credit amounts.

35 M. Preapproval under this section lapses, the application is void and  
36 the amount of the preapproved income tax credits does not apply against the  
37 dollar limit prescribed by subsection J of this section if, within twelve  
38 months after preapproval, the renewable energy business fails to provide to  
39 the authority documentation of its expenditure of two hundred fifty thousand  
40 dollars in qualifying investment or, if the period over which the qualifying  
41 investment will be made exceeds twelve months, documentation of additional  
42 expenditures as required in this subsection for each twelve month period.

43 N. Beginning in 2010, after October 31 of each year, if the authority  
44 has preapproved the maximum calendar year income tax credit amount pursuant

1 to subsection J of this section, the authority may accept initial  
2 applications for the next calendar year, but the preapproval of any  
3 application pursuant to this subsection shall not be effective before the  
4 first business day of the following calendar year.

5 O. Before an applicant applies for postapproval under subsection P of  
6 this section, the applicant must enter into a written managed review  
7 agreement with the chief executive officer of the authority that establishes  
8 the requirements of a managed review to be conducted under this subsection at  
9 the applicant's expense. The managed review must be conducted by a certified  
10 public accountant who is selected by the applicant, who is licensed in this  
11 state and who is approved by the chief executive officer. The certified  
12 public accountant and the firm the certified public accountant is affiliated  
13 with shall not regularly perform services for the applicant or its  
14 affiliates. The managed review shall include an analysis of the applicant's  
15 invoices, checks, accounting records and other documents and information to  
16 verify its base investment and other requirements prescribed by section  
17 42-12006, 43-1083.01 or 43-1164.01 to confirm the amount of credit or  
18 property tax incentive. The certified public accountant shall furnish  
19 written findings of the managed review to the chief executive officer. The  
20 chief executive officer shall review the findings and may examine records and  
21 perform other reviews that the chief executive officer considers necessary to  
22 verify that the managed review substantially conforms to the terms of the  
23 managed review agreement. The chief executive officer shall accept or reject  
24 the findings of the managed review. If the chief executive officer rejects  
25 all or part of the managed review, the chief executive officer shall provide  
26 written reasons for the rejection.

27 P. When the renewable energy operation begins operations, a renewable  
28 energy business that was preapproved for income tax credits under this  
29 section shall apply to the authority in writing for postapproval of the  
30 credits and submit documentation certifying the total amount and dates of the  
31 qualifying investments and identifying the fixed capital assets associated  
32 with the renewable energy operation incurred from and after September 30,  
33 2009 through the date of application for postapproval. From and after  
34 December 31, 2009, the authority shall provide postapproval to a renewable  
35 energy business that it has met the eligibility requirements of this section  
36 and shall notify the department of revenue that the renewable energy business  
37 may claim the tax credits pursuant to section 43-1083.01 or 43-1164.01. If  
38 the amount of qualifying investment actually spent is less than the amount  
39 preapproved for income tax credits, the preapproved amount not incurred  
40 lapses and does not apply against the dollar limit prescribed by subsection J  
41 of this section for that year. The authority shall not allow a credit under  
42 section 43-1083.01 or 43-1164.01 that exceeds the amount of the postapproval  
43 for the project under this subsection. For the purposes of this subsection,  
44 "begins operations" means:

1           1. A headquarters facility opens for public business.

2           2. A manufacturing facility begins producing commercial quantities of  
3 usable products.

4           Q. The authority may rescind the business' postapproval if the  
5 business no longer meets the terms and conditions required for qualifying for  
6 the tax incentives. The authority may give special consideration, or allow  
7 temporary exemption from recapture of tax benefits, in the case of  
8 extraordinary hardship due to factors beyond the control of the qualifying  
9 business.

10          R. If the authority rescinds an applicant's preapproval or  
11 postapproval under subsection Q of this section, it shall notify the  
12 department of revenue and the county assessor of the action and the  
13 conditions of noncompliance. If the department of revenue obtains  
14 information indicating a possible failure to qualify and comply, it shall  
15 provide that information to the authority. The department of revenue may  
16 require the business to file appropriate amended tax returns reflecting any  
17 recapture of income tax credits under section 43-1083.01 or 43-1164.01.

18          S. Preapproval and postapproval of a business for the purposes of tax  
19 incentives under this section do not constitute or imply compliance with any  
20 other provision of law or any regulatory rule, order, procedure, permit or  
21 other measure required by law. To maintain qualification for tax incentives  
22 under this section, a business must separately comply with all environmental,  
23 employment and other regulatory measures.

24          T. For five years after postapproval for tax incentives under this  
25 section, in any action involving the liquidation of the business assets or  
26 relocation out of state, this state claims the position of a secured creditor  
27 of the business in the amount of income tax credits and property tax  
28 incentives the business received pursuant to section 42-12006, 43-1083.01 or  
29 43-1164.01.

30          U. Any information gathered from a renewable energy business for the  
31 purposes of this section is considered to be confidential taxpayer  
32 information and shall be disclosed only as provided in section 42-2003,  
33 subsection B, paragraph 12, except that the authority shall publish the  
34 following information in its annual report:

35           1. The name of each renewable energy business and the amount of income  
36 tax credits preapproved for each qualifying investment.

37           2. The amount of credits postapproved with respect to each qualifying  
38 investment.

39          V. The authority shall:

40           1. Keep annual records of the information provided on applications for  
41 renewable energy businesses. These records shall reflect a percentage  
42 comparison of the annual amount of monies exempted or credited to qualifying  
43 renewable energy businesses to the estimated amount of monies spent in this  
44 state in the form of qualifying investments.

1           2. Maintain annual data on growth in this state of renewable energy  
2 businesses and industry employment and wages.

3           3. Not later than April 30 of each year, prepare and publish a report  
4 summarizing the information collected pursuant to this subsection. The  
5 authority shall make copies of the annual report available to the public on  
6 request.

7           W. The authority shall adopt rules and prescribe forms and procedures  
8 as necessary for the purposes of this section. The authority and the  
9 department of revenue shall collaborate in adopting rules as necessary to  
10 avoid duplication and inconsistencies while accomplishing the intent and  
11 purposes of this section.

12           X. For the purposes of this section:

13           1. "Capital investment" means an expenditure to acquire, lease or  
14 improve property that is used in operating a business, including land,  
15 buildings, machinery and fixtures.

16           2. "Headquarters" means a principal central administrative office  
17 where primary headquarters related functions and services are performed,  
18 including financial, personnel, administrative, legal, planning and similar  
19 business functions.

20           3. "Manufacturing" means fabricating, producing or manufacturing raw  
21 or prepared materials into usable products, imparting new forms, qualities,  
22 properties and combinations. Manufacturing does not include generating  
23 electricity for off-site consumption.

24           4. "Primarily engaged" means that more than fifty per cent of a  
25 company's business activity at a particular facility directly involves  
26 renewable energy operations, measured by revenues received, expenses  
27 incurred, square footage or the number of individuals employed.

28           5. "Qualifying investment" means investment in land, buildings,

9 preapprove applicants as qualifying for credits under this section **FOR ANY**  
10 **TAXABLE YEAR BEGINNING FROM AND** after December 31, 2019. Preapproval is  
11 based on:

12 1. Priority placement established by the date that the applicant files  
13 its initial application with the authority.

14 2. The availability of income tax credit capacity under the dollar  
15 limit prescribed by section 41-1511, subsection J.

16 I. Within thirty days after receiving a complete and correct  
17 application, the authority shall review the application to determine whether  
18 the applicant satisfies all of the criteria prescribed by this section and  
19 either preapprove the project as qualifying for the purposes of an income tax  
20 credit or provide reasons for its denial. The authority shall send copies of  
21 each preapproval to the department of revenue.

22 J. The authority shall not preapprove income tax credits under this  
23 section and section 41-1511 that combined would exceed the limits prescribed  
24 by section 41-1511, subsection J. A preapproved amount applies against the  
25 dollar limit for the year in which the application was submitted regardless  
26 of whether the initial preapproval period extends into the following year or  
27 years. A business shall not be preapproved for credits under both this  
28 section and section 41-1511 for the same capital investment. The authority  
29 shall not preapprove income tax credits under this section for any taxpayer

34 this section. The reallocation shall be to other businesses that applied  
35 under this section or section 41-1511 in the original credit year based on  
36 priority placement. Once reallocated, the amount of the credit applies  
37 against the dollar limit of the original credit year regardless of the year  
38 in which the reallocation occurs.

39 L. A taxpayer may voluntarily relinquish unused credit amounts in  
40 writing to the authority.

41 M. Preapproval under this section lapses, the application is void and  
42 the amount of the preapproved income tax credits does not apply against the  
43 dollar limit prescribed by section 41-1511, subsection J if, within twelve  
44 months after preapproval, the business fails to provide to the authority

1 documentation of its expenditure of two hundred fifty thousand dollars in  
2 qualifying investment or, if the period over which the qualifying investment  
3 will be made exceeds twelve months, documentation of additional expenditures  
4 as required in this subsection for each twelve-month period.

5 N. After October 31 of each year, if the authority has preapproved the  
6 maximum calendar year income tax credit amount pursuant to section 41-1511,  
7 subsection J, the authority may accept initial applications for the next  
8 calendar year, but the preapproval of any application pursuant to this

17 state and who is approved by the chief executive officer. The certified  
18 public accountant and the firm the certified public accountant is affiliated  
19 with shall not regularly perform services for the applicant or its

22 verify its base investment and other requirements prescribed by section  
23 43-1083.03 or 43-1164.04 to confirm the amount of credit. The certified  
24 public accountant shall furnish written findings of the managed review to the  
25 chief executive officer. The chief executive officer shall review the  
26 findings and may examine records and perform other reviews that the chief  
27 executive officer considers necessary to verify that the managed review  
28 substantially conforms to the terms of the managed review agreement. The  
29 chief executive officer shall accept or reject the findings of the managed  
30 review. If the chief executive officer rejects all or part of the managed  
31 review, the chief executive officer shall provide written reasons for the  
32 rejection.

33 P. When the qualified facility begins operations, a business that was  
34 preapproved for income tax credits under this section shall apply to the  
35 authority in writing for postapproval of the credits and submit documentation  
36 certifying the total amount and dates of the qualifying investments and  
37 identifying the fixed capital assets associated with the qualified facility  
38 incurred after June 30, 2012 through the date of application for  
39 postapproval. For taxable years beginning from and after December 31, ~~2011~~  
40 2012, the authority shall provide postapproval to a business that has met the  
41 eligibility requirements of this section and shall notify the department of  
42 revenue that the business may claim an income tax credit pursuant to section  
43 43-1083.03 or 43-1164.04. If the amount of qualifying investment actually  
44 spent is less than the amount preapproved for income tax credits, the

1 preapproved amount not incurred lapses and does not apply against the dollar  
2 limit prescribed by section 41-1511, subsection J for that year. The  
3 department of revenue shall not allow an income tax credit under section  
4 43-1083.03 or 43-1164.04 that exceeds the amount of the postapproval for the  
5 project under this subsection. For the purposes of this subsection, "begins  
6 operations" means the qualified facility opens for public business.

7 Q. The authority may rescind an applicant's postapproval if the  
8 business no longer meets the terms and conditions required for qualifying for  
9 the credit. The authority may give special consideration, or allow temporary  
10 exemption from recapture of the credit, in the case of extraordinary hardship  
11 due to factors beyond the control of the qualifying business.

12 R. If the authority rescinds an applicant's preapproval or  
13 postapproval under subsection Q of this section, it shall notify the  
14 department of revenue of the action and the conditions of noncompliance. If  
15 the department of revenue obtains information indicating a possible failure  
16 to qualify and comply, it shall provide that information to the authority.  
17 The department of revenue may require the business to file appropriate  
18 amended tax returns reflecting any recapture of the credit under section  
19 43-1083.03 or 43-1164.04.

20 S. Preapproval and postapproval of an applicant for the purposes of  
21 income tax credits under this section do not constitute or imply compliance  
22 with any other provision of law or any regulatory rule, order, procedure,  
23 permit or other measure required by law. To maintain qualification for a  
24 credit under this section, a business must separately comply with all  
25 environmental, employment and other regulatory measures.

26 T. For five years after postapproval of an income tax credit under  
27 this section, in any action involving the liquidation of the business assets  
28 or relocation out of state, this state claims the position of a secured  
29 creditor of the business in the amount of the credit the business received  
30 pursuant to section 43-1083.03 or 43-1164.04. The transfer of part or all of  
31 a company's assets that are then leased back by the company is not considered  
32 a liquidation under this section.

33 U. Any information gathered from a business for the purposes of this  
34 section is considered to be confidential taxpayer information and shall be  
35 disclosed only as provided in section 42-2003, subsection B, paragraph 12,

1 the annual amount of monies credited to qualified facilities to the estimated  
2 amount of monies spent in this state in the form of qualifying investments.

3 2. Maintain annual data on growth in this state of qualified  
4 facilities and related employment and wages.

6 publish a report summarizing the information collected pursuant to this  
7 subsection. The authority shall make copies of the annual report available  
8 to the public on request.

9 W. The authority shall adopt rules and prescribe forms and procedures  
10 as necessary for the purposes of this section. The authority and the

12 school if the expenses that would be necessary to make the property suitable  
13 as a school site or as a school exceed the value of the proposed donation.

14 2. The district may sell any donated property pursuant to section
