16 If a court determines that a school district governing board member failed to
17 comply with the professional development training requirements prescribed in
18 subsection J of this section, the court shall issue an order removing the
19 school district governing board member from office. Any vacancy in the
20 office of the school district governing board as a result of a court order
21 issued pursuant to this subsection shall be filled in the manner provided by
22 law.

23 L. If any of the administrative personnel of the school district ~~fail~~

39 Sec. 3. Section 15-185, Arizona Revised Statutes, is amended to read:

40 15-185. Charter schools; financing; civil penalty;
41 transportation; definitions

42 A. Financial provisions for a charter school that is sponsored by a
43 school district governing board are as follows:

44 1. The charter school shall be included in the district's budget and
45 financial assistance calculations pursuant to paragraph 3 of this subsection
46 and chapter 9 of this title, except for chapter 9, article 4 of this title.

1 The charter of the charter school shall include a description of the methods
2 of funding the charter school by the school district. The school district
3 shall send a copy of the charter and application, including a description of
4 how the school district plans to fund the school, to the state board of
5 education before the start of the first fiscal year of operation of the
6 charter school. The charter or application shall include an estimate of the
7 student count for the charter school for its first fiscal year of operation.
8 This estimate shall be computed pursuant to the requirements of paragraph 3
9 of this subsection.

10 2. A school district is not financially responsible for any charter
11 school that is sponsored by the state board of education, the state board for
12 charter schools, a university under the jurisdiction of the Arizona board of
13 regents, a community college district or a group of community college
14 districts.

15 3. A school district that sponsors a charter school may:

16 (a) Increase its student count as provided in subsection B, paragraph
17 2 of this section during the first year of the charter school's operation to
18 include those charter school pupils who were not previously enrolled in the
19 school district. A charter school sponsored by a school district governing
20 board is eligible for the CHARTER ADDITIONAL assistance prescribed in
21 subsection B, paragraph 4 of this section. The ~~soft-capital~~ DISTRICT
22 ADDITIONAL ASSISTANCE allocation as provided in section ~~15-962~~ 15-961 for the
23 school district sponsoring the charter school shall be increased by the
24 amount of the CHARTER additional assistance. The school district shall
25 include the full amount of the CHARTER additional assistance in the funding
26 provided to the charter school.

27 (b) Compute separate weighted student counts pursuant to section
28 15-943, paragraph 2, subdivision (a) for its noncharter school versus charter
29 school pupils in order to maintain eligibility for small school district
30 support level weights authorized in section 15-943, paragraph 1 for its
31 noncharter school pupils only. The portion of a district's student count
32 that is attributable to charter school pupils is not eligible for small
33 school district support level weights.

34 4. If a school district uses the provisions of paragraph 3 of this
35 subsection, the school district is not eligible to include those pupils in
36 its student count for the purposes of computing an increase in its revenue
37 control limit and district support level as provided in section 15-948.

38 5. A school district that sponsors a charter school is not eligible to
39 include the charter school pupils in its student count for the purpose of
40 computing an increase in its ~~capital-outlay-revenue-limit~~ DISTRICT ADDITIONAL
41 ASSISTANCE as provided in section 15-961, subsection ~~C~~ B, except that if the
42 charter school was previously a school in the district, the district may
43 include in its student count any charter school pupils who were enrolled in
44 the school district in the prior year.

45 6. A school district that sponsors a charter school is not eligible to
46 include the charter school pupils in its student count for the purpose of

1 computing the revenue control limit which is used to determine the maximum
2 budget increase as provided in chapter 4, article 4 of this title unless the
3 charter school is located within the boundaries of the school district.

4 7. If a school district converts one or more of its district public
5 schools to a charter school and receives assistance as prescribed in
6 subsection B, paragraph 4 of this section, and subsequently converts the
7 charter school back to a district public school, the school district shall
8 repay the state the total CHARTER additional assistance received for the
9 charter school for all years that the charter school was in operation. The
10 repayment shall be in one lump sum and shall be reduced from the school
11 district's current year equalization assistance. The school district's
12 general budget limit shall be reduced by the same lump sum amount in the
13 current year.

14 B. Financial provisions for a charter school that is sponsored by the
15 state board of education, the state board for charter schools, a university,
16 a community college district or a group of community college districts are as
17 follows:

18 1. The charter school shall calculate a base support level as
19 prescribed in section 15-943, except that section 15-941 does not apply to
20 these charter schools.

21 2. Notwithstanding paragraph 1 of this subsection, the student count
22 shall be determined initially using an estimated student count based on
23 actual registration of pupils before the beginning of the school year. After
24 the first one hundred days or two hundred days in session, as applicable, the
25 charter school shall revise the student count to be equal to the actual
26 average daily membership, as defined in section 15-901, of the charter
27 school. Before the one hundredth day or two hundredth day in session, as
28 applicable, the state board of education, the state board for charter
29 schools, the sponsoring university, the sponsoring community college district
30 or the sponsoring group of community college districts may require a charter
31 school to report periodically regarding pupil enrollment and attendance, and
32 the department of education may revise its computation of equalization
33 assistance based on the report. A charter school shall revise its student
34 count, base support level and CHARTER additional assistance before May 15. A
35 charter school that overestimated its student count shall revise its budget
36 before May 15. A charter school that underestimated its student count may
37 revise its budget before May 15.

38 3. A charter school may utilize section 15-855 for the purposes of
39 this section. The charter school and the department of education shall
40 prescribe procedures for determining average daily membership.

41 4. Equalization assistance for the charter school shall be determined
42 by adding the amount of the base support level and CHARTER additional
43 assistance. The amount of the CHARTER additional assistance is one thousand
44 six hundred ~~fifty-four~~ EIGHTY-FOUR dollars ~~forty-one~~ NINETEEN cents per
45 student count in kindergarten programs and grades one through eight and one

1 thousand nine hundred ~~twenty-eight~~ SIXTY-TWO dollars ~~nineteen~~ NINETY cents
2 per student count in grades nine through twelve.

3 5. The state board of education shall apportion state aid from the
4 appropriations made for such purposes to the state treasurer for disbursement
5 to the charter schools in each county in an amount as determined by this
6 paragraph. The apportionments shall be made as prescribed in section 15-973,
7 subsection B.

8 6. The charter school shall not charge tuition for pupils who reside
9 in this state, levy taxes or issue bonds. A charter school may admit pupils
10 who are not residents of this state and shall charge tuition for those pupils
11 in the same manner prescribed in section 15-823.

12 7. Not later than noon on the day preceding each apportionment date
13 established by paragraph 5 of this subsection, the superintendent of public
14 instruction shall furnish to the state treasurer an abstract of the
15 apportionment and shall certify the apportionment to the department of
16 administration, which shall draw its warrant in favor of the charter schools
17 for the amount apportioned.

18 C. If a pupil is enrolled in both a charter school and a public school
19 that is not a charter school, the sum of the daily membership, which includes
20 enrollment as prescribed in section 15-901, subsection A, paragraph 1,
21 subdivisions (a) and (b) and daily attendance as prescribed in section
22 15-901, subsection A, paragraph 5, for that pupil in the school district and
23 the charter school shall not exceed 1.0, except that if the pupil is enrolled
24 in both a charter school and a joint technical education district and resides
25 within the boundaries of a school district participating in the joint
26 technical education district, the sum of the average daily membership for
27 that pupil in the charter school and the joint technical education district
28 shall not exceed 1.25. If a pupil is enrolled in both a charter school and a
29 public school that is not a charter school, the department of education shall
30 direct the average daily membership to the school with the most recent
31 enrollment date. Upon validation of actual enrollment in both a charter
32 school and a public school that is not a charter school and if the sum of the
33 daily membership or daily attendance for that pupil is greater than 1.0, the
34 sum shall be reduced to 1.0 and shall be apportioned between the public
35 school and the charter school based on the percentage of total time that the
36 pupil is enrolled or in attendance in the public school and the charter
37 school, except that if the pupil is enrolled in both a charter school and a
38 joint technical education district and resides within the boundaries of a
39 school district participating in the joint technical education district, the
40 sum of the average daily membership for that pupil in the charter school and
41 the joint technical education district shall be reduced to 1.25 and shall be
42 apportioned between the charter school and the joint technical education
43 district based on the percentage of total time that the pupil is enrolled or
44 in attendance in the charter school and the joint technical education
45 district. The uniform system of financial records shall include guidelines

1 for the apportionment of the pupil enrollment and attendance as provided in
2 this section.

3 D. Charter schools are allowed to accept grants and gifts to
4 supplement their state funding, but it is not the intent of the charter
5 school law to require taxpayers to pay twice to educate the same pupils. The
6 base support level for a charter school or for a school district sponsoring a
7 charter school shall be reduced by an amount equal to the total amount of
8 monies received by a charter school from a federal or state agency if the
9 federal or state monies are intended for the basic maintenance and operations
10 of the school. The superintendent of public instruction shall estimate the
11 amount of the reduction for the budget year and shall revise the reduction to
12 reflect the actual amount before May 15 of the current year. If the
13 reduction results in a negative amount, the negative amount shall be used in
14 computing all budget limits and equalization assistance, except that:

15 1. Equalization assistance shall not be less than zero.

16 2. For a charter school sponsored by the state board of education, the
17 state board for charter schools, a university, a community college district
18 or a group of community college districts, the total of the base support
19 level and the CHARTER additional assistance shall not be less than zero.

20 3. For a charter school sponsored by a school district, the base
21 support level for the school district shall not be reduced by more than the
22 amount that the charter school increased the district's base support
23 level, ~~capital outlay revenue limit~~ and ~~soft capital~~ DISTRICT ADDITIONAL
24 ASSISTANCE allocation.

25 E. If a charter school was a district public school in the prior year
26 and is now being operated for or by the same school district and sponsored by
27 the state board of education, the state board for charter schools, a
28 university, a community college district, a group of community college
29 districts or a school district governing board, the reduction in subsection D
30 of this section applies. The reduction to the base support level of the
31 charter school or the sponsoring district of the charter school shall equal
32 the sum of the base support level and the CHARTER additional assistance
33 received in the current year for those pupils who were enrolled in the
34 traditional public school in the prior year and are now enrolled in the
35 charter school in the current year.

36 F. Equalization assistance for charter schools shall be provided as a
37 single amount based on average daily membership without categorical
38 distinctions between maintenance and operations or capital.

39 G. At the request of a charter school, the county school
40 superintendent of the county where the charter school is located may provide
41 the same educational services to the charter school as prescribed in section
42 15-308, subsection A. The county school superintendent may charge a fee to
43 recover costs for providing educational services to charter schools.

44 H. If the sponsor of the charter school determines at a public meeting
45 that the charter school is not in compliance with federal law, with the laws
46 of this state or with its charter, the sponsor of a charter school may submit

1 a request to the department of education to withhold up to ten per cent of
2 the monthly apportionment of state aid that would otherwise be due the
3 charter school. The department of education shall adjust the charter
4 school's apportionment accordingly. The sponsor shall provide written notice
5 to the charter school at least seventy-two hours before the meeting and shall
6 allow the charter school to respond to the allegations of noncompliance at
7 the meeting before the sponsor makes a final determination to notify the
8 department of education of noncompliance. The charter school shall submit a
9 corrective action plan to the sponsor on a date specified by the sponsor at
10 the meeting. The corrective action plan shall be designed to correct
11 deficiencies at the charter school and to ensure that the charter school
12 promptly returns to compliance. When the sponsor determines that the charter
13 school is in compliance, the department of education shall restore the full
14 amount of state aid payments to the charter school.

15 I. In addition to the withholding of state aid payments pursuant to
16 subsection H of this section, the sponsor of a charter school may impose a
17 civil penalty of one thousand dollars per occurrence if a charter school
18 fails to comply with the fingerprinting requirements prescribed in section
19 15-183, subsection C or section 15-512. The sponsor of a charter school
20 shall not impose a civil penalty if it is the first time that a charter
21 school is out of compliance with the fingerprinting requirements and if the
22 charter school provides proof within forty-eight hours of written
23 notification that an application for the appropriate fingerprint check has
24 been received by the department of public safety. The sponsor of the charter
25 school shall obtain proof that the charter school has been notified, and the
26 notification shall identify the date of the deadline and shall be signed by
27 both parties. The sponsor of a charter school shall automatically impose a
28 civil penalty of one thousand dollars per occurrence if the sponsor
29 determines that the charter school subsequently violates the fingerprinting
30 requirements. Civil penalties pursuant to this subsection shall be assessed
31 by requesting the department of education to reduce the amount of state aid
32 that the charter school would otherwise receive by an amount equal to the
33 civil penalty. The amount of state aid withheld shall revert to the state
34 general fund at the end of the fiscal year.

35 J. A charter school may receive and spend monies distributed by the
36 department of education pursuant to section 42-5029, subsection E and section
37 37-521, subsection B.

1 K. If a school district transports or contracts to transport pupils to
2 the Arizona state schools for the deaf and the blind during any fiscal year,
3 the school district may transport or contract with a charter school to
4 transport sensory impaired pupils during that same fiscal year to a charter
5 school if requested by the parent of the pupil and if the distance from the
6 pupil's place of actual residence within the school district to the charter
7 school is less than the distance from the pupil's place of actual residence
8 within the school district to the campus of the Arizona state schools for the
9 deaf and the blind.

10 L. Notwithstanding any other law, a university under the jurisdiction
11 of the Arizona board of regents, a community college district or a group of
12 community college districts shall not include any student in the student
13 count of the university, community college district or group of community
14 college districts for state funding purposes if that student is enrolled in
15 and attending a charter school sponsored by the university, community college
16 district or group of community college districts.

17 M. The governing body of a charter school shall transmit a copy of its
18 proposed budget or the summary of the proposed budget and a notice of the
19 public hearing to the department of education for posting on the department
20 of education's website no later than ten days before the hearing and meeting.
21 If the charter school maintains a website, the charter school governing body
22 shall post on its website a copy of its proposed budget or the summary of the
23 proposed budget and a notice of the public hearing.

24 N. The governing body of a charter school shall collaborate with the
25 private organization that is approved by the state board of education
26 pursuant to section 15-792.02 to provide approved board examination systems
27 for the charter school.

28 O. If permitted by federal law, a charter school may opt out of
29 federal grant opportunities if the charter holder or the appropriate
30 governing body of the charter school determines that the federal requirements
31 impose unduly burdensome reporting requirements.

32 P. For the purposes of this section:

6 profile for each public school and school district.

7 B. Each school and school district shall submit to the department any
8 data that is required and requested and that is necessary to compile the

10 information that is necessary is not eligible to receive monies from the
11 classroom site fund established by section 15-977.

12 C. The department shall establish a baseline achievement profile for
13 each school and school district. The baseline achievement profile shall be
14 used to determine a standard measurement of acceptable academic progress for
15 each school and school district and a school and school district
16 classification pursuant to subsection H of this section. Any disclosure of
17 educational records compiled by the department of education pursuant to this
18 section shall comply with the family educational rights and privacy act of

23 academic performance indicators:

24 1. The Arizona measure of academic progress. The department shall
25 compute the extent of academic progress made by the pupils in each school and
26 school district during the course of each year.

27 2. The Arizona instrument to measure standards test. The department
28 shall compute the percentage of pupils who meet or exceed the standard on the
29 Arizona instrument to measure standards test, as prescribed by the state
30 board of education. The superintendent of public instruction and the
31 department may calculate academic gain on the Arizona instrument to measure
32 standards test according to each of the school classifications prescribed in
33 subsection G of this section on a statewide basis, for each school district
34 in this state and for each school by determining the average scale scores for
35 students in the current academic year as compared to the average scale scores
36 for the previous academic year for the same students.

37 3. The results of English language learners tests administered
38 pursuant to section 15-756, subsection B, section 15-756.05 and section
39 15-756.06.

40 E. The achievement profile for schools and school districts that offer
41 instruction in grades nine through twelve, or any combination of those
42 grades, shall include the following school academic performance indicators:

43 1. The Arizona measure of academic progress. The department shall
44 compute the extent of academic progress made by the pupils at each school.

45 2. The Arizona instrument to measure standards test. The department
46 shall compute the percentage of pupils pursuant to subsection G of this

1 section who meet or exceed the standard on the Arizona instrument to measure
2 standards test, as prescribed by the state board of education. The
3 superintendent of public instruction and the department may calculate
4 academic gain on the Arizona instrument to measure standards test according
5 to each of the school classifications prescribed in subsection G of this
6 section on a statewide basis, for each school district in this state and for
7 each school by determining the average scale scores for students in the
8 current academic year as compared to the average scale scores for the
9 previous academic year for the same students.

10 3. The annual dropout rate.

11 4. The annual graduation rate.

12 5. The results of English language learners tests administered
13 pursuant to section 15-756, subsection B, section 15-756.05 and section
14 15-756.06.

15 F. Schools and school districts that offer instruction in all or a
16 combination of the grades specified in subsections D and E of this section
17 shall include a single achievement profile for that school and school
18 district that includes the school academic performance indicators specified
19 in subsections D and E of this section.

20 G. Subject to final adoption by the state board of education, the
21 department shall determine the criteria for each school and school district
22 classification using a research based methodology. The methodology shall
23 include the performance of pupils at all achievement levels, account for
24 pupil mobility, account for the distribution of pupil achievement at each
25 school and school district and include longitudinal indicators of academic
26 performance. Fifty per cent of the school and school district classification
27 determination shall consist of academic performance measurements. Fifty per
28 cent of the academic performance measurement shall consist of a measurement
29 of academic gain for all pupils enrolled at the school or school district and
30 fifty per cent of the academic performance measurements shall consist of a
31 measurement of the twenty-five per cent of pupils with the lowest academic
32 performance measurement enrolled at the school or school district. For the
33 purposes of this subsection, "research based methodology" means the
34 systematic and objective application of statistical and quantitative research
35 principles to determine a standard measurement of acceptable academic
36 progress for each school and school district.

37 H. Except as provided in subsection EE of this section, the
38 achievement profile shall be used to determine a school and school district
39 classification that uses a letter grade system as follows:

40 1. A school or school district assigned a letter grade of A shall
41 demonstrate an excellent level of performance.

42 2. A school or school district assigned a letter grade of B shall
43 demonstrate an above average level of performance.

44 3. A school or school district assigned a letter grade of C shall
45 demonstrate an average level of performance.

1 4. A school or school district assigned a letter grade of D shall
2 demonstrate a below average level of performance.

3 5. A school or school district assigned a letter grade of F shall
4 demonstrate a failing level of performance. The state board of education may
5 also assign a school a letter grade of F if the state board of education
6 determines that the school is among the "persistently lowest-achieving
7 schools" in the state under the federal school accountability requirements
8 pursuant to section 1003(g) of the elementary and secondary education act (20
9 United States Code section 6303).

10 I. The classification for each school and the criteria used to
11 determine classification pursuant to subsection G of this section shall be
12 included on the school report card prescribed in section 15-746.

13 J. Subject to final adoption by the state board of education, the
14 department of education shall develop a parallel achievement profile for
15 accommodation schools, alternative schools as defined by the state board of
16 education and extremely small schools as defined by the state board of
17 education for the purposes of this section.

18 K. If a school is assigned a letter grade of D, within ninety days
19 after receiving notice of the designation, the governing board shall develop
20 an improvement plan for the school, submit a copy of the plan to the
21 superintendent of public instruction and the county educational service
22 agency and supervise the implementation of the plan. The plan shall include
23 necessary components as identified by the state board of education. Within
24 thirty days after submitting the improvement plan to the superintendent of
25 public instruction and the county educational service agency, the governing
26 board shall hold a special public meeting in each school that has been
27 assigned a letter grade of D and shall present the respective improvement
28 plans that have been developed for each school. The school district
29 governing board, within thirty days of receiving notice of the designation,
30 shall provide written notification of the classification to each residence
31 within the attendance area of the school. The notice shall explain the
32 improvement plan process and provide information regarding the public meeting
33 required by this subsection.

34 L. A school that has not submitted an improvement plan pursuant to
35 subsection K of this section is not eligible to receive monies from the
36 classroom site fund established by section 15-977 for every day that a plan
37 has not been received by the superintendent of public instruction within the
38 time specified in subsection K of this section plus an additional ninety
39 days. The state board of education shall require the superintendent of the
40 school district to testify before the board and explain the reasons that an
41 improvement plan for that school has not been submitted.

1 M. If a charter school is assigned a letter grade of D, within thirty
2 days the school shall notify the parents of the students attending the school
3 of the classification. The notice shall explain the improvement plan process
4 and provide information regarding the public meeting required by this
5 subsection. Within ninety days of receiving the classification, the charter
6 holder shall present an improvement plan to the charter sponsor at a public
7 meeting and submit a copy of the plan to the superintendent of public
8 instruction. The improvement plan shall include necessary components as
9 identified by the state board of education. For every day that an
10 improvement plan is not received by the superintendent of public instruction
11 and the county educational service agency, the school is not eligible to
12 receive monies from the classroom site fund established by section 15-977 for
13 every day that a plan has not been received by the superintendent of public
14 instruction within the time specified in subsection K of this section plus an
15 additional ninety days. The charter holder shall appear before the
16 sponsoring board and explain why the improvement plan has not been submitted.

17 N. The department of education shall establish an appeals process, to
18 be approved by the state board of education, for a school to appeal data used
19 to determine the achievement profile of the school. The criteria established
20 shall be based on mitigating factors and may include a visit to the school
21 site by the department of education.

22 O. If a school is assigned a letter grade of D for a third consecutive
23 year, the department of education shall visit the school site to confirm the
24 classification data and to review the implementation of the school's
25 improvement plan. The school shall be assigned a letter grade of F unless an
26 alternate letter grade is assigned after an appeal pursuant to subsection N
27 of this section. A school that is assigned a letter grade of D for less than
28 three consecutive years may also be assigned a letter grade of F if the state
29 board of education determines that there is no reasonable likelihood that the
30 school will achieve an average level of performance within the next two
31 years.

32 P. The school district governing board, within thirty days of
33 receiving notice of the school being assigned a letter grade of F, shall
34 provide written notification of the classification to each residence in the
35 attendance area of the school. The notice shall explain the improvement plan
36 process and provide information regarding the public meeting required by
37 subsection S of this section.

38 Q. The superintendent of public instruction in collaboration with the
39 county educational service agency, based on need, shall assign a solutions
40 team to a school assigned a letter grade of D, a school assigned a letter

42 department of education and the school ~~comprised~~ COMPOSED of master teachers,
43 fiscal analysts and curriculum assessment experts who are certified by the
44 state board of education as Arizona academic standards technicians. The
45 department of education or the county educational service agency may hire or
46 contract with administrators, principals and teachers who have demonstrated

1 experience with the characteristics and situations in a school assigned a
2 letter grade of D or F and may use these personnel as part of the solutions
3 team. The department of education shall work with staff at the school to
4 assist in curricula alignment and shall instruct teachers on how to increase
5 pupil academic progress, considering the school's achievement profile. The
6 solutions team shall consider the existing improvement plan to assess the
7 need for changes to curriculum, professional development and resource
8 allocation and shall present a statement of its findings to the school
9 administrator and district superintendent. Within forty-five days after the
10 presentation of the solutions team's statement of findings, the school
11 district governing board, in cooperation with each school within the school
12 district that is assigned a letter grade of D and its assigned solutions team
13 representative, shall develop and submit to the department of education and
14 the county educational service agency an action plan that details the manner
15 in which the school district will assist the school as the school
16 incorporates the findings of the solutions team into the improvement plan.
17 The department of education shall review the action plan and shall either
18 accept the action plan or return the action plan to the school district for
19 modification. If the school district does not submit an approved action plan
20 within forty-five days, the state board of education may direct the
21 superintendent of public instruction to withhold up to ten per cent of state
22 monies that the school district would otherwise be entitled to receive each
23 month until the plan is submitted to the department of education and the
24 county educational service agency, at which time those monies shall be
25 returned to the school district.

26 R. The parent or the guardian of the pupil may apply to the department
27 of education, in a manner determined by the department of education, for a
28 certificate of supplemental instruction from the failing schools tutoring
29 fund established by this section. Pupils attending a school assigned a
30 letter grade of D or F or a pupil who has failed to pass one or more portions
31 of the Arizona instrument to measure standards test in grades eight through
32 twelve in order to graduate from high school may select an alternative
33 tutoring program in academic standards from a provider that is certified by
34 the state board of education. To qualify, the provider must state in writing
35 a level of academic improvement for the pupil that includes a timeline for
36 improvement that is agreed to by the parent or guardian of the pupil. The
37 state board of education shall annually review academic performance levels
38 for providers certified pursuant to this subsection and may remove a provider
39 at a public hearing from an approved list of providers if that provider fails
40 to meet its stated level of academic improvement. The state board of
41 education shall determine the application guidelines and the maximum value
42 for each certificate of supplemental instruction. The state board of
43 education shall annually complete a market survey in order to determine the
44 maximum value for each certificate of supplemental instruction. This
45 subsection shall not be construed to require the state to provide additional

1 monies beyond the monies provided pursuant to section 42-5029, subsection E,
2 paragraph 7.

3 S. Within sixty days of receiving notification of a school being
4 assigned a letter grade of F, the school district governing board shall
5 evaluate needed changes to the existing improvement plan for the school,
6 consider recommendations from the solutions team, submit a copy of the plan
7 to the superintendent of public instruction and the county educational
8 service agency and supervise the implementation of the plan. Within thirty
9 days after submitting the improvement plan to the superintendent of public
10 instruction, the governing board shall hold a public meeting in each school
11 that has been assigned a letter grade of F and shall present the respective
12 improvement plans that have been developed for each school.

13 T. A school that has not submitted an improvement plan pursuant to
14 subsection S of this section is not eligible to receive monies from the
15 classroom site fund established by section 15-977 for every day that a plan
16 has not been received by the superintendent of public instruction within the
17 time specified in subsection S of this section plus an additional ninety
18 days. The state board of education shall require the superintendent of the
19 school district to testify before the board and explain the reasons that an
20 improvement plan for that school has not been submitted.

21 U. If a charter school is assigned a letter grade of F, the department
22 of education shall immediately notify the charter school's sponsor. The
23 charter school's sponsor shall either take action to restore the charter
24 school to acceptable performance or revoke the charter school's charter.

13 determination, the state board or its designee shall meet with the school
14 district governing board or its designee to determine the time frame,
15 operational considerations and the appropriate continuation of existing
16 improvements that are necessary to assure a smooth transition of authority

26 provided to that school by the district. The state board of education may
27 modify the school district's revenue control limit, the district support
28 level and the general budget limit calculated pursuant to section 15-947 by
29 an amount that corresponds to this reduction in services. The state board of
30 education shall retain the portion of state aid that would otherwise be due
31 the school district for the school and shall distribute that portion of state
32 aid directly to the organization that contracts with the state board of
33 education to operate the school.

10 in order to graduate from high school.

11 DD. The department of education may develop a classification label for
12 school districts and charter school operators. If the department of
13 education develops a classification label for school districts and charter
14 school operators, the classification label may be developed from the
15 following components:

- 16 1. Measures of academic progress.
- 17 2. Pupil assessment data.

5 disciplinary action. The governing board may designate a person or persons
6 to act on behalf of the board on these matters. For violations that are
7 cause for dismissal, the provisions of notice, hearing and appeal in chapter
8 5, article 3 of this title shall apply. The filing of a timely request for a
9 hearing suspends the imposition of a suspension without pay or a dismissal
10 pending completion of the hearing.

11 23. Notwithstanding sections 13-3108 and 13-3120, prescribe and enforce
12 policies and procedures that prohibit a person from carrying or possessing a
13 weapon on school grounds unless the person is a peace officer or has obtained
14 specific authorization from the school administrator.

15 24. Prescribe and enforce policies and procedures relating to the
16 health and safety of all pupils participating in district sponsored practice
17 sessions or games or other interscholastic athletic activities, including:

18 (a) The provision of water.

19 (b) Guidelines, information and forms, developed in consultation with
20 a statewide private entity that supervises interscholastic activities, to
21 inform and educate coaches, pupils and parents of the dangers of concussions
22 and head injuries and the risks of continued participation in athletic
23 activity after a concussion. The policies and procedures shall require that,
24 before a pupil participates in an athletic activity, the pupil and the
25 pupil's parent must sign an information form at least once each school year
26 that states that the parent is aware of the nature and risk of concussion.
27 The policies and procedures shall require that a pupil who is suspected of
28 sustaining a concussion in a practice session, game or other interscholastic
29 athletic activity be immediately removed from the athletic activity. A coach
30 from the pupil's team or an official or a licensed health care provider may
31 remove a pupil from play. A team parent may also remove the parent's own
32 child from play. A pupil may return to play on the same day if a health care
33 provider rules out a suspected concussion at the time the pupil is removed
34 from play. On a subsequent day, the pupil may return to play if the pupil
35 has been evaluated by and received written clearance to resume participation
36 in athletic activity from a health care provider who has been trained in the
37 evaluation and management of concussions and head injuries. A health care
38 provider who is a volunteer and who provides clearance to participate in
39 athletic activity on the day of the suspected injury or on a subsequent day
40 is immune from civil liability with respect to all decisions made and actions
41 taken that are based on good faith implementation of the requirements of this
42 subdivision, except in cases of gross negligence or wanton or wilful neglect.
43 A school district, school district employee, team coach, official or team
44 volunteer or a parent or guardian of a team member is not subject to civil
45 liability for any act, omission or policy undertaken in good faith to comply
46 with the requirements of this subdivision or for a decision made or an action

1 taken by a health care provider. A group or organization that uses property
2 or facilities owned or operated by a school district for athletic activities
3 shall comply with the requirements of this subdivision. A school district
4 and its employees and volunteers are not subject to civil liability for any
5 other person or organization's failure or alleged failure to comply with the
6 requirements of this subdivision. This subdivision does not apply to teams
7 that are based in another state and that participate in an athletic activity
8 in this state. For the purposes of this subdivision, athletic activity does
9 not include dance, rhythmic gymnastics, competitions or exhibitions of
10 academic skills or knowledge or other similar forms of physical noncontact
11 activities, civic activities or academic activities, whether engaged in for
12 the purposes of competition or recreation. For the purposes of this
13 subdivision, "health care provider" means a physician who is licensed
14 pursuant to title 32, chapter 13 or 17, an athletic trainer who is licensed
15 pursuant to title 32, chapter 41, a nurse practitioner who is licensed
16 pursuant to title 32, chapter 15, and a physician assistant who is licensed
17 pursuant to title 32, chapter 25.

18 25. Prescribe and enforce policies and procedures regarding the smoking
19 of tobacco within school buildings. The policies and procedures shall be
20 adopted in consultation with school district personnel and members of the
21 community and shall state whether smoking is prohibited in school buildings.
22 If smoking in school buildings is not prohibited, the policies and procedures
23 shall clearly state the conditions and circumstances under which smoking is
24 permitted, those areas in a school building that may be designated as smoking
25 areas and those areas in a school building that may not be designated as
26 smoking areas.

27 26. Establish an assessment, data gathering and reporting system as
28 prescribed in chapter 7, article 3 of this title.

29 27. Provide special education programs and related services pursuant to
30 section 15-764, subsection A to all children with disabilities as defined in
31 section 15-761.

32 28. Administer competency tests prescribed by the state board of
33 education for the graduation of pupils from high school.

34 29. Ensure that insurance coverage is secured for all construction
35 projects for purposes of general liability, property damage and workers'
36 compensation and secure performance and payment bonds for all construction
37 projects.

38 30. Keep on file the resumes of all current and former employees who
39 provide instruction to pupils at a school. Resumes shall include an
40 individual's educational and teaching background and experience in a
41 particular academic content subject area. A school district shall inform
42 parents and guardians of the availability of the resume information and shall
43 make the resume information available for inspection on request of parents
44 and guardians of pupils enrolled at a school. This paragraph shall not be
45 construed to require any school to release personally identifiable

1 information in relation to any teacher or employee, including the teacher's
2 or employee's address, salary, social security number or telephone number.

3 31. Report to local law enforcement agencies any suspected crime
4 against a person or property that is a serious offense as defined in section
5 13-706 or that involves a deadly weapon or dangerous instrument or serious
6 physical injury and any conduct that poses a threat of death or serious
7 physical injury to employees, students or anyone on the property of the
8 school. This paragraph does not limit or preclude the reporting by a school
9 district or an employee of a school district of suspected crimes other than
10 those required to be reported by this paragraph. For the purposes of this
11 paragraph, "dangerous instrument", "deadly weapon" and "serious physical
12 injury" have the same meanings prescribed in section 13-105.

13 32. In conjunction with local law enforcement agencies and local
14 medical facilities, develop an emergency response plan for each school in the
15 school district in accordance with minimum standards developed jointly by the
16 department of education and the division of emergency management within the
17 department of emergency and military affairs.

18 33. Provide written notice to the parents or guardians of all students
19 affected in the school district at least ten days prior to a public meeting
20 to discuss closing a school within the school district. The notice shall
21 include the reasons for the proposed closure and the time and place of the
22 meeting. The governing board shall fix a time for a public meeting on the
23 proposed closure no less than ten days before voting in a public meeting to
24 close the school. The school district governing board shall give notice of
25 the time and place of the meeting. At the time and place designated in the
26 notice, the school district governing board shall hear reasons for or against
27 closing the school. The school district governing board is exempt from this
28 paragraph if it is determined by the governing board that the school shall be
29 closed because it poses a danger to the health or safety of the pupils or
30 employees of the school. A governing board may consult with the school
31 facilities board for technical assistance and for information on the impact
32 of closing a school. The information provided from the school facilities
33 board shall not require the governing board to take or not take any action.

1 34. Incorporate instruction on Native American history into appropriate
2 existing curricula.

3 35. Prescribe and enforce policies and procedures allowing pupils who
4 have been diagnosed with anaphylaxis by a health care provider licensed
5 pursuant to title 32, chapter 13, 14, 17 or 25 or by a registered nurse
6 practitioner licensed and certified pursuant to title 32, chapter 15 to carry
7 and self-administer emergency medications, including auto-injectable
8 epinephrine, while at school and at school sponsored activities. The pupil's
9 name on the prescription label on the medication container or on the
10 medication device and annual written documentation from the pupil's parent or
11 guardian to the school that authorizes possession and self-administration is
12 sufficient proof that the pupil is entitled to the possession and
13 self-administration of the medication. The policies shall require a pupil
14 who uses auto-injectable epinephrine while at school and at school sponsored
15 activities to notify the nurse or the designated school staff person of the
16 use of the medication as soon as practicable. A school district and its
17 employees are immune from civil liability with respect to all decisions made
18 and actions taken that are based on good faith implementation of the
19 requirements of this paragraph, except in cases of wanton or wilful neglect.

20 36. Allow the possession and self-administration of prescription
21 medication for breathing disorders in handheld inhaler devices by pupils who
22 have been prescribed that medication by a health care professional licensed
23 pursuant to title 32. The pupil's name on the prescription label on the
24 medication container or on the handheld inhaler device and annual written
25 documentation from the pupil's parent or guardian to the school that
26 authorizes possession and self-administration shall be sufficient proof that
27 the pupil is entitled to the possession and self-administration of the
28 medication. A school district and its employees are immune from civil
29 liability with respect to all decisions made and actions taken that are based
30 on a good faith implementation of the requirements of this paragraph.

31 37. Prescribe and enforce policies and procedures to prohibit pupils
32 from harassing, intimidating and bullying other pupils on school grounds, on
33 school property, on school buses, at school bus stops, at school sponsored
34 events and activities and through the use of electronic technology or
35 electronic communication on school computers, networks, forums and mailing
36 lists that include the following components:

37 (a) A procedure for pupils, parents and school district employees to
38 confidentially report to school officials incidents of harassment,
39 intimidation or bullying. The school shall make available written forms
40 designed to provide a full and detailed description of the incident and any
41 other relevant information about the incident.

42 (b) A requirement that school district employees report in writing
43 suspected incidents of harassment, intimidation or bullying to the
44 appropriate school official and a description of appropriate disciplinary
45 procedures for employees who fail to report suspected incidents that are
46 known to the employee.

1 (c) A requirement that, at the beginning of each school year, school
2 officials provide all pupils with a written copy of the rights, protections
3 and support services available to a pupil who is an alleged victim of an
4 incident reported pursuant to this paragraph.

5 (d) If an incident is reported pursuant to this paragraph, a
6 requirement that school officials provide a pupil who is an alleged victim of
7 the incident with a written copy of the rights, protections and support
8 services available to that pupil.

9 (e) A formal process for the documentation of reported incidents of
10 harassment, intimidation or bullying and for the confidentiality, maintenance
11 and disposition of this documentation. School districts shall maintain
12 documentation of all incidents reported pursuant to this paragraph for at
13 least six years. The school shall not use that documentation to impose
14 disciplinary action unless the appropriate school official has investigated
15 and determined that the reported incidents of harassment, intimidation or
16 bullying occurred. If a school provides documentation of reported incidents
17 to persons other than school officials or law enforcement, all individually
18 identifiable information shall be redacted.

19 (f) A formal process for the investigation by the appropriate school
20 officials of suspected incidents of harassment, intimidation or bullying,
21 including procedures for notifying the alleged victim on completion and
22 disposition of the investigation.

23 (g) Disciplinary procedures for pupils who have admitted or been found
24 to have committed incidents of harassment, intimidation or bullying.

25 (h) A procedure that sets forth consequences for submitting false
26 reports of incidents of harassment, intimidation or bullying.

27 (i) Procedures designed to protect the health and safety of pupils who
28 are physically harmed as the result of incidents of harassment, intimidation
29 and bullying, including, if appropriate, procedures to contact emergency
30 medical services or law enforcement agencies, or both.

31 (j) Definitions of harassment, intimidation and bullying.

32 38. Prescribe and enforce policies and procedures regarding changing or
33 adopting attendance boundaries that include the following components:

34 (a) A procedure for holding public meetings to discuss attendance
35 boundary changes or adoptions that allows public comments.

36 (b) A procedure to notify the parents or guardians of the students
37 affected.

38 (c) A procedure to notify the residents of the households affected by
39 the attendance boundary changes.

40 (d) A process for placing public meeting notices and proposed maps on
41 the school district's website for public review, if the school district
42 maintains a website.

43 (e) A formal process for presenting the attendance boundaries of the
44 affected area in public meetings that allows public comments.

1 (f) A formal process for notifying the residents and parents or
2 guardians of the affected area as to the decision of the governing board on
3 the school district's website, if the school district maintains a website.

4 (g) A formal process for updating attendance boundaries on the school
5 district's website within ninety days of an adopted boundary change. The
6 school district shall send a direct link to the school district's attendance
7 boundaries website to the department of real estate.

8 (h) If the land that a school was built on was donated within the past
9 five years, a formal process to notify the entity that donated the land
10 affected by the decision of the governing board.

11 39. If the state board of education determines that the school district
12 has committed an overexpenditure as defined in section 15-107, provide a copy
13 of the fiscal management report submitted pursuant to section 15-107,
14 subsection H on its website and make copies available to the public on
15 request. The school district shall comply with a request within five
16 business days after receipt.

17 40. Ensure that the contract for the superintendent is structured in a
18 manner in which up to twenty per cent of the total annual salary included for
19 the superintendent in the contract is classified as performance pay. This
20 paragraph shall not be construed to require school districts to increase
21 total compensation for superintendents. Unless the school district governing
22 board votes to implement an alternative procedure at a public meeting called
23 for this purpose, the performance pay portion of the superintendent's total
24 annual compensation shall be determined as follows:

25 (a) Twenty-five per cent of the performance pay shall be determined
26 based on the percentage of academic gain determined by the department of
27 education of pupils who are enrolled in the school district compared to the
28 academic gain achieved by the highest ranking of the fifty largest school
29 districts in this state. For the purposes of this subdivision, the
30 department of education shall determine academic gain by the academic growth
31 achieved by each pupil who has been enrolled at the same school in a school
32 district for at least five consecutive months measured against that pupil's
33 academic results in the 2008-2009 school year. For the purposes of this
34 subdivision, of the fifty largest school districts in this state, the school
35 district with pupils who demonstrate the highest statewide percentage of
36 overall academic gain measured against academic results for the 2008-2009
37 school year shall be assigned a score of 100 and the school district with
38 pupils who demonstrate the lowest statewide percentage of overall academic
39 gain measured against academic results for the 2008-2009 school year shall be
40 assigned a score of 0.

41 (b) Twenty-five per cent of the performance pay shall be determined by
42 the percentage of parents of pupils who are enrolled at the school district
43 who assign a letter grade of "A" to the school on a survey of parental
44 satisfaction with the school district. The parental satisfaction survey
45 shall be administered and scored by an independent entity that is selected by
46 the governing board and that demonstrates sufficient expertise and experience

1 to accurately measure the results of the survey. The parental satisfaction
2 survey shall use standard random sampling procedures and provide anonymity
3 and confidentiality to each parent who participates in the survey. The
4 letter grade scale used on the parental satisfaction survey shall direct
5 parents to assign one of the following letter grades:

- 6 (i) A letter grade of "A" if the school district is excellent.
- 7 (ii) A letter grade of "B" if the school district is above average.
- 8 (iii) A letter grade of "C" if the school district is average.
- 9 (iv) A letter grade of "D" if the school district is below average.
- 10 (v) A letter grade of "F" if the school district is a failure.

11 (c) Twenty-five per cent of the performance pay shall be determined by
12 the percentage of teachers who are employed at the school district and who
13 assign a letter grade of "A" to the school on a survey of teacher
14 satisfaction with the school. The teacher satisfaction survey shall be
15 administered and scored by an independent entity that is selected by the
16 governing board and that demonstrates sufficient expertise and experience to
17 accurately measure the results of the survey. The teacher satisfaction
18 survey shall use standard random sampling procedures and provide anonymity
19 and confidentiality to each teacher who participates in the survey. The
20 letter grade scale used on the teacher satisfaction survey shall direct
21 teachers to assign one of the following letter grades:

- 22 (i) A letter grade of "A" if the school district is excellent.
- 23 (ii) A letter grade of "B" if the school district is above average.
- 24 (iii) A letter grade of "C" if the school district is average.
- 25 (iv) A letter grade of "D" if the school district is below average.
- 26 (v) A letter grade of "F" if the school district is a failure.

27 (d) Twenty-five per cent of the performance pay shall be determined by
28 other criteria selected by the governing board.

29 41. Maintain and store permanent public records of the school district
30 as required by law. Notwithstanding section 39-101, the standards adopted by
31 the Arizona state library, archives and public records for the maintenance
32 and storage of school district public records shall allow school districts to
33 elect to satisfy the requirements of this paragraph by maintaining and
34 storing these records either on paper or in an electronic format, or a
35 combination of a paper and electronic format.

36 42. Adopt in a public meeting and implement by school year 2013-2014
37 policies for principal evaluations. Before the adoption of principal
38 evaluation policies, the school district governing board shall provide
39 opportunities for public discussion on the proposed policies. The policies
40 shall describe:

41 (a) The principal evaluation instrument, including the four
42 performance classifications adopted by the governing board pursuant to
43 section 15-203, subsection A, paragraph 38.

44 (b) Alignment of professional development opportunities to the
45 principal evaluations.

1 (c) Incentives for principals in one of the two highest performance
2 classifications pursuant to section 15-203, subsection A, paragraph 38, which
3 may include:

4 (i) Multiyear contracts pursuant to section 15-503.

5 (ii) Incentives to work at schools that are assigned a letter grade of
6 D or F pursuant to section 15-241.

7 (d) Transfer and contract processes for principals designated in the
8 lowest performance classification pursuant to section 15-203, subsection A,
9 paragraph 38.

10 B. Notwithstanding subsection A, paragraphs 7, 9 and 11 of this
11 section, the county school superintendent may construct, improve and furnish
12 school buildings or purchase or sell school sites in the conduct of an
13 accommodation school.

14 C. If any school district acquires real or personal property, whether
15 by purchase, exchange, condemnation, gift or otherwise, the governing board
16 shall pay to the county treasurer any taxes on the property that were unpaid
17 as of the date of acquisition, including penalties and interest. The lien
18 for unpaid delinquent taxes, penalties and interest on property acquired by a
19 school district:

20 1. Is not abated, extinguished, discharged or merged in the title to
21 the property.

22 2. Is enforceable in the same manner as other delinquent tax liens.

23 D. The governing board may not locate a school on property that is
24 less than one-fourth mile from agricultural land regulated pursuant to
25 section 3-365, except that the owner of the agricultural land may agree to
26 comply with the buffer zone requirements of section 3-365. If the owner
27 agrees in writing to comply with the buffer zone requirements and records the
28 agreement in the office of the county recorder as a restrictive covenant
29 running with the title to the land, the school district may locate a school
30 within the affected buffer zone. The agreement may include any stipulations
31 regarding the school, including conditions for future expansion of the school
32 and changes in the operational status of the school that will result in a
33 breach of the agreement.

34 E. A school district, its governing board members, its school council
35 members and its employees are immune from civil liability for the
36 consequences of adoption and implementation of policies and procedures
37 pursuant to subsection A of this section and section 15-342. This waiver
38 does not apply if the school district, its governing board members, its
39 school council members or its employees are guilty of gross negligence or
40 intentional misconduct.

41 F. A governing board may delegate in writing to a superintendent,
42 principal or head teacher the authority to prescribe procedures that are
43 consistent with the governing board's policies.

44 G. Notwithstanding any other provision of this title, a school
45 district governing board shall not take any action that would result in a
46 reduction of pupil square footage unless the governing board notifies the

1 school facilities board established by section 15-2001 of the proposed action
2 and receives written approval from the school facilities board to take the
3 action. A reduction includes an increase in administrative space that
4 results in a reduction of pupil square footage or sale of school sites or
5 buildings, or both. A reduction includes a reconfiguration of grades that
6 results in a reduction of pupil square footage of any grade level. This
7 subsection does not apply to temporary reconfiguration of grades to
8 accommodate new school construction if the temporary reconfiguration does not
9 exceed one year. The sale of equipment that results in a reduction that
10 falls below the equipment requirements prescribed in section 15-2011,
11 subsection B is subject to commensurate withholding of school district
12 ~~capital outlay revenue limit~~ DISTRICT ADDITIONAL ASSISTANCE monies pursuant
13 to the direction of the school facilities board. Except as provided in
14 section 15-342, paragraph 10, proceeds from the sale of school sites,
15 buildings or other equipment shall be deposited in the school plant fund as
16 provided in section 15-1102.

17 H. Subsections C through G of this section apply to a county board of
18 supervisors and a county school superintendent when operating and
19 administering an accommodation school.

20 Sec. 7. Section 15-393, Arizona Revised Statutes, is amended to read:
21 15-393. Joint technical education district governing board;
22 report; definition

23 A. The management and control of the joint district are vested in the
24 joint technical education district governing board, including the content and
25 quality of the courses offered by the district, the quality of teachers who
26 provide instruction on behalf of the district, the salaries of teachers who
27 provide instruction on behalf of the district and the reimbursement of other
28 entities for the facilities used by the district. Unless the governing
29 boards of the school districts participating in the formation of the joint
30 district vote to implement an alternative election system as provided in
31 subsection B of this section, the joint board shall consist of five members
32 elected from five single member districts formed within the joint district.
33 The single member district election system shall be submitted as part of the
34 plan for the joint district pursuant to section 15-392 and shall be
35 established in the plan as follows:

36 1. The governing boards of the school districts participating in the
37 formation of the joint district shall define the boundaries of the single
38 member districts so that the single member districts are as nearly equal in
39 population as is practicable, except that if the joint district lies in part
40 in each of two or more counties, at least one single member district may be
41 entirely within each of the counties comprising the joint district if this
42 district design is consistent with the obligation to equalize the population
43 among single member districts.

44 2. The boundaries of each single member district shall follow election
45 precinct boundary lines, as far as practicable, in order to avoid further
46 segmentation of the precincts.

1 3. A person who is a registered voter of this state and who is a
2 resident of the single member district is eligible for election to the office
3 of joint board member from the single member district. The terms of office
4 of the members of the joint board shall be as prescribed in section 15-427,
5 subsection B. An employee of a joint technical education district or the
6 spouse of an employee shall not hold membership on a governing board of a
7 joint technical education district by which the employee is employed. A
8 member of one school district governing board or joint technical education
9 district governing board is ineligible to be a candidate for nomination or
10 election to or serve simultaneously as a member of any other governing board,
11 except that a member of a governing board may be a candidate for nomination
12 or election for any other governing board if the member is serving in the
13 last year of a term of office. A member of a governing board shall resign
14 the member's seat on the governing board before becoming a candidate for
15 nomination or election to the governing board of any other school district or
16 joint technical education district, unless the member of the governing board
17 is serving in the last year of a term of office.

18 4. Nominating petitions shall be signed by the number of qualified
19 electors of the single member district as provided in section 16-322.

20 B. The governing boards of the school districts participating in the
21 formation of the joint district may vote to implement any other alternative
22 election system for the election of joint district board members. If an
23 alternative election system is selected, it shall be submitted as part of the
24 plan for the joint district pursuant to section 15-392, and the
25 implementation of the system shall be as approved by the United States
26 justice department.

27 C. The joint technical education district shall be subject to the
28 following provisions of this title:

- 29 1. Chapter 1, articles 1 through 6.
- 30 2. Sections 15-208, 15-210, 15-213 and 15-234.
- 31 3. Articles 2, 3 and 5 of this chapter.
- 32 4. Section 15-361.
- 33 5. Chapter 4, articles 1, 2 and 5.
- 34 6. Chapter 5, articles 1, 2 and 3.
- 35 7. Sections 15-701.01, 15-722, 15-723, 15-724, 15-727, 15-728, 15-729
36 and 15-730.
- 37 8. Chapter 7, article 5.
- 38 9. Chapter 8, articles 1, 3 and 4.
- 39 10. Sections 15-828 and 15-829.
- 40 11. Chapter 9, article 1, article 6, except for section 15-995, and
41 article 7.
- 42 12. Sections 15-941, 15-943.01, 15-948, 15-952, 15-953 and 15-973.
- 43 13. Sections 15-1101 and 15-1104.
- 44 14. Chapter 10, articles 2, 3, 4 and 8.

45 D. Notwithstanding subsection C of this section, the following apply
46 to a joint technical education district:

1 1. A joint district may issue bonds for the purposes specified in
2 section 15-1021 and in chapter 4, article 5 of this title to an amount in the
3 aggregate, including the existing indebtedness, not exceeding one per cent of
4 the taxable property used for secondary tax purposes, as determined pursuant
5 to title 42, chapter 15, article 1, within the joint technical education
6 district as ascertained by the last property tax assessment previous to
7 issuing the bonds.

8 2. The number of governing board members for a joint district shall be
9 as prescribed in subsection A of this section.

10 3. If a career and technical education course or program provided
11 pursuant to this article is provided in a facility owned or operated by a
12 school district in which a pupil is enrolled, including satellite courses,
13 the sum of the average daily membership, as provided in section 15-901,
14 subsection A, paragraph 1, for that pupil in both the school district and
15 joint technical education district shall not exceed 1.25. The sum of the
16 average daily membership, as provided in section 15-901, subsection A,
17 paragraph 1, shall not exceed 1.25 for the courses taken in the school

19 and the joint district shall determine the apportionment of the average daily
20 membership for that pupil between the school district and the joint district.

21 4. The student count for the first year of operation of a joint
22 technical education district as provided in this article shall be determined
23 as follows:

24 (a) Determine the estimated student count for joint district classes
25 that will operate in the first year of operation. This estimate shall be
26 based on actual registration of pupils as of March 30 scheduled to attend
27 classes that will be operated by the joint district. The student count for
28 the district of residence of the pupils registered at the joint district
29 shall be adjusted. The adjustment shall cause the district of residence to
30 reduce the student count for the pupil to reflect the courses to be taken at
31 the joint district. The district of residence shall review and approve the
32 adjustment of its own student count as provided in this subdivision before
33 the pupils from the school district can be added to the student count of the
34 joint district.

35 (b) The student count for the new joint district shall be the student
36 count as determined in subdivision (a) of this paragraph.

37 (c) For the first year of operation, the joint district shall revise
38 the student count to the actual average daily membership as prescribed in
39 section 15-901, subsection A, paragraph 1 for students attending classes in
40 the joint district. A joint district shall revise its student count, the
41 base support level as provided in section 15-943.02, the revenue control

45 overestimated its student count shall revise its budget prior to May 15. A

1 joint district that underestimated its student count may revise its budget
2 prior to May 15.

3 (d) After March 15 of the first year of operation, the district of
4 residence shall adjust its student count by reducing it to reflect the
5 courses actually taken at the joint district. The district of residence
6 shall revise its student count, the base support level as provided in section
7 15-943, the revenue control limit as provided in section 15-944, ~~the capital~~

20 any day of the week and at any time between July 1 and June 30 of each fiscal
21 year.

22 For the purposes of this paragraph, "district of residence" means the
23 district that included the pupil in its average daily membership for the year
24 before the first year of operation of the joint district and that would have
25 included the pupil in its student count for the purposes of computing its
26 base support level for the fiscal year of the first year of operation of the
27 joint district if the pupil had not enrolled in the joint district.

28 5. A student includes any person enrolled in the joint district
29 without regard to the person's age or high school graduation status, except
30 that:

31 (a) A student in a kindergarten program or in grades one through nine
32 who enrolls in courses offered by the joint technical education district
33 shall not be included in the joint district's student count or average daily
34 membership.

35 (b) A student in a kindergarten program or in grades one through nine
36 who is enrolled in career and technical education courses shall not be funded

4 fiscal year of operations.

5 8. A joint district may use the carryforward provisions of section
6 15-943.01 retroactively to July 1, 1993.

7 9. A school district that is part of a joint district shall use any
8 monies received pursuant to this article to supplement and not supplant base
9 year career and technical education courses, and directly related equipment
10 and facilities, except that a school district that is part of a joint
11 technical education district and that has used monies received pursuant to
12 this article to supplant career and technical education courses that were
13 offered before the first year that the school district participated in the
14 joint district or the first year that the school district used monies
15 received pursuant to this article or that used the monies for purposes other
16 than for career and technical education courses shall use one hundred per
17 cent of the monies received pursuant to this article to supplement and not
18 supplant base year career and technical education courses.

19 10. A joint technical education district shall use any monies received
20 pursuant to this article to enhance and not supplant career and technical

28 district, or approved solely by the joint technical education district for
29 centrally located courses. Student count and average daily membership from

31 education shall not be included in student count and average daily membership
32 of a joint technical education district.

33 E. The joint board shall appoint a superintendent as the executive
34 officer of the joint district.

35 F. Taxes may be levied for the support of the joint district as
36 prescribed in chapter 9, article 6 of this title, except that a joint
37 technical education district shall not levy a property tax pursuant to law
38 that exceeds five cents per one hundred dollars assessed valuation except for
39 bond monies pursuant to subsection D, paragraph 1 of this section. Except
40 for the taxes levied pursuant to section 15-994, such taxes shall be obtained
41 from a levy of taxes on the taxable property used for secondary tax purposes.

42 G. The schools in the joint district are available to all persons who
43 reside in the joint district and to pupils whose district of residence is
44 paying tuition on behalf of the pupils to a district of attendance that is a
45 member of the joint technical education district, subject to the rules for
46 admission prescribed by the joint board.

1 H. The joint board may collect tuition for adult students and the
2 attendance of pupils who are residents of school districts that are not
3 participating in the joint district pursuant to arrangements made between the
4 governing board of the district and the joint board.

5 I. The joint board may accept gifts, grants, federal monies, tuition
6 and other allocations of monies to erect, repair and equip buildings and for
7 the cost of operation of the schools of the joint district.

9 chairman shall be selected annually on a rotation basis from among the
10 participating school districts. The chairman of the joint board shall be a
11 voting member.

12 K. A joint board and a community college district may enter into
13 agreements for the provision of administrative, operational and educational

43 district be proportionally calculated in the cost of delivering the service.

44 9. That the payment for services shall not exceed the cost of the
45 services provided.

1 M. On or before December 31 of each year, each joint technical
2 education district shall submit a detailed report to the career and technical
3 education division of the department of education. The career and technical
4 education division of the department of education shall collect, summarize
5 and analyze the data submitted by the joint districts, shall submit an annual
6 report that summarizes the data submitted by the joint districts to the
7 governor, the speaker of the house of representatives, the president of the
8 senate and the state board of education and shall submit a copy of this
9 report to the secretary of state. The data submitted by each joint technical
10 education district shall include the following:

14 Sec. 8. Section 15-448, Arizona Revised Statutes, is amended to read:
15 15-448. Formation of unified school district; board membership;
16 budget

17 A. One or more common school districts and a high school district with
18 coterminous or overlapping boundaries may establish a unified school district
19 pursuant to this section. Unification of a common school district and a high
20 school district is not authorized by this section if any of the high school
21 facilities owned by the new unified school district would not be located
22 within its boundaries.

23 B. Formation of a unified school district shall be by resolutions
24 approved by the governing boards of the unifying school districts and
25 certification of approval by such governing boards to the county school
26 superintendent of the county or counties in which such individual school
27 districts are located. A common school district and high school district
28 that unify pursuant to this section shall not exclude from the same
29 unification a common school district that has overlapping boundaries with the
30 high school district and that wishes to unify. The formation of a unified
31 school district shall become effective on July 1 of the next fiscal year
32 following the certification of the county school superintendent. An election
33 shall not be required to form a unified school district pursuant to this
34 section. At least ninety days before the governing boards vote on the
35 resolutions prescribed in this subsection, the governing boards shall mail a
36 pamphlet to each household with one or more qualified electors that shall
37 list the full cash value, the assessed valuation and the estimated amount of
38 the primary property taxes and the estimated amount of the secondary property
39 taxes under the proposed unification for each of the following:

40 1. An owner occupied residence whose assessed valuation is the average
41 assessed valuation of property classified as class three, as prescribed by
42 section 42-12003 for the current year in the school district.

43 2. An owner occupied residence whose assessed valuation is one-half of
44 the assessed valuation of the residence in paragraph 1 of this subsection.

45 3. An owner occupied residence whose assessed valuation is twice the
46 assessed valuation of the residence in paragraph 1 of this subsection.

1 4. A business whose assessed valuation is the average of the assessed
2 valuation of property classified as class one, as prescribed by section
3 42-12001, paragraphs 12 and 13 for the current year in the school district.

4 C. The boundaries of the unified school district shall be the
5 boundaries of the former common school district or districts that unify. The
6 boundaries of the common school district or districts that are not unifying
7 remain unchanged. The county school superintendent, immediately upon receipt
8 of the approved resolutions prescribed by subsection B of this section, shall
9 file with the board of supervisors, the county assessor and the
10 superintendent of public instruction a transcript of the boundaries of the
11 unified school district. The boundaries shown in the transcript shall become
12 the legal boundaries of the school districts on July 1 of the next fiscal
13 year.

14 D. On formation of the unified school district, the governing board
15 consists of the members of the former school district governing boards and
16 the members shall hold office until January 1 following the first general
17 election after formation of the district.

18 E. Beginning on January 1 following the first general election after
19 formation of the unified school district, the governing board shall have five
20 members. At the first general election after the formation of the district,
21 members shall be elected in the following manner:

22 1. The three candidates receiving the highest, the second highest and
23 the third highest number of votes shall be elected to four year terms.

24 2. The two candidates receiving the fourth and fifth highest number of
25 votes shall be elected to two year terms. Thereafter all offices shall have
26 four year terms.

27 F. The new unified school district may appoint a resident of the
28 remaining common school district to serve as a nonvoting member of the
29 governing board to represent the interests of the high school pupils who
30 reside in the remaining common school district and who attend school in the
31 unified school district.

32 G. For the first year of operation, the unified school district
33 governing board shall prepare a consolidated budget based on the student
34 counts from the school districts comprising the unified school district,
35 except that for purposes of determining budget amounts and equalization
36 assistance, the student count for the former high school district shall not
37 include the prior year average daily membership attributable to high school
38 pupils from a common school district that was part of the former high school
39 district but is not part of the unified school district. The unified school
40 district shall charge the remaining common school district tuition for these
41 pupils as provided in subsection J of this section. The unified school
42 district may budget for unification assistance pursuant to section 15-912.01.

43 H. The governing board of the unified school district shall prepare
44 policies, curricula and budgets for the district. These policies shall
45 require that:

1 1. The base compensation of each certificated teacher for the first
2 year of operation of the new unified school district shall not be lower than
3 the certificated teacher's base compensation for the prior year in the
4 previously existing school districts.

5 2. The certificated teacher's years of employment in the previously
6 existing school districts shall be included in determining the teacher's
7 certificated years of employment in the new unified school district.

8 I. Upon formation of a unified school district any existing override
9 authorization of the former high school district and the former common school
10 district or districts shall continue until expiration based on the revenue
11 control limit of the school district or districts that had override
12 authorization prior to unification. The unified school district may request
13 new override authorization for the budget year as provided in section 15-481
14 based on the combined revenue control limit of the new district after
15 unification. If the unified school district's request for override
16 authorization is approved, it will replace any existing override for the
17 budget year.

18 J. The unified school district shall admit high school pupils who
19 reside in a common school district that was located within the boundaries of
20 the former high school district. Tuition shall be paid to the unified school
21 district by the common school district in which such pupils reside. Such
22 tuition amount shall be calculated in accordance with section 15-824, subject
23 to the following modifications:

24 1. If the former high school district had outstanding bonded
25 indebtedness at the time of unification, the combined tuition for the group
26 of high school pupils who reside in each common school district shall include
27 a debt service amount for the former high school district's outstanding
28 bonded indebtedness that is determined as follows:

29 (a) Divide the total secondary assessed valuation of the common school
30 district in which the group of pupils resides by the total secondary assessed
31 valuation of the former high school district. For the purposes of this
32 subdivision, "secondary assessed valuation" means secondary assessed
33 valuation for the tax year prior to the year when the unification occurs and
34 includes the values used to determine voluntary contributions collected
35 pursuant to title 9, chapter 4, article 3 and title 48, chapter 1, article 8.

36 (b) Multiply the quotient obtained in subdivision (a) by the unified
37 school district's annual debt service expenditure.

38 2. The debt service portion of such tuition payments calculated
39 pursuant to paragraph 1 of this subsection shall be used exclusively for debt
40 service of the outstanding bonded indebtedness of the former high school
41 district. When such indebtedness is fully extinguished, the debt service
42 portion of a pupil's tuition shall be determined in accordance with paragraph
43 3 of this subsection.

44 3. If the former high school district had no outstanding bonded
45 indebtedness at the time of unification, the tuition calculation shall
46 include the actual school district expenditures for the portion of any debt

1 service of the unified school district that pertains to any construction or
2 renovation of high school facilities divided by the school district's student
3 count for the high school portion of the school district.

4 4. The unified school district shall not include in the tuition
5 calculation any debt service that pertains to any construction or renovation
6 of school facilities for preschool through grade eight.

7 5. Notwithstanding section 15-951, subsection ~~G~~ F, the revenue
8 control limit of the common school district shall include the full amount of
9 the debt service portion of the tuition calculated pursuant to this
10 subsection.

11 K. All assets and liabilities of the unifying school districts shall
12 be transferred and assumed by the new unified school district. Any existing
13 bonded indebtedness of a common school district or a high school district
14 unifying pursuant to this section shall be assumed by the new unified school
15 district and shall be regarded as an indebtedness of the new unified school
16 district for the purpose of determining the debt incurring authority of the
17 district. Taxes for the payment of such bonded indebtedness shall be levied
18 on all taxable property in the new unified school district, but nothing in
19 this subsection shall be construed to relieve from liability to taxation for
20 the payment of all taxable property of the former high school district if
21 necessary to prevent a default in the payment of any bonded indebtedness of
22 the former high school district. The residents of a common school district
23 that does not unify shall not vote in bond or override elections of the
24 unified school district and shall not be assessed taxes as a result of a bond
25 or override election of the unified school district.

26 L. If the remaining common school district had authorization for an
27 override as provided in section 15-481 or 15-482, the override authorization
28 continues for the remaining common school district or districts in the same
29 manner as before the formation of the unified school district.

30 M. The bonding authorization and bonding limitations continue for the
31 remaining common school district or districts in the same manner as before
32 the formation of the unified school district.

33 N. Nothing in this section shall be construed to relieve a school
34 district formed pursuant to section 15-457 or 15-458 of its liability for any
35 outstanding bonded indebtedness.

36 O. For school districts that become unified after July 1, 2004 and
37 where all of the common schools were eligible for the small school district
38 weight pursuant to section 15-943, paragraph 1, subdivision (a) when
39 computing their base support level and base revenue control limit before
40 unification, the unified school district may continue to use the small school
41 district weight as follows:

42 1. Annually determine the common school student count and the weighted
43 student count pursuant to section 15-943, paragraph 1, subdivision (a) for
44 each common school district before unification.

45 2. Calculate the sum of the common school districts' student counts
46 and weighted student counts determined in paragraph 1 of this subsection.

1 B. The county school superintendent shall prepare an informational
2 report on the proposed increase in the budget and a sample ballot and, at
3 least forty days prior to the election, shall transmit the report and the
4 sample ballot to the governing board of the school district. The governing
5 board, upon receipt of the report and the ballot, shall mail or distribute
6 the report and the ballot to the households in which qualified electors
7 reside within the school district at least thirty-five days prior to the
8 election. Any distribution of material concerning the proposed increase in
9 the budget shall not be conducted by children enrolled in the school
10 district. The report shall contain the following information:

11 1. The date of the election.
12 2. The voter's polling place and the times it is open.
13 3. The proposed total increase in the budget which exceeds the amount
14 permitted pursuant to section 15-905.

15 4. The total amount of the current year's budget, the total amount of
16 the proposed budget and the total amount of the alternate budget.

17 5. If the override is for a period of more than one year, a statement
18 indicating the number of years the proposed increase in the budget would be
19 in effect and the percentage of the school district's revenue control limit
20 that the district is requesting for the future years.

21 6. The proposed total amount of revenues which will fund the increase
22 in the budget and the amount which will be obtained from a levy of taxes upon
23 the taxable property within the school district for the first year for which
24 the budget increase was adopted.

25 7. The proposed amount of revenues which will fund the increase in the
26 budget and which will be obtained from other than a levy of taxes upon the
27 taxable property within the school district for the first year for which the
28 budget increase was adopted.

29 8. The dollar amount and the purpose for which the proposed increase
30 in the budget is to be expended for the first year for which the budget
31 increase was adopted.

32 9. At least two arguments, if submitted, but no more than ten
33 arguments for and two arguments, if submitted, but no more than ten arguments
34 against the proposed increase in the budget. The arguments shall be in a
35 form prescribed by the county school superintendent, and each argument shall
36 not exceed two hundred words. Arguments for the proposed increase in the
37 budget shall be provided in writing and signed by the governing board. If
38 submitted, additional arguments in favor of the proposed increase in the
39 budget shall be provided in writing and signed by those in favor. Arguments
40 against the proposed increase in the budget shall be provided in writing and
41 signed by those in opposition. The names of persons and entities submitting
42 written arguments shall be included in the report. The county school
43 superintendent shall review all factual statements contained in the written
44 arguments and correct any inaccurate statements of fact. The superintendent
45 shall not review and correct any portion of the written arguments which are
46 identified as statements of the author's opinion. The county school

1 superintendent shall make the written arguments available to the public as
2 provided in title 39, chapter 1, article 2. A deadline for submitting
3 arguments to be included in the informational report shall be set by the
4 county school superintendent.

5 10. A statement that the alternate budget shall be adopted by the
6 governing board if the proposed budget is not adopted by the qualified
7 electors of the school district.

8 11. The current full cash value and the assessed valuation provided by
9 the department of revenue, the first year tax rate for the proposed override
10 and the estimated amount of the secondary property taxes if the proposed
11 budget is adopted for each of the following:

13 average assessed valuation of property classified as class three, as
14 prescribed by section 42-12003 for the current year in the school district.

24 section, the following information:

25 (a) An executive summary of the school district's most recent capital
26 improvement plan submitted to the school facilities board.

27 (b) A complete list of each proposed capital improvement that will be
28 funded with the budget increase and a description of the proposed cost of
29 each improvement, including a separate aggregation of capital improvements
30 for administrative purposes as defined by the school facilities board.

31 (c) The tax rate associated with each of the proposed capital
32 improvements and the estimated cost of each capital improvement for the owner
33 of a single family home that is valued at eighty thousand dollars.

34 C. For the purpose of this section, the school district may use its
35 staff, equipment, materials, buildings or other resources only to distribute
36 the informational report at the school district office or at public hearings
37 and to produce such information as required in subsection B of this section,
38 provided that nothing in this subsection shall preclude school districts from
39 holding or participating in any public hearings at which testimony is given
40 by at least one person for the proposed increase and one person against the
41 proposed increase. Any written information provided by the district
42 pertaining to the override election shall include financial information
43 showing the estimated first year tax rate for the proposed budget override
44 amount.

45 D. If any amount of the proposed increase will be funded by a levy of
46 taxes in the district, the election prescribed in subsection A of this

1 section shall be held on the first Tuesday following the first Monday in
2 November as prescribed by section 16-204, subsection B, paragraph 1,
3 subdivision (d). If the proposed increase will be fully funded by revenues
4 from other than a levy of taxes, the elections prescribed in subsection A of
5 this section shall be held on any date prescribed by section 16-204. The
6 elections shall be conducted as nearly as practicable in the manner
7 prescribed in article 1 of this chapter, sections 15-422 through 15-424 and
8 section 15-426, relating to special elections, except that:

9 1. The notices required pursuant to section 15-403 shall be posted not
10 less than twenty-five days before the election.

11 2. Ballots shall be counted pursuant to title 16, chapter 4,
12 article 10.

13 E. If the election is to exceed the revenue control limit and if the
14 proposed increase will be fully funded by a levy of taxes upon the taxable
15 property within the school district, the ballot shall contain the words
16 "budget increase, yes" and "budget increase, no", and the voter shall signify
17 his desired choice. The ballot shall also contain the amount of the proposed
18 increase of the proposed budget over the alternate budget, a statement that
19 the amount of the proposed increase will be based on a percentage of the
20 school district's revenue control limit in future years, if applicable, as
21 provided in subsection P of this section and the following statement:

22 Any budget increase authorized by this election shall be
23 entirely funded by a levy of taxes upon the taxable property
24 within this school district for the year for which adopted and
25 for ___ subsequent years, shall not be realized from monies
26 furnished by the state and shall not be subject to the
27 limitation on taxes specified in article IX, section 18,
28 Constitution of Arizona. Based on the current assessed
29 valuation used for secondary property tax purposes, to fund the
30 proposed increase in the school district's budget would require
31 an estimated tax rate of _____ dollar per one hundred
32 dollars of assessed valuation used for secondary property tax
33 purposes and is in addition to the school district's tax rate
34 which will be levied to fund the school district's revenue
35 control limit allowed by law.

36 F. If the election is to exceed the revenue control limit and if the
37 proposed increase will be fully funded by revenues from other than a levy of
38 taxes upon the taxable property within the school district, the ballot shall
39 contain the words "budget increase, yes" and "budget increase, no", and the
40 voter shall signify the voter's desired choice. The ballot shall also
41 contain:

42 1. The amount of the proposed increase of the proposed budget over the
43 alternate budget.

44 2. A statement that the amount of the proposed increase will be based
45 on a percentage of the school district's revenue control limit in future
46 years, if applicable, as provided in subsection P of this section.

1 3. The following statement:
 2 Any budget increase authorized by this election shall be
 3 entirely funded by this school district with revenues from other
 4 than a levy of taxes on the taxable property within the school
 5 district for the year for which adopted and for _____
 6 subsequent years and shall not be realized from monies furnished
 7 by the state.

8 G. Except as provided in subsection H of this section, the maximum
 9 budget increase which may be requested and authorized as provided in
 10 subsection E or F of this section or the combination of subsections E and F
 11 of this section is fifteen per cent of the revenue control limit as provided
 12 in section 15-947, subsection A for the budget year. If a school district
 13 requests an override pursuant to section 15-482 or to continue with a budget
 14 override pursuant to section 15-482 for pupils in kindergarten programs and
 15 grades one through three that was authorized before December 31, 2008, the
 16 maximum budget increase that may be requested and authorized as provided in
 17 subsection E or F of this section or the combination of subsections E and F
 18 of this section is ten per cent of the revenue control limit as provided in
 19 section 15-947, subsection A for the budget year.

20 H. Special budget override provisions for school districts with a
 21 student count of less than one hundred fifty-four in kindergarten programs
 22 and grades one through eight or with a student count of less than one hundred
 23 seventy-six in grades nine through twelve are as follows:

24 1. The maximum budget increase that may be requested and authorized as
 25 provided in subsections E and F of this section is the greater of the amount
 26 prescribed in subsection G of this section or a limit computed as follows:

27 (a) For common or unified districts with a student count of less than
 28 one hundred fifty-four in kindergarten programs and grades one through eight,
 29 the limit computed as prescribed in item (i) or (ii) of this subdivision,
 30 whichever is appropriate:

5 (b) For unified or union high school districts with a student count of
6 less than one hundred seventy-six in grades nine through twelve, the limit
7 computed as prescribed in item (i) or (ii) of this subdivision, whichever is
8 appropriate:

9 (i)

28	\$350,000	- \$	= \$

29 (c) If both subdivisions (a) and (b) of this paragraph apply to a
30 unified school district, its limit for the purposes of this paragraph is the
31 combination of its elementary limit and its secondary limit.

32 (d) If only subdivision (a) or (b) of this paragraph applies to a
33 unified school district, the district's limit for the purposes of this
34 paragraph is the sum of the limit computed as provided in subdivision (a) or
35 (b) of this paragraph plus ten per cent of the revenue control limit
36 attributable to those grade levels that do not meet the eligibility
37 requirements of this subsection. If a school district budgets monies outside
38 the revenue control limit pursuant to section 15-949, subsection E, the
39 district's limit for the purposes of this paragraph is only the ten per cent
40 of the revenue control limit attributable to those grade levels that are not
41 included under section 15-949, subsection E. For the purposes of this
42 subdivision, the revenue control limit is separated into elementary and
43 secondary components based on the weighted student count as provided in
44 section 15-971, subsection B, paragraph 2, subdivision (a).

45 2. If a school district utilizes this subsection to request an
46 override of more than one year, the ballot shall include an estimate of the

1 amount of the proposed increase in the future years in place of the statement
2 that the amount of the proposed increase will be based on a percentage of the
3 school district's revenue control limit in future years, as prescribed in
4 subsections E and F of this section.

5 3. Notwithstanding subsection P of this section, the maximum period of
6 an override authorized pursuant to this subsection is five years.

7 4. Subsection P, paragraphs 1 and 2 of this section do not apply to
8 overrides authorized pursuant to this subsection.

9 I. If the election is to exceed the revenue control limit as provided
10 in section 15-482 and if the proposed increase will be fully funded by a levy
11 of taxes on the taxable property within the school district, the ballot shall
12 contain the words "budget increase, yes" and "budget increase, no", and the
13 voter shall signify the voter's desired choice. The ballot shall also
14 contain the amount of the proposed increase of the budget over the alternate
15 budget, a statement that the amount of the proposed increase will be based on
16 a percentage of the school district's revenue control limit in future years,
17 if applicable, as provided in subsection Q of this section, and the following
18 statement:

19 Any budget increase authorized by this election shall be
20 entirely funded by a levy of taxes on the taxable property
21 within this school district for the year for which adopted and
22 for _____ subsequent years, shall not be realized from monies
23 furnished by the state and shall not be subject to the
24 limitation on taxes specified in article IX, section 18,
25 Constitution of Arizona. Based on the current assessed
26 valuation used for secondary property tax purposes, to fund the
27 proposed increase in the school district's budget which will be
28 funded by a levy of taxes upon the taxable property within this
29 school district would require an estimated tax rate of
30 _____ dollar per one hundred dollars of assessed valuation
31 used for secondary property tax purposes and is in addition to
32 the school district's tax rate that will be levied to fund the
33 school district's revenue control limit allowed by law.

34 J. If the election is to exceed the revenue control limit as provided
35 in section 15-482 and if the proposed increase will be fully funded by
36 revenues other than a levy of taxes on the taxable property within the school
37 district, the ballot shall contain the words "budget increase, yes" and
38 "budget increase, no", and the voter shall signify the voter's desired
39 choice. The ballot shall also contain the amount of the proposed increase of
40 the proposed budget over the alternate budget, a statement that the amount of
41 the proposed increase will be based on a percentage of the school district's
42 revenue control limit in future years, if applicable, as provided in
43 subsection Q of this section and the following statement:

44 Any budget increase authorized by this election shall be
45 entirely funded by this school district with revenues from other
46 than a levy of taxes on the taxable property within the school

1 district for the year for which adopted and for _____ subsequent
2 years and shall not be realized from monies furnished by the
3 state.

4 K. The maximum budget increase that may be requested and authorized as
5 provided in subsection I or J of this section, or a combination of both of
6 these subsections, is five per cent of the revenue control limit as provided
7 in section 15-947, subsection A for the budget year. For a common school
8 district not within a high school district or a common school district within
9 a high school district that offers instruction in high school subjects as
10 provided in section 15-447, five per cent of the revenue control limit means
11 five per cent of the revenue control limit attributable to the weighted
12 student count in preschool programs for children with disabilities,
13 kindergarten programs and grades one through eight as provided in section
14 15-971, subsection B. For a unified school district, five per cent of the
15 revenue control limit means five per cent of the revenue control limit
16 attributable to the weighted student count in preschool programs for children
17 with disabilities, kindergarten programs and grades one through twelve. For
18 a union high school district, five per cent of the revenue control limit
19 means five per cent of the revenue control limit attributable to the weighted
20 student count in grades nine through twelve.

21 L. If the election is to exceed ~~the capital outlay revenue limit~~
22 DISTRICT ADDITIONAL ASSISTANCE and if the proposed increase will be fully
23 funded by a levy of taxes upon the taxable property within the school
24 district, the ballot shall contain the words "budget increase, yes" and
25 "budget increase, no", and the voter shall signify the voter's desired
26 choice. An election held pursuant to this subsection shall be held on the
27 first Tuesday after the first Monday of November. The ballot shall also
28 contain the amount of the proposed increase of the proposed budget over the
29 alternate budget and the following statement:

30 Any budget increase authorized by this election shall be
31 entirely funded by a levy of taxes upon the taxable property
32 within this school district for the year in which adopted and
33 for _____ subsequent years, shall not be realized from monies
34 furnished by the state and shall not be subject to the
35 limitation on taxes specified in article IX, section 18,
36 Constitution of Arizona. Based on the current assessed
37 valuation used for secondary property tax purposes, to fund the
38 proposed increase in the school district's budget would require
39 an estimated tax rate of _____ dollar per one hundred
40 dollars of assessed valuation used for secondary property tax
41 purposes and is in addition to the school district's tax rate
42 which will be levied to fund the school district's ~~capital~~
43 ~~outlay revenue limit~~ DISTRICT ADDITIONAL ASSISTANCE allowed by
44 law.

45 M. If the election is to exceed ~~the capital outlay revenue limit~~
46 DISTRICT ADDITIONAL ASSISTANCE and if the proposed increase will be fully

1 funded by revenues from other than a levy of taxes upon the taxable property
2 within the school district, the ballot shall contain the words "budget
3 increase, yes" and "budget increase, no", and the voter shall signify the
4 voter's desired choice. An election held pursuant to this subsection shall
5 be held on the first Tuesday after the first Monday of November. The ballot
6 shall also contain the amount of the proposed increase of the proposed budget
7 over the alternate budget and the following statement:

8 Any budget increase authorized by this election shall be
9 entirely funded by this school district with revenues from other
10 than a levy of taxes on the taxable property within the school
11 district for the year in which adopted and for _____ subsequent
12 years and shall not be realized from monies furnished by the
13 state.

14 N. If the election is to exceed a combination of the revenue control
15 limit as provided in subsection E or F of this section, the revenue control
16 limit as provided in subsection I or J of this section or ~~the capital outlay~~
17 ~~revenue limit~~ DISTRICT ADDITIONAL ASSISTANCE as provided in subsection L or M
18 of this section, the ballot shall be prepared so that the voters may vote on
19 each proposed increase separately and shall contain statements required in
20 the same manner as if each proposed increase were submitted separately.

21 O. If the election provides for a levy of taxes on the taxable
22 property within the school district, at least thirty days prior to the
23 election, the department of revenue shall provide the school district
24 governing board and the county school superintendent with the current
25 secondary assessed valuation of the school district. The governing board and
26 the county school superintendent shall use the current secondary assessed
27 valuation of the school district to translate the amount of the proposed
28 dollar increase in the budget of the school district over that allowed by law
29 into a tax rate figure.

30 P. If the voters in a school district vote to adopt a budget in excess
31 of the revenue control limit as provided in subsection E or F of this
32 section, any additional increase shall be included in the aggregate budget
33 limit for each of the years authorized. Any additional increase shall be
34 excluded from the determination of equalization assistance. The school
35 district governing board, however, may levy on the assessed valuation used
36 for secondary property tax purposes of the property in the school district
37 the additional increase if adopted under subsection E of this section for the
38 period of one year, two years or five through seven years as authorized. If
39 an additional increase is approved as provided in subsection F of this
40 section, the school district governing board may only use revenues derived
41 from the school district's prior year's maintenance and operation fund ending
42 cash balance to fund the additional increase. If a budget increase was
43 previously authorized and will be in effect for the budget year or budget
44 year and subsequent years, as provided in subsection E or F of this section,
45 the governing board may request a new budget increase as provided in the same
46 subsection under which the prior budget increase was adopted, which shall not

1 exceed the maximum amount permitted under subsection G of this section. If
2 the voters in the school district authorize the new budget increase amount,
3 the existing budget increase no longer is in effect. If the voters in the
4 school district do not authorize the budget increase amount, the existing
5 budget increase remains in effect for the time period for which it was
6 authorized. The maximum additional increase authorized as provided in
7 subsection E or F of this section and the additional increase which is
8 included in the aggregate budget limit is based on a percentage of a school
9 district's revenue control limit in future years, if the budget increase is
10 authorized for more than one year. If the additional increase:

11 1. Is for two years, the proposed increase in the second year is equal
12 to the initial proposed percentage increase.

13 2. Is for five years or more, the proposed increase is equal to the
14 initial proposed percentage increase in the following years of the proposed
15 increase, except that in the next to last year it is two-thirds of the
16 initial proposed percentage increase and it is one-third of the initial
17 proposed percentage increase in the last year of the proposed increase.

18 Q. If the voters in a school district vote to adopt a budget in excess
19 of the revenue control limit as provided in subsection I or J of this
20 section, any additional increase shall be included in the aggregate budget
21 limit for each of the years authorized. Any additional increase shall be
22 excluded from the determination of equalization assistance. The school
23 district governing board, however, may levy on the assessed valuation used
24 for secondary property tax purposes of the property in the school district
25 the additional increase if adopted under subsection I of this section for the
26 period of one year, two years or five through seven years as authorized. If
27 an additional increase is approved as provided in subsection J of this
28 section, the increase may only be budgeted and expended if sufficient monies
29 are available in the maintenance and operation fund of the school district.
30 If a budget increase was previously authorized and will be in effect for the
31 budget year or budget year and subsequent years, as provided in subsection I
32 or J of this section, the governing board may request a new budget increase
33 as provided in the same subsection under which the prior budget increase was
34 adopted that does not exceed the maximum amount permitted under subsection K
35 of this section. If the voters in the school district authorize the new
36 budget increase amount, the existing budget increase no longer is in effect.
37 If the voters in the school district do not authorize the budget increase
38 amount, the existing budget increase remains in effect for the time period
39 for which it was authorized. The maximum additional increase authorized as
40 provided in subsection I or J of this section and the additional increase
41 that is included in the aggregate budget limit is based on a percentage of a
42 school district's revenue control limit in future years, if the budget
43 increase is authorized for more than one year. If the additional increase:

44 1. Is for two years, the proposed increase in the second year is equal
45 to the initial proposed percentage increase.

1 2. Is for five years or more, the proposed increase is equal to the
2 initial proposed percentage increase in the following years of the proposed
3 increase, except that in the next to last year it is two-thirds of the
4 initial proposed percentage increase and it is one-third of the initial
5 proposed percentage increase in the last year of the proposed increase.

6 R. If the voters in a school district vote to adopt a budget in excess
7 of ~~the capital outlay revenue limit~~ DISTRICT ADDITIONAL ASSISTANCE as
8 provided in subsection L of this section, any additional increase shall be
9 included in the aggregate budget limit for each of the years authorized. The
10 additional increase shall be excluded from the determination of equalization
11 assistance. The school district governing board, however, may levy on the
12 assessed valuation used for secondary property tax purposes of the property
13 in the school district the additional increase for the period authorized but
14 not to exceed ten years. For overrides approved by a vote of the qualified
15 electors of the school district at an election held from and after October
16 31, 1998, the period of the additional increase prescribed in this subsection
17 shall not exceed seven years for any capital override election.

18 S. If the voters in a school district vote to adopt a budget in excess
19 of ~~the capital outlay revenue limit~~ DISTRICT ADDITIONAL ASSISTANCE as
20 provided in subsection M of this section, any additional increase shall be
21 included in the aggregate budget limit for each of the years authorized. The
22 additional increase shall be excluded from the determination of equalization
23 assistance. The school district governing board may only use revenues
24 derived from the school district's prior year's maintenance and operation
25 fund ending cash balance and capital outlay fund ending cash balance to fund
26 the additional increase for the period authorized but not to exceed ten
27 years. For overrides approved by a vote of the qualified electors of the
28 school district at an election held from and after October 31, 1998, the
29 period of the additional increase prescribed in this subsection shall not
30 exceed seven years for any capital override election.

31 T. In addition to subsections P and S of this section, from the
32 maintenance and operation fund and capital outlay fund ending cash balances,
33 the school district governing board shall first use any available revenues to
34 reduce its primary tax rate to zero and shall use any remaining revenues to
35 fund the additional increase authorized as provided in subsections F and M of
36 this section.

37 U. If the voters in a school district disapprove the proposed budget,
38 the alternate budget which, except for any budget increase authorized by a
39 prior election, does not include an increase in the budget in excess of the
40 amount provided in section 15-905 shall be adopted by the governing board as
41 provided in section 15-905.

42 V. The governing board may request that any override election be
43 cancelled if any change in chapter 9 of this title changes the amount of the
44 aggregate budget limit as provided in section 15-905. The request to cancel
45 the override election shall be made to the county school superintendent at
46 least eighty days prior to the date of the scheduled override election.

1 W. For any election conducted pursuant to subsection L or M of this
2 section:

3 1. The ballot shall include the following statement in addition to any
4 other statement required by this section:

5 The capital improvements that are proposed to be funded
6 through this override election are to exceed the state standards
7 and are in addition to monies provided by the state.

8 _____ school district is proposing to increase its
9 budget by \$_____ to fund capital improvements over and
10 above those funded by the state. Under the students first
11 capital funding system, _____ school district is entitled to
12 state monies for ~~building renewal~~, new construction and
13 renovation of school buildings in accordance with state law.

14 2. The ballot shall contain the words "budget increase, yes" and
15 "budget increase, no", and the voter shall signify the voter's desired
16 choice.

17 3. At least eighty-five days before the election, the school district
18 shall submit proposed ballot language to the director of the Arizona
19 legislative council. The director of the Arizona legislative council shall
20 review the proposed ballot language to determine whether the proposed ballot
21 language complies with this section. If the director of the Arizona
22 legislative council determines that the proposed ballot language does not
23 comply with this section, the director, within ten calendar days of the
24 receipt of the proposed ballot language, shall notify the school district of
25 the director's objections and the school district shall resubmit revised
26 ballot language to the director for approval.

27 X. If the voters approve the budget increase pursuant to subsection L
28 or M of this section, the school district shall not use the override proceeds
29 for any purposes other than the proposed capital improvements listed in the
30 publicity pamphlet, except that up to ten per cent of the override proceeds
31 may be used for general capital expenses, including cost overruns of proposed
32 capital improvements.

33 Y. Each school district that currently increases its budget pursuant
34 to this section is required to hold a public meeting each year between
35 September 1 and October 31 at which an update of the programs or capital
36 improvements financed through the override is discussed and at which the
37 public is permitted an opportunity to comment and:

38 1. If the increase is pursuant to subsection L or M of this section,
39 at a minimum, the update shall include the progress of capital improvements
40 financed through the override, a comparison of the current status and the
41 original projections on the construction of capital improvements, the costs
42 of capital improvements and the costs of capital improvements in progress or
43 completed since the prior meeting and the future capital plans of the school
44 district. The school district shall include in the public meeting a
45 discussion of the school district's use of state capital aid and
46 voter-approved bonding in funding capital improvements, if any.

1 2. If the increase is pursuant to subsection E, F, I or J of this
2 section, the update shall include at a minimum the amount expended in the
3 previous fiscal year and the amount included in the current budget for each
4 of the purposes listed in the informational report prescribed by subsection B
5 of this section.

6 Z. If a budget in excess of ~~the capital outlay revenue limit~~ DISTRICT
7 ADDITIONAL ASSISTANCE was previously adopted by the voters in a school
8 district and will be in effect for the budget year or budget year and
9 subsequent years, as provided in subsection L or M of this section, the
10 governing board may request an additional budget in excess of ~~the capital~~
11 ~~outlay revenue limit~~ DISTRICT ADDITIONAL ASSISTANCE. If the voters in a
12 school district authorize the additional budget in excess of ~~the capital~~
13 ~~outlay revenue limit~~ DISTRICT ADDITIONAL ASSISTANCE, the existing ~~capital~~
14 ~~outlay revenue limit~~ DISTRICT ADDITIONAL ASSISTANCE budget increase remains
15 in effect.

16 AA. Notwithstanding any other law, the maximum budget increase that
17 may be authorized pursuant to subsection L or M of this section is ten per
18 cent of the school district's revenue control limit.

19 BB. If the election is to continue to exceed the revenue control limit
20 and if the proposed override will be fully funded by a continuation of a levy
21 of taxes on the taxable property in the school district, the ballot shall
22 contain the words "budget override continuation, yes" and "budget override
23 continuation, no", and the voter shall signify the voter's desired choice.
24 The ballot shall also contain the amount of the proposed continuation of the
25 budget increase of the proposed budget over the alternate budget, a statement
26 that the amount of the proposed increase will be based on a percentage of the
27 school district's revenue control limit in future years, if applicable, as
28 provided in subsection P of this section and the following statement:

29 Any budget increase continuation authorized by this
30 election shall be entirely funded by a levy of taxes on the
31 taxable property in this school district for the year for which

20 valuation used for secondary property tax purposes and is in
21 addition to the school district's tax rate that will be levied
22 to fund the school district's revenue control limit allowed by

41 A. The private organization selected pursuant to section 15-792.02
42 shall develop the Grand Canyon diploma to be approved and adopted by the
43 state board of education. School districts and charter schools in this state
44 may choose to offer a Grand Canyon diploma beginning in the 2012-2013 school
45 year. A high school student who is enrolled in a school district or charter

1 school that offers a Grand Canyon diploma may choose to pursue a Grand Canyon
2 diploma.

3 B. Students are eligible for the Grand Canyon diploma and may be
4 awarded the Grand Canyon diploma at the end of grade ten or during or at the

6 who elect to pursue a Grand Canyon diploma shall participate in a board
7 examination system that consists of internationally benchmarked instructional
8 programs of study chosen by an interstate compact on board examination
9 systems.

10 C. Students who are eligible for a Grand Canyon diploma shall have
11 multiple pathways available to them and may:

15 shall admit students who obtain a Grand Canyon diploma and who otherwise meet
16 the qualifications for admission. The school district or charter school from
17 which the student earned the Grand Canyon diploma shall include that student
18 in the school district's or charter school's student count and shall continue
19 to receive per pupil funding for a student who earns a Grand Canyon diploma
20 until that student would otherwise have graduated at the end of grade twelve,

46 participate in extracurricular activities, including interscholastic sports,

1 through the end of grade twelve. The expenditure by community college
2 districts of payments from the school district or charter school to the
3 community colleges under this section shall not be included under the
4 district expenditure limitation prescribed pursuant to article IX, section
5 21, Constitution of Arizona. If the instruction provided under this

8 the community college shall be determined by agreement between the school
9 district or charter school and the community college.

10 2. Remain in high school and enroll in additional advanced preparation
11 board examination programs that are designed to prepare those students for
12 admission to selective postsecondary institutions that offer baccalaureate

18 funding for a student who is eligible for a Grand Canyon diploma until that
19 student would otherwise have graduated at the end of grade twelve, as long as
20 that student is enrolled in approved advanced preparation board examination
21 programs at that school district or charter school. Students who elect to
22 remain in high school pursuant to this paragraph shall not be prevented from

25 activities, including interscholastic sports, through the end of grade
26 twelve.

27 3. Enroll in a full-time career and technical education program
28 offered on a high school campus or a joint technical education district
29 campus, or any combination of these campuses. Students who elect to remain

31 enrolling at a high school after the pupil becomes eligible for a Grand
32 Canyon diploma and shall be eligible to participate in extracurricular
33 activities, including interscholastic sports, through the end of grade
34 twelve. The school district or charter school from which the student became
35 eligible for the Grand Canyon diploma shall include that student in the
36 school district's or charter school's student count and shall continue to
37 receive per pupil funding for a student who is eligible for a Grand Canyon
38 diploma until that student would otherwise have graduated at the end of grade
39 twelve, as long as that student is enrolled in an approved full-time career
40 and technical education program. Notwithstanding any other law, if the
41 instruction provided under this paragraph is provided by a joint technical
42 education district in a full-time career and technical education program that
43 is designed to lead to a certificate that is awarded by an industry or
44 recognized as meeting industry standards, the sum of the average daily
45 membership for that pupil shall not exceed 1.25, and the average daily

1 membership shall be apportioned at 1.0 for the joint technical education
2 district and 0.25 for the school district.

3 4. Remain in high school without completing the next level of board
4 examination systems and participate in programs of study available to the
5 students through the school district or charter school. The school district
6 or charter school will continue to include the students in the school
7 district's or charter school's count and shall continue to receive per pupil
8 funding for the students until those students would have otherwise graduated
9 at the end of grade twelve, as long as those students are enrolled in
10 approved programs of study at that school district or charter school.
11 Students who elect to remain in high school pursuant to this paragraph shall
12 be eligible to participate in extracurricular activities, including
13 interscholastic sports.

16 additional high school coursework designed to prepare students for admission
17 to selective postsecondary institutions that offer baccalaureate degrees.
18 The school district or charter school from which the student earned the grand
19 canyon diploma shall include that student in the school district's or charter
20 school's student count and shall continue to receive per pupil funding for a
21 student who earns a grand canyon diploma until that student would otherwise
22 have graduated at the end of grade twelve for as long as that student is
23 enrolled as a full-time student in the university. One-third of the school
24 district's or charter school's average daily membership amount shall be
25 retained by the school district or the operator of the charter school.
26 One-third of the school district's or charter school's average daily
27 membership amount shall be retained for use at the school site. One-third of
28 the school district's or charter school's average daily membership amount
29 shall be distributed as follows:

30 (a) One-half shall be deposited in a scholarship account established
31 and managed by the school district from which the student graduated
32 specifically for a student who qualifies for the grand canyon diploma and who
33 attends a university under the jurisdiction of the Arizona board of regents
34 as a full-time student.

35 (b) One-half shall be retained by the university where the student is
36 enrolled.

37 D. Students who pursue but do not meet the eligibility requirements
38 for a Grand Canyon diploma at the end of grade ten or eleven shall receive a

44 curriculum.

45 E. The private organization selected pursuant to section 15-792.02
46 shall develop detailed requirements for students to become eligible for the

7 compact on board examination systems.

8 2. Satisfactory grades on approved board examinations in subjects
9 determined to be necessary to prepare a student to enter community college
10 without remedial or developmental coursework and that do not include

3 this paragraph, the amount of operating full-time student equivalency monies
4 shall be equivalent to the average appropriation per full-time student
5 equivalent for all community college districts as calculated pursuant to
6 section 15-1466, subsection C, paragraph 2. Fifty per cent of the remaining
7 balance of the per pupil funding shall be used for teacher and pupil
8 incentives, including scholarship programs, to offset the costs of
9 competency-based pathways and to provide customized programs of assistance
10 for students who do not demonstrate mastery. The other fifty per cent shall
11 be used for maintenance and operations, including capital. Under this
12 paragraph, a student who earns a high school diploma is responsible for
13 tuition. A student who earns a high school diploma may enroll in community
14 college courses offered on a community college campus or a high school
15 campus, or both. Notwithstanding any other law, community college districts
16 shall not classify a student who remains in high school pursuant to this
17 paragraph as a full-time equivalent student. Students who take courses on
18 high school campuses pursuant to this paragraph shall be eligible to
19 participate in extracurricular activities, including interscholastic sports,
20 through the end of grade twelve. The expenditure by community college
21 districts of payments from the school district or charter school to the
22 community colleges under this section shall not be included under the
23 district expenditure limitation prescribed pursuant to article IX, section
24 21, Constitution of Arizona. If the instruction provided under this
25 paragraph is offered on a community college campus, the funding and
26 implementation mechanics between the school district or charter school and
27 the community college shall be determined by agreement between the school
28 district or charter school and the community college.

29 2. Remain in high school and participate in programs of study
30 available to students through the school district or charter school. The
31 school district or charter school shall continue to include that student in
32 the school district's or charter school's student count and shall continue to
33 receive per pupil funding for a student who is eligible for a high school
34 diploma until that student would otherwise have graduated at the end of grade
35 twelve, as long as that student is enrolled in approved advanced preparation
36 programs of study at that school district or charter school. Students who
37 elect to remain in high school pursuant to this paragraph shall not be
38 prevented from enrolling at a high school after the student becomes eligible
39 for a high school diploma and shall be eligible to participate in
40 extracurricular activities, including interscholastic sports, through the end
41 of grade twelve.

42 3. Enroll in a full-time career and technical education program
43 offered on a high school campus or a joint technical education district
44 campus, or any combination of these campuses. A student who elects to remain
45 in high school pursuant to this paragraph shall not be prevented from
46 enrolling at a high school after the pupil becomes eligible for a high school

1 diploma and shall be eligible to participate in extracurricular activities,
2 including interscholastic sports, through the end of grade twelve. The
3 school district or charter school from which the student became eligible for
4 the high school diploma shall include that student in the school district's
5 or charter school's student count and shall continue to receive per pupil
6 funding for a student who is eligible for a high school diploma until that
7 student would otherwise have graduated at the end of grade twelve, as long as
8 that student is enrolled in an approved full-time career and technical
9 education program. Notwithstanding any other law, if the instruction
10 provided under this paragraph is provided by a joint technical education
11 district in a full-time career and technical education program that is
12 designed to lead to a certificate that is awarded by an industry or
13 recognized as meeting industry standards, the sum of the average daily
14 membership for that pupil shall not exceed 1.25, and the average daily
15 membership shall be apportioned at 1.0 for the joint technical education
16 district and 0.25 for the school district.

17 4. If accepted for admission to a university under the jurisdiction of
18 the Arizona board of regents, enroll in the university after completion of
19 additional high school coursework designed to prepare students for admission
20 to selective postsecondary institutions that offer baccalaureate degrees.
21 The school district or charter school from which the student earned the high
22 school diploma shall include that student in the school district's or charter
23 school's student count and shall continue to receive per pupil funding for a
24 student who earns a high school diploma until that student would otherwise
25 have graduated at the end of grade twelve for as long as that student is
26 enrolled as a full-time student in the university. One-third of the school
27 district's or charter school's average daily membership amount shall be
28 retained by the school district or the operator of the charter school.
29 One-third of the school district's or charter school's average daily
30 membership amount shall be retained for use at the school site. One-third of
31 the school district's or charter school's average daily membership amount
32 shall be distributed as follows:

33 (a) Fifty per cent of this amount shall be deposited in a scholarship
34 account established and managed by the school district or charter school from
35 which the student graduated specifically for a student who qualifies for a
36 diploma and who attends a university under the jurisdiction of the Arizona
37 board of regents as a full-time student.

38 (b) Fifty per cent of this amount shall be retained by the university
39 where the student is enrolled.

40 ~~B. A student who obtains a high school diploma through the fulfillment~~
41 ~~of a defined competency-based educational pathway pursuant to this section is~~
42 ~~not eligible to participate in the early graduation scholarship program~~
43 ~~established by section 15-105 if the student elects to pursue one of the~~
44 ~~pathways prescribed in subsection a of this section. The department of~~
45 ~~education shall not transmit any monies to the commission for postsecondary~~
46 ~~education pursuant to section 15-105, subsection F on behalf of any student~~

~~1 who obtains a high school diploma pursuant to this section if the student
2 elects to pursue one of the pathways prescribed in subsection A of this
3 section.~~

4 Sec. 13. Section 15-808, Arizona Revised Statutes, is amended to read:

5 15-808. Arizona online instruction; reports; definitions

6 A. Arizona online instruction shall be instituted to meet the needs of
7 pupils in the information age. The state board of education shall select
8 traditional public schools and the state board for charter schools shall
9 sponsor charter schools to be online course providers or online schools. The
10 state board of education and the state board for charter schools shall
11 jointly develop standards for the approval of online course providers and
12 online schools based on the following criteria:

13 1. The depth and breadth of curriculum choices.

14 2. The variety of educational methodologies employed by the school and
15 the means of addressing the unique needs and learning styles of targeted
16 pupil populations, including computer assisted learning systems, virtual
17 classrooms, virtual laboratories, electronic field trips, electronic mail,
18 virtual tutoring, online help desk, group chat sessions and noncomputer based
19 activities performed under the direction of a certificated teacher.

20 3. The availability of an intranet or private network to safeguard
21 pupils against predatory and pornographic elements of the internet.

22 4. The availability of filtered research access to the internet.

23 5. The availability of private individual electronic mail between
24 pupils, teachers, administrators and parents in order to protect the
25 confidentiality of pupil records and information.

26 6. The availability of faculty members who are experienced with
27 computer networks, the internet and computer animation.

28 7. The extent to which the school intends to develop partnerships with
29 universities, community colleges and private businesses.

30 8. The services offered to developmentally disabled populations.

31 9. The grade levels that will be served.

32 B. Each new school that provides online instruction shall provide
33 online instruction on a probationary status. After a new school that
34 provides online instruction has clearly demonstrated the academic integrity
35 of its instruction through the actual improvement of the academic performance
36 of its students, the school may apply to be removed from probationary status.
37 The state board of education or the state board for charter schools shall
38 remove from Arizona online instruction any probationary school that fails to
39 clearly demonstrate improvement in academic performance within three years
40 measured against goals in the approved application and the state's
41 accountability system. The state board of education and the state board for
42 charter schools shall review the effectiveness of each participating school
43 and other information that is contained in the annual report prescribed in
44 subsection D of this section. All pupils who participate in Arizona online
45 instruction shall reside in this state. Pupils who participate in Arizona
46 online instruction are subject to the testing requirements prescribed in

1 chapter 7, article 3 of this title. ~~Upon~~ ON enrollment, the school shall
2 notify the parents or guardians of the pupil of the state testing
3 requirements. If a pupil fails to comply with the testing requirements and
4 the school administers the tests pursuant to this subsection to less than
5 ninety-five per cent of the pupils in Arizona online instruction, the pupil
6 shall not be allowed to participate in Arizona online instruction.

7 C. ~~Beginning July 1, 2010,~~ The state board of education and the state
8 board for charter schools shall develop annual reporting mechanisms for
9 schools that participate in Arizona online instruction.

10 D. The department of education shall compile the information submitted
11 in the annual reports by schools participating in Arizona online instruction.

13 the speaker of the house of representatives and the president of the senate
14 by November 15 of each year.

15 E. Each school selected for Arizona online instruction shall ensure
16 that a daily log is maintained for each pupil who participates in Arizona
17 online instruction. The daily log shall describe the amount of time spent by
18 each pupil participating in Arizona online instruction pursuant to this
19 section on academic tasks. The daily log shall be used by the school
20 district or charter school to qualify the pupils who participate in Arizona
21 online instruction in the school's average daily attendance calculations
22 pursuant to subsection F of this section.

23 F. If a pupil is enrolled in a school district or charter school and
24 also participates in Arizona online instruction, the sum of the average daily
25 membership, which includes enrollment as prescribed in section 15-901,
26 subsection A, paragraph 1, subdivisions (a) and (b) and daily attendance as
27 prescribed in section 15-901, subsection A, paragraph 5, for that pupil in
28 the school district or charter school and in Arizona online instruction shall
29 not exceed 1.0. If the pupil is enrolled in a school district or a charter
30 school and also participates in Arizona online instruction and the sum of the
31 daily membership or daily attendance for that pupil is greater than 1.0, the
32 sum shall be reduced to 1.0 and shall be apportioned between the school
33 district, unless the school district is a joint technical education district
34 subject to the apportionment requirements of section 15-393, or charter
35 school and Arizona online instruction based on the percentage of total time
36 that the pupil is enrolled or in attendance in the school district or charter
37 school and Arizona online instruction. The uniform system of financial
38 records shall include guidelines for the apportionment of the pupil
39 enrollment and attendance as provided in this subsection. Pupils in Arizona
40 online instruction do not incur absences for purposes of this subsection and
41 may generate an average daily attendance of 1.0 for attendance hours during
42 any hour of the day, during any day of the week and at any time between July
43 1 and June 30 of each fiscal year. For kindergarten programs and grades one
44 through eight, average daily membership shall be calculated by dividing the
45 instructional hours as reported in the daily log required in subsection E of
46 this section by the applicable hourly requirements prescribed in section

1 15-901. For grades nine through twelve, average daily membership shall be
2 calculated by dividing the instructional hours as reported in the daily log
3 required in subsection E of this section by nine hundred. The average daily
4 membership of a pupil who participates in online instruction shall not exceed
5 1.0. Average daily membership shall not be calculated on the one hundredth
6 day of instruction for the purposes of this section. Funding shall be
7 determined as follows:

8 1. A pupil who is enrolled full-time in Arizona online instruction
9 shall be funded for online instruction at ninety-five per cent of the base
10 support level that would be calculated for that pupil if that pupil were
11 enrolled as a full-time student in a school district or charter school that
12 does not participate in Arizona online instruction. CHARTER additional
13 assistance, ~~capital outlay revenue limit~~ and ~~soft capital allocation limit~~
14 DISTRICT ADDITIONAL ASSISTANCE shall be calculated in the same manner they
15 would be calculated if the student were enrolled in a district or charter
16 school that does not participate in Arizona online instruction.

17 2. A pupil who is enrolled part-time in Arizona online instruction
18 shall be funded for online instruction at eighty-five per cent of the base
19 support level that would be calculated for that pupil if that pupil were
20 enrolled as a part-time student in a school district or charter school that
21 does not participate in Arizona online instruction. CHARTER additional
22 assistance, ~~capital outlay revenue limit~~ and ~~soft capital allocation limit~~
23 DISTRICT ADDITIONAL ASSISTANCE shall be calculated in the same manner they
24 would be calculated if the student were enrolled in a district or charter
25 school that does not participate in Arizona online instruction.

26 G. If the academic achievement of a pupil declines while the pupil is
27 participating in Arizona online instruction, the pupil's parents, the pupil's
28 teachers and the principal or head teacher of the school shall confer to
29 evaluate whether the pupil should be allowed to continue to participate in
30 Arizona online instruction.

31 H. To ensure the academic integrity of pupils who participate in
32 online instruction, Arizona online instruction shall include multiple diverse
33 assessment measures and the proctored administration of required state
34 standardized tests.

24 applicable, for the current year. Withdrawals include students formally
25 withdrawn from schools and students absent for ten consecutive school days,
26 except for excused absences identified by the department of education. For
27 the purposes of this section, school districts and charter schools shall
28 report student absence data to the department of education at least once
29 every sixty days in session. For computation purposes, the effective date of
30 withdrawal shall be retroactive to the last day of actual attendance of the
31 student or excused absence.

32 (a) "Fractional student" means:

33 (i) For common schools, a preschool child who is enrolled in a program
34 for preschool children with disabilities of at least three hundred sixty

37 that meets at least three hundred fifty-six hours for a one hundred eighty
38 day school year, or the instructional hours prescribed in this section.
39 Lunch periods and recess periods may not be included as part of the

46 student as defined in this section. A part-time common school student shall

1 be counted as one-fourth, one-half or three-fourths of a full-time student if

41 with a disability and the child's individualized education program requires
42 instruction during those periods and the specific reasons for such
43 instruction are fully documented.

44 (ii) For high schools, ~~except as provided in section 15-105,~~ a student
45 not graduated from the highest grade taught in the school district, or an
46 ungraded student at least fourteen years of age by September 1, and enrolled

20 the percentage of total time that the student is enrolled in or in attendance
21 at the school district and the charter school.

22 (v) Except as otherwise provided by law, for any student who is
23 concurrently enrolled, pursuant to section 15-808, in a school district and

25 instruction, the average daily membership shall be apportioned between the
26 school district and Arizona online instruction or the charter school and
27 Arizona online instruction and shall not exceed 1.0. The apportionment shall

4 attendance. If the instructional time scheduled for the year is at least six
5 hundred ninety-two hours, "daily attendance" means days in which a pupil
6 attends at least one-half of the instructional time scheduled for the day.

45 substantial interest in specific items included in the budget.

1 E. Immediately following the public hearing the president shall call
2 to order the governing board meeting for the purpose of adopting the budget.
3 The governing board shall adopt the budget, which shall not exceed the
4 general budget limit, ~~OR the unrestricted capital budget limit or the soft~~
5 ~~capital allocation limit~~, making such deductions as it sees fit but making no
6 additions to the proposed budget total for maintenance and operations or
7 capital outlay, and shall enter the budget as adopted in its minutes. Not
8 later than July 18, the budget as finally adopted shall be filed by the
9 governing board with the county school superintendent who shall immediately
10 transmit a copy to the board of supervisors. Not later than July 18, the
11 budget as finally adopted shall be submitted electronically to the
12 superintendent of public instruction. Not later than July 18, the governing
13 board shall submit the budget as finally adopted to the department of
14 education, which shall prominently display this information about that school
15 district on the website maintained by the department. If the school district
16 maintains a website, the school district shall post a link to the website of
17 the department of education where this information about the school district
18 is posted. On or before October 30, the superintendent of public instruction
19 shall review the budget and notify the governing board if the budget is in
20 excess of the general budget limit, ~~OR the unrestricted capital budget limit~~
21 ~~or the soft capital allocation limit~~. The governing board shall revise the
22 budget as follows:

23 1. If the governing board receives notification that the budget
24 exceeds the general budget limit, ~~OR the unrestricted capital budget limit~~
25 ~~or the soft capital allocation limit~~ by one per cent of the general budget
26 limit or one hundred thousand dollars, whichever is less, it shall adopt on
27 or before December 15, after it gives notice and holds a public meeting in a
28 similar manner as provided in subsections C and D of this section, a revised
29 budget for the current year, which shall not exceed the general budget
30 limit, ~~OR the unrestricted capital budget limit or the soft capital~~
31 ~~allocation limit~~.

32 2. If the governing board receives notification that the budget
33 exceeds the general budget limit, ~~OR the unrestricted capital budget limit~~
34 ~~or the soft capital allocation limit~~ by less than the amount prescribed in
35 paragraph 1 of this subsection, the governing board shall adjust the budget
36 and expenditures so as not to exceed the general budget limit, ~~OR the~~
37 ~~unrestricted capital budget limit or the soft capital allocation limit~~ for
38 the current year.

39 3. On or before December 18, the governing board shall file the
40 revised budget it adopts with the county school superintendent who shall
41 immediately transmit a copy to the board of supervisors. Not later than
42 December 18, the budget as revised shall be submitted electronically to the
43 superintendent of public instruction. School districts that are subject to
44 section 15-914.01 are not required to send a copy of revised budgets to the
45 county school superintendent. Procedures for adjusting expenditures or

1 revising the budget shall be as prescribed in the uniform system of financial
2 records.

3 F. The governing board of each school district may budget for
4 expenditures within the school district budget as follows:

5 1. Amounts within the general budget limit, as provided in section
6 15-947, subsection C, may only be budgeted in the following sections of the

8 (a) The maintenance and operation section.

9 (b) The capital outlay section.

10 2. Amounts within the unrestricted capital budget limit, as provided
11 in section 15-947, subsection D, may only be budgeted in the unrestricted
12 capital outlay subsection of the budget. Monies received pursuant to the
13 unrestricted capital budget limit shall be placed in the unrestricted capital
14 outlay fund. The monies in the fund are not subject to reversion.

15 ~~3. The soft capital allocation limit, as provided in section 15-947,~~
16 ~~subsection E, may only be budgeted in the soft capital allocation subsection~~
17 ~~of the budget.~~

18 G. The governing board may authorize the expenditure of monies
19 budgeted within the maintenance and operation section of the budget for any
20 subsection within the section in excess of amounts specified in the adopted
21 budget only by action taken at a public meeting of the governing board and if
22 the expenditures for all subsections of the section do not exceed the amount
23 budgeted as provided in this section.

24 H. The aggregate budget limit is the sum of the following:

25 1. The general budget limit as determined in section 15-947 for the
26 budget year.

27 2. The unrestricted capital budget limit as determined in section
28 15-947 for the budget year.

29 ~~3. The soft capital allocation limit for the budget year as determined~~
30 ~~in section 15-947.~~

31 ~~4.~~ 3. Federal assistance, excluding title VIII of the elementary and
32 secondary education act of 1965 monies.

33 I. School districts which overestimated tuition revenues as provided
34 in section 15-947, subsection C, paragraph 2 shall adjust the general budget
35 limit and expenditures based upon tuition revenues for attendance of
36 nonresident pupils during the current fiscal year. School districts which
37 underestimated tuition revenues may adjust their budgets prior to May 15
38 based upon tuition revenues for attendance of nonresident pupils during the
39 current fiscal year. School districts which overestimated revenues as
40 provided in section 15-947, subsection C, paragraph 2, subdivision (a), items
41 (iii), (iv) and (v) and subdivision (d) shall adjust the general budget limit
42 and expenditures based on actual revenues during the current fiscal year.
43 School districts which underestimated such revenues may adjust their budgets
44 before May 15 based on actual revenues during the current fiscal year.
45 Procedures for completing adjustments shall be as prescribed in the uniform
46 system of financial records. Not later than May 18, the budget as adjusted

1 shall be submitted electronically to the superintendent of public
2 instruction.

3 J. A common school district not within a high school district whose
4 estimated tuition charge for high school pupils exceeds the actual tuition
5 charge for high school pupils shall adjust the general budget limit and
6 expenditures based on the actual tuition charge. Not later than May 18, the
7 budget as adjusted shall be submitted electronically to the superintendent of
8 public instruction. A common school district not within a high school
9 district whose estimated tuition charge for high school pupils is less than
10 the actual tuition charge for high school pupils may adjust its budget before
11 May 15 based on the actual tuition charge. Procedures for completing
12 adjustments shall be as prescribed in the uniform system of financial
13 records. If the adjusted general budget limit requires an adjustment of
14 state aid and if the adjustment to state aid is not made in the current year,
15 the superintendent of public instruction shall adjust by August 15 of the
16 succeeding fiscal year the apportionment of state aid to the school district
17 to correct any overpayment or underpayment of state aid received during the
18 current year.

19 K. The governing board may include title VIII of the elementary and
20 secondary education act of 1965 assistance allocated for children with
21 disabilities, children with specific learning disabilities, children residing
22 on Indian lands and children residing within the boundaries of an
23 accommodation school that is located on a military reservation and that is
24 classified as a heavily impacted local educational agency pursuant to 20
25 United States Code section 7703 which is in addition to basic assistance when
26 determining the general budget limit as prescribed in section 15-947,
27 subsection C. The increase in the general budget limit for children residing
28 within the boundaries of an accommodation school that is located on a
29 military reservation and that is classified as a heavily impacted local
30 education agency shall equal the dollar amount calculated pursuant to 20
31 United States Code section 7703(b)(2). The governing board may adjust before
32 May 15 the budget for the current year based on any adjustments which result
33 in increases over the amount estimated by the superintendent of public
34 instruction for title VIII of the elementary and secondary education act of
35 1965 assistance for such pupils for the fiscal year preceding the current
36 year. The governing board shall adjust before May 15 the budget for the
37 current year based on any adjustments which result in decreases in the amount
38 estimated by the superintendent of public instruction for title VIII of the
39 elementary and secondary education act of 1965 assistance for such pupils for
40 the fiscal year preceding the current year. Not later than May 18, the
41 budget as adjusted shall be submitted electronically to the superintendent of
42 public instruction. Procedures for complying with this subsection shall be
43 as prescribed in the uniform system of financial records.

44 L. The department of education shall notify the state board of
45 education if expenditures by any school district exceed the general budget
46 limit prescribed in section 15-947, subsection C, the unrestricted capital

1 budget limit, ~~the soft capital allocation limit prescribed in section 15-947,~~
2 ~~subsection E,~~ the school plant fund limits prescribed in section 15-1102,
3 subsection B, the maintenance and operation section of the budget or the
4 capital outlay section of the budget. If the expenditures of any school
5 district exceed these limits or sections of the budget without authorization
6 as provided in section 15-907, and if the state board of education determines
7 that the equalization assistance for education received by the school
8 district as provided in section 15-971 does not conform with statutory
9 requirements, the state board of education shall reduce the state aid for
10 equalization assistance for education for the school district computed as
11 provided in section 15-971 during the fiscal year subsequent to the fiscal
12 year in which the excess equalization assistance for education was received
13 by an amount equal to the excess equalization assistance for education,
14 except that in case of hardship to the school district, the superintendent of
15 public instruction may approve reductions partly in the first subsequent year
16 and partly in the second subsequent year. If the state board of education
17 determines that the equalization assistance for education received by the
18 school district conforms with statutory requirements, the state board of
19 education shall not reduce the district's equalization assistance for
20 education pursuant to this subsection but the district shall reduce the
21 budget limits as required in subsection M of this section. A school district
22 that disagrees with the department of education's determination regarding an
23 excess expenditure under this subsection may request a hearing before the
24 state board of education.

25 M. The governing board of a school district shall reduce the general
26 budget limit, ~~OR~~ the unrestricted capital budget limit ~~or the soft capital~~
27 ~~allocation limit~~ for the year subsequent to the year in which the
28 expenditures were in excess of the applicable limit or section of the budget
29 by the amount determined in subsection L of this section, except that in case
30 of hardship to the school district, the superintendent of public instruction
31 may approve reductions partly in the first subsequent year and partly in the
32 second subsequent year. The reduction in the limit is applicable to each
33 school district which has exceeded the general budget limit, the unrestricted
34 capital budget limit, ~~the soft capital allocation limit~~ or a section of the
35 budget even if the reduction exceeds the state aid for equalization
36 assistance for education for the school district.

37 N. Except as provided in section 15-916, no expenditure shall be made
38 by any school district for a purpose not included in the budget or in excess
39 of the aggregate budget limit prescribed in this section, except that if no
40 budget has been adopted, from July 1 to July 15 the governing board may make
41 expenditures if the total of the expenditures does not exceed ten per cent of
42 the prior year's aggregate budget limit. Any expenditures made from July 1
43 to July 15 and prior to the adoption of the budget shall be included in the
44 total expenditures for the current year. No expenditure shall be made and no
45 debt, obligation or liability shall be incurred or created in any year for
46 any purpose itemized in the budget in excess of the amount specified for the

1 item irrespective of whether the school district at any time has received or
2 has on hand funds in excess of those required to meet the expenditures,
3 debts, obligations and liabilities provided for under the budget except
4 expenditures from cash controlled funds as defined by the uniform system of
5 financial records and except as provided in section 15-907 and subsection G
6 of this section. This subsection does not prohibit any school district from
7 prepaying insurance premiums or magazine subscriptions, or from prepaying any
8 item which is normally prepaid in order to procure the service or to receive
9 a discounted price for the service, as prescribed by the uniform system of
10 financial records.

11 0. The governing board of a school district which is classified as a
12 heavily impacted school district having twenty per cent or more pupils
13 pursuant to 20 United States Code section 238(d)1(A) may determine its
14 eligibility to increase the amount that may be included in determining the
15 general budget limit as provided in subsection K of this section and may
16 increase the amount as follows:

17 1. For fiscal year 1988-1989:

18 (a) Multiply one thousand ninety-four dollars by the number of
19 children with disabilities or children with specific learning disabilities,
20 excluding children who also reside on Indian lands, reported to the division
21 of impact aid, United States department of education in the district's
22 application for fiscal year 1987-1988.

23 (b) Multiply five hundred forty-seven dollars by the number of
24 children residing on Indian lands, excluding children who have disabilities
25 or also have specific learning disabilities, reported to the division of
26 impact aid, United States department of education in the district's
27 application for fiscal year 1987-1988.

28 (c) Multiply one thousand nine hundred fourteen dollars by the number
29 of children residing on Indian lands who have disabilities or also have
30 specific learning disabilities reported to the division of impact aid, United
31 States department of education in the district's application for fiscal year
32 1987-1988.

33 (d) Add the amounts determined in subdivisions (a) through (c) **OF THIS**
34 **PARAGRAPH.**

35 (e) If the amount of title VIII of the elementary and secondary
36 education act of 1965 assistance as provided in subsection K of this section
37 is less than the sum determined in subdivision (d) of this paragraph, the
38 district is eligible to use the provisions of this subsection.

39 2. For budget years after 1988-1989, use the provisions of paragraph 1
40 of this subsection, but increase each dollar amount by the growth rate for
41 that year as prescribed by law, subject to appropriation and use the number
42 of children reported in the appropriate category for the current fiscal year.

43 3. If the district is eligible to use the provisions of this
44 subsection, subtract the amount of title VIII of the elementary and secondary
45 education act of 1965 assistance determined in subsection K of this section
46 from the sum determined in paragraph 1, subdivision (d) of this subsection.

1 The difference is the increase in the amount that may be included in
2 determining the general budget limit as provided in subsection K of this
3 section, if including this amount does not increase the district's primary
4 tax rate for the budget year. If the amount of title VIII of the elementary
5 and secondary education act of 1965 assistance determined in subsection K of
6 this section is adjusted for the current year, the increase determined in
7 this paragraph shall be recomputed using the adjusted amount and the
8 recomputed increase shall be reported to the department of education by May
9 15 on a form prescribed by the department of education.

10 4. If a district uses the provisions of this subsection, the district
11 is not required to adjust its budget for the current year based on
12 adjustments in the estimated amount of title VIII of the elementary and
13 secondary education act of 1965 assistance as provided in subsection K of
14 this section.

15 P. A school district, except for an accommodation school, which
16 applies for title VIII of the elementary and secondary education act of 1965
17 assistance during the current year may budget an amount for title VIII of the
18 elementary and secondary education act of 1965 administrative costs for the
19 budget year. The amount budgeted for title VIII of the elementary and
20 secondary education act of 1965 administrative costs is exempt from the
21 revenue control limit and may not exceed an amount determined for the
22 budgeted year as follows:

23 1. Determine the minimum cost. The minimum cost for fiscal year
24 1990-1991 is two thousand three hundred forty-three dollars. For fiscal year
25 1991-1992 and thereafter, the minimum cost is the minimum cost for the prior
26 year increased by the growth rate as prescribed by law, subject to
27 appropriation.

28 2. Determine the hourly rate. The hourly rate for fiscal year
29 1990-1991 is nine dollars thirty-eight cents. For fiscal year 1991-1992 and
30 thereafter, the hourly rate is the hourly rate for the prior year increased
31 by the growth rate as prescribed by law, subject to appropriation.

32 3. Determine the title VIII of the elementary and secondary education
33 act of 1965 revenues available by subtracting the amount of title VIII of the
34 elementary and secondary education act of 1965 assistance used to increase
35 the general budget limit as provided in subsections K and O of this section
36 for the current fiscal year from the total amount of title VIII of the
37 elementary and secondary education act of 1965 revenues received in the
38 current fiscal year.

39 4. Determine the total number of administrative hours as follows:

40 (a) Determine the sum of the following:

41 (i) 1.00 hours for each high impact pupil who is not disabled or does
42 not have specific learning disabilities.

43 (ii) 1.25 hours for each high impact pupil who is disabled or has
44 specific learning disabilities.

45 (iii) 0.25 hours for each low impact pupil who is not disabled or does
46 not have specific learning disabilities.

1 (iv) 0.31 hours for each low impact pupil who is disabled or has
2 specific learning disabilities.

3 (b) For the purposes of this paragraph:

4 (i) "High impact pupil" means a pupil who resides on Indian lands or a
5 pupil who resides on federal property or in low rent housing and whose parent
6 is employed on federal property or low rent housing property or is on active
7 duty in uniformed service, as provided in title VIII of the elementary and
8 secondary education act of 1965, section 8003(a) (20 United States Code
9 section 7703) and as reported in the application for title VIII of the
10 elementary and secondary education act of 1965 assistance in the current
11 year.

12 (ii) "Low impact pupil" means a pupil who resides on nonfederal
13 property and has a parent who is employed on federal property or low rent
14 housing property or is on active duty in a uniformed service or a pupil who
15 resides on federal property or in low rent housing and who does not have a
16 parent who is employed on federal property or low rent housing property or is
17 on active duty in uniformed service, as provided in title VIII of the
18 elementary and secondary education act of 1965, section 8003(a) (20 United
19 States Code section 7703) and as reported in the application for title VIII
20 of the elementary and secondary education act of 1965 assistance in the
21 current year.

22 5. Multiply the total number of administrative hours determined in
23 paragraph 4 of this subsection by the hourly rate determined in paragraph 2
24 of this subsection.

25 6. Determine the greater of the minimum cost determined in paragraph 1
26 of this subsection or the product determined in paragraph 5 of this
27 subsection.

28 7. Add to the amount determined in paragraph 6 of this subsection the
29 amount, if any, to be expended by the school district in the budget year
30 through an intergovernmental agreement with other school districts or the
31 department of education to provide title VIII of the elementary and secondary
32 education act of 1965 technical assistance to participating districts.

33 8. Determine the lesser of the amount determined in paragraph 7 of
34 this subsection or the revenues available as determined in paragraph 3 of
35 this subsection.

36 9. The amount determined in paragraph 8 of this subsection is the
37 maximum amount which may be budgeted for title VIII of the elementary and
38 secondary education act of 1965 administrative costs for the budget year as
39 provided in this subsection.

40 10. If the governing board underestimated the amount that may be
41 budgeted for title VIII of the elementary and secondary education act of
42 1965, section 8007 administrative costs for the current year, the board may
43 adjust the general budget limit and the budget before May 15. If the
44 governing board overestimated the amount that may be budgeted for title VIII
45 of the elementary and secondary education act of 1965 administrative costs

1 for the current year, the board shall adjust the general budget limit and the
2 budget before May 15.

3 Q. If a school district governing board has adopted a budget for a
4 fiscal year based on forms and instructions provided by the auditor general
5 and the department of education for that fiscal year and if, as a result of
6 the enactment or nonenactment of proposed legislation after May 1 of the
7 previous fiscal year, the budget is based on incorrect limits, does not
8 include items authorized by law or does not otherwise conform with law, the
9 governing board may revise its budget at a public hearing on or before
10 September 15 to conform with the law. Not later than September 18, the
11 budget as adjusted shall be submitted electronically to the superintendent of
12 public instruction. If the governing board does not revise the budget on or
13 before September 15 and if the budget includes any items not authorized by
14 law or if the budget exceeds any limits, the governing board shall adjust or
15 revise the budget as provided in subsection E of this section.

16 R. Notwithstanding any other law, if a school district receives
17 assistance pursuant to title VIII of the elementary and secondary education
18 act of 1965, the school district shall establish a local level fund
19 designated as the impact aid fund and deposit the impact aid monies received
20 in the fund. The school district shall separately account for monies in the
21 fund and shall not combine monies in the fund with any other source of local,
22 state or federal assistance. Monies in the fund shall be expended pursuant
23 to federal law only for the purposes allowed by this title. The school
24 district shall account for monies in the fund according to the uniform system
25 of financial records as prescribed by the auditor general. The
26 superintendent of public instruction shall separately account for monies in
27 each school district's impact aid fund, if an impact aid fund is established,
28 in the annual report required by section 15-255. Monies in the fund are
29 considered federal monies and are not subject to legislative appropriation.

30 S. For the purposes of this section, "title VIII of the elementary and
31 secondary education act of 1965 assistance" means, for the current year, an
32 amount equal to the final determination of title VIII of the elementary and
33 secondary education act of 1965 assistance for the fiscal year preceding the
34 current year as confirmed by the division of impact aid, United States
35 department of education or, if a final determination has not been made, the
36 amount estimated by the superintendent of public instruction as confirmed by
37 the division of impact aid, United States department of education and, for
38 the budget year, an amount equal to the determination of title VIII of the
39 elementary and secondary education act of 1965 assistance for the fiscal year
40 preceding the budget year as estimated by the superintendent of public
41 instruction.

42 Sec. 19. Section 15-906, Arizona Revised Statutes, is amended to read:

44 on June 30; lapsing of levy funds with balance for
45 reduction of taxes

2 for all levy funds a list of liabilities for goods received or services
3 rendered on or before June 30 which will not be paid by June 30 of the

5 B. Each school district having levy fund liabilities payable on June
6 30 shall file an advice of encumbrance with the county school superintendent
7 on or before July 18, in the manner and upon a form to be prescribed in the
8 uniform system of financial records. The county school superintendent shall
9 encumber amounts that are included in year to date expenditures not to exceed
10 the budget and that are available to pay the liabilities pursuant to section
11 15-304. Any cash balances remaining in the maintenance and operation, the

13 ways funds after encumbrances on June 30 of the current year ~~except reverted~~
14 ~~monies as provided in section 15-991.02~~ that will be budgeted in the
15 unrestricted capital outlay fund in the following fiscal year pursuant to
16 section 15-947, subsection D, ~~paragraphs 4 and 5 and that will be budgeted in~~

18 ~~section 15-947, subsection E, paragraphs 2 and 3~~ shall be used for reduction
19 of school district taxes for the budget year.

20 C. The county school superintendent may draw warrants against the
21 obligated in contract amounts pursuant to subsection B of this section for a
22 period of sixty days immediately following the close of the fiscal year.

23 D. After expiration of the period of sixty days immediately following
24 the close of each fiscal year, the remaining obligated in contract balance
25 shall lapse and no further payments from the maintenance and operation,
26 unrestricted capital outlay, ~~soft capital allocation~~ and adjacent ways funds
27 shall be made on any claim for expenditures of the prior fiscal year.

28 E. School districts that are subject to section 15-914.01 shall adhere
29 to the duties described in section 15-304 for the purposes of this section.

6 Sec. 21. Section 15-910, Arizona Revised Statutes, is amended to read:

7 15-910. School district budgets; excess utility costs;
8 desegregation costs; tuition costs for bond issues;
9 costs for registering warrants; report

10 A. The governing board may budget for the district's excess utility
11 costs which are specifically exempt from the district's revenue control
12 limit. If approved by the qualified electors voting at a statewide general
13 election, the exemption from the revenue control limit under this subsection
14 expires at the end of the 2008-2009 budget year. The uniform system of
15 financial records shall specify expenditure items allowable as excess utility

26 2. Multiply the amount in paragraph 1 of this subsection by the total
27 percentage increase or decrease in the revenue control limit and the capital
28 outlay revenue limit for the budget year over the revenue control limit and

30 available from a career ladder program or a teacher compensation program
31 provided for in section 15-952.

32 3. The sum of the amounts in paragraphs 1 and 2 of this subsection is

31 discrimination under title VI of the civil rights act of 1964 (42 United

1 I. ~~Through fiscal year 2003-2004, the maximum amount which a governing~~
2 ~~board may budget outside of the capital outlay revenue limit as provided in~~
3 ~~subsection G of this section is twelve per cent of the maintenance and~~

45 A. In order to fulfill the requirements of section 15-2041, the school
46 facilities board may acquire school facilities for the use of one or more

1 school districts by entering into one or more lease-to-own transactions in
2 accordance with this section. For purposes of this section, providing school
3 facilities includes land acquisition, related infrastructure, fixtures,
4 furnishings, equipment and costs of the lease-to-own transaction. The school
5 facilities board may provide monies to provide school facilities in part
6 pursuant to section 15-2041 and in part through a lease-to-own transaction.

7 B. A lease-to-own transaction may provide for:

8 1. The ground lease of the land for the facilities to a private entity
9 for the term of the lease-to-own transaction or for a term of up to one and
10 one-half times the term of the lease-to-own transaction, subject to earlier
11 termination on completion of performance of the lease-to-own agreement. The
12 ground lessor may either be the school district or the school facilities
13 board, whichever holds title to the land.

14 2. The lease of the completed school facilities by a private entity to
15 the school facilities board for an extended term of years pursuant to a
16 lease-to-own agreement.

17 3. The sublease of the completed school facilities by the school
18 facilities board to the school district during the term of the lease-to-own
19 agreement. The sublease shall provide for the use, maintenance and operation
20 of the school facilities by the school district and for the transfer of
21 ownership of the school facilities to the school district on completion of
22 performance of the lease-to-own agreement.

23 4. The option for the school facilities board's purchase of the school
24 facilities and transfer of ownership of the school facilities to the school

32 evidencing proportionate interests in the lease payments to be made by the
33 school facilities board pursuant to the lease-to-own agreement.

34 C. The sublease of the school facilities to the school district is
35 subject to this section and to the provisions of the lease-to-own agreement.
36 Neither a ground lease by the school district as lessor nor a sublease of the
37 school facilities to the school district is required to be authorized by a
38 vote of the school district electors. A ground lease is not subject to any
39 limitations or requirements applicable to leases or lease-purchase agreements
40 pursuant to section 15-342 or any other section of this title.

41 D. Any school facility that is constructed through a lease-to-own
42 agreement shall meet the minimum building adequacy standards set forth in

1 F. The school facilities board shall include any square footage of new
2 school facilities constructed through lease-to-own agreements in the
3 computations prescribed in section 15-2011.

4 ~~G. Pursuant to section 15-2031, a school district is eligible to~~
5 ~~receive building renewal monies for any facility constructed through a~~
6 ~~lease-to-own agreement. If a facility's building maintenance renewal is~~

12 pursuant to lease-to-own agreements entered into by the school facilities
13 board pursuant to this section, to make payments to or for the benefit of
14 school districts pursuant to local lease-to-own agreements entered into by
15 school districts pursuant to section 15-2005 and to pay costs considered
16 necessary by the school facilities board in connection with lease-to-own
17 transactions and local lease-to-own transactions. Payments by the school
18 facilities board pursuant to a lease-to-own agreement or local lease-to-own
19 agreement shall be made only from the lease-to-own fund. On notice from the
20 school facilities board, the state treasurer shall invest and divest monies
21 in the fund as provided by section 35-313, and monies earned from investment
22 shall be credited to the lease-to-own fund.

23 ~~I.~~ H. A lease-to-own agreement entered into by the school facilities
24 board pursuant to this section shall provide that:

29 under the lease-to-own agreement is a current expense, payable exclusively
30 from appropriated monies, and is not a general obligation indebtedness of
31 this state or the school facilities board. The obligation of a school
32 district to make expenditures under a sublease pursuant to subsection B,
33 paragraph 3 of this section is a current expense, payable exclusively from
34 budgeted monies, and is not a general obligation indebtedness of the school
35 district.

36 3. If the legislature fails to appropriate monies or the school
37 facilities board fails to allocate such monies for any periodic payment or
38 renewal term of the lease-to-own agreement, the lease-to-own agreement
39 terminates at the end of the current term and this state and the school
40 facilities board are relieved of any subsequent obligation under the
41 agreement and the school district is relieved of any subsequent obligation
42 under the sublease.

43 4. The lease-to-own agreement shall be reviewed and approved by the
44 attorney general before the agreement may take effect.

1 5. Before the agreement takes effect and after review by the attorney
2 general, the project or projects related to the agreement shall be submitted
3 for review by the joint committee on capital review.

4 ~~I.~~ I. The school facilities board may covenant to use its best
5 efforts to budget, obtain, allocate and maintain sufficient appropriated
6 monies to make payments under a lease-to-own agreement, but the lease-to-own
7 agreement shall acknowledge that appropriating state monies is a legislative
8 act and is beyond the control of the school facilities board or of any other
9 party to the lease-to-own agreement.

10 ~~J.~~ J. The land and the school facilities on the land are exempt from
11 taxation during the term of the lease-to-own agreement and during
12 construction and subsequent occupancy by the school district pursuant to the
13 sublease.

14 ~~K.~~ K. The powers prescribed in this section are in addition to the
15 powers conferred by any other law. Without reference to any other provision
16 of this title or to any other law, this section is authority for the
17 completion of the purposes prescribed in this section for the school
18 facilities board to provide school facilities for use by school districts
19 through lease-to-own transactions pursuant to this section without regard to
20 the procedure required by any other law. Except as otherwise provided in
21 this section, the provisions of this title that relate to the matters
22 contained in this section are superseded because this section is the
23 exclusive law on these matters.

37 pursuant to section 15-2041 and in part through payments to or for the
38 benefit of a school district for a local lease-to-own transaction.

39 B. A local lease-to-own transaction may provide for:

40 1. The ground lease of the land for the facilities to a private entity
41 for the term of the local lease-to-own transaction or for a term of up to one
42 and one-half times the term of the local lease-to-own transaction, subject to
43 earlier termination on completion of performance of the local lease-to-own
44 agreement. The ground lessor may either be the school district or the school
45 facilities board, whichever holds title to the land.

1 2. The lease of the completed school facilities by a private entity to
2 the school district for an extended term of years pursuant to a local
3 lease-to-own agreement. The local lease-to-own agreement shall provide for
4 the use, maintenance and operation of the school facilities by the school
5 district and for the transfer of ownership of the school facilities to the
6 school district on completion of performance of the local lease-to-own
7 agreement.

8 3. The option for the school district's purchase of the school
9 facilities and transfer of ownership of the school facilities to the school
10 district before the expiration of the local lease-to-own agreement.

11 4. The services of trustees, financial advisors, paying agents,
12 transfer agents, underwriters, lawyers and other professional service
13 providers, credit enhancements or liquidity facilities and all other services
14 considered necessary by the school district or the school facilities board in
15 connection with the local lease-to-own transaction, and related agreements
16 and arrangements including arrangements for the creation and sale of
17 certificates of participation evidencing proportionate interests in the lease
18 payments to be made by the school district pursuant to the local lease-to-own
19 agreement.

20 C. Neither a ground lease by the school district as lessor nor a local
21 lease-to-own agreement is required to be authorized by a vote of the school
22 district electors. A ground lease is not subject to any limitations or
23 requirements applicable to leases or lease-purchase agreements pursuant to
24 section 15-342 or any other section of this title.

25 D. The school facilities board may make payments to or for the benefit
26 of the school district from the lease-to-own fund established by section
27 15-2004 for the payment of amounts payable under the local lease-to-own
28 agreement.

29 E. Any school facility that is constructed through a lease-to-own
30 agreement shall meet the minimum building adequacy standards set forth in
31 section 15-2011.

32 F. School districts may use local monies to exceed the minimum
33 adequacy standards and to build athletic fields and any other capital project
34 for leased-to-own facilities.

35 G. The school facilities board shall include any square footage of new
36 school facilities constructed through lease-to-own agreements in the
37 computations prescribed in section 15-2011.

38 ~~H. Pursuant to section 15-2031, a school district is eligible to~~
39 ~~receive building renewal monies for any facility constructed through a~~
40 ~~lease-to-own agreement. If a facility's building maintenance renewal is~~
41 ~~included in the lease-to-own agreement, the facility shall not be included in~~
42 ~~the district's building renewal calculation.~~

43 I. H. A local lease-to-own agreement entered into by a school
44 district pursuant to this section shall provide that:

3 be transferred to the school district as specified in the agreement.

4 2. The obligation of the school district to make any payment or
5 expenditure under the local lease-to-own agreement is a current expense,
6 payable exclusively from properly budgeted monies, and is not a general
7 obligation indebtedness of this state, the school facilities board or the
8 school district, and that any payment by the school facilities board to or
9 for the benefit of the school district from the lease-to-own fund established
10 by section 15-2004 for payments of amounts payable under the local
11 lease-to-own agreement is a current expense, payable exclusively from
12 appropriated monies, and is not a general obligation indebtedness of this
13 state or the school facilities board.

14 3. If the school district fails to properly budget for payments under
15 the local lease-to-own agreement or if the legislature fails to appropriate
16 monies or the school facilities board fails to allocate monies for periodic
17 payment to or for the benefit of the school district for payments under the
18 local lease-to-own agreement, the local lease-to-own agreement terminates at
19 the end of the current term and the school district, the school facilities
20 board and this state are relieved of any subsequent obligation under the
21 local lease-to-own agreement.

22 4. The local lease-to-own agreement shall be reviewed and approved by

25 general, the project or projects related to the agreement shall be submitted
26 for review by the joint committee on capital review.

27 ~~I.~~ I. The school district may covenant to use its best efforts to
28 budget, obtain, allocate and maintain sufficient monies to make payments
29 under a local lease-to-own agreement, but the local lease-to-own agreement
30 shall acknowledge that budgeting school district monies is a governmental act
31 of the school district governing board that may not be contracted away. The
32 school facilities board is not required to covenant to budget, obtain,
33 allocate or maintain sufficient monies in the lease-to-own fund to make
34 payments to or for the benefit of a school district for payments under a
35 local lease-to-own agreement.

36 ~~J.~~ J. The land and the school facilities on the land are exempt from
37 taxation during the term of the local lease-to-own agreement and during

39 local lease-to-own agreement.

40 ~~K.~~ K. The powers prescribed in this section are in addition to the
41 powers conferred by any other law. Without reference to any other provision
42 of this title or to any other law, this section is authority for the
43 completion of the purposes prescribed in this section for school districts to
44 provide school facilities through local lease-to-own transactions pursuant to
45 this section without regard to the procedure required by any other law.
46 Except as otherwise provided in this section, the provisions of this title

1 that relate to the matters contained in this section are superseded because
2 this section is the exclusive law on these matters.

3 ~~M.~~ L. School districts shall not enter into lease-to-own
4 transactions, including any refinancings or refundings, pursuant to this

30 building is located.

31 3. The building systems, including roofs, plumbing, telephone systems,
32 electrical systems, heating systems and cooling systems, are in working order
33 and are capable of being properly maintained.

35 pupil prescribed by subsection C of this section.

36 3. Consider the total space available in all schools in use in the
37 school district, except that the school facilities board shall allow an

16 pursuant to subsection C of this section.

17 ~~7. Require that excess square footage that is constructed after July~~
18 ~~1, 2002 and that is not excluded pursuant to paragraph 6 of this subsection~~

25 another entity, including square footage leased to a charter school that is
26 sponsored by a school district pursuant to section 15-183.

31 distribute monies, as a continuing appropriation, to school districts for the

32 purpose of constructing new school facilities and for contracted expenses

33 pursuant to section 15-2002, subsection B, paragraphs 2, 3 and 4. On June 30

34 of each fiscal year, any unobligated contract monies in the new school

35 facilities fund shall be transferred to the capital reserve fund established

36 by section 15-2003.

37 B. The school facilities board shall prescribe a uniform format for

38 use by the school district governing board in developing and annually

39 updating a capital plan that consists of each of the following:

- 40 1. Enrollment projections for the next five years for elementary
- 41 schools and eight years for middle and high schools, including a description
- 42 of the methods used to make the projections.
- 43 2. A description of new schools or additions to existing schools
- 44 needed to meet the building adequacy standards prescribed in section 15-2011.
- 45 The description shall include:

1 (a) The grade levels and the total number of pupils that the school or
2 addition is intended to serve.

3 (b) The year in which it is necessary for the school or addition to
4 begin operations.

5 (c) A timeline that shows the planning and construction process for
6 the school or addition.

7 3. Long-term projections of the need for land for new schools.

8 4. Any other necessary information required by the school facilities
9 board to evaluate a school district's capital plan.

10 5. If a school district pays tuition for all or a portion of the
11 school district's high school pupils to another school district, the capital
12 plan shall indicate the number of pupils for which the district pays tuition
13 to another district. If a school district accepts pupils from another school
14 district pursuant to section 15-824, subsection A, the school district shall
15 indicate the projections for this population separately. This paragraph does
16 not apply to a small isolated school district as defined in section 15-901.

17 C. If the capital plan indicates a need for a new school or an
18 addition to an existing school within the next four years or a need for land
19 within the next ten years, the school district shall submit its plan to the
20 school facilities board by September 1 and shall request monies from the new
21 school facilities fund for the new construction or land. The school
22 facilities board may require a school district to sell land that was
23 previously purchased entirely with monies provided by the school facilities
24 board if the school facilities board determines that the property is no
25 longer needed within the ten year period specified in this subsection for a
26 new school or no longer needed within that ten year period for an addition to
27 an existing school. Monies provided for land shall be in addition to any
28 monies provided pursuant to subsection D of this section.

29 D. The school facilities board shall distribute monies from the new
30 school facilities fund as follows:

31 1. The school facilities board shall review and evaluate the
32 enrollment projections. ~~and~~ ON OR BEFORE MARCH 1, FOLLOWING THE SUBMISSION
33 OF THE ENROLLMENT PROJECTIONS, THE SCHOOL FACILITIES BOARD SHALL either
34 approve the projections as submitted or revise the projections. In
35 determining new construction requirements, the school facilities board shall
36 determine the net new growth of pupils that will require additional square
37 footage that exceeds the building adequacy standards prescribed in section
38 15-2011. If the projected growth and the existing number of pupils exceed
39 three hundred fifty pupils who are served in a school district other than the
40 pupil's resident school district, the school facilities board, the receiving
41 school district and the resident school district shall develop a capital
42 facilities plan on how to best serve those pupils. A small isolated school
43 district as defined in section 15-901 is not required to develop a capital
44 facilities plan pursuant to this paragraph.

45 2. If the approved projections indicate that additional space ~~will not~~
46 ~~be needed within the next two years for elementary schools or three years for~~

1 ~~middle or high schools~~ WOULD NOT HAVE BEEN NEEDED DURING THE CURRENT SCHOOL
2 YEAR in order to meet the building adequacy standards prescribed in section
3 15-2011, the request shall be held for consideration by the school facilities
4 board for possible future funding and the school district shall annually
5 submit an updated plan until the additional space is needed.

6 3. If the approved projections indicate that additional space ~~will be~~
7 ~~needed within the next two years for elementary schools or three years for~~
8 ~~middle or high schools~~ WOULD HAVE BEEN NEEDED DURING THE CURRENT SCHOOL YEAR
9 in order to meet the building adequacy standards prescribed in section
10 15-2011, the school facilities board shall provide an amount as follows:

11 (a) Determine the number of pupils requiring additional square footage
12 to meet building adequacy standards. This amount for elementary schools
13 shall not be less than the number of new pupils for whom space will be needed
14 in the next year and shall not exceed the number of new pupils for whom space
15 will be needed in the next five years. This amount for middle and high
16 schools shall not be less than the number of new pupils for whom space will
17 be needed in the next four years and shall not exceed the number of new
18 pupils for whom space will be needed in the next eight years.

19 (b) Multiply the number of pupils determined in subdivision (a) of
20 this paragraph by the square footage per pupil. The square footage per pupil
21 is ninety square feet per pupil for preschool children with disabilities,
22 kindergarten programs and grades one through six, one hundred square feet for
23 grades seven and eight, one hundred thirty-four square feet for a school
24 district that provides instruction in grades nine through twelve for fewer
25 than one thousand eight hundred pupils and one hundred twenty-five square
26 feet for a school district that provides instruction in grades nine through
27 twelve for at least one thousand eight hundred pupils. The total number of
28 pupils in grades nine through twelve in the district shall determine the
29 square footage factor to use for net new pupils. The school facilities board
30 may modify the square footage requirements prescribed in this subdivision for
31 particular schools based on any of the following factors:

32 (i) The number of pupils served or projected to be served by the
33 school district.

34 (ii) Geographic factors.

35 (iii) Grade configurations other than those prescribed in this
36 subdivision.

37 (iv) Compliance with minimum school facility adequacy requirements
38 established pursuant to section 15-2011.

39 (c) Multiply the product obtained in subdivision (b) of this paragraph
40 by the cost per square foot. The cost per square foot is ninety dollars for
41 preschool children with disabilities, kindergarten programs and grades one
42 through six, ninety-five dollars for grades seven and eight and one hundred
43 ten dollars for grades nine through twelve. The cost per square foot shall
44 be adjusted annually for construction market considerations based on an index
45 identified or developed by the joint legislative budget committee as
46 necessary but not less than once each year. The school facilities board

1 shall multiply the cost per square foot by 1.05 for any school district
2 located in a rural area. The school facilities board may only modify the
3 base cost per square foot prescribed in this subdivision for particular
4 schools based on geographic conditions or site conditions. For the purposes
5 of this subdivision, "rural area" means an area outside a thirty-five mile
6 radius of a boundary of a municipality with a population of more than fifty
7 thousand persons.

8 (d) Once the school district governing board obtains approval from the
9 school facilities board for new facility construction funds, additional
10 portable or modular square footage created for the express purpose of
11 providing temporary space for pupils until the completion of the new facility
12 shall not be included by the school facilities board for the purpose of new
13 construction funding calculations. On completion of the new facility
14 construction project, if the portable or modular facilities continue in use,
15 the portable or modular facilities shall be included as prescribed by this
16 chapter, unless the school facilities board approves their continued use for
17 the purpose of providing temporary space for pupils until the completion of
18 the next new facility that has been approved for funding from the new school
19 facilities fund.

20 4. For projects approved after December 31, 2001, and notwithstanding
21 paragraph 3 of this subsection, a unified school district that does not have
22 a high school is not eligible to receive high school space as prescribed by
23 section 15-2011 and this section unless the unified district qualifies for
24 geographic factors prescribed by paragraph 3, subdivision (b), item (ii) of
25 this subsection.

26 5. If a joint technical education district leases a building from a
27 school district, that building shall be included in the school district's
28 square footage calculation for the purposes of new construction pursuant to
29 this section.

30 6. If a school district leases a building to another entity, including
31 a charter school that is sponsored by a school district pursuant to section
32 15-183, that building shall be included in the school district's square
33 footage calculation for purposes of new construction pursuant to this
34 section.

35 7. A SCHOOL DISTRICT SHALL QUALIFY FOR NEW CONSTRUCTION FUNDING IN A
36 FISCAL YEAR ONLY IF THE SCHOOL FACILITIES BOARD HAS APPROVED OR REVISED ITS
37 ENROLLMENT PROJECTION UNDER PARAGRAPH 3 OF THIS SUBSECTION ON OR BEFORE MARCH
38 1 OF THE PRIOR FISCAL YEAR.

39 E. Monies for architectural and engineering fees, project management
40 services and preconstruction services shall be distributed on the completion
41 of the analysis by the school facilities board of the school district's
42 request. After receiving monies pursuant to this subsection, the school
43 district shall submit a design development plan for the school or addition to
44 the school facilities board before any monies for construction are
45 distributed. If the school district's request meets the building adequacy
46 standards, the school facilities board may review and comment on the

1 district's plan with respect to the efficiency and effectiveness of the plan
2 in meeting state square footage and facility standards before distributing
3 the remainder of the monies. If the school facilities board modifies the
4 cost per square foot as prescribed in subsection D, paragraph 3, subdivision
5 (c) of this section, the school facilities board may deduct the cost of
6 project management services and preconstruction services from the required
7 cost per square foot. The school facilities board may decline to fund the
8 project if the square footage is no longer required due to revised enrollment
9 projections.

10 F. The school facilities board shall distribute the monies needed for
11 land for new schools so that land may be purchased at a price that is less
12 than or equal to fair market value and in advance of the construction of the
13 new school. If necessary, the school facilities board may distribute monies
14 for land to be leased for new schools if the duration of the lease exceeds
15 the life expectancy of the school facility by at least fifty per cent. A
16 school district shall not use land purchased or partially purchased with
17 monies provided by the school facilities board for a purpose other than a
18 site for a school facility without obtaining prior written approval from the
19 school facilities board. A school district shall not lease, sell or take any
20 action that would diminish the value of land purchased or partially purchased
21 with monies provided by the school facilities board without obtaining prior
22 written approval from the school facilities board. The proceeds derived
23 through the sale of any land purchased or partially purchased, or the sale of
24 buildings funded or partially funded, with monies provided by the school
25 facilities board shall be returned to the state fund from which it was
26 appropriated and to any other participating entity on a proportional basis.
27 Except as provided in section 15-342, paragraph 33, if a school district
28 acquires real property by donation at an appropriate school site approved by
29 the school facilities board, the school facilities board shall distribute an
30 amount equal to twenty per cent of the fair market value of the donated real
31 property that can be used for academic purposes. The school district shall
32 place the monies in the unrestricted capital outlay fund and increase the
33 unrestricted capital budget limit by the amount of monies placed in the fund.
34 Monies distributed under this subsection shall be distributed from the new
35 school facilities fund. A school district that receives monies from the new
36 school facilities fund for a donation of land pursuant to section 15-342,
37 paragraph 33 shall not receive monies from the school facilities board for
38 the donation of real property pursuant to this subsection. A school district
39 shall not pay a consultant a percentage of the value of any of the following:

40 1. Donations of real property, services or cash from any of the
41 following:

42 (a) Entities that have offered to provide construction services to the
43 school district.

44 (b) Entities that have been contracted to provide construction
45 services to the school district.

46 (c) Entities that build residential units in that school district.

1 (d) Entities that develop land for residential use in that school
2 district.

3 2. Monies received from the school facilities board on behalf of the
4 school district.

5 3. Monies paid by the school facilities board on behalf of the school
6 district.

7 G. In addition to distributions to school districts based on pupil
8 growth projections, a school district may submit an application to the school
9 facilities board for monies from the new school facilities fund if one or
10 more school buildings have outlived their useful life. If the school
11 facilities board determines that the school district needs to build a new
12 school building for these reasons, the school facilities board shall remove
13 the square footage computations that represent the building from the
14 computation of the school district's total square footage for purposes of
15 this section. If the square footage recomputation reflects that the school
16 district no longer meets building adequacy standards, the school district
17 qualifies for a distribution of monies from the new school construction
18 formula in an amount determined pursuant to subsection D of this section.
19 ~~Buildings removed from a school district's total square footage pursuant to~~
20 ~~this subsection shall not be included in the computation of monies from the~~
21 ~~building renewal fund established by section 15-2031.~~ The school facilities
22 board may only modify the base cost per square foot prescribed in this
23 subsection under extraordinary circumstances for geographic factors or site
24 conditions.

25 H. School districts that receive monies from the new school facilities
26 fund shall establish a district new school facilities fund and shall use the
27 monies in the district new school facilities fund only for the purposes
28 prescribed in this section. By October 15 of each year, each school district
29 shall report to the school facilities board the projects funded at each
30 school in the previous fiscal year with monies from the district new school
31 facilities fund and shall provide an accounting of the monies remaining in
32 the new school facilities fund at the end of the previous fiscal year.

33 I. If a school district has surplus monies received from the new
34 school facilities fund, the school district may use the surplus monies only
35 for capital purposes for the project for up to one year after completion of
36 the project. If the school district possesses surplus monies from the new
37 school construction project that have not been expended within one year of
38 the completion of the project, the school district shall return the surplus
39 monies to the school facilities board for deposit in the new school
40 facilities fund.

41 J. The board's consideration of any application filed after December
42 31 of the year in which the property becomes territory in the vicinity of a
43 military airport or ancillary military facility as defined in section 28-8461
44 for monies to fund the construction of new school facilities proposed to be
45 located in territory in the vicinity of a military airport or ancillary
46 military facility shall include, if after notice is transmitted to the

1 military airport pursuant to section 15-2002 and before the public hearing
2 the military airport provides comments and an analysis concerning
3 compatibility of the proposed school facilities with the high noise or
4 accident potential generated by military airport or ancillary military
5 facility operations that may have an adverse effect on public health and
6 safety, consideration and analysis of the comments and analysis provided by
7 the military airport before making a final determination.

8 K. If a school district uses its own project manager for new school
9 construction, the members of the school district governing board and the
10 project manager shall sign an affidavit stating that the members and the
11 project manager understand and will follow the minimum adequacy requirements
12 prescribed in section 15-2011.

13 L. The school facilities board shall establish a separate account in
14 the new school facilities fund designated as the litigation account to pay
15 attorney fees, expert witness fees and other costs associated with litigation
16 in which the school facilities board pursues the recovery of damages for
17 deficiencies correction that resulted from alleged construction defects or
18 design defects that the school facilities board believes caused or
19 contributed to a failure of the school building to conform to the building
20 adequacy requirements prescribed in section 15-2011. Attorney fees paid
21 pursuant to this subsection shall not exceed the market rate for similar
22 types of litigation. On or before December 1 of each year, the school
23 facilities board shall report to the joint committee on capital review the
24 costs associated with current and potential litigation that may be paid from
25 the litigation account.

26 M. Until the state board of education and the auditor general adopt
27 rules pursuant to section 15-213, subsection I, the school facilities board
28 may allow school districts to contract for construction services and
29 materials through the qualified select bidders list method of project
30 delivery for new school facilities pursuant to this section.

31 N. The school facilities board shall submit electronically a report on
32 project management services and preconstruction services to the governor, the
33 president of the senate and the speaker of the house of representatives by
34 December 31 of each year. The report shall compare projects that use project
35 management and preconstruction services with those that do not. The report
36 shall address cost, schedule and other measurable components of a
37 construction project. School districts, construction manager at risk firms
38 and project management firms that participate in a school facilities board
39 funded project shall provide the information required by the school
40 facilities board in relation to this report.

41 O. If a school district constructs new square footage according to
42 section 15-342, paragraph 33, the school facilities board shall review the
43 design plans and location of any new school facility submitted by school
44 districts and another party to determine whether the design plans comply with
45 the adequacy standards prescribed in section 15-2011 and the square footage
46 per pupil requirements pursuant to subsection D, paragraph 3, subdivision (b)

1 of this section. When the school district qualifies for a distribution of
2 monies from the new school facilities fund according to this section, the
3 school facilities board shall distribute monies to the school district from
4 the new school facilities fund for the square footage constructed under
5 section 15-342, paragraph 33 at the same cost per square foot established by
6 this section that was in effect at the time of the beginning of the
7 construction of the school facility. Before the school facilities board
8 distributes any monies pursuant to this subsection, the school district shall
9 demonstrate to the school facilities board that the facilities to be funded
10 pursuant to this section meet the minimum adequacy standards prescribed in
11 section 15-2011. The agreement entered into pursuant to section 15-342,
12 paragraph 33 shall set forth the procedures for the allocation of these funds
13 to the parties that participated in the agreement.

14 **P. ACCOMMODATION SCHOOLS ARE NOT ELIGIBLE FOR MONIES FROM THE NEW**

20 Notwithstanding section 15-393, Arizona Revised Statutes, or any other
21 law, the department of education shall fund state aid for joint technical
22 education districts with a student count of more than two thousand students
23 for fiscal year 2013-2014 at ninety-one per cent of the amount that otherwise
24 would be provided by law and shall reduce its budget limits accordingly.

25 Sec. 47. Deposits in the education learning and accountability
26 fund

27 On or before December 31, 2013, each community college district shall
28 transmit six dollars per full-time student equivalent according to the most
29 recent audit and each university under the jurisdiction of the Arizona board
30 of regents shall transmit six dollars per actual university full-time
31 equivalent student to the department of education for deposit in the
32 education learning and accountability fund established by section 15-249.02,
33 Arizona Revised Statutes.

37 Statutes, section 15-2005, subsection L, Arizona Revised Statutes, and

39 enter into a refinancing or refunding agreement in fiscal year 2013-2014 that
40 will reduce the school facilities board's fiscal year 2013-2014 and fiscal
41 year 2014-2015 lease-purchase payments by a combined total of at least
42 \$4,000,000 but that will not increase or decrease the total amount of the
43 school facilities board's lease-purchase payments in any other fiscal year by
44 more than \$100,000.

45 B. Before the school facilities board enters into a refinancing or
46 refunding agreement pursuant to subsection A of this section, the agreement's

1 proposed terms shall be submitted for review by the joint committee on
2 capital review.

3 C. The school facilities board shall revert any unexpended monies
4 appropriated to the new school facilities debt service special line item in
5 fiscal year 2013-2014 to the state general fund on or before June 30, 2014.

6 Sec. 49. Soft capital carryforward balances; transfer

7 Notwithstanding any other law, a school district shall transfer any
8 budget capacity and cash remaining in its soft capital allocation fund at the
9 end of fiscal year 2012-2013 to its maintenance and operations fund or its
10 unrestricted capital outlay fund.

12 Notwithstanding section 15-481, subsection Z, Arizona Revised Statutes,
13 a budget in excess of the capital outlay revenue limit that was approved by
14 the voters in a school district before the effective date of this act shall
15 remain in effect until the end of the period authorized pursuant to the
16 previous election.

17 Sec. 51. Budget reductions; soft capital overexpenditures

18 Beginning in fiscal year 2013-2014, a school district that overexpended
19 its soft capital allocation in fiscal year 2012-2013 or in a prior fiscal
20 year shall apply any correction required for that overexpenditure pursuant to
21 section 15-905, subsection L or M, Arizona Revised Statutes, to its
22 maintenance and operation or unrestricted capital budgets.

23 Sec. 52. District additional assistance reduction for school
24 districts for fiscal year 2013-2014

25 A. For fiscal year 2013-2014, the department of education shall reduce
26 by \$238,985,500 the amount of basic state aid that otherwise would be
27 apportioned to school districts statewide for fiscal year 2013-2014 for
28 district additional assistance prescribed in section 15-961, Arizona Revised
29 Statutes, as amended by this act, and shall reduce school district budget
30 limits accordingly.

31 B. For fiscal year 2013-2014, the department of education shall reduce
32 district additional assistance for a school district that is not eligible to
33 receive basic state aid funding for fiscal year 2013-2014 by the amount that
34 its district additional assistance would be reduced pursuant to subsection A
35 of this section if the district was eligible to receive basic state aid
36 funding for fiscal year 2013-2014 and shall reduce the school district's
37 budget limits accordingly.

38 Sec. 53. K-12 formula reductions; small districts; maximum

39 Notwithstanding any other law, the sum of district additional
40 assistance reductions in fiscal year 2013-2014 for school districts with a
41 student count of fewer than 1,100 pupils shall not exceed \$5,000,000.

42 Sec. 54. Additional assistance funding for school districts and
43 charter schools; reduction for fiscal year 2013-2014

44 A. The department of education shall reduce by \$15,656,000 the amount

1 pursuant to section 15-185, subsection B, paragraph 4, Arizona Revised
2 Statutes, as amended by this act and shall reduce school district budget
3 limits accordingly. The funding reduction required under this section shall
4 be made on a proportional basis based on the charter additional assistance

6 received for fiscal year 2013-2014 without the prescribed reduction.

7 B. For fiscal year 2013-2014, the department of education shall reduce
8 charter additional assistance for a school district that is not eligible to
9 receive basic state aid funding for fiscal year 2013-2014 by the amount that
10 its charter additional assistance would be reduced pursuant to subsection A
11 of this section if the school district was eligible to receive basic state
12 aid funding for fiscal year 2013-2014 and shall reduce the school district's
13 budget limits accordingly.

14 Sec. 55. Pilot program on school emergency readiness; report;
15 delayed repeal

16 A. The \$3,646,400 state general fund appropriation to the department
17 of education for the school safety program for fiscal year 2013-2014 in the
18 general appropriations act includes \$100,000 for a pilot program on school
19 emergency readiness.

20 B. School districts shall submit applications to the department of
21 education to participate in the pilot program on or before September 30,
22 2013.

30 of more than one hundred thousand persons but less than eight hundred
31 thousand persons.

32 3. One school district that is located in a county with a population
33 of less than one hundred thousand persons.

34 D. School districts that are selected to participate in the pilot
35 program shall be provided and use a readiness and emergency management
36 program that incorporates the following:

37 1. Education specific emergency management software. All plans and
38 critical emergency readiness information including contacts, floor plans and
39 critical equipment photos and locations shall be accessible online and
40 off-line via mobile device applications. The software used in the pilot
41 program shall comply with the national emergency information management
42 system adopted by the federal emergency management agency.

43 2. Training of teachers and administrators in the readiness and
44 emergency management program.

17 legislative finding

22 B. The legislature finds and declares that the social, economic and
23 financial welfare of the state is affected by the economic and financial
24 conditions that have existed since 2008 and continue today. The conditions
25 have caused a decrease in tax revenue and in assessed valuations, which has
26 resulted in a temporary emergency involving the ability to fund needed
27 construction and repair of school facilities that is alleviated by this act.

APPROVED BY THE GOVERNOR JUNE 17, 2013.

FILED IN THE OFFICE OF THE SECRETARY OF STATE JUNE 17, 2013.
