## OVERVIEW

HB 2515 prohibits a person from knowingly promulgating photographs, videotape, film or digital recording of a person engaged in a sexual act or in a state of nudity without that person's written consent.

## HISTORY

Title 13, Chapter 14, Arizona Revised Statutes (A.R.S.), deals with laws relating to sexual offenses. A.R.S. § 13-1424 classifies voyeurism and states it is unlawful to knowingly invade the privacy of another person without the knowledge of the other person for the purpose of sexual stimulation. Specifically, A.R.S. § 13-1424 (B) states it is unlawful for a person to disclose, display, distribute or publish a photograph, videotape, film or digital recording that is made without the consent or knowledge of the person depicted. Currently in Arizona, there are no laws dealing with the distribution of private images that are of a sexual nature.
