

State of Arizona  
Senate  
Fifty-second Legislature  
Second Regular Session  
2016

**CHAPTER 352**  
**SENATE BILL 1256**

AN ACT

REPEALING SECTIONS 12-116.08, 12-990 AND 12-1000, ARIZONA REVISED STATUTES; AMENDING SECTIONS 32-101, 32-102, 32-103, 32-106 AND 32-109, ARIZONA REVISED STATUTES; REPEALING SECTION 32-112, ARIZONA REVISED STATUTES; AMENDING SECTION 32-122, ARIZONA REVISED STATUTES; REPEALING SECTIONS 32-122.03, 32-122.04 AND 32-131, ARIZONA REVISED STATUTES; AMENDING TITLE 32, CHAPTER 1, ARTICLE 2, ARIZONA REVISED STATUTES, BY ADDING SECTION 32-132; AMENDING SECTIONS 32-141, 49-218, 49-927 AND 49-1005, ARIZONA REVISED STATUTES; APPROPRIATING MONIES; RELATING TO THE STATE BOARD OF TECHNICAL REGISTRATION.

(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:

2 Section 1. Repeal

3 Sections 12-116.08, 12-990 and 12-1000, Arizona Revised Statutes, are  
4 repealed.

5 Sec. 2. Heading change

6 The chapter heading of title 32, chapter 1, Arizona Revised Statutes,  
7 is changed from "ARCHITECTS, ASSAYERS, ENGINEERS, GEOLOGISTS, HOME  
8 INSPECTORS, LANDSCAPE ARCHITECTS AND SURVEYORS" to "ARCHITECTS, ENGINEERS,  
9 GEOLOGISTS, HOME INSPECTORS, LANDSCAPE ARCHITECTS AND SURVEYORS".

10 Sec. 3. Section 32-101, Arizona Revised Statutes, is amended to read:

11 32-101. Purpose; definitions

12 A. The purpose of this chapter is to provide for the safety, health  
13 and welfare of the public through the promulgation and enforcement of  
14 standards of qualification for those individuals WHO ARE registered or  
15 certified and seeking registration or certification pursuant to this chapter.

16 B. In this chapter, unless the context otherwise requires:

17 1. "Advertising" includes business cards, signs or letterhead provided  
18 by a person to the public.

19 2. "Alarm" or "alarm system":

20 (a) Means any mechanical or electrical device that is designed to emit  
21 an audible alarm or transmit a signal or message if activated and that is  
22 used to detect an unauthorized entry into a building or other facility or  
23 alert other persons of the occurrence of a medical emergency or the  
24 commission of an unlawful act against a person or in a building or other  
25 facility.

26 (b) Includes a silent, panic, holdup, robbery, duress, burglary,  
27 medical alert or proprietor alarm that requires emergency personnel to  
28 respond.

29 (c) Does not include a telephone call diverter or a system that is  
30 designed to report environmental and other occurrences and that is not  
31 designed or used to alert or cause other persons to alert public safety  
32 personnel.

33 3. "Alarm agent":

34 (a) Means a person, whether an employee, an independent contractor or  
35 otherwise, who acts on behalf of an alarm business and who tests, maintains,  
36 services, repairs, sells, rents, leases or installs alarm systems.

37 (b) Does not include any action by a person that:

38 (i) Is performed in connection with an alarm system located on the  
39 person's own property or the property of the person's employer.

40 (ii) Is acting on behalf of an alarm business whose work duties do not  
41 include visiting the location where an alarm system installation occurs.

42 4. "Alarm business":

43 (a) Means any person who, either alone or through a third party,  
44 engages in the business of either of the following:

45 (i) Providing alarm monitoring services.

1 (ii) Selling, leasing, renting, maintaining, repairing or installing a  
2 nonproprietary alarm system or service.

3 (b) Does not include any of the following:

4 (i) A person or company that purchases, rents or uses an alarm that is  
5 affixed to a motor vehicle.

6 (ii) A person who owns or conducts a business of selling, leasing,  
7 renting, installing, maintaining or monitoring an alarm that is affixed to a  
8 motor vehicle.

9 (iii) A person who installs a nonmonitored proprietor alarm for a  
10 business that the person owns, is employed by or manages.

11 (iv) The installation or monitoring of fire alarm systems.

12 (v) An alarm system that is operated by a city or town.

13 5. "Alarm subscriber" means any person who:

14 (a) Leases, rents or purchases any monitored alarm system or service  
15 from an alarm business.

16 (b) Leases or rents an alarm system.

17 (c) Contracts with an alarm business for alarm monitoring,  
18 installation, repair or maintenance services.

19 6. "Architect" means a person who, by reason of knowledge of the  
20 mathematical and physical sciences and the principles of architecture and  
21 architectural engineering acquired by professional education and practical  
22 experience, is qualified to engage in the practice of architecture as  
23 attested by registration as an architect.

24 7. "Architect-in-training" means a candidate for registration as a  
25 professional architect who is a graduate of a school approved by the board or  
26 who has five years or more of education or experience, or both, in  
27 architectural work ~~which~~ THAT meets standards specified by the board in its  
28 rules. In addition, the candidate shall have passed the architect-in-training  
29 examination.

30 8. "Architectural practice" means any professional service or creative  
31 work requiring architectural education, training and experience, and the  
32 application of the mathematical and physical sciences and the principles of  
33 architecture and architectural engineering to such professional services or  
34 creative work as consultation, evaluation, design and review of construction  
35 for conformance with contract documents and design, in connection with any  
36 building, planning or site development. A person shall be deemed to practice  
37 or offer to practice architecture who in any manner represents that the  
38 person is an architect, ~~or is able to perform any architectural service or~~  
39 other services recognized by educational authorities as architecture.

40 ~~9. "Assayer" means a person who analyzes metals, ores, minerals, or~~  
41 ~~alloys in order to ascertain the quantity of gold or silver or any other~~  
42 ~~substance present in them. A person employed on a full-time basis as an~~  
43 ~~assayer by an employer engaged in the business of developing, mining or~~  
44 ~~treating ores or other minerals shall not be deemed to be engaged in assaying~~  
45 ~~practice for the purposes of this chapter if the person engages in assaying~~  
46 ~~practice exclusively for and as an employee of such employer and does not~~

1 ~~represent that the person is available and is not represented as being~~  
2 ~~available to perform any assaying services for anyone other than the person's~~  
3 ~~employer.~~

4 ~~10. "Assayer in training" means a candidate for registration as a~~  
5 ~~professional assayer who is a graduate of a school and curriculum approved by~~  
6 ~~the board or who has four years or more of education or experience, or both,~~  
7 ~~in assaying work which meets standards specified by the board in its rules.~~  
8 ~~In addition, the candidate shall have passed the assayer in training~~  
9 ~~examination.~~

10 ~~11. "Assaying practice" means any professional service or work~~  
11 ~~requiring assaying education, training and experience and the application of~~  
12 ~~special knowledge of the mineral sciences to such service or work as~~  
13 ~~consultation and the evaluation of minerals. A person is deemed to practice~~  
14 ~~or offer to practice assaying who in any manner represents that the person is~~  
15 ~~an assayer or is able to perform any assaying service or other services~~  
16 ~~recognized by educational authorities as assaying.~~

17 ~~12. 9. "Board" means the state board of technical registration.~~

18 ~~13. "Certified remediation specialist" means a person who has been~~  
19 ~~certified by the board to perform, supervise and review environmental~~  
20 ~~remediations if the use of a certified remediation specialist is specifically~~  
21 ~~authorized by title 49 and rules adopted pursuant to title 49.~~

22 ~~14. 10. "Controlling person":~~

23 ~~(a) Means a person who is designated by an alarm business.~~

24 ~~(b) Does not include an alarm agent.~~

25 ~~15. "Drug laboratory site remediation firm" means a firm that is~~  
26 ~~licensed by the registrar of contractors pursuant to chapter 10 of this title~~  
27 ~~and that performs remediation of residual contamination from the manufacture~~  
28 ~~of methamphetamine, ecstasy or LSD or the storage of chemicals or equipment~~  
29 ~~used in manufacturing methamphetamine, ecstasy or LSD. For the purposes of~~  
30 ~~this paragraph:~~

31 ~~(a) "Ecstasy" has the same meaning prescribed in section 13-3401,~~  
32 ~~paragraph 6 and includes any of the precursor chemicals, regulated chemicals,~~  
33 ~~other substances or equipment used in the unlawful manufacture of the~~  
34 ~~dangerous drug.~~

35 ~~(b) "LSD" has the same meaning prescribed in section 13-3401,~~  
36 ~~paragraph 6 and includes any of the precursor chemicals, regulated chemicals,~~  
37 ~~other substances or equipment used in the unlawful manufacture of the~~  
38 ~~dangerous drug.~~

39 ~~(c) "Methamphetamine" has the same meaning prescribed in section~~  
40 ~~13-3401, paragraph 6 and includes any of the precursor chemicals, regulated~~  
41 ~~chemicals, other substances or equipment used in the unlawful manufacture of~~  
42 ~~the dangerous drug.~~

43 ~~16. 11. "Engineer" means a person who, by reason of special knowledge~~  
44 ~~of the mathematical and physical sciences and the principles and methods of~~  
45 ~~engineering analysis and design acquired by professional education and~~

1 practical experience, is qualified to practice engineering as attested by  
2 registration as a professional engineer.

3 ~~17.~~ 12. "Engineering practice" means any professional service or  
4 creative work requiring engineering education, training and experience and  
5 the application of special knowledge of the mathematical, physical and  
6 engineering sciences to such professional services or creative work as  
7 consultation, research investigation, evaluation, planning, surveying as  
8 defined in paragraph ~~27~~ 22, subdivisions (d) and (e) of this subsection,  
9 design, location, development, and review of construction for conformance  
10 with contract documents and design, in connection with any public or private  
11 utility, structure, building, machine, equipment, process, work or project.  
12 Such services and work include plans and designs relating to the location,  
13 development, mining and treatment of ore and other minerals. A person shall  
14 be deemed to be practicing or offering to practice engineering if the person  
15 practices any branch of the profession of engineering, or by verbal claim,  
16 sign, advertisement, letterhead, card or any other manner represents that the  
17 person is a professional engineer, ~~or~~ or is able to perform or does perform any  
18 engineering service or other service recognized by educational authorities as  
19 engineering. A person employed on a full-time basis as an engineer by an  
20 employer engaged in the business of developing, mining and treating ores and  
21 other minerals shall not be deemed to be practicing engineering for the  
22 purposes of this chapter if the person engages in the practice of engineering  
23 exclusively for and as an employee of such employer and does not represent  
24 that the person is available and is not represented as being available to  
25 perform any engineering services for persons other than the person's  
26 employer.

27 ~~18.~~ 13. "Engineer-in-training" means a candidate for registration as a  
28 professional engineer who is a graduate in an approved engineering curriculum  
29 of four years or more of a school approved by the board or who has ~~had~~ four  
30 years or more of education or experience, or both, in engineering work ~~which~~  
31 THAT meets standards specified by the board in its rules. In addition, the  
32 candidate shall have passed the engineer-in-training examination.

33 ~~19.~~ 14. "Firm" means any individual or partnership, corporation or  
34 other type of association, including the association of a nonregistrant and a  
35 registrant who offers to the public professional services regulated by the  
36 board.

37 ~~20.~~ 15. "Geological practice" means any professional service or work  
38 requiring geological education, training and experience, ~~and~~ and the application  
39 of special knowledge of the earth sciences to such professional services as  
40 consultation, evaluation of mining properties, petroleum properties and  
41 groundwater resources, professional supervision of exploration for mineral  
42 natural resources including metallic and nonmetallic ores, petroleum and  
43 groundwater, and the geological phases of engineering investigations.

44 ~~21.~~ 16. "Geologist" means a person, not of necessity an engineer, who  
45 by reason of special knowledge of the earth sciences and the principles and  
46 methods of search for and appraisal of mineral or other natural resources

1 acquired by professional education and practical experience is qualified to  
2 practice geology as attested by registration as a professional geologist. A  
3 person employed on a full-time basis as a geologist by an employer engaged in  
4 the business of developing, mining or treating ores and other minerals shall  
5 not be deemed to be engaged in geological practice for the purposes of this  
6 chapter if the person engages in geological practice exclusively for and as  
7 an employee of such employer and does not represent that the person is  
8 available and is not represented as being available to perform any geological  
9 services for persons other than the person's employer.

10 ~~22-~~ 17. "Geologist-in-training" means a candidate for registration  
11 as a professional geologist who is a graduate of a school approved by  
12 the board or who has ~~had~~ four years or more of education or experience, or  
13 both, in geological work ~~which~~ THAT meets standards specified by the  
14 board in its rules. In addition, the candidate shall have passed the  
15 geologist-in-training examination.

16 ~~23-~~ 18. "Home inspection" means a visual analysis for the purposes of  
17 providing a professional opinion of the building, any reasonably accessible  
18 installed components and the operation of the building's systems, including  
19 the controls normally operated by the owner, for the following components of  
20 a residential building of four units or less:

- 21 (a) Heating system.
- 22 (b) Cooling system.
- 23 (c) Plumbing system.
- 24 (d) Electrical system.
- 25 (e) Structural components.
- 26 (f) Foundation.
- 27 (g) Roof covering.
- 28 (h) Exterior and interior components.
- 29 (i) Site aspects as they affect the building.
- 30 (j) Pursuant to rules adopted by the board, swimming pool and spa.

31 ~~24-~~ 19. "Home inspection report" means a written report that is  
32 prepared for compensation, that is issued after a home inspection and that  
33 clearly describes and identifies the inspected systems, structures and  
34 components of a completed dwelling and any visible major defects found to be  
35 in need of immediate major repair and any recommendations for additional  
36 evaluation by appropriate persons.

37 ~~25-~~ 20. "Home inspector" means an individual who is certified pursuant  
38 to this chapter as a home inspector and who engages in the business of  
39 performing home inspections and writing home inspection reports.

40 ~~26-~~ 21. "Home inspector-in-training" means a candidate for  
41 certification as a home inspector who has completed a course of study  
42 approved by the board and who is participating in a training program that  
43 complies with standards recommended by the home inspector rules and standards  
44 committee and approved by the board.

45 ~~27-~~ 22. "Land surveying practice" means the performance of one or more  
46 of the following professional services:

1 (a) Measurement of land to determine the position of any monument or  
2 reference point ~~which~~ THAT marks a property line, boundary or corner for the  
3 purpose of determining the area or description of the land.

4 (b) Location, relocation, establishment, reestablishment, setting,  
5 resetting or replacing of corner monuments or reference points which identify  
6 land boundaries, rights-of-way or easements.

7 (c) Platting or plotting of lands for the purpose of subdividing.

8 (d) Measurement by angles, distances and elevations of natural or  
9 artificial features in the air, on the surface and immediate subsurface of  
10 the earth, within underground workings and on the surface or within bodies of  
11 water for the purpose of determining or establishing their location, size,  
12 shape, topography, grades, contours or water surface and depths, and the  
13 preparation and perpetuation of field note records and maps depicting these  
14 features.

15 (e) Setting, resetting or replacing of points to guide the location of  
16 new construction.

17 ~~28-~~ 23. "Land surveyor" means a person who by reason of knowledge of  
18 the mathematical and physical sciences, principles of land surveying and  
19 evidence gathering acquired by professional education or practical  
20 experience, or both, is qualified to practice land surveying as attested by  
21 registration as a land surveyor. A person employed on a full-time basis as a  
22 land surveyor by an employer engaged in the business of developing, mining or  
23 treating ores or other minerals shall not be deemed to be engaged in land  
24 surveying practice for purposes of this chapter if the person engages in land  
25 surveying practice exclusively for and as an employee of such employer and  
26 does not represent that the person is available and is not represented as  
27 being available to perform any land surveying services for persons other than  
28 the person's employer.

29 ~~29-~~ 24. "Land surveyor-in-training" means a candidate for registration  
30 as a professional land surveyor who is a graduate of a school and curriculum  
31 approved by the board, ~~or~~ or who has four years or more of education or  
32 experience, or both, in land surveying work ~~which~~ THAT meets standards  
33 specified by the board in its rules. In addition, the candidate shall have  
34 passed the land surveyor-in-training examination.

35 ~~30-~~ 25. "Landscape architect" means a person who, by reason of  
36 professional education or practical experience, or both, is qualified to  
37 engage in the practice of landscape architecture as attested by registration  
38 as a landscape architect.

39 ~~31-~~ 26. "Landscape architect-in-training" means a candidate for  
40 registration as a professional landscape architect who is a graduate of a  
41 school approved by the board or who has ~~had~~ four years or more of education  
42 or experience, or both, in landscape architectural work ~~which~~ THAT meets  
43 standards specified by the board in its rules. In addition, the candidate  
44 shall have passed the landscape architect-in-training examination.

45 ~~32-~~ 27. "Landscape architectural practice" means the performance of  
46 professional services such as consultations, investigation, reconnaissance,

1 research, planning, design or responsible supervision in connection with the  
2 development of land and incidental water areas where, and to the extent that,  
3 the dominant purpose of such services is the preservation, enhancement or  
4 determination of proper land uses, natural land features, ground cover and  
5 planting, naturalistic and aesthetic values, the settings of and approaches  
6 to buildings, structures, facilities or other improvements, natural drainage  
7 and the consideration and the determination of inherent problems of the land  
8 relating to erosion, wear and tear, light or other hazards. This practice  
9 shall include the location and arrangement of such tangible objects and  
10 features as are incidental and necessary to the purposes outlined in this  
11 paragraph but shall not include the making of cadastral surveys or final land  
12 plats for official recording or approval, nor mandatorily include planning  
13 for governmental subdivisions.

14 ~~33.~~ 28. "Monitored alarm" means a device that is designed for the  
15 detection of an entry on any premises and that if activated generates a  
16 notification signal.

17 ~~34. "On-site supervisor" means the employee of a drug laboratory site  
18 remediation firm who is authorized to oversee on-site workers in the  
19 performance of their duties.~~

20 ~~35. "On-site worker" means an employee of a drug laboratory site  
21 remediation firm who has on-site duties or who handles contaminated  
22 materials, chemicals or contaminated equipment.~~

23 ~~36.~~ 29. "Person" means any individual, firm, partnership, corporation,  
24 association or other organization.

25 ~~37.~~ 30. "Principal" means an individual who is an officer of the  
26 corporation or is designated by a firm as having full authority and  
27 responsible charge of the services offered by the firm.

28 ~~38.~~ 31. "Proprietor alarm" means any alarm or alarm system that is  
29 owned by an alarm subscriber who has not contracted with an alarm business.

30 ~~39.~~ 32. "Registrant" means a person registered or certified by the  
31 board.

32 ~~40.~~ 33. "Registration" means a registration or certification issued by  
33 the board.

34 Sec. 4. Section 32-102, Arizona Revised Statutes, is amended to read:

35 ~~32-102.~~ Board of technical registration

36 A. A state board of technical registration is established consisting  
37 of members appointed by the governor as follows:

38 1. Two architects.

39 2. Three professional engineers, two of whom are representatives of  
40 branches of engineering other than civil engineering and are registered in  
41 those branches pursuant to this chapter.

42 3. One public member.

43 4. One landscape architect.

44 5. One geologist ~~or assayer.~~

45 6. One land surveyor.

1           B. Upon the expiration of any of the terms a successor, qualified  
2 pursuant to subsection A, shall be appointed for a full term of three  
3 years. The governor may remove a member of the board for misconduct,  
4 incapacity or neglect of duty. Appointment to fill a vacancy caused other  
5 than by expiration of term shall be for the unexpired portion of the term.

6           C. No member may serve more than two consecutive terms.

7           Sec. 5. Section 32-103, Arizona Revised Statutes, is amended to read:

8           32-103. Qualifications of members

9           A. Each professional member of the board shall:

10           1. Be at least twenty-five years of age.

11           2. Have been a resident of the state for at least three years  
12 immediately preceding appointment as a member.

13           B. Each member who is an architect, A geologist, ~~an assayer,~~ a  
14 landscape architect, a professional engineer or a land surveyor shall have  
15 had at least five years' active professional experience as attested by  
16 registration under this chapter.

17           Sec. 6. Section 32-106, Arizona Revised Statutes, is amended to read:

18           32-106. Powers and duties

19           A. The board shall:

20           1. Adopt rules for the conduct of its meetings and performance of  
21 duties imposed on it by law.

22           2. Adopt an official seal for attestation of certificates of  
23 registration and other official papers and documents.

24           3. Consider and act on or delegate the authority to act on  
25 applications for registration or certification.

26           4. Conduct examinations for in-training and professional registration  
27 except for an alarm business or an alarm agent.

28           5. Hear and act on complaints or charges or direct an administrative  
29 law judge to hear and act on complaints and charges.

30           6. Compel attendance of witnesses, administer oaths and take testimony  
31 concerning all matters coming within its jurisdiction. In exercising these  
32 powers, the board may issue subpoenas for the attendance of witnesses and the  
33 production of books, records, documents and other evidence it deems relevant  
34 to an investigation or hearing.

35           7. Keep a record of its proceedings.

36           8. Keep a register that shows the date of each application for  
37 registration or certification, the name of the applicant, the practice or  
38 branch of practice in which the applicant has applied for registration, if  
39 applicable, and the disposition of the application.

40           9. Do other things necessary to carry out the purposes of this  
41 chapter.

42           B. The board shall specify the proficiency designation in the branch  
43 of engineering in which the applicant has designated proficiency on the  
44 certificate of registration and renewal card issued to each registered  
45 engineer and shall authorize the engineer to use the title of registered

1 professional engineer. The board shall decide what branches of engineering  
2 it shall recognize.

3 C. The board may hold membership in and be represented at national  
4 councils or organizations of proficiencies registered under this chapter and  
5 may pay the appropriate membership fees. The board may conduct standard  
6 examinations on behalf of national councils and may establish fees for those  
7 examinations.

8 D. The board may employ and pay on a fee basis persons, including  
9 full-time employees of a state institution, bureau or department, to prepare  
10 and grade examinations given to applicants for registration and may fix the  
11 fee to be paid for these services. These employees are authorized to  
12 prepare, grade and monitor examinations and perform other services the board  
13 authorizes, and to receive payment for these services from the technical  
14 registration fund. The board may contract with an organization to administer  
15 the registration examination, including selecting the test site, scheduling  
16 the examination, billing and collecting the fee directly from the applicant  
17 and grading the examination if a national council of which the board is a  
18 member or a professional association approved by the board does not provide  
19 these services. If a national council of which the board is a member or a  
20 professional association approved by the board does provide these services,  
21 the board shall enter into an agreement with the national council or  
22 professional association to administer the registration examination.

23 E. The board may rent necessary office space and pay the cost of this  
24 office space from the technical registration fund.

25 F. The board may adopt rules establishing rules of professional  
26 conduct for registrants.

27 G. The board may require evidence it deems necessary to establish the  
28 continuing competency of registrants as a condition of renewal of licenses.

29 H. Subject to title 41, chapter 4, article 4, the board may employ  
30 persons as it deems necessary.

31 ~~I. The board shall issue a certificate and renewal card to each drug  
32 laboratory site remediation firm, remediation supervisor and on-site worker.~~

33 ~~I.~~ I. The board shall issue or may authorize the executive director  
34 to issue a certificate or renewal certificate to each alarm business and a  
35 certification or renewal certification card to each alarm agent if the  
36 qualifications prescribed by this chapter are met.

1           Sec. 7. Section 32-109, Arizona Revised Statutes, is amended to read:

2           32-109. Technical registration fund

3           A. Pursuant to sections 35-146 and 35-147, the executive director  
4 shall deposit ten ~~per cent~~ PERCENT of all fees or other revenues received by  
5 the board in the state general fund to assist in defraying the cost of  
6 maintaining the state government and shall deposit the remaining ninety ~~per~~  
7 ~~cent~~ PERCENT in a separate fund, known as the technical registration fund, to  
8 be used only in defraying expenses of the board and in prosecuting violations  
9 of this chapter.

10          B. Monies deposited in the technical registration fund pursuant to  
11 subsection A of this section are subject to section 35-143.01.

12          ~~C. In addition to the monies deposited in the technical registration~~  
13 ~~fund pursuant to subsection A of this section, the technical registration~~  
14 ~~fund consists of monies received pursuant to section 12-116.08. The monies~~  
15 ~~that are received in the fund pursuant to this subsection shall be used:~~

16           ~~1. To pay the board's expenses associated with investigations and~~  
17 ~~enforcement actions pursuant to section 12-1000.~~

18           ~~2. For a county, city or town for remediation pursuant to section~~  
19 ~~12-1000, subsection D. Notwithstanding section 35-143.01, the monies~~  
20 ~~received pursuant to section 12-116.08 are not subject to legislative~~  
21 ~~appropriation.~~

22          Sec. 8. Repeal

23          Section ~~32-112~~, Arizona Revised Statutes, is repealed.

24          Sec. 9. Section 32-122, Arizona Revised Statutes, is amended to read:

25          32-122. Qualifications for in-training registration

26          A. An applicant for in-training registration as an architect,  
27 engineer, geologist or landscape architect shall:

28           1. Be of good moral character and repute.

29           2. Be a graduate of a school approved by the board or have four years  
30 or more, or if an applicant for in-training registration as an architect,  
31 five years or more, of education or experience, or both, in work in the  
32 profession in which registration is sought that meets standards specified by  
33 the board in its rules.

34           3. Unless exempt under section 32-126, subsection D, pass the  
35 in-training examination in the profession in which registration is sought.

36          B. An applicant for in-training registration as ~~an assayer or~~ A land  
37 surveyor shall:

38           1. Be of good moral character and repute.

39           2. Be a graduate of a school and curriculum approved by the board, or  
40 have four years or more of education or experience, or both, in work in the  
41 profession in which registration is sought that meets standards specified by  
42 the board in its rules.

43           3. Unless exempt under section 32-126, subsection D, pass the  
44 in-training examination in the profession in which registration is sought.

45          C. An applicant for in-training registration as a home  
46 inspector-in-training shall ~~+~~

1           ~~1. Be of good moral character and repute.~~  
2           ~~2.~~ meet the requirements of section 32-122.02, subsection A,  
3 paragraphs 1 through 7.

4           Sec. 10. Repeal  
5           Sections 32-122.03, 32-122.04 and 32-131, Arizona Revised Statutes, are  
6 repealed.

7           Sec. 11. Title 32, chapter 1, article 2, Arizona Revised Statutes, is  
8 amended by adding section 32-132, to read:

9           ~~32-132.~~ Assayer emeritus status

10           THE BOARD SHALL GRANT ASSAYER EMERITUS STATUS TO AN ASSAYER WHO IS  
11 REGISTERED BY THE BOARD PURSUANT TO THIS CHAPTER ON THE EFFECTIVE DATE OF  
12 THIS SECTION IF BOTH OF THE FOLLOWING APPLY:

13           1. THE ASSAYER HAS NOT RECEIVED ANY COMPLAINTS DURING THE ASSAYER'S  
14 ACTIVE REGISTRATION.

15           2. THE ASSAYER ANALYZES METALS, ORES, MINERALS OR ALLOYS TO ASCERTAIN  
16 THE QUANTITY OF GOLD OR SILVER OR ANY OTHER SUBSTANCE PRESENT IN THE METALS,  
17 ORES, MINERALS OR ALLOYS.

18           Sec. 12. Section 32-141, Arizona Revised Statutes, is amended to read:

19           ~~32-141.~~ Firm registration

20           A. A firm shall not engage in the practice of any board-regulated  
21 profession or occupation unless the firm is registered with the board and the  
22 professional services are conducted under the full authority and responsible  
23 charge of a principal of the firm, who is also a registrant.

24           B. A person shall file a registration application for each branch  
25 office that is located in this state and that is part of a firm registered  
26 with the board. The branch office application shall list a designated  
27 registrant having full authority and responsible charge of the professional  
28 services of that branch office. The designated registrant in a branch office  
29 need not be a principal of the firm.

30           C. A firm wishing to offer professional services in this state shall  
31 file with the board an application for registration on a form THAT IS  
32 provided by the board and accompanied by the appropriate application fee as  
33 prescribed by the board. Firms shall also identify responsible registrants  
34 by the registrant's registration certificate number. Each firm shall list a  
35 description of the services the firm is offering to the public. The board  
36 shall be notified in writing within thirty days of any change occurring in  
37 the registered principals, any change in the firm's name or address or any  
38 change in a branch office address or designated registrant. Except as  
39 provided in section 32-4301, a new application shall be filed each year by  
40 the firm within thirty days of the anniversary date of the original firm  
41 registration.

42           D. No firm may advertise its availability to perform home inspections  
43 by home inspectors certified pursuant to this chapter unless each home  
44 inspection is performed by a home inspector certified pursuant to this  
45 chapter and each home inspection report is prepared as a result of the  
46 inspector's on-site observation.

1 ~~E. A drug laboratory site remediation firm shall provide both of the~~  
2 ~~following:~~

3 ~~1. The name of the on-site supervisor who is authorized and~~  
4 ~~responsible for the services being offered.~~

5 ~~2. Proof that the firm is licensed by the registrar of contractors~~  
6 ~~pursuant to chapter 10 of this title.~~

7 Sec. 13. Section 49-218, Arizona Revised Statutes, is amended to read:

8 49-218. Definitions

9 In this article, unless the context otherwise requires:

10 1. "CERCLA brownfields cleanup revolving loan fund program" means the  
11 program established by the UNITED STATES environmental protection agency to  
12 provide financial assistance in the form of loans or grants to eligible  
13 persons to remediate contamination at eligible sites as provided in section  
14 104(k) of CERCLA and applicable guidance documents prepared by the UNITED  
15 STATES environmental protection agency to implement this program.

16 2. "Eligible activities" means removal as defined by section 101(23)  
17 of CERCLA and includes required engineering evaluations, cost analysis of  
18 cleanup alternatives, public participation requirements and reasonable and  
19 necessary site monitoring activities during the remediation.

20 3. "Eligible person" means a person who is eligible to receive a loan  
21 or grant under the CERCLA brownfields cleanup revolving loan fund program.

22 4. "Eligible site" means a site that is a brownfields site as defined  
23 by section 101(39) of CERCLA, that is within an area designated in a  
24 cooperative agreement between the department and the UNITED STATES  
25 environmental protection agency and that is one of the following:

26 (a) Accepted into the department's voluntary remediation program.

27 (b) Subject to a remediation agreement with the department's water  
28 quality assurance revolving fund program.

29 ~~(c) Being addressed by a remediation specialist who is certified by~~  
30 ~~the board of technical registration pursuant to section 32-131.~~

31 ~~(d)~~ (c) Being addressed through another program or oversight  
32 mechanism that is approved by the department.

33 Sec. 14. Section 49-927, Arizona Revised Statutes, is amended to read:

34 49-927. Hazardous waste management fund

35 A. A hazardous waste management fund is established to be administered  
36 by the department. The fund consists of monies appropriated by the  
37 legislature, monies collected pursuant to section 49-931 and monies collected  
38 as fees for issuing permits under section 49-922, subsection B, paragraph 5.  
39 Monies in the fund are subject to legislative appropriation and are exempt  
40 from section 35-190 relating to lapsing of appropriations. On notice from  
41 the director, the state treasurer shall invest and divest monies in the fund  
42 as provided by section 35-313, and monies earned from investment shall be  
43 credited to the fund.

44 B. Monies in the hazardous waste management fund shall be used for the  
45 following purposes:

1 1. Informing, educating and training the general public, treatment,  
2 storage and disposal facility operators, hazardous waste handlers and others.

3 2. Supporting statewide hazardous waste planning and program  
4 development activities.

5 3. Processing, issuing and maintaining permits for treatment, storage  
6 or disposal facilities.

7 4. Compliance monitoring, investigation and enforcement activities  
8 pertaining to generating, transporting, treating, storing and disposing of  
9 hazardous waste under this article.

10 5. Funding the pollution prevention technical assistance program  
11 established ~~++~~ PURSUANT TO section 49-965 and providing matching funds under  
12 section 6605 of the pollution prevention act of 1990 (P.L. 101-508).

13 6. Administration of the pollution prevention program pursuant to  
14 article 4 of this chapter.

15 7. Reimbursement of appropriations received for fiscal year 1991-1992  
16 to the state general fund as provided by law.

17 8. REMEDIATING PROPERTIES THAT HAVE BEEN REPORTED TO THE STATE BOARD  
18 OF TECHNICAL REGISTRATION BEFORE THE EFFECTIVE DATE OF THIS AMENDMENT TO THIS  
19 SECTION IF THERE IS EVIDENCE THAT THE PROPERTY OWNER DID NOT COMPLY WITH  
20 STATE LAW FOR REMOVAL OF THE GROSS CONTAMINATION ON THE PROPERTY.

21 C. Ten percent of the monies in the fund shall be transmitted to the  
22 emergency response fund established by section 49-132 to be used for staffing  
23 local emergency planning committees and equipping local fire departments,  
24 fire districts and public safety agencies for the development of hazardous  
25 materials emergency response teams.

26 Sec. 15. Section 49-1005, Arizona Revised Statutes, is amended to  
27 read:

28 49-1005. Corrective action

29 A. When a release is discovered the owner and operator of an  
30 underground storage tank shall take immediate action to stop the release and  
31 to identify and mitigate any fire, explosion or vapor hazard.

32 B. The owner or operator of an underground storage tank shall take  
33 corrective action in response to the release of regulated substances from the  
34 tank, except to the extent that this responsibility is limited by section  
35 49-1016, subsection F or section 49-1019, subsection D. A person may take  
36 corrective action pursuant to section 49-1016, subsection C.

37 C. Nothing in this section ~~shall prevent~~ PREVENTS the director from  
38 taking or requiring corrective action pursuant to any other provision of law.

39 D. Corrective actions shall:

40 1. Assure the protection of public health and welfare and the  
41 environment.

42 2. To the extent practicable, provide for the control, management or  
43 cleanup of regulated substances so as to allow the maximum beneficial use of  
44 the water and soil of this state.

45 3. Be reasonable, necessary, cost-effective and technically feasible.

1 E. Notwithstanding chapter 2, article 2 of this title, the director  
2 may approve a corrective action that may result in water quality exceeding  
3 water quality standards after completion of the corrective action, if the  
4 director finds that the corrective action meets the requirements of this  
5 section. The director's approval pursuant to this section does not affect  
6 the classification of an aquifer pursuant to section 49-224. The director  
7 shall adopt rules to implement this section. These rules shall include  
8 public notice provisions, criteria for the selection of corrective actions,  
9 including the level and extent of cleanup and the comparison of corrective  
10 action alternatives that may include plume remediation alternatives,  
11 monitoring, source control, controlled migration, physical containment and  
12 natural attenuation.

13 F. The director shall prescribe by rule the corrective actions to be  
14 taken in the event of a release of a regulated substance from an underground  
15 storage tank. Any rules adopted pursuant to this subsection shall be  
16 consistent with and no more stringent than federal regulations in effect on  
17 the date on which the rules are adopted. The director shall adopt rules to  
18 permit a ~~risk-based~~ RISK-BASED corrective action alternative ~~that~~  
19 ~~incorporates the use of certified remediation specialists~~. Corrective  
20 actions shall include requirements regarding:

- 21 1. Initial response measures.
- 22 2. Initial abatement measures.
- 23 3. A site check.
- 24 4. Initial site characterization.
- 25 5. Removal of free product.
- 26 6. Investigations for soil, surface water and groundwater cleanups.
- 27 7. Responses to contaminated soil, surface water and groundwater.

28 G. Corrective actions may include the use of biostimulation with  
29 indigenous microbes and bioaugmentation using microbes that are  
30 nonpathogenic, that are nonopportunistic and that are naturally occurring.

31 H. Until rules adopted pursuant to subsection F of this section are in  
32 effect, corrective actions shall be accomplished in a manner consistent with  
33 and no more stringent than 40 Code of Federal Regulations sections 280.60  
34 through 280.67.

35 Sec. 16. Transfer of monies

36 All unexpended and unencumbered monies remaining in the technical  
37 registration fund established by section 32-109, Arizona Revised Statutes,  
38 that were deposited pursuant to section 32-109, subsection C, Arizona Revised  
39 Statutes, as repealed by this act, are transferred to the hazardous waste  
40 management fund established by section 49-927, Arizona Revised Statutes, on  
41 the effective date of this act.

42 Sec. 17. Drug laboratory remediation rules

43 When the department of environmental quality is remediating properties  
44 pursuant to section 49-927, subsection B, paragraph 8, Arizona Revised  
45 Statutes, as added by this act, rules relating to drug laboratory remediation

1 adopted by the state board of technical registration are effective and  
2 enforceable by the department of environmental quality.

3 Sec. 18. Conforming legislation

4 The legislative council staff shall prepare proposed legislation  
5 conforming the Arizona Revised Statutes to the provisions of this act in the  
6 Fifty-third Legislature, First Regular Session.

APPROVED BY THE GOVERNOR MAY 19, 2016.

FILED IN THE OFFICE OF THE SECRETARY OF STATE MAY 19, 2016.
