Strike everything after the enacting clause and insert:

"Section 1. Appropriation; Arizona water banking authority; southside replenishment bank

The unencumbered monies remaining in the Nevada operating and resource subaccounts of the Arizona water banking fund established pursuant to section 45-2425, Arizona Revised Statutes, on June 30, 2015 are appropriated in fiscal year 2015-2016 to the Arizona water banking authority for the purposes prescribed in section 45-2624, Arizona Revised Statutes."

Amend title to conform

and, as so amended, it do pass
