HOUSE OF REPRESENTATIVES AMENDMENTS TO H.B. 2530

(Reference to printed bill)

Strike everything after the enacting clause and insert:

"Section 1. Section 15-701.01, Arizona Revised Statutes, is amended to read:

15-701.01. High school; graduation; requirements; community college or university courses; transfer from private schools; academic credit

A. The state board of education shall:

1. Prescribe a minimum course of study, as defined in section 15-101 and incorporating the academic standards adopted by the state board of education, for the graduation of pupils from high school.

2. Prescribe competency requirements for the graduation of pupils from high school incorporating the academic standards in at least the areas of reading, writing, mathematics, science and social studies. The academic standards prescribed by the state board of education in social studies shall include personal finance. This paragraph does not allow the state board of education to establish a required separate personal finance course for the purpose of the graduation of pupils from high school.

3. Develop and adopt competency tests pursuant to section 15-741. English language learners who are subject to article 3.1 of this chapter are subject to the assessments prescribed in section 15-741.

B. The governing board of a school district shall:

1. Prescribe curricula that include the academic standards in the required subject areas pursuant to subsection A, paragraph 1 of this section.

2. Prescribe criteria for the graduation of pupils from the high schools in the school district. These criteria shall include accomplishment of the academic standards in at least reading, writing, mathematics, science and social studies, as determined by district assessment. Other criteria may include additional measures of academic achievement and attendance. Pursuant to the prescribed graduation requirements adopted by the state board of education, the governing board may approve a rigorous computer science course
that would fulfill a mathematics course required for graduation from high school. The governing board may approve a rigorous computer science course only if the rigorous computer science course includes significant mathematics content and the governing board determines the high school where the rigorous computer science course is offered has sufficient capacity, infrastructure and qualified staff, including competent teachers of computer science.

C. The governing board may prescribe the course of study and competency requirements for the graduation of pupils from high school that are in addition to or higher than the course of study and competency requirements that the state board prescribes.

D. The governing board may prescribe competency requirements for the passage of pupils in courses that are required for graduation from high school.

E. A teacher shall determine whether to pass or fail a pupil in a course in high school as provided in section 15-521, paragraph 4 on the basis of the competency requirements, if any have been prescribed. The governing board, if it reviews the decision of a teacher to pass or fail a pupil in a course in high school as provided in section 15-342, paragraph 11, shall base its decision on the competency requirements, if any have been prescribed.

F. Graduation requirements established by the governing board may be met by a pupil who passes courses in the required or elective subjects at a community college or university, if the course is at a higher level than the course taught in the high school attended by the pupil or, if the course is not taught in the high school, the level of the course is equal to or higher than the level of a high school course. The governing board shall determine if the subject matter of the community college or university course is appropriate to the specific requirement the pupil intends it to fulfill and if the level of the community college or university course is less than, equal to or higher than a high school course, and the governing board shall award one-half of a carnegie unit for each three semester hours of credit the pupil earns in an appropriate community college or university course. If a pupil is not satisfied with the decision of the governing board regarding the
amount of credit granted or the subjects for which credit is granted, the
pupil may request that the state board of education review the decision of
the governing board, and the state board shall make the final determination
of the amount of credit to be given the pupil and for which subjects. The
governing board shall not limit the number of credits that is required for
high school graduation and that may be met by taking community college or
university courses. For the purposes of this subsection:

1. "Community college" means an educational institution that is
   operated by a community college district as defined in section 15-1401 or a
   postsecondary educational institution under the jurisdiction of an Indian
   tribe recognized by the United States department of the interior.

2. "University" means a university under the jurisdiction of the
   Arizona board of regents.

G. A pupil who transfers from a private school shall be provided with
a list that indicates those credits that have been accepted and denied by the
school district. A pupil may request to take an examination in each
particular course in which credit has been denied. The school district shall
accept the credit for each particular course in which the pupil takes an
examination and receives a passing score on a test designed and evaluated by
a teacher in the school district who teaches the subject matter on which the
examination is based. In addition to the above requirements, the governing
board of a school district may prescribe requirements for the acceptance of
the credits of pupils who transfer from a private school.

H. If a pupil who was previously enrolled in a charter school or
school district enrolls in a school district in this state, the school
district shall accept credits earned by the pupil in courses or instructional
programs at the charter school or school district. The governing board of a
school district may adopt a policy concerning the application of transfer
credits for the purpose of determining whether a credit earned by a pupil who
was previously enrolled in a school district or charter school will be
assigned as an elective or core credit.
I. A pupil who transfers from a charter school or school district shall be provided with a list that indicates which credits have been accepted as an elective credit and which credits have been accepted as a core credit by the school district. Within ten school days after receiving the list, a pupil may request to take an examination in each particular course in which core credit has been denied. The school district shall accept the credit as a core credit for each particular course in which the pupil takes an examination and receives a passing score on a test designed and evaluated by a teacher in the school district who teaches the subject matter on which the examination is based. IF A PUPIL IS ENROLLED IN A SCHOOL DISTRICT OR CHARTER SCHOOL AND THAT PUPIL ALSO PARTICIPATES IN ARIZONA ONLINE INSTRUCTION BETWEEN MAY 1 AND JULY 31, THE SCHOOL DISTRICT OR CHARTER SCHOOL MAY NOT REQUIRE PROOF OF PAYMENT AS A CONDITION OF THE SCHOOL DISTRICT OR CHARTER SCHOOL ACCEPTING CREDITS EARNED FROM THE ONLINE COURSE PROVIDER.

J. The state board of education shall adopt rules to allow high school pupils who can demonstrate competency in a particular academic course or subject to obtain academic credit for the course or subject without enrolling in the course or subject.

K. Pupils who earn a Grand Canyon diploma pursuant to article 6 of this chapter are exempt from the graduation requirements prescribed in this section. Pupils who earn a Grand Canyon diploma are entitled to all the rights and privileges of persons who graduate with a high school diploma issued pursuant to this section, including access to postsecondary scholarships and other forms of student financial aid and access to all forms of postsecondary education. Notwithstanding any other law, a pupil who is eligible for a Grand Canyon diploma may elect to remain in high school through grade twelve and shall not be prevented from enrolling at a high school after the pupil becomes eligible for a Grand Canyon diploma. A pupil who is eligible for a Grand Canyon diploma and who elects not to pursue one of the options prescribed in section 15-792.03 may only be readmitted to that high school or another high school in this state pursuant to policies adopted by the school district of readmission.
Sec. 2. **Transcript release; penalties; delayed repeal**

A. If a pupil is enrolled in a school district or charter school and that pupil also participates in Arizona online instruction, the pupil's school or charter school shall release a copy of the pupil's transcript to the online course provider within ten days after a valid request to release the pupil's transcript. If the online course provider does not receive the pupil's transcript, after ten days the online course provider shall notify the pupil's school district or the Arizona state board for charter schools that the online course provider has not received the transcript and the pupil's transcript shall be released to the online course provider within ten days.

B. If the school district or charter school has failed to comply with subsection A of this section within ten days of notification by the online course provider, the superintendent of public instruction shall withhold fifty dollars of state aid from the school district or charter school for each day that the school district or charter school is in violation of subsection A of this section, not to exceed the total amount of state aid that would otherwise be due to the school district or charter school for that student.

C. The penalty prescribed in subsection B of this section does not apply to requests that would violate the family educational rights and privacy act of 1974 (20 United States Code section 1232g).

D. This section is repealed from and after June 30, 2018.“
