

## HOUSE FLOOR AMENDMENT EXPLANATION

Bill Number: **HB 2550**

Farnsworth E Floor Amendment

---

HB 2550 allows the Constable Ethics, Standards, and Training Board (Board) to approve initial and subsequent training coursework for constables. The training approved by the Board is in lieu of or in addition to the Arizona Peace Officer Standards and Training Board (AZPOST) required training. Additionally, HB 2550 modifies the timeline allowed for copies of training completion certificates to be forwarded to the Board.

The 8-line Farnsworth floor amendment to HB 2550 continues to require Arizona constables to receive basic training through AZPOST and allows the Board to approve additional training courses for constables. The amendment maintains the requirement that copies of certificates of training completion be forwarded to the Board within 30 days after completion.
