3 read:

4 40-209. Franchises; electric generation suppliers; limitations

5 Regulation of electricity suppliers providing electric generation
6 service is a matter of statewide concern. Cities, including charter cities,
7 towns and counties shall not require franchises for electricity suppliers to
8 provide electric generation service within ~~its~~ THEIR jurisdiction and shall
9 not impose rents, charges or taxes on the use of public streets, roads and
10 alleys on electricity suppliers for the provision of electric generation
11 service within ~~its~~ THEIR jurisdiction, except that a fee equal to the
12 franchise fee of the electric distribution utility may be charged to the
13 electricity supplier on any portion of a retail electricity sale not
14 otherwise subject to a franchise fee made using electric distribution
15 facilities in service territories that are franchised ~~as of the effective~~
16 ~~date of this section~~ ON AUGUST 21, 1998. Nothing in this ~~subsection~~ SECTION
17 affects the authority of cities, including charter cities, towns and counties
18 to require franchises for electricity suppliers providing electric
19 distribution service within their jurisdiction.
