12 B. A psychologist, psychiatrist or physician shall conduct an
13 outpatient assessment at a time and place that is convenient for the

15 the outpatient assessment, the psychologist, psychiatrist or physician shall

22 review hearing within sixty days before the child's request. If requested by
23 the child, the court may hold a hearing at any time for good cause shown.
24 The progress report shall make recommendations and shall include at least the

33 P. If the child is a dually adjudicated child, the entity that
34 requests an order for inpatient psychiatric acute care services shall notify
35 any other entity of all notices, motions, hearings or other proceedings

25 required to set a hearing on the motion.

26 B. A motion for residential treatment services shall be supported by a
27 written psychological, psychiatric or medical assessment recommending
28 residential treatment services. The court may waive the written assessment
29 on a finding of good cause. The written assessment shall include at least

38 schedule a hearing concerning the child's continuing need for residential
39 treatment services. If requested by the child, the court shall schedule a

3 36-2936. Preadmission screening programs; functional tests;

5 A. The director shall adopt rules establishing a uniform statewide
6 preadmission screening program to determine if a person who has met the
7 eligibility criteria prescribed in section 36-2934 is eligible for
8 institutional services pursuant to this article. To be eligible for
9 institutional services or home and community based services as defined in
10 section 36-2931, a person shall have a nonpsychiatric medical condition or
11 have a developmental disability as defined in section 36-551 that, by itself
12 or in combination with other medical conditions, necessitates the level of
13 care that is provided in a nursing facility or intermediate care facility.
14 These rules shall establish a uniform preadmission screening instrument that
15 assesses the functional, medical, nursing, social and developmental needs of
16 the applicant.

17 B. A person is not eligible to receive home and community based
18 services unless that person has been determined to need institutional
19 services as determined by the preadmission screening instrument pursuant to
20 subsection C of this section. The administration shall establish guidelines
21 for the periodic reassessment of each member.

22 C. Preadmission screening conducted pursuant to subsection B of this

27 assessment form, if appropriate, in assessing needs for long-term care
28 services under this article. A physician who receives a referral from the
29 nurse or social worker may use the physician's medical judgment to determine
30 the medical eligibility of an applicant for the system or the continued
31 medical eligibility of a member or eligible person. In the medical referral,
32 the physician shall use the established combined thresholds for functional
33 ability and medical condition as a guide to determine the risk of
34 institutionalization.

35 D. If a person who is eligible for services pursuant to this article,
36 who is enrolled with a program contractor pursuant to this article and who is
37 enrolled with a program contractor pursuant to section 36-2940 fails the
38 preadmission screening for institutional services pursuant to subsection A of
39 this section at the time of a reassessment, the administration may administer
40 a second preadmission screening designed to measure the functioning level of
41 the person based on rules adopted by the director. If the person meets the
42 established thresholds of the functional preadmission screening, the person
43 is eligible for home and community based services pursuant to section
44 36-2939, subsection A, paragraphs 2, 3 and 4, subsection B, paragraph 2 and
45 subsection C. If a person who is determined eligible pursuant to this

1 subsection is institutionalized pursuant to section 36-2939, including
2 residence in an intermediate care facility, institution for mental disease,
3 inpatient psychiatric facility or nursing facility, the person has a maximum
4 of ninety days to vacate the institutional setting and relocate to a home and
5 community based setting approved pursuant to section 36-2939.

7 section, the administration shall provide the person with information on
8 other available community services.

10 screening under subsection A of this section within eight days, excluding
11 Saturdays and holidays, and excluding the time period allowed to determine
12 eligibility pursuant to section 36-2934.

13 G. If a provider who contracts with the administration pursuant to
14 section 36-2904, subsection A is dissatisfied with any action or decision of
15 the administration regarding the eligibility of a person for the system as
16 prescribed in this article, that provider may file a grievance in accordance
17 with the provider grievance procedure prescribed in section 36-2932,
18 subsection I, paragraph 1. If the director determines pursuant to the
19 grievance process that the person should have been determined eligible
20 pursuant to section 36-2933, the director may reimburse the provider for the
21 net cost of services provided pursuant to this article after the cumulative
22 time periods allowed pursuant to section 36-2934 and this section.

23 H. In addition to those persons seeking services pursuant to this
24 article, the preadmission screening conducted pursuant to this section shall
25 be made available to all other persons applying for admission to a nursing
26 care institution. The cost of preadmission screenings conducted by the
27 administration pursuant to this subsection shall be borne by the state. The
28 administration shall provide nursing care institutions and the general public
29 on request with detailed information about the preadmission screening program
30 and booklets that describe in clear and simple language the availability of
31 services and benefits from the system. The booklet shall:
