3 ~~INVESTIGATION IF IDENTIFYING INFORMATION REGARDING THE COMPLAINANT IS NOT~~
4 ~~PROVIDED TO THE BOARD. The person's name shall not be disclosed unless the~~
5 ~~person's testimony is essential to the disciplinary proceedings conducted~~
6 ~~pursuant to this section.~~ It is an act of unprofessional conduct for any
7 licensee to fail to report as required by this section. Any health care
8 institution that fails to report as required by this section shall be

10 B. IF A COMPLAINANT WISHES TO HAVE THE COMPLAINANT'S IDENTIFYING
11 INFORMATION WITHHELD FROM THE LICENSEE AGAINST WHOM THE ALLEGATION OF
12 UNPROFESSIONAL CONDUCT IS BEING MADE, THE BOARD SHALL ENTER INTO A WRITTEN

22 pending proceedings for revocation, suspension or limitation of privileges.
23 A report to the board pursuant to this subsection shall contain a general
24 statement of the reasons the health care institution denied or took action to
25 revoke, suspend or limit a licensee's privileges.

26 ~~E-~~ D. The board may conduct investigations necessary to fully inform

28 of this section. As part of this investigation, the board may require the
29 licensee under investigation to be interviewed by board representatives or,
30 AT THE LICENSEE'S EXPENSE, to undergo any combination of mental, physical,
31 oral or written medical competency examinations.

32 ~~D-~~ E. If the information gathered under subsections A and ~~B-~~ C of
33 this section indicates that the protection of public health requires that the
34 board take emergency action, it may order the summary suspension of a license
35 pending the outcome of a formal disciplinary hearing pursuant to title 41,
36 chapter 6, article 10. The board shall serve the suspended licensee with a

41 ~~E-~~ F. If, after completing its investigation, the board finds that
42 the information provided pursuant to subsection A of this section is not of

7 A of this section the board determines that rehabilitative or disciplinary
8 action can be taken without the presence of the licensee at an informal
9 interview, the board and the licensee may enter into a stipulated agreement
10 to limit or restrict the licensee's practice or to rehabilitate the licensee,
11 protect the public and ensure the licensee's ability to safely engage in the
12 practice of homeopathic medicine.

13 ~~G.~~ H. If after completing its investigation the board believes that
14 this information is or may be true, the board may request an informal
15 interview with the licensee. If the licensee refuses the invitation or
16 accepts the invitation and the results of the interview indicate that
17 suspension or revocation of the license may be in order, the board shall
18 issue a formal complaint and conduct a formal hearing pursuant to title 41,
19 chapter 6, article 10. If after completing the informal interview the board
20 finds that the information provided under subsection A of this section is not

23 1. Dismiss if, in the opinion of the board, the information is without
24 merit.

25 2. File a letter of concern.

26 3. Issue a decree of censure. A decree of censure constitutes an
27 official action against the license and may include a requirement for
28 restitution of fees to a patient resulting from violations of this chapter or
29 board rules.

30 4. Fix a period and terms of probation best adapted to protect the
31 public health and safety and rehabilitate or educate the licensee. The
32 probation, if deemed necessary, may include temporary suspension of the
33 license for not to exceed twelve months, restriction of the license to
34 practice homeopathic medicine or a requirement for restitution of fees to a

36 licensee fails to comply with the terms of probation, the board may file a
37 summons, complaint and notice of hearing pursuant to title 41, chapter 6,
38 article 10 based on the information considered by the board at the informal
39 interview and any other acts or conduct alleged to be in violation of this
40 chapter or board rules.

41 5. Enter into an agreement with the licensee to restrict or limit the
42 licensee's practice or medical activities in order to rehabilitate the
43 licensee, protect the public and ensure the licensee's ability to safely
44 engage in the practice of homeopathic medicine.
