17 otherwise prohibited by law.  
18 6. The right to access and review all medical records of the minor  
19 child unless otherwise prohibited by law or the parent is the subject of an  
20 investigation of a crime committed against the minor child and a law  
21 enforcement official requests that the information not be released.

4 the minor child by someone other than a parent, unless the incident has first  
5 been reported to law enforcement and notification of the parent would impede  
6 a law enforcement or child protective SAFETY services investigation. This

22 persistent or acute disability or grave disability.

23 C. A psychologist, psychiatrist or physician shall conduct an

5 The court shall rule on the motion without response from any party, except

8 hearing on an accelerated basis.

9           F. If the psychologist, psychiatrist or physician who performed the  
10 outpatient assessment or inpatient assessment of the child recommends that  
11 the child receive inpatient acute care psychiatric services, the entity may  
12 file a motion for inpatient psychiatric acute care services with the juvenile  
13 court. If the psychologist, psychiatrist or physician makes this

43 subsection F of this section, the child shall be discharged from the  
44 inpatient assessment facility.

1 J. If the court approves the admission of the child for inpatient  
2 psychiatric acute care services, the court shall find by clear and convincing

5 self or others and requires inpatient psychiatric acute care services.

7 were considered, but that inpatient psychiatric acute care services are the  
8 least restrictive available alternative.

10 psychiatric acute care services at least every sixty days after the date of  
11 the treatment order. The inpatient psychiatric acute care facility shall  
12 submit a progress report to the court at least five days before the review  
13 and shall provide copies of the progress report to all of the parties,  
14 including the child's attorney and guardian ad litem. On its own motion or  
15 on the motion of a party, the court may hold a hearing on the child's  
16 continuing need for inpatient psychiatric acute care services. If requested  
17 by the child, the court shall hold a hearing unless the court has held a  
18 review hearing within sixty days before the child's request. If requested by  
19 the child, the court may hold a hearing at any time for good cause shown.  
20 The progress report shall make recommendations and shall include at least the

31 inpatient psychiatric acute care services are necessary to meet the child's  
32 mental health needs and whether the facility that is providing the inpatient  
33 psychiatric acute care services to the child is the least restrictive  
34 available alternative.

35 L. If a child is transferred from an inpatient psychiatric acute care  
36 facility to another inpatient psychiatric acute care facility, no new  
37 inpatient assessment or outpatient assessment is required. Unless the court  
38 orders otherwise due to an emergency, an entity shall file a notice of  
39 transfer with the juvenile court at least five days before the transfer of  
40 the child. The notice shall include all of the following:

41 1. The name and address of the facility to which the child is being  
42 transferred and the date of the transfer.

1           3. A statement that the entity has contacted the child's attorney or  
2 guardian ad litem and whether the child or the child's attorney or guardian  
3 ad litem opposes the transfer.

15 professional.

16           O. When possible, the child's attorney shall communicate with the  
17 child within twenty-four hours after a motion is filed pursuant to subsection  
18 D or F of this section, excluding weekends and holidays. The child's  
19 attorney shall discuss treatment recommendations and shall advise the child  
20 of the child's right to request a hearing. The child's attorney or designee  
21 shall attend all court hearings related to the child's inpatient assessment  
22 or inpatient psychiatric acute care services and shall be prepared to report  
23 to the court the child's position on any recommended assessments or  
24 treatment. The child may attend any hearing unless the court finds by a  
25 preponderance of the evidence that allowing the child to attend would not be  
26 in the child's best interests.

27           P. If the child is a dually adjudicated child, the entity that  
28 requests an order for inpatient psychiatric acute care services shall notify  
29 any other entity of all notices, motions, hearings or other proceedings  
30 related to the provision of inpatient psychiatric acute care services. Any

38 jurisdiction of the juvenile court requires residential treatment services.  
39 Section 41-2815 applies if a child who is committed to the department of  
40 juvenile corrections requires residential treatment services.

41           R. Information and records that are obtained or created in the course  
42 of any assessment, examination or treatment are subject to the  
43 confidentiality requirements of section 36-509, except that information and

18 required to set a hearing on the motion.

19 B. A motion for residential treatment services shall be supported by a

21 residential treatment services. The court may waive the written assessment  
22 on a finding of good cause. The written assessment shall include at least  
23 the following:

25 best interests.

26 2. The reason why residential treatment services are the least  
27 restrictive treatment available.

28 3. The reason why the child's behavioral, psychological, social or

2 attend the hearing would not be in the child's best interests.

3 F. If the court orders a child to receive residential treatment  
4 services, the court shall find by clear and convincing evidence that both:

5 1. The child requires residential treatment services to address the  
6 child's behavioral, psychological, social or mental health needs.

7 2. Available alternatives to residential treatment services were  
8 considered, but that residential treatment services are the least restrictive  
9 available alternative.

11 treatment services at least every sixty days from the date of the treatment  
12 order. The residential treatment facility shall submit a progress report to  
13 the court at least five days before the review and shall provide copies of  
14 its report to all of the parties, including the child's attorney and guardian  
15 ad litem. The progress report shall include the recommendations of the

26 whether residential treatment services are necessary to meet the child's  
27 needs and whether the facility that is providing the residential treatment  
28 services to the child is the least restrictive available alternative.

29 H. On its own motion or on the motion of a party, the court may  
30 schedule a hearing concerning the child's continuing need for residential  
31 treatment services. If requested by the child, the court shall schedule a  
32 hearing unless the court has held a review hearing within sixty days before  
33 the child's request. If requested by the child, the court may hold a hearing  
34 at any time for good cause shown.

35 I. If the child is a dually adjudicated child, the entity that  
36 requests an order for residential treatment services shall notify any other  
37 entity of all notices, motions, hearings or other proceedings related to the

39 participate in all hearings or other proceedings relating to the provision of  
40 residential treatment services to a dually adjudicated child.

41 J. Information or records that are obtained or created pursuant to any

1           Sec. 22. Section 36-2936, Arizona Revised Statutes, is amended to  
2 read:

3           36-2936. Preadmission screening programs; functional tests;  
4                                   screening review

5           A. The director shall adopt rules establishing a uniform statewide  
6 preadmission screening program to determine if a person who has met the  
7 eligibility criteria prescribed in section 36-2934 is eligible for  
8 institutional services pursuant to this article. To be eligible for  
9 institutional services or home and community based services as defined in  
10 section 36-2931, a person shall have a nonpsychiatric medical condition or  
11 have a developmental disability as defined in section 36-551 that, by itself  
12 or in combination with other medical conditions, necessitates the level of  
13 care that is provided in a nursing facility or intermediate care facility.  
14 These rules shall establish a uniform preadmission screening instrument that  
15 assesses the functional, medical, nursing, social and developmental needs of  
16 the applicant.

17           B. A person is not eligible to receive home and community based  
18 services unless that person has been determined to need institutional  
19 services as determined by the preadmission screening instrument pursuant to  
20 subsection C of this section. The administration shall establish guidelines  
21 for the periodic reassessment of each member.

22           C. Preadmission screening conducted pursuant to subsection B of this  
23 section shall be conducted by a registered nurse licensed pursuant to title  
24 32, chapter 15 or a social worker. The nurse or social worker shall have a  
25 physician licensed pursuant to title 32, chapter 13 or 17 available for  
26 consultation and may use the applicant's attending physician's physical  
27 assessment form, if appropriate, in assessing needs for long-term care  
28 services under this article. A physician who receives a referral from the  
29 nurse or social worker may use the physician's medical judgment to determine  
30 the medical eligibility of an applicant for the system or the continued  
31 medical eligibility of a member or eligible person. In the medical referral,  
32 the physician shall use the established combined thresholds for functional  
33 ability and medical condition as a guide to determine the risk of  
34 institutionalization.

35           D. If a person who is eligible for services pursuant to this article,  
36 who is enrolled with a program contractor pursuant to this article and who is  
37 enrolled with a program contractor pursuant to section 36-2940 fails the  
38 preadmission screening for institutional services pursuant to subsection A of  
39 this section at the time of a reassessment, the administration may administer  
40 a second preadmission screening designed to measure the functioning level of  
41 the person based on rules adopted by the director. If the person meets the  
42 established thresholds of the functional preadmission screening, the person  
43 is eligible for home and community based services pursuant to section  
44 36-2939, subsection A, paragraphs 2, 3 and 4, subsection B, paragraph 2 and  
45 subsection C. If a person who is determined eligible pursuant to this  
46 subsection is institutionalized pursuant to section 36-2939, including

1 residence in an intermediate care facility, institution for mental disease,  
2 inpatient psychiatric facility or nursing facility, the person has a maximum  
3 of ninety days to vacate the institutional setting and relocate to a home and  
4 community based setting approved pursuant to section 36-2939.

5 E. If the person is determined not to need services pursuant to this  
6 section, the administration shall provide the person with information on  
7 other available community services.

8 F. The administration or its designee shall complete the preadmission  
9 screening under subsection A of this section within eight days, excluding  
10 Saturdays and holidays, and excluding the time period allowed to determine  
11 eligibility pursuant to section 36-2934.

12 G. If a provider who contracts with the administration pursuant to  
13 section 36-2904, subsection A is dissatisfied with any action or decision of  
14 the administration regarding the eligibility of a person for the system as  
15 prescribed in this article, that provider may file a grievance in accordance  
16 with the provider grievance procedure prescribed in section 36-2932,  
17 subsection I, paragraph 1. If the director determines pursuant to the  
18 grievance process that the person should have been determined eligible  
19 pursuant to section 36-2933, the director may reimburse the provider for the  
20 net cost of services provided pursuant to this article after the cumulative  
21 time periods allowed pursuant to section 36-2934 and this section.

22 H. In addition to those persons seeking services pursuant to this  
23 article, the preadmission screening conducted pursuant to this section shall  
24 be made available to all other persons applying for admission to a nursing  
25 care institution. The cost of preadmission screenings conducted by the  
26 administration pursuant to this subsection shall be borne by the state. The  
27 administration shall provide nursing care institutions and the general public  
28 on request with detailed information about the preadmission screening program  
29 and booklets that describe in clear and simple language the availability of  
30 services and benefits from the system. The booklet shall:

31 1. Explain the availability of preadmission screening that will assess  
32 the functional, medical, nursing and social needs of the patient and make  
33 recommendations on services that meet the patient's needs as identified by  
34 the preadmission screening assessment.

35 2. Describe the availability of public and private services  
36 appropriate to meet the patient's needs in institutions and alternatives to  
37 institutions.

38 3. Explain financial eligibility standards for the Arizona long-term  
39 care system and its effect on separate and community property.

40 I. In addition to the preadmission screening program established in  
41 this section, the administration shall implement the preadmission screening  
42 program as set forth in section 1919 of the social security act. For persons  
43 applying for admission to a title XIX certified nursing care institution, an  
44 initial level I preadmission screening shall be conducted by the  
45 administration on all nursing care institution applicants who are applying  
46 for eligibility pursuant to section 36-2933 and by the nursing care

1 institution on all other nursing care institution applicants. The  
2 administration shall develop a uniform identification screening instrument,  
3 which shall be used by the nursing care institution and the administration in  
4 conducting the initial level I screens. If the identification screen  
5 indicates the applicant may be mentally ill, the applicant shall be referred  
6 to the department of health services, which shall conduct the level II  
7 preadmission screening review using a level II screening instrument developed  
8 by the department of health services. If the identification screen indicates  
9 the applicant may have an intellectual disability, the applicant shall be  
10 referred to the department, which shall conduct the level II preadmission  
11 screening review using a level II screening instrument developed by the  
12 department.

13 J. Within ten working days a nursing care institution shall notify the  
14 department of health services for a person who is mentally ill or the  
15 department of economic security for a person with developmental disabilities  
16 AND THE DEPARTMENT OF CHILD SAFETY IF THE PERSON IS A MINOR DEPENDENT OF THIS

18 condition of a member who is residing in the nursing care institution. The  
19 department of health services or the department of economic security shall  
20 conduct a subsequent level II screening review of the member within the time  
21 frame required by the administration after the notification by the nursing  
22 care institution.
