8 quality of the courses offered by the district, the quality of teachers who
9 provide instruction on behalf of the district, the salaries of teachers who
10 provide instruction on behalf of the district and the reimbursement of other
11 entities for the facilities used by the district. Unless the governing
12 boards of the school districts participating in the formation of the joint
13 district vote to implement an alternative election system as provided in
14 subsection B of this section, the joint board shall consist of five members
15 elected from five single member districts formed within the joint district.
16 The single member district election system shall be submitted as part of the
17 plan for the joint district pursuant to section 15-392 and shall be

19 1. The governing boards of the school districts participating in the
20 formation of the joint district shall define the boundaries of the single
21 member districts so that the single member districts are as nearly equal in
22 population as is practicable, except that if the joint district lies in part
23 in each of two or more counties, at least one single member district may be
24 entirely within each of the counties comprising the joint district if this
25 district design is consistent with the obligation to equalize the population
26 among single member districts.

27 2. The boundaries of each single member district shall follow election
28 precinct boundary lines, as far as practicable, in order to avoid further
29 segmentation of the precincts.

30 3. A person who is a registered voter of this state and who is a
31 resident of the single member district is eligible for election to the office
32 of joint board member from the single member district. The terms of office

4 formation of the joint district may vote to implement any other alternative
5 election system for the election of joint district board members. If an
6 alternative election system is selected, it shall be submitted as part of the
7 plan for the joint district pursuant to section 15-392, and the
8 implementation of the system shall be as approved by the United States
9 justice department.
