Definition

Evidence Based Practices: A progressive, organizational use of direct, current scientific evidence to guide and inform efficient and effective correctional services.

Why Policy Makers Care About EBP

- **Improves outcomes, especially recidivism**
- **Reduces victimization**
- **Prevents harm**
- **Enhances collaboration**
- **Establishes research-driven decision making**
- **Targets funding toward the interventions that bring greatest returns**

Needs based on life and personal conditions:

- Are dynamic as opposed to static
- Are predictive
- Provide the ingredients for a case intervention
- Can be measured over time to determine effectiveness
- If done correctly, can drive major correctional policy
- E.g., discharge, release, conditions, admissions

Dealing with Risk Levels

- **Low Risk = Risk Management**
 - Least restrictive intervention
- **Medium to high risk = Risk Reduction**
 - Reducing risk factors by targeting dynamic criminogenic needs
- **Extreme High Risk = Risk Control**
 - Use of external controls- balanced with treatment

SB 1132

executive clemency board; salary; duties
Prime Sponsor: Senator Kavanagh, LD 23

X Committee on Military Affairs and Public Safety

Caucus and COW

House Engrossed

OVERVIEW

SB 1132 permits members the Board of Executive Clemency (Board) to receive a salary and paid leave, rather than being paid hourly, and prohibits the Chairman of the Board to act as Executive Director.

PROVISIONS

1. Stipulates that members of the Board must serve on a full-time basis and receive a salary as determined by the Department of Administration, rather than hourly compensation.
2. Permits members of the Board to receive paid leave.
3. Removes the ability of the Chairman of the Board to act as the Executive Director.
4. Stipulates that the Executive Director serves at the pleasure of the Board and reports to the Board through the Chairman of the Board.
5. Requires hearing officers to conduct probable cause hearings on community supervision revocations and rescissions.

CURRENT LAW

The Board currently has five members, who are appointed by the Governor and compensated on an hourly basis. The Board has exclusive power to pass upon and recommend reprieves, commutations, paroles and pardons to the Governor for any person who committed a felony offense (A.R.S. §§ 31-401 and 31-402). The Governor is required to select a member of the Board to act as a Chairman and the Board must employ an Executive Director to perform all administrative, operational and financial functions of the Board. Statute permits the Chairman of the Board to act as Executive Director.

ADDITIONAL INFORMATION

In a report submitted in September of 2014, the Office of the Auditor General recommended that the Board separate the combined Board Chairman and Executive Director positions.

X Committee on Military Affairs and Public Safety

Caucus and COW

House Engrossed

OVERVIEW

SB 1439 requires the Director of the Department of Corrections (ADC) to establish a Mental Health Transition Pilot Program (Program).

PROVISIONS

1. Requires the Director of ADC to establish the Program for individuals on community supervision who would be determined to benefit from the Program.
2. Allows the Director of ADC to order a prisoner to participate in the Program.
3. Requires the Program to include:
 - a. Private entities or nonprofits that have transitional navigators who provide resources and guidance to individuals with mental health issues; and
 - b. Psychoeducational counseling and case management, which include substance abuse treatment, cognitive skills training, anger management, parenting skills and family reunification training.
4. Requires the Director of ADC to determine who may be eligible for the Program, by identifying prisoners who would benefit the most from the Program's goals.
5. Establishes mandatory participation goals, as follows:
 - a. In fiscal year (FY) 2017, at least 600 prisoners;
 - b. In FY 2018, at least 800 prisoners; and
 - c. In FY 2019 and thereafter, at least 1,000 prisoners.
6. Terminates the Program on July 1, 2026.
7. Makes technical and conforming changes.

CURRENT LAW

A.R.S. § 41-1604.07 requires ADC to establish appropriate conditions of community supervision for eligible prisoners. The Director of ADC is permitted to order a released inmate to participate in a drug treatment or educational programs that is administered by a qualified entity who provides substance abuse treatment or educational services. Statute specifies that an eligible inmate must pay for these services, to the extent that they are able.

OVERVIEW

SB 1521 modifies the number of employees required to be in certain recognized associations, for which state officers or employees can authorize payroll salary deductions to be made from their salaries or wages for the payment of dues.

PROVISIONS

1. Permits state officers or employees to authorize payroll salary deductions to be made from their salaries or wages for the payment of dues in a recognized association, that is composed of:
 - a. At least 350 state employees, rather than 1,000, that are not employees of the state universities, the Department of Public Safety (DPS) and academic personnel of the Arizona state schools for the deaf and the blind;
 - b. At least 350 state employees, rather than 500, that are certified as peace officers by the Arizona Peace Officer Standards and Training Board (AZPOST); or
 - c. A combination of these two categories, comprising at least 800 state employees.
2. Makes technical changes.

CURRENT LAW

A.R.S. § 38-612 prohibits payroll salary deductions from the compensation of state officers or employees, unless specifically authorized by federal law or regulation or by state statute. State officers or employees may authorize deductions to be made from their salaries or wages for the payment of dues in a recognized association that is comprised principally of employees and former employees of agencies in this state that are:

- Comprised of at least 1,000 state employees, not including employees of state universities, DPS or academic personnel of the Arizona state schools of the deaf and blind;
- When comprised of at least 25% of the academic personnel or of the nonacademic employees of any state university;
- When comprised of at least 25% of the academic state schools of the Arizona state schools for the deaf and blind; or
