## OVERVIEW

SB 1263 removes the requirement for a county board of supervisors (BOS) to issue a cease and desist order to a person who violates the restricted uses of a county seal.

## PROVISIONS

1. Eliminates the requirement for a county BOS to issue a cease and desist order to a person who violates the restricted uses of a county seal.
2. Makes a conforming change.

## CURRENT LAW

A.R.S. § 11-251.17:

Currently in subsection A, a person may use, display or otherwise employ any facsimile, copy, likeness, imitation or other resemblance of the county seal only after obtaining the approval of the BOS of that county. The BOS may grant a certificate of approval on application by any person showing good cause for the use of the county seal for a proper purpose. No person other than a county department may use the county seal for advertising or promoting the sale of article merchandise in the state or for promoting other commercial purpose. The BOS can adopt rules for the use of the county seal including for official county business.

Subsection B requires a county to display the adopted seal and text on the county's website.

Finally, subsection C states a county BOS is required to issue a cease and desist order to any person that is in violation. If a person fails to comply with the order they are guilty of a class 3 misdemeanor.
