Dushyant Chautala, Member of India's Parliament, to Attend House Floor Session on February 20

STATE CAPITOL, PHOENIX – Representative Tony Rivero (R-21), chairman of the House Committee on Local and International Affairs, today announced that the Honorable Dushyant Chautala, a Member of Parliament (MP) in India, will be in attendance for Monday's House floor session.

"Arizona is fortunate to have a rising star, like MP Chautala, from the world's largest democracy with us next week," said Representative Rivero. **"I look forward to hearing from him about how our governments can work together."**

MP Chautala has represented the Hisar Lok Sabha constituency in the Indian Parliament since 2014 and is the youngest MP in India's history.

"Arizona has benefited from having strong ties with India and will continue to benefit as these relationships continue to grow," said Chairman of the Arizona Corporation Commission Tom Forese. **"It is our distinct privilege to welcome the youngest member of Parliament in India's rich cultural history, and we hope that he will enjoy his visit to the Grand Canyon State and tell his fellow leaders when he returns that Arizona is open for business."**
