EXPLANATION OF BLEND
SECTION 11-483

Laws 2023, Chapters 37 and 125

Laws 2023, Ch. 37, section 1        Effective October 30, 2023
Laws 2023, Ch. 125, section 1       Effective October 30, 2023

Explanation

Since these two enactments are compatible, the Laws 2023, Ch. 37 and Ch. 125 text changes to section 11-483 are blended in the form shown on the following pages.

The Laws 2023, Ch. 125 version of section 11-483, subsection O, paragraph 5 struck "a" and added "an". The Ch. 37 version did not strike "a". Since this would not produce a substantive change, the blend version reflects the Ch. 37 version.
11-483. Records maintained by county recorder: confidentiality; definitions

A. Notwithstanding any other provision of this article, in any county an eligible person may request that the general public be prohibited from accessing the unique identifier and the recording date contained in indexes of recorded instruments maintained by the county recorder and may request the county recorder to prohibit access to that person's identifying information, including any of the following:

1. That person's documents, instruments or writings recorded by the county recorder.
2. If the person is a public official, the address of a property held in trust by the public official.

B. An eligible person may request this action by filing an affidavit that states all of the following on an application form developed by the administrative office of the courts in agreement with an association of counties, an organization of peace officers and the motor vehicle division of the department of transportation:

1. The person's full legal name and residential address.
2. The full legal description and parcel number of the person's property.
3. Unless the person is the spouse of a peace officer or the spouse or minor child of a deceased peace officer or the person is a former public official or former judge, the position the person currently holds and a description of the person's duties, except that an eligible person who is protected under an order of protection or injunction against harassment shall instead attach a copy of the order of protection or injunction against harassment or an eligible person who is a participant in the address confidentiality program shall instead attach a copy of the participant's current and valid address confidentiality program authorization card issued pursuant to section 41-163 and a statement of certification provided by the secretary of state's office.
4. The reasons the person reasonably believes that the person's life or safety or that of another person is in danger and that restricting access pursuant to this section will serve to reduce the danger.
5. The document locator number and recording date of each instrument for which the person requests access restriction pursuant to this section.
6. A copy of pages from each instrument that includes the document locator number and the person's identifying information, including the person's full legal name and residential address or full legal name and telephone number.

C. If an eligible person is also requesting pursuant to section 11-484 that the general public be prohibited from accessing records
maintained by the county assessor and county treasurer, the eligible person may combine the request pursuant to subsection B of this section with the request pursuant to section 11-484 by filing one affidavit. The affidavit and subsequent action by the appropriate authorities shall meet all of the requirements of this section and section 11-484.

D. The affidavit shall be filed with the presiding judge of the superior court in the county in which the affiant resides. To prevent multiple filings, an eligible person who is a peace officer, spouse of a peace officer, spouse or minor child of a deceased peace officer, public defender, prosecutor, code enforcement officer, corrections or detention officer, corrections support staff member or law enforcement support staff member shall deliver the affidavit to the peace officer's commanding officer, or to the head of the prosecuting, public defender, code enforcement, law enforcement, corrections or detention agency, as applicable, or that person's designee, who shall file the affidavits at one time. In the absence of an affidavit that contains a request for immediate action and that is supported by facts justifying an earlier presentation, the commanding officer, or the head of the prosecuting, public defender, code enforcement, law enforcement, corrections or detention agency, as applicable, or that person's designee, shall not file affidavits more often than quarterly.

E. On receipt of an affidavit or affidavits, the presiding judge of the superior court shall file with the clerk of the superior court a petition on behalf of all requesting affiants. Each affidavit presented shall be attached to the petition. In the absence of an affidavit that contains a request for immediate action and that is supported by facts justifying an earlier consideration, the presiding judge may accumulate affidavits and file a petition at the end of each quarter.

F. The presiding judge of the superior court shall review the petition and each attached affidavit to determine whether the action requested by each affiant should be granted. If the presiding judge of the superior court concludes that the action requested by the affiant will reduce a danger to the life or safety of the affiant or another person, the presiding judge of the superior court shall order that the county recorder prohibit access for five years to the affiant's identifying information, including any of that person's documents, instruments or writings recorded by the county recorder and made available on the internet. If the presiding judge of the superior court concludes that the affiant or another person is in actual danger of physical harm from a person or persons with whom the affiant has had official dealings and that action pursuant to this section will reduce a danger to the life or safety of the affiant or another person, the presiding judge of the superior court shall order that the general public be prohibited for five years from accessing the unique identifier and the recording date contained in indexes of recorded instruments maintained by the county recorder and identified pursuant to subsection B of this section.

G. On motion to the court, if the presiding judge of the superior court concludes that an instrument or writing recorded by the county recorder has been redacted or sealed in error, that the original affiant no longer lives at the address listed in the original affidavit, that the cause for
the original affidavit no longer exists or that temporary access to the instrument or writing is needed, the presiding judge may temporarily stay or permanently vacate all or part of the court order prohibiting public access to the recorded instrument or writing.

H. On entry of the court order, the clerk of the superior court shall file the court order and a copy of the affidavit required by subsection B of this section with the county recorder. Not more than ten days after the date on which the county recorder receives the court order, the county recorder shall restrict access to the information as required by subsection F of this section.

I. If the court denies an affiant's request pursuant to this section, the affiant may request a court hearing. The hearing shall be conducted by the court in the county where the petition was filed.

J. The county recorder shall remove the restrictions on all records restricted pursuant to this section by January 5 in the year after the court order expires. The county recorder shall send by mail one notice to either

the HEALTH PROFESSIONAL, [ELECTION OFFICER, PUBLIC OFFICIAL,] former public official, peace officer, spouse of a peace officer, spouse or minor child of a deceased peace officer, public defender, prosecutor, code enforcement officer, corrections or detention officer, corrections support staff member, law enforcement support staff member, employee of the department of child safety or employee of adult protective services who has direct contact with families in the course of employment or the employing agency of THE peace officer, public defender, prosecutor, code enforcement officer, corrections or detention officer, corrections support staff member, law enforcement support staff member, employee of the department of child safety or employee of adult protective services who was granted an order pursuant to this section of the order's expiration date at least six months before the expiration date. If the notice is sent to the employing agency, the employing agency shall immediately notify the person who was granted the order of the upcoming expiration date. The county recorder may coordinate with the county assessor and county treasurer to prevent multiple notices from being sent to the same person.

K. To include subsequent recordings in the court order, the eligible person shall present to the county recorder at the time of recordation a certified copy of the court order or shall provide to the county recorder the recording number of the court order. The county recorder shall ensure that public access is restricted pursuant to subsection A of this section.

L. This section does not restrict access to public records for the purposes of perfecting a lien pursuant to title 12, chapter 9, article 2.

SECTION 11-484

Laws 2023, Chapters 37 and 125

Laws 2023, Ch. 37, section 2
Effective October 30, 2023

Laws 2023, Ch. 125, section 2
Effective October 30, 2023

Explanation

Since these two enactments are compatible, the Laws 2023, Ch. 37 and Ch. 125 text changes to section 11-484 are blended in the form shown on the following pages.

The Laws 2023, Ch. 125 version of section 11-484, subsection K, paragraph 5 struck "a" and added "an". The Ch. 37 version did not strike "a". Since this would not produce a substantive change, the blend version reflects the Ch. 37 version.
11-484. Records maintained by county assessor and county treasurer; redaction; definitions

A. Notwithstanding any other provision of this article, in any county an eligible person may request that the general public be prohibited from accessing that person's identifying information, including any of the following:

1. That person's documents, instruments, writings and information maintained by the county assessor and the county treasurer.
2. If the person is a public official, the address of a property held in trust by the public official.

B. An eligible person may request this action by filing an affidavit that states all of the following on an application form developed by the administrative office of the courts in agreement with an association of counties, an organization of peace officers and the motor vehicle division of the department of transportation:

1. The person's full legal name and residential address.
2. The full legal description and parcel number of the person's property.
3. Unless the person is the spouse of a peace officer or the spouse or minor child of a deceased peace officer or the person is a former public official or former judge, the position the person currently holds and a description of the person's duties, except that an eligible person who is protected under an order of protection or injunction against harassment shall attach a copy of the order of protection or injunction against harassment or an eligible person who is a participant in the address confidentiality program shall instead attach a copy of the participant's current and valid address confidentiality program authorization card issued pursuant to section 41-163 and a statement of certification provided by the secretary of state's office.
4. The reasons the person reasonably believes that the person's life or safety or that of another person is in danger and that redacting the person's identifying information, including the residential address and telephone number, will serve to reduce the danger.

C. If an eligible person is also requesting pursuant to section 11-483 that the general public be prohibited from accessing records maintained by the county recorder, the eligible person may combine the request pursuant to subsection B of this section with the request pursuant to section 11-483 by filing one affidavit. The affidavit and subsequent action by the appropriate authorities shall meet all of the requirements of this section and section 11-483.

D. The affidavit shall be filed with the presiding judge of the superior court in the county in which the affiant resides. To prevent
multiple filings, an eligible person who is a peace officer, spouse of a peace officer, spouse or minor child of a deceased peace officer, public defender, prosecutor, code enforcement officer, corrections or detention officer, corrections support staff member or law enforcement support staff member shall deliver the affidavit to the peace officer's commanding officer, or to the head of the prosecuting, public defender, code enforcement, law enforcement, corrections or detention agency, as applicable, or that person's designee, who shall file the affidavits at one time. In the absence of an affidavit that contains a request for immediate action and that is supported by facts justifying an earlier presentation, the commanding officer, or the head of the prosecuting, public defender, code enforcement, law enforcement, corrections or detention agency, as applicable, or that person's designee, shall not file affidavits more often than quarterly.

E. On receipt of an affidavit or affidavits, the presiding judge of the superior court shall file with the clerk of the superior court a petition on behalf of all requesting affiants. Each affidavit presented shall be attached to the petition. In the absence of an affidavit that contains a request for immediate action and that is supported by facts justifying an earlier consideration, the presiding judge may accumulate affidavits and file a petition at the end of each quarter.

F. The presiding judge of the superior court shall review the petition and each attached affidavit to determine whether the action requested by each affiant should be granted. If the presiding judge of the superior court concludes that the action requested by the affiant will reduce a danger to the life or safety of the affiant or another person, the presiding judge of the superior court shall order the redaction of the affiant's identifying information, including any of that person's documents, instruments, writings and information maintained by the county assessor and the county treasurer. The redaction shall be in effect for five years.

G. On motion to the court, if the presiding judge of the superior court concludes that an instrument or writing maintained by the county assessor or the county treasurer has been redacted or sealed in error, that the original affiant no longer lives at the address listed in the original affidavit, that the cause for the original affidavit no longer exists or that temporary access to the instrument or writing is needed, the presiding judge may temporarily stay or permanently vacate all or part of the court order prohibiting public access to the instrument or writing.

H. On entry of the court order, the clerk of the superior court shall file the court order and a copy of the affidavit required by subsection B of this section with the county assessor and the county treasurer. Not more than ten days after the date on which the county assessor and the county treasurer receive the court order, the county assessor and the county treasurer shall restrict access to the information as required by subsection F of this section.

I. If the court denies an affiant's request pursuant to this section, the affiant may request a court hearing. The hearing shall be conducted by the court in the county where the petition was filed.
J. The county assessor and the county treasurer shall remove the restrictions on all records that are redacted pursuant to this section by January 5 in the year after the court order expires. The county assessor or the county treasurer shall send by mail one notice to either the

This paragraph does not limit or preclude the reporting by a school district or an employee of a school district of suspected crimes other than those required to be reported by this paragraph. For the purposes of this paragraph, "dangerous instrument", "deadly weapon" and "serious physical injury" have the same meanings prescribed in section 13-105.

The teacher satisfaction survey shall use standard random sampling procedures and provide anonymity and confidentiality to each teacher who participates in the survey. The letter grade scale used on the teacher satisfaction survey shall direct teachers to assign one of the following letter grades:

A school district and its officials and employees are immune from civil liability with respect to all decisions made and actions taken that are based on good faith implementation of the requirements of this paragraph, except in cases of gross negligence or wanton or wilful neglect. A person engages in threatening or intimidating if the person threatens or intimidates by word or conduct to cause physical injury to another person or serious damage to the property of another on school grounds. BLEND OF SECTION 15-901
Laws 2023, Chapters 131 and 142

15-901. Definitions
A. In this title, unless the context otherwise requires:
1. "Average daily membership" means the total enrollment of fractional students and full-time students, minus withdrawals, of each school day through the first one hundred days or two hundred days in session, as applicable, for the current year. FOR THE PURPOSES OF THIS PARAGRAPH, "withdrawals" include MEANS students who are formally withdrawn from schools OR students who are absent for ten consecutive school days, except for excused absences identified by the department of education. FOR COMPUTATION PURPOSES, A STUDENT WHO IS ABSENT FOR NINE OR FEWER CONSECUTIVE SCHOOL DAYS, INCLUDING THE LAST DAY OF THE SCHOOL YEAR, IS NOT A WITHDRAWAL AND MAY NOT BE SUBTRACTED FROM THE TOTAL ENROLLMENT OF FRACTIONAL STUDENTS AND FULL-TIME STUDENTS. For the purposes of this section, school districts and charter schools shall report student absence data to the department of education at least once every sixty days in session. For computation purposes, the effective date of withdrawal shall be retroactive to the last day of actual attendance of the student or excused absence. A school district or charter school may satisfy any of the time and hours requirements prescribed in this subsection in any manner prescribed in the school district's or charter school's instructional time model adopted under section 15-901.08.
   (a) "Fractional student" means:
      (i) For common schools, a preschool child who is enrolled in a program for preschool children with disabilities of at least three hundred sixty minutes each week that meets at least two hundred sixteen hours over the minimum number of days or a kindergarten student who is at least five years of age before January 1 of the school year and enrolled in a school kindergarten program that meets at least three hundred fifty-six hours for a one hundred eighty-day school year, or the instructional hours prescribed in this section. In computing the average daily membership, preschool children with disabilities and kindergarten students shall be counted as one-half of a full-time student. For common schools, a part-time student is a student enrolled for less than the total time for a full-time student as defined in this section. A part-time common school student shall be counted as one-fourth, one-half or three-fourths of a full-time student if the student is enrolled in an instructional program that is at least one-fourth, one-half or three-fourths of the time a full-time student is enrolled as defined in subdivision (b) of this paragraph. The hours in which a student is scheduled to attend a common school during the regular school day shall be included in the calculation of the average daily membership for that student.
      (ii) For high schools, a part-time student who is enrolled in less than four subjects that count toward graduation as defined by the state
board of education, each of which, if taught each school day for the minimum number of days required in a school year, would meet a minimum of one hundred twenty-three hours a year, or the equivalent, in a recognized high school. The average daily membership of a part-time high school student shall be 0.75 if the student is enrolled in an instructional program of three subjects that meet at least five hundred forty hours for a one hundred eighty-day school year, or the instructional hours prescribed in this section. The average daily membership of a part-time high school student shall be 0.5 if the student is enrolled in an instructional program of two subjects that meet at least three hundred sixty hours for a one hundred eighty-day school year, or the instructional hours prescribed in this section. The average daily membership of a part-time high school student shall be 0.25 if the student is enrolled in an instructional program of one subject that meets at least one hundred eighty hours for a one hundred eighty-day school year, or the instructional hours prescribed in this section. SECTION 16-153

Laws 2023, Chapters 37 and 125

Laws 2023, Ch. 125, section 4  Effective October 30, 2023

Explanation

The Laws 2023, Ch. 125 version of section 16-153, subsection K, paragraph 5 struck the first "a" and added "an". The Ch. 37 version did not strike the first "a". Since this would not produce a substantive change, the blend version reflects the Ch. 37 version.
16-153. Voter registration: confidentiality: definitions

A. Eligible persons, and any other registered voter who resides at the same residence address as the eligible person, may request that the general public be prohibited from accessing the eligible person's identifying information, including any of the following:

C. The affidavit shall be filed with the presiding judge of the superior court in the county in which the affiant resides. To prevent multiple filings, an eligible person who is a peace officer, prosecutor, public defender, code enforcement officer, corrections or detention officer, corrections support staff member or law enforcement support staff member shall deliver the affidavit to the peace officer's commanding officer, or to the head of the prosecuting, public defender, code enforcement, law enforcement, corrections or detention agency, as applicable, or that person's designee, who shall file the affidavits at one time. D. On receipt of an affidavit or affidavits, the presiding judge of the superior court shall file with the clerk of the superior court a petition
on behalf of all requesting affiants. The petition shall have attached each affidavit presented. In the absence of an affidavit that contains a request for immediate action and that is supported by facts justifying an earlier consideration, the presiding judge may accumulate affidavits and file a petition at the end of each quarter.

E. The presiding judge of the superior court shall review the petition and each attached affidavit to determine whether the action requested by each affiant should be granted. The presiding judge of the superior court shall order the sealing for five years of the information contained in the voter record of the affiant and, on request, any other registered voter who resides at the same residence address if the presiding judge concludes that this action will reduce a danger to the life or safety of the affiant.

The county recorder shall send by mail one notice to either the [HEALTH PROFESSIONAL,] ELECTION OFFICER, PUBLIC OFFICIAL, former public official, peace officer, spouse of a peace officer, spouse or minor child of a deceased peace officer, public defender, prosecutor, code enforcement officer, corrections or detention officer, corrections support staff member, law enforcement support staff member, employee of the department of child safety or employee of adult protective services who has direct contact with families in the course of employment or the employing agency of THE peace officer, public defender, prosecutor, code enforcement officer, corrections or detention officer, corrections support staff member or law enforcement support staff member, employee of the department of child safety or employee of adult protective services who was granted an order pursuant to this section of the order's expiration date at least six months before the January 5 removal date. If the notice is sent to the employing agency, the employing agency shall immediately notify the person who was granted the order of the upcoming expiration date. The county recorder may coordinate with the county assessor and county treasurer to prevent multiple notices from being sent to the same person.

G. On entry of the court order, the clerk of the superior court shall file the court order with the county recorder. On receipt of the court order the county recorder shall seal the voter registration of the persons listed in the court order NOT later than one hundred twenty days from the date of receipt of the court order. The information in the registration shall not be disclosed and is not a public record.

H. If the court denies an affiant's requested sealing of the voter registration record, the affiant may request a court hearing. The hearing shall be conducted by the court where the petition was filed.

I. On motion to the court, if the presiding judge of the superior court concludes that a voter registration record has been sealed in error or that the cause for the original affidavit no longer exists, the presiding judge may vacate the court order prohibiting public access to the voter registration record.
J. On request by a person who is protected under an order of protection or injunction against harassment and presentation of an order of protection issued pursuant to section 13-3602, an injunction against harassment issued pursuant to section 12-1809 or an order of protection or injunction against harassment issued by a court in another state or a program participant in the address confidentiality program pursuant to title 41, chapter 1, article 3, the county recorder shall seal the voter registration record of the person who is protected and, on request, any other registered voter who resides at the residence address of the protected person. C. If an employee in the employee's first ninety days of employment is determined to be eligible for an accidental or catastrophic disability pension pursuant to section 38-844, the employee shall be automatically enrolled in the system for the remainder of the employee's employment with any employer under the system commencing on the employee's date of disability and shall receive an accidental or catastrophic disability pension as prescribed in this article.

If an employee in the employee's first ninety days of employment is killed in the line of duty or dies from injuries suffered in the line of duty, the employee shall be considered as having been enrolled in the system and the surviving spouse of the deceased employee is eligible for survivor benefits as prescribed in this article.

38-881.01. Employees hired on or after July 1, 2018: defined contribution plan: benefit election: disability

A. Except as provided in subsection B of this section, an employee who is hired on or after July 1, 2018, who is a member as defined in section 38-881, paragraph 27, subdivision (a) and who was not an active, an inactive or a retired member of the plan or a member of the plan with a disability on June 30, 2018 shall participate in the public safety personnel defined contribution retirement plan established pursuant to article 4.1 of this chapter. For an employee who is hired on or after September 1, 2019, the employee's participation in the public safety personnel defined contribution retirement plan established pursuant to article 4.1 of this chapter begins ninety days after the date the employee is hired.

B. An employee who is hired on or after July 1, 2018, who is in a designated position as defined in section 38-881, paragraph 13, subdivision (g) and who was not an active, an inactive or a retired member of the plan or a member of the plan with a disability on June 30, 2018 is eligible to participate in the corrections officer retirement plan or the public safety personnel defined contribution retirement plan established pursuant to article 4.1 of this chapter, depending on the employee's election under this section. During the first sixty days of an employee's employment and before the employee makes a decision regarding the individual's retirement plan, the board shall provide each probation and surveillance officer who is hired on or after July 1, 2018 interactive, objective educational training, counseling and participant-specific plan information about both the corrections officer retirement plan and the public safety personnel defined contribution retirement plan options. The employee's participation in either the plan or the public safety personnel defined contribution retirement plan established pursuant to article 4.1 of this chapter begins ninety days after the date the employee is hired. Unless the elections made under this section are made before the ninetieth day after the date of employment, the employee is automatically enrolled in the plan for the remainder of the employee's employment with any employer under the plan. Any election made under this section is irrevocable and is the employee's election for the remainder of the employee's employment with any employer under the plan, regardless of whether the employee's employment is continuous, UNLESS THE EMPLOYEE IS SUBSEQUENTLY IN A POSITION THAT ALLOWS FOR AN ELECTION UNDER THIS SECTION.
IF AN EMPLOYEE IS SUBSEQUENTLY REHIRED AFTER A BONA FIDE TERMINATION OF EMPLOYMENT FROM THE EMPLOYEE'S EMPLOYER OF NOT LESS THAN SIX MONTHS WITH NO PREARRANGED REEMPLOYMENT AGREEMENT WITH THE EMPLOYER OR HIRED BY A NEW EMPLOYER, THE EMPLOYEE MAY MAKE A NEW ELECTION UNDER THIS SECTION BEFORE THE NINetiETH DAY AFTER THE DATE OF HIRE. IF THE EMPLOYEE DOES NOT MAKE A NEW ELECTION WITHIN THAT TIME FRAME, THE EMPLOYEE'S PREVIOUS ELECTION WILL CONTINUE. The employee may make one of the following irrevocable elections:

1. To participate solely in the corrections officer retirement plan.
2. To participate solely in the public safety personnel defined contribution retirement plan established pursuant to article 4.1 of this chapter.

C. If an employee specified in subsection B of this section in the employee's first ninety days of employment is determined to be eligible for an accidental or total and permanent disability pension pursuant to section 38-886, the employee shall be automatically enrolled in the corrections officer retirement plan for the remainder of the employee's employment with any employer under the plan commencing on the employee's date of disability and shall receive an accidental or total and permanent disability pension as prescribed in this article.

D. If an employee specified in subsection B of this section in the employee's first ninety days of employment is killed in the line of duty or dies from injuries suffered in the line of duty, the employee shall be considered as having been enrolled in the corrections officer retirement plan and the surviving spouse of the deceased employee is eligible for survivor benefits as prescribed in this article.

E. NOTWITHSTANDING SUBSECTION B OF THIS SECTION, IF AN EMPLOYEE WHO IS HIRED ON OR AFTER JULY 1, 2018 AND WHO IS AN ACTIVE OR INACTIVE MEMBER OF THE PLAN OR A PARTICIPANT IN THE PUBLIC SAFETY PERSONNEL DEFINED CONTRIBUTION PLAN ESTABLISHED PURSUANT TO ARTICLE 4.1 OF THIS CHAPTER IS SUBSEQUENTLY REHIRED BY THE EMPLOYEE'S PREVIOUS EMPLOYER OR ANOTHER EMPLOYER UNDER THE PLAN, THE EMPLOYEE'S PARTICIPATION IN EITHER THE PLAN OR THE PUBLIC SAFETY PERSONNEL DEFINED CONTRIBUTION PLAN, FOR WHICH THE EMPLOYEE HAD ELECTED TO PARTICIPATE, BEGINS ON THE DATE THE EMPLOYEE IS REHIRED OR HIRED BY ANOTHER EMPLOYER. IF THE EMPLOYEE MAKES A NEW ELECTION PURSUANT TO SUBSECTION B OF THIS SECTION, THE EMPLOYEE'S PARTICIPATION IN THE PREVIOUS PLAN CONTINUES UNTIL THE DATE IN WHICH THE EMPLOYEE MAKES A DIFFERENT ELECTION, NOT TO EXCEED NINETY DAYS AFTER THE DATE OF HIRE FOR THE ELIGIBLE POSITION.

SECTION 42-5009

Laws 2023, Chapters 11 and 14

Laws 2023, Ch. 11, section 2  Effective October 30, 2023
Laws 2023, Ch. 14, section 1  Effective October 30, 2023

Explanation

Since these two enactments are compatible, the Laws 2023, Ch. 11 and Ch. 14 text changes to section 42-5009 are blended in the form shown on the following pages.
42-5009. **Certificates establishing deductions; liability for making false certificate; tax exclusion; definitions**

A. A person who conducts any business classified under article 2 of this chapter may establish entitlement to the allowable deductions from the tax base of that business by both:

1. Marking the invoice for the transaction to indicate that the gross proceeds of sales or gross income derived from the transaction was deducted from the tax base.

2. Obtaining a certificate executed by the purchaser indicating the name and address of the purchaser, the precise nature of the business of the purchaser, the purpose for which the purchase was made, the necessary facts to establish the appropriate deduction and the tax license number of the purchaser to the extent the deduction depends on the purchaser conducting business classified under article 2 of this chapter and a certification that the person executing the certificate is authorized to do so on behalf of the purchaser. The certificate may be disregarded if the seller has reason to believe that the information contained in the certificate is not accurate or complete.

B. A person who does not comply with subsection A of this section may establish entitlement to the deduction by presenting facts necessary to support the entitlement, but the burden of proof is on that person.

C. The department may prescribe a form for the certificate described in subsection A of this section. Under such rules as it may prescribe, the department may also describe transactions with respect to which a person is not entitled to rely solely on the information contained in the certificate provided for in subsection A of this section but must instead obtain such additional information as required by the rules in order to be entitled to the deduction.

D. If a seller is entitled to a deduction by complying with subsection A of this section, the department may require the purchaser that caused the execution of the certificate to establish the accuracy and completeness of the information required to be contained in the certificate that would entitle the seller to the deduction. If the purchaser cannot establish the accuracy and completeness of the information, the purchaser is liable in an amount equal to any tax, penalty and interest that the seller would have been required to pay under this article if the seller had not complied with subsection A of this section. Payment of the amount under this subsection exempts the purchaser from liability for any tax imposed under article 4 of this chapter. The amount shall be treated as tax revenues collected from the seller in order to designate the distribution base for purposes of section 42-5029.
E. If a seller is entitled to a deduction by complying with subsection B of this section, the department may require the purchaser to establish the accuracy and completeness of the information provided to the seller that entitled the seller to the deduction. If the purchaser cannot establish the accuracy and completeness of the information, the purchaser is liable in an amount equal to any tax, penalty and interest that the seller would have been required to pay under this article if the seller had not complied with subsection B of this section. Payment of the amount under this subsection exempts the purchaser from liability for any tax imposed under article 4 of this chapter. The amount shall be treated as tax revenues collected from the seller in order to designate the distribution base for purposes of section 42-5029.

F. The department may prescribe a form for a certificate used to establish entitlement to the deductions described in section 42-5061, subsection A, paragraph 46 and section 42-5063, subsection B, paragraph 3. Under rules the department may prescribe, the department may also require additional information for the seller to be entitled to the deduction. If a seller is entitled to the deductions described in section 42-5061, subsection A, paragraph 46 and section 42-5063, subsection B, paragraph 3, the department may require the purchaser who executed the certificate to establish the accuracy and completeness of the information contained in the certificate that would entitle the seller to the deduction. If the purchaser cannot establish the accuracy and completeness of the information, the purchaser is liable in an amount equal to any tax, penalty and interest that the seller would have been required to pay under this article. Payment of the amount under this subsection exempts the purchaser from liability for any tax imposed under article 4 of this chapter. The amount shall be treated as tax revenues collected from the seller in order to designate the distribution base for purposes of section 42-5029.

G. If a seller claims a deduction under section 42-5061, subsection A, paragraph 25 and establishes entitlement to the deduction with an exemption letter that the purchaser received from the department and the exemption letter was based on a contingent event, the department may require the purchaser that received the exemption letter to establish the satisfaction of the contingent event within a reasonable time. If the purchaser cannot establish the satisfaction of the event, the purchaser is liable in an amount equal to any tax, penalty and interest that the seller would have been required to pay under this article if the seller had not been furnished the exemption letter. Payment of the amount under this subsection exempts the purchaser from liability for any tax imposed under article 4 of this chapter. The amount shall be treated as tax revenues collected from the seller in order to designate the distribution base for purposes of section 42-5029. For the purposes of this subsection, "reasonable time" means a time limitation that the department determines and that does not exceed the time limitations pursuant to section 42-1104.

H. The department shall prescribe forms for certificates used to establish the satisfaction of the criteria necessary to qualify the sale of a motor vehicle for the deductions described in section 42-5061, subsection A, paragraph 14, paragraph 28, subdivision (e) and paragraph 44 and subsection U. Except as provided in subsection J of this section, to
establish entitlement to these deductions, a motor vehicle dealer shall retain:

1. A valid certificate as prescribed by this subsection completed by the purchaser and obtained before the issuance of the nonresident registration permit authorized by section 28-2154.

2. FOR THE PURPOSES OF THE DEDUCTIONS PROVIDED BY SECTION 42-5061, SUBSECTION A, PARAGRAPH 14, SUBDIVISION (b) AND SECTION 42-5061, SUBSECTION U, a copy of the nonresident registration permit authorized by section 28-2154.

3. A legible copy of a current valid driver license issued to the purchaser by another state or foreign country that indicates an address outside of this state. For the sale of a motor vehicle to a nonresident entity, the entity’s representative must have a current valid driver license issued by the same jurisdiction as that in which the entity is located.

4. For the purposes of the deduction provided by section 42-5061, subsection A, paragraph 14, subdivision (a), a certificate documenting the delivery of the motor vehicle to an out-of-state location.

I. Notwithstanding subsection A, paragraph 2 of this section, if a motor vehicle dealer has established entitlement to a deduction by complying with subsection H of this section, the department may require the purchaser who executed the certificate to establish the accuracy and completeness of the information contained in the certificate that entitled the motor vehicle dealer to the deduction. If the purchaser cannot establish the accuracy and completeness of the information, the purchaser is liable in an amount equal to any tax, penalty and interest that the motor vehicle dealer would have been required to pay under this article and under articles IV and V of the model city tax code as defined in section 42-6051. Payment of the amount under this subsection exempts the purchaser from liability for any tax imposed under article 4 of this chapter and any tax imposed under article VI of the model city tax code as defined in section 42-6051. The amount shall be treated as tax revenues collected from the motor vehicle dealer in order to designate the distribution base for purposes of section 42-5029.

J. To establish entitlement to the deduction described in section 42-5061, subsection A, paragraph 44, a public consignment auction dealer as defined in section 28-4301 shall submit RETAIN A COPY OF the valid certificate prescribed by subsection H of this section to the department and retain a copy for its records.

K. Notwithstanding any other law, compliance with subsection H of this section by a motor vehicle dealer entitles the motor vehicle dealer to the exemption provided in section 42-6004, subsection A, paragraph 4.

L. The department shall prescribe a form for a certificate to be used by a person that is not subject to tax under section 42-5075 when the person is engaged by a contractor that is subject to tax under section 42-5075 for a project that is taxable under section 42-5075. The certificate permits the person purchasing tangible personal property to be incorporated or fabricated by the person into any real property, structure, project, development or improvement to provide documentation to a retailer that the sale of tangible personal property qualifies for the deduction under section 42-5061, subsection A, paragraph 27, subdivision (b). A prime contractor shall obtain the certificate from the department and shall provide a copy
to any such person working on the project. The prime contractor shall
obtain a new certificate for each project to which this subsection
applies. For the purposes of this subsection, the following apply:

1. The person that is not subject to tax under section 42-5075 may
use the certificate issued pursuant to this subsection only with respect to
tangible personal property that will be incorporated into a project for
which the gross receipts are subject to tax under section 42-5075.

2. The department shall issue the certificate to the prime contractor
on receiving sufficient documentation to establish that the prime contractor
meets the requirements of this subsection.

3. If any person uses the certificate provided under this subsection
to purchase tangible personal property to be used in a project that is not
subject to tax under section 42-5075, the person is liable in an amount
equal to any tax, penalty and interest that the seller would have been
required to pay under this article if the seller had not complied with
subsection A of this section. Payment of the amount under this section
exempts the person from liability for any tax imposed under article 4 of
this chapter. The amount shall be sourced under section 42-5040, subsection
A, paragraph 2.

M. Notwithstanding any other law, compliance with subsection L of
this section by a person that is not subject to tax under section 42-5075
entitles the person to the exemption allowed by section 465, subsection (k)
of the model city tax code when purchasing tangible personal property to be
incorporated or fabricated by the person into any real property, structure,
project, development or improvement.

N. The requirements of subsections A and B of this section do not
apply to owners, proprietors or tenants of agricultural lands or farms who
sell livestock or poultry feed that is grown or raised on their lands to
any of the following:

1. Persons who feed their own livestock or poultry.

2. Persons who are engaged in the business of producing livestock or
poultry commercially.

3. Persons who are engaged in the business of feeding livestock or
poultry commercially or who board livestock noncommercially.

O. A vendor who has reason to believe that a certificate prescribed
by this section is not accurate or complete will not be relieved of the
burden of proving entitlement to the exemption. A vendor that accepts a
certificate in good faith will be relieved of the burden of proof and the
purchaser may be required to establish the accuracy of the claimed exemption.
If the purchaser cannot establish the accuracy and completeness of
the information provided in the certificate, the purchaser is liable for
an amount equal to the transaction privilege tax, penalty and interest that
the vendor would have been required to pay if the vendor had not accepted
the certificate.

P. Notwithstanding any other law, an online lodging operator, as
defined in section 42-5076, shall be entitled to an exclusion from any
applicable taxes for any online lodging transaction, as defined in section
42-5076, facilitated by an online lodging marketplace, as defined in section
42-5076, for which the online lodging operator has obtained from the online
lodging marketplace written notice that the online lodging marketplace is
registered with the department to collect applicable taxes for all online lodging transactions facilitated by the online lodging marketplace, and transaction history documenting tax collected by the online lodging marketplace, pursuant to section 42-5005, subsection L.

Q. The department shall prescribe the form of a certificate to be used by a person purchasing an aircraft to document eligibility for a deduction pursuant to section 42-5061, subsection B, paragraph 8, subdivision (a), item (v) or an exemption pursuant to section 42-5159, subsection B, paragraph 8, subdivision (a), item (v), relating to aircraft. The person must provide this certificate and documentation confirming that the operational control of the aircraft has been transferred or will be transferred immediately after the purchase to one or more persons described in section 42-5061, subsection B, paragraph 8, subdivision (a), item (i), (ii), (iii) or (iv) or section 42-5159, subsection B, paragraph 8, subdivision (a), item (i), (ii), (iii) or (iv). Operational control of the aircraft must be transferred for at least fifty percent of the aircraft's flight hours. If such operational control is not transferred for at least fifty percent of the aircraft's flight hours during the recapture period, the owner of the aircraft is liable for an amount equal to any tax that the seller or purchaser would have been required to pay under this chapter at the time of the sale, plus penalty and interest. The recapture period begins on the date that operational control of the aircraft is first transferred and ends on the later of the date the aircraft is fully depreciated for federal income tax purposes or five years after operational control was first transferred. For the purposes of this subsection, operational control of the aircraft must be within the meaning of federal aviation administration operations specification A008, or its successor, except that:

1. If it is determined that operational control has been transferred for less than fifty percent but more than forty percent of the aircraft's flight hours, the owner of the aircraft is liable for an amount equal to any tax that the seller or purchaser would have been required to pay under this chapter at the time of the sale, plus interest.

2. If the aircraft is sold during the recapture period, the seller is not liable for the amount determined pursuant to this subsection unless the operational control of the aircraft had not been transferred for at least fifty percent of the aircraft's flight hours at the time of the sale.

R. Notwithstanding any other law, a shared vehicle owner is entitled to an exclusion from any applicable taxes for a shared vehicle transaction that is facilitated by a peer-to-peer car sharing program and for which the peer-to-peer car sharing program has collected and remitted applicable taxes.
