Vetoed Bills

HB 2086 (Vetoed): vaccination mandates; masks; prohibition

Prohibits a governmental entity or special health care district from requiring an Arizona resident to receive any type of vaccination or wear a mask or face covering, except where long-standing workplace safety and infection control measures unrelated to COVID-19 may be required. Applies the same prohibitions to a health care institution owned or operated by an Arizona government entity.

HB 2248 (Vetoed): medical interventions; prohibition

Restricts a government entity, business, school or ticket issuer from barring employment, entry, service or other involvement based on whether a person has or has not received or used a *medical intervention*. Exempts a business that receives Medicare or Medicaid funding from the prohibition of medical intervention as a term of employment. Specifies conditions under which an Arizona school may require a medical intervention for a person to attend, enter or be employed by the school.
