Vetoed Bills

HB 2134 (Vetoed): critical infrastructure; foreign adversaries; prohibition
Prohibits any software produced by a Chinese company from being used for critical communications and infrastructure in Arizona. Requires any critical communications provider to certify annually to the Arizona Corporation Commission (ACC) any instance of prohibited critical communications infrastructure equipment and its location. Contains reporting requirements for the ACC. Prohibits a government entity or critical infrastructure service provider from entering or renewing a contract with a Chinese company.
