WHAT IS THE REQUEST TO SPEAK PROGRAM?

The Request To Speak program (RTS) is designed to allow the public to register an opinion on bills listed on agendas and to request to speak on a bill in a committee. It replaces the old slips of paper previously used to sign in and let the committee chairperson know you want to speak to the committee. Under the old paper system, you could only sign in to speak or register an opinion if you were physically at the capitol. After the initial setup, at a kiosk, the RTS program allows you to participate from your home or office.

When the committee is in session, the committee members, and the public, will see a list of names of people who have registered an opinion, if you wish to speak or not, who you are representing, and comments you may leave in the comment box. This information is also available if a person searches past committee agendas.

Legislators will see your bill position throughout the process.

Spk	Position	Name	Representing	Comments	Status
Yes	For	[REDACTED]	Self		[Icons]
If Necessary	For	[REDACTED]	AZ ASSN OF COMMUNITY MANAGERS (AACM)		[Icons]
No	For	[REDACTED]	Self		[Icons]

HOW TO CREATE AN RTS ACCOUNT

Constituents are required to come to the capitol the first time you use the RTS system. When you come to the Capitol, you can create an account and sign in on one of the Kiosks in either the House or Senate (there is also a Kiosk available in the Tucson office).

If you create an account at home, you will only be able to use the Bill Status Inquiry application to track activity on a bill, not register an opinion or create a request to speak until you come to the capitol and sign in on one of the Kiosks here.

After the initial sign in at a Kiosk, you can sign in from home and request to speak, register an opinion, and leave a comment for the committee members.

The process for creating this account is very simple and requires minimal information. Click on Create An Account, fill in the requested information and then click on Create Account.

LOG IN AFTER CREATING AN ACCOUNT

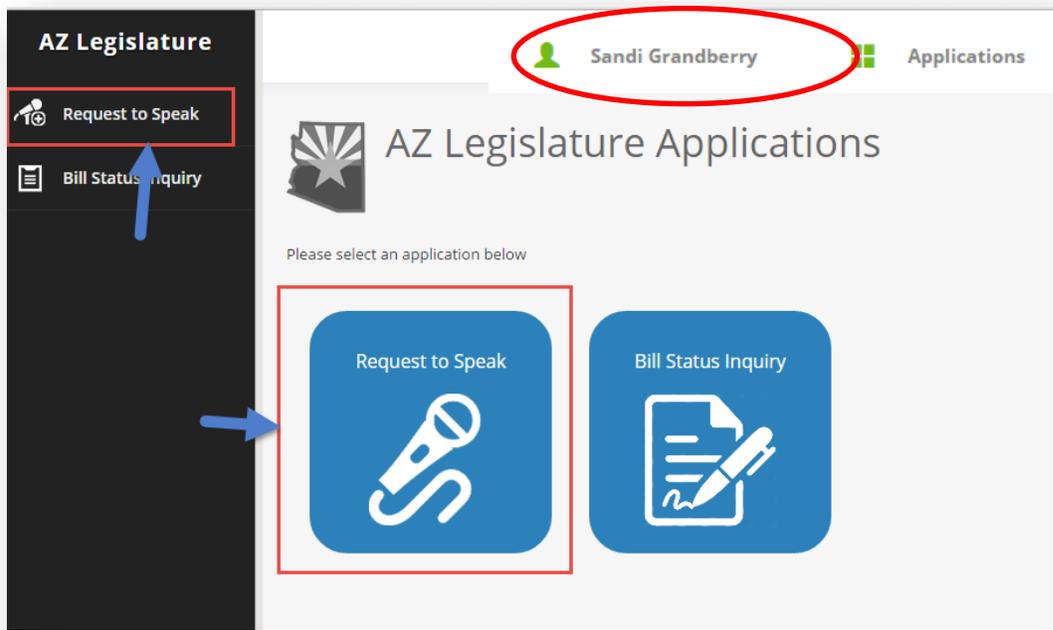

To make a new request *at the Capitol* go to a Kiosk and log in.

To make a new request *from home or work*, log onto the following: <https://apps.azleg.gov/>

Type in the email address and password associated with your account, then click on sign on.

If you don't have an account you must come to the Capitol the FIRST time to log in to the RTS Kiosk, after that, you can do it from home or your office.

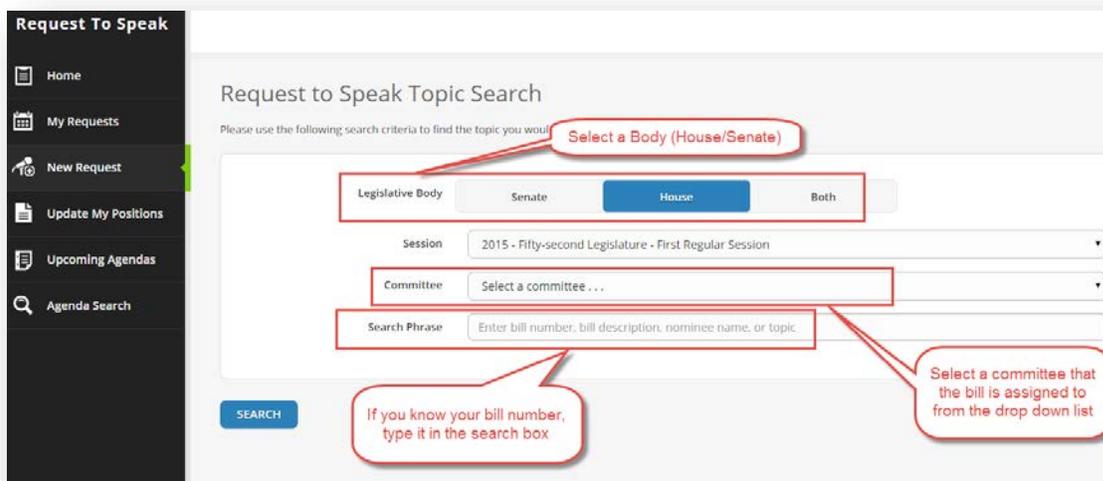

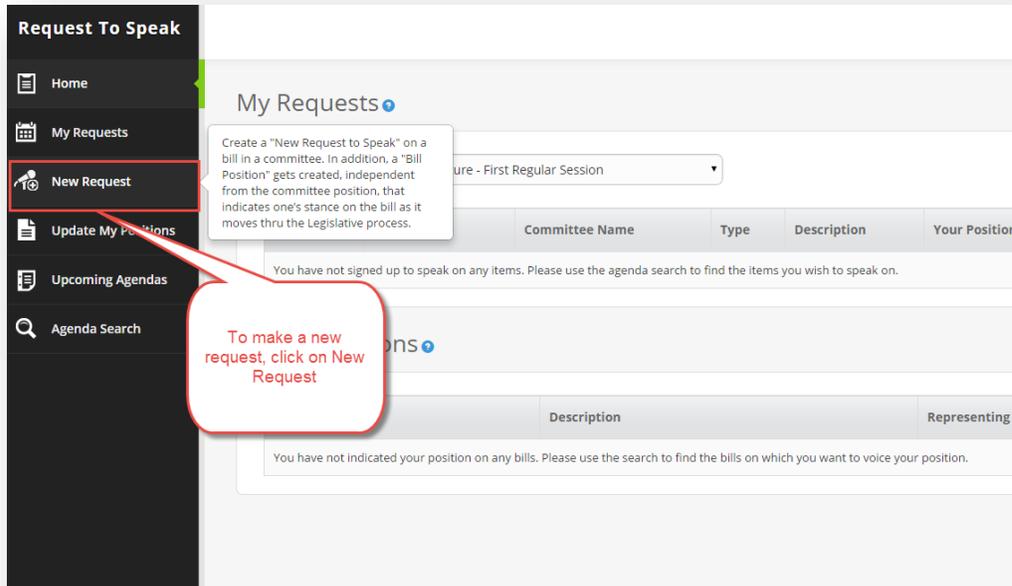

After a successful login: you'll see the following screen. Your name will show up on the upper right-hand corner.

Once logged in you will be able to switch between the RTS program and Bill Status Inquiry without logging out and back in again. One account allows access to both applications.
