RE: House Bill 2027: Subsequent AMAs; assured water supply

Speaker Toma,

Today, I vetoed House Bill 2027. This measure unnecessarily codifies a process that the Arizona Department of Water Resources is undertaking in the Douglas Active Management Area and would undergo in any subsequent AMA.

I have consistently stated that water policy needs to be addressed in a holistic manner that provides real solutions for the challenges we face throughout the state. I look forward to continuing to work with both the House and the Senate to craft a package of proposals that does exactly this.

Sincerely,

Katie Hobbs
Governor
State of Arizona
