RE: HB2305 private towing carriers; regulation; rates

Speaker Montenegro,

Today I vetoed HB2305. I recently signed SB1366, which created a study committee within the Arizona Department of Public Safety (DPS) to examine towing and impoundment practices for public property. Before establishing another study committee focused on towing on private property, it is important to review the findings and recommendations from the initial study.

Sincerely,

Katie Hobbs

State of Arizona
