RE: HB2378 school facilities oversight board; members

Speaker Montenegro,

Today I vetoed HB2378. This legislation could limit the pool of qualified candidates to serve on the School Facilities Oversight Board and reduce the knowledge and expertise of overseeing and approving school district construction projects. State conflict of interest laws already prohibit Board members from voting on items in which they have a direct financial interest.

Sincerely,

Katie Hobbs  
Governor  
State of Arizona
