RE: HB2380 school districts; board meetings; expenditures

Speaker Montenegro,

Today I vetoed HB2380. Transparency in all public bodies is a necessity. I am concerned that the threshold for providing a live video feed was amended from 5,000 to 250 students and could add costs to rural districts where connectivity is an issue. The sponsor should collaborate with education stakeholders to find consensus and limit unintended consequences on our small, rural districts.

Sincerely,
