RE: SB1011 medical examiners; sudden infant death; and
SB1212 health insurance; reimbursement rates; vaccines

President Petersen,

Today I vetoed SB1011 and SB1212. Vaccines save lives. Arizona law already provides robust exemptions to immunization requirements. It is concerning that diseases that were once eliminated are making a comeback in Arizona's playgrounds and classrooms because of misinformation.

Sincerely,

Katie Hobbs
Governor
State of Arizona
