RE: SB1040 voter registration rolls; internet access

President Petersen,

Today I vetoed SB1040. As I said last year when I vetoed SB1375, this bill fails to adequately safeguard voter registration information from being redistributed or posted online, and therefore poses risks that the information will be misused or used for commercial purposes.

Sincerely,

A handwritten signature in black ink, appearing to be "KH", followed by a long horizontal flourish.
