RE: SB1061 fentanyl; sale amount; nine grams

President Petersen,

Today I vetoed SB1061. My administration has taken 18 million fentanyl pills off the street and allocated millions of dollars to fight the fentanyl epidemic. As I said when I previously vetoed SB1725, it does not effectively target the high-level drug dealers and cartels who are responsible for pushing poison on our streets.

Sincerely,

A handwritten signature in black ink, appearing to be "KH", followed by a long, sweeping horizontal line.
