RE: SB1068 disruption; educational institution; concealed weapons

President Petersen,

Today I vetoed SB1068, which is the same bill that I vetoed in 2025 and 2023.

As I have said previously, student safety is a top concern for university and college students. Ensuring their safety should be a top priority and I will continue to veto legislation that threatens student safety or that could lead to increased risk on campus.

Sincerely,

Katie Hobbs  
Governor  
State of Arizona
