RE: HB 2660 health boards; licensure decisions; investigation  
SB1124 health boards; evaluations; notice

Speaker Montenegro,

Today I vetoed HB2660 and SB1124. Arizona's health regulatory boards are charged with protecting the health and safety of Arizonans in healthcare settings. These unfunded bills would prevent regulators from taking steps to protect the public from potentially dangerous conduct and cost taxpayers hundreds of thousands of dollars.

Sincerely,

Katie Hobbs  
Governor  
State of Arizona
