

Forest and Wildfire Management Ad Hoc Committee

PURPOSE: To research and make recommendations for potential changes to state and federal laws and regulations related to the management of wildfires in the State of Arizona. Consideration will be given to protocols and accountability for reducing devastation from fire management and post fire hazards, including appropriate services available to rehabilitate from both the state and federal levels of government.

MEMBERSHIP:

House Five members of the House of Representatives appointed by the Speaker of the House with no more than three from the same political party and one appointed Chair.
