

House Ad Hoc Study Committee on Public Safety Personnel Retirement System

PURPOSE: The committee shall study the following: (1) An overview of PSPRS and a historical overview of employer contributions over the last 20 years. (2) The impact of various actuarial and investment assumptions by the PSPRS board and other regulating entities, as well as other statutory provisions enacted in state law. (3) The result of recently enacted PSPRS reforms and other legislative changes. (4) The impact to cities, towns, and fire districts across the state due to increasing pension contributions rates. (5) The concerns and proposals of stakeholder organizations and taxpayers.
