

Joint Legislative Review Committee on State Plans Relating to Carbon Dioxide Emissions from Existing Power Plants

PURPOSE: Within sixty days after the Director of Environmental Quality transmits a proposed state plan to the Committee pursuant to Section 49-459, the Joint Legislative Review Committee on State Plans Relating to Carbon Dioxide Emissions from Existing Power Plants shall review the proposed state plan developed pursuant to Section 49-459 in compliance with rules adopted by the administrator of the Environmental Protection Agency under Section 111 (d) of the Clean Air Act as defined in Section 49-401.01. The Committee may meet before receiving the proposed state plan for the purpose of obtaining information regarding the development of the state plan and shall meet to develop factors that may be considered by the Committee in reviewing the plan. On receipt of the proposed state plan, the Committee shall review the plan based on the factors it has developed, take public comment, and consider whether submission of the plan to the Administrator, as defined in Section 49-401.01, is in the public interest. For the purposes of this subsection, the review shall include adoption of comments by the Committee by a vote of a majority of a quorum of the members.
