

Novel Coronavirus Southwestern Intergovernmental Committee

PURPOSE: To convene and provide a formal venue for public recognition and acknowledgement of challenges during the COVID-19 pandemic and solicit information from experts, and the public regarding federal, statewide, and local public health departments, and healthcare systems (non-profit and private) COVID-19 response. The Committee will: (1) evaluate the treatment protocols and overall public health guidance provided by public health departments; (2) consider evidence of grievances regarding entities and individuals; (3) determine the regulatory and funding structure of COVID-19 health care facility incentives; (4) determine what, if anything, could have been done differently to guard against any harms Arizonans endured during the pandemic; (5) prepare possible actions pursuant to the AZ. Const. Art. IV, part 2, § 8 against entities and individuals where appropriate and confirmed; and (6) pursue any other information and testimony the committee deems appropriate with regard to the COVID-19 pandemic. The Committee shall submit a report of its findings to the President of the Senate and the Speaker of the House on or before December 31, 2024.
