PURPOSE: To: (1) review current laws in this State that could impact the urban air mobility industry and discuss necessary revisions; (2) identify potential laws in this State that will create jurisdictional consistency for urban air mobility operations throughout this State; (3) foster public acceptance and awareness by creating an outreach campaign to educate the general public and lawmakers about urban air mobility technology and its benefits; and (4) collaborate with local governments to identify the best ways to integrate urban air mobility into transportation plans. On or before July 1, 2022, the Committee will submit a report regarding the Committee's activities and recommendations for administrative or legislative action to the Governor, the President of the Senate and the Speaker of the House of Representatives and provide a copy of this report to the Secretary of State.
