1/ Excludes Federal Funds that are not associated with the Medicaid match and other non-appropriated funds.

2/ Enhanced Medicaid matching rates were available from 10/1/09 to 6/30/11 through the federal American Recovery and Reinvestment Act. Since 1/1/14, enhanced match rates have been available for some populations through the federal Affordable Care Act.

3/ FY 2018 amounts include \$200,000 of one-time state match funding for the Proposition 206 Network Adequacy Report line.

4/ FY 2015 spending listed for DES Eligibility in the FY 2017 Appropriations Report is understated. FY 2015 actuals listed in the this table reflect the correct amounts reported by AHCCCS.

5/ In April 2014, the state began paying an integrated capitation rate to Regional Behavioral Health Authorities for coverage of physical care and behavioral health services to individuals with a serious mental illness (SMI). Physical and behavioral health service expenditures for SMI enrollees from April 2014 through FY 2017 are included in Medicaid Behavioral Health Service line items (see the Behavioral Health Spending table for amounts prior to FY 2017). The FY 2018 budget displays spending for SMI enrollees by separate Physical Care and Behavioral Health Service lines.

6/ Transferred from the Department of Health Services, beginning in FY 2012 and consolidated within Traditional Services, beginning in FY 2019. Please refer to the Behavioral Health Spending table to view prior appropriations and expenditures in this line item.

7/ In FY 2019, CMDP physical health funding was transferred out of the Traditional Services line and was combined with CMDP Behavioral Health Services.

8/ Includes Graduate Medical Education - Community Health Centers funds in FY 2020.

9/ Transferred from the Department of Health Services, beginning in FY 2017. Please refer to the Behavioral Health Spending table to view prior appropriations and expenditures in this line item.

10/ Medicaid Behavioral Health Services were consolidated in the Physical Care lines in FY 2019 to reflect the integration of physical health and behavioral within the AHCCCS Complete Care program.
