1 Be it enacted by the Legislature of the State of Arizona:

2 Section 1. Purpose

3 1. Section 11-483, Arizona Revised Statutes, was amended by Laws 2005,
4 chapter 49, section 1 and Laws 2005, chapter 243, section 1. These two
5 versions could not be blended because of the delayed effective date of the
6 chapter 243 version. In order to combine these two versions, this act amends
7 the Laws 2005, chapter 49 version of section 11-483, Arizona Revised
8 Statutes, to incorporate the amendments made by Laws 2005, chapter 243 and
9 the chapter 243 version is repealed.

10 2. Section 11-484, Arizona Revised Statutes, was amended by Laws 2005,
11 chapter 49, section 2 and Laws 2005, chapter 243, section 2. These two
12 versions could not be blended because of the delayed effective date of the
13 chapter 243 version. In order to combine these two versions, this act amends
14 the Laws 2005, chapter 49 version of section 11-484, Arizona Revised
15 Statutes, to incorporate the amendments made by Laws 2005, chapter 243 and
16 the chapter 243 version is repealed.

17 3. Section 15-2041, Arizona Revised Statutes, was amended by Laws
18 2005, chapter 272, section 4, Laws 2005, chapter 287, section 3 and Laws
19 2005, chapter 293, section 1. The chapter 287 version could not be blended
20 because of the delayed effective date. In order to combine these versions,
21 this act amends the Laws 2005 blended version of section 15-2041, Arizona
22 Revised Statutes, to incorporate the amendments made by Laws 2005, chapter
23 287 and the chapter 287 version is repealed.

24 4. Section 28-1383, Arizona Revised Statutes, was amended by Laws
25 2005, chapter 307, section 6 and Laws 2005, chapter 312, section 4. These
26 two versions could not be blended because of the delayed effective date of
27 the chapter 312 version. In order to combine these two versions, this act
28 amends the Laws 2005, chapter 307 version of section 28-1383, Arizona Revised
29 Statutes, to incorporate the amendments made by Laws 2005, chapter 312 and
30 the chapter 312 version is repealed.

31 5. Section 28-3166, Arizona Revised Statutes, was amended by Laws
32 2005, chapter 137, section 5 and Laws 2005, chapter 312, section 11. These
33 two versions could not be blended because of the delayed effective date of
34 the chapter 312 version. In order to combine these two versions, this act
35 amends the Laws 2005, chapter 137 version of section 28-3166, Arizona Revised
36 Statutes, to incorporate the amendments made by Laws 2005, chapter 312 and
37 the chapter 312 version is repealed.

38 6. Section 33-1476.01, Arizona Revised Statutes, was amended by Laws
39 2005, chapter 245, section 4 and Laws 2005, chapter 326, section 4. These
40 two versions could not be blended because of the delayed effective date of
41 the chapter 245 version. In order to combine these two versions, this act
42 amends the Laws 2005, chapter 326 version of section 33-1476.01, Arizona
43 Revised Statutes, to incorporate the amendments made by Laws 2005, chapter
44 245 and the chapter 245 version is repealed.

1 7. Section 33-1476.02, Arizona Revised Statutes, was amended by Laws
2 2005, chapter 245, section 5 and Laws 2005, chapter 326, section 5. These
3 two versions could not be blended because of the delayed effective date of
4 the chapter 245 version. In order to combine these two versions, this act
5 amends the Laws 2005, chapter 326 version of section 33-1476.02, Arizona
6 Revised Statutes, to incorporate the amendments made by Laws 2005, chapter
7 245 and the chapter 245 version is repealed.

8 8. Section 41-723, Arizona Revised Statutes, was amended by Laws 2005,
9 chapter 331, section 9. However, this version did not reflect the previous
10 valid version of the section. In order to comply with article IV, part 2,
11 section 14, Constitution of Arizona, this act amends section 41-723, Arizona
12 Revised Statutes, as amended by Laws 2002, chapter 210, section 11, to
13 incorporate the amendments made by Laws 2005, chapter 331 and the chapter 331
14 version is repealed.

15 9. Section 41-2123, Arizona Revised Statutes, was amended by Laws
16 2006, chapter 98, section 4 with a general effective date. However, the
17 version of this section that was amended by Laws 2006, chapter 98, section 4
18 is conditionally effective and the condition has not yet been met. In order
19 to correct a potentially defective enactment, this act amends the
20 conditionally effective version of section 41-2123, Arizona Revised Statutes,
21 with a conditional effective date to incorporate the amendments made by the
22 Laws 2006, chapter 98 version and the chapter 98 version is repealed.

23 10. Section 48-261, Arizona Revised Statutes, was amended by Laws
24 2006, chapter 2, section 2, Laws 2006, chapter 44, section 16 and Laws 2006,
25 chapter 210, section 1. The chapter 44 version cannot be blended because it
26 failed to amend the chapter 2 version, which was an emergency enactment, and
27 therefore did not comply with article IV, part 2, section 14, Constitution of
28 Arizona. The chapter 210 version cannot be blended because it failed to
29 amend the chapter 2 version and the chapter 44 version, which were emergency
30 enactments, and therefore did not comply with article IV, part 2, section 14,
31 Constitution of Arizona. To accomplish the intent of these enactments, this
32 act amends the Laws 2006, chapter 2 version of section 48-261, Arizona
33 Revised Statutes, to incorporate the amendments made by Laws 2006, chapter
34 44, repeals the chapter 44 version, amends the chapter 2 version of section
35 48-261, Arizona Revised Statutes, as amended by this act, to incorporate the
36 amendments made by Laws 2006, chapter 210 and repeals the chapter 210
37 version.

38 11. Laws 2005, chapter 314, section 1 and Laws 2005, chapter 330,
39 section 15 added identical language. Laws 2005, chapter 314, section 4
40 provides for the delayed repeal of Laws 2005, chapter 314, section 1. In
41 order to eliminate the double amendment activity, this act repeals Laws 2005,
42 chapter 314, sections 1 and 4.

1 Sec. 2. Section 11-483, Arizona Revised Statutes, as amended by Laws
2 2005, chapter 49, section 1, is amended to read:

10 general public be prohibited from accessing the unique identifier and the
11 recording date contained in indexes of recorded instruments maintained by the
12 county recorder and may request the recorder to prohibit access to that
13 person's residential address and telephone number contained in instruments or

26 person's duties, except that a person who is a victim of domestic violence or
27 stalking shall instead state that the person is a victim of domestic violence
28 or stalking and shall attach documentation supporting the claim, including a
29 true and correct copy of any of the following:

41 6. A copy of pages from each instrument that includes the document
42 locator number and the person's full legal name and residential address or

16 person's designee, who shall file the affidavits at one time. In the absence
17 of an affidavit that contains a request for immediate action and that is

27 earlier consideration, the presiding judge may accumulate affidavits and file
28 a petition at the end of each quarter.

29 F. The presiding judge of the superior court shall review the petition
30 and each attached affidavit to determine whether the action requested by each
31 affiant should be granted. If the presiding judge of the superior court
32 concludes that the action requested by the affiant will reduce a danger to
33 the life or safety of the affiant or another person, the presiding judge of
34 the superior court shall order that the recorder prohibit access for five
35 years to the affiant's residential address and telephone number contained in
36 instruments or writings recorded by the county recorder and made available on
37 the internet. If the presiding judge of the superior court concludes that
38 the affiant or another person is in actual danger of physical harm from a
39 person or persons with whom the affiant has had official dealings and that
40 action pursuant to this section will reduce a danger to the life or safety of
41 the affiant or another person, the presiding judge of the superior court
42 shall order that the general public be prohibited for five years from
43 accessing the unique identifier and the recording date contained in indexes
44 of recorded instruments maintained by the county recorder and identified
45 pursuant to subsection B of this section.

1 G. On motion to the court, if the presiding judge of the superior
2 court concludes that an instrument or writing recorded by the county recorder
3 has been redacted or sealed in error, that the original affiant no longer
4 lives at the address listed in the original affidavit, that the cause for the
5 original affidavit no longer exists or that temporary access to the
6 instrument or writing is needed, the presiding judge may temporarily stay or
7 permanently vacate all or part of the court order prohibiting public access
8 to the recorded instrument or writing.

9 H. On entry of the court order, the clerk of the superior court shall
10 file the court order and a copy of the affidavit required by subsection B of
11 this section with the county recorder. No more than ten days after the date
12 on which the county recorder receives the court order, the county recorder
13 shall restrict access to the information as required by subsection F of this
14 section.

15 I. If the court denies an affiant's request pursuant to this section,
16 the affiant may request a court hearing. The hearing shall be conducted by
17 the court in the county where the petition was filed.

18 J. The recorder shall remove the restrictions on all records
19 restricted pursuant to this section by January 5 in the year after the court
20 order expires.

22 officer, justice, judge, commissioner, public defender, prosecutor, victim of
23 domestic violence or stalking or person who is protected under an order of
24 protection or injunction against harassment shall present to the county
25 recorder at the time of recordation a certified copy of the court order. The

22 1. Enrollment projections for the next five years for elementary
23 schools and eight years for middle and high schools, including a description
24 of the methods used to make the projections.

25 2. A description of new schools or additions to existing schools
26 needed to meet the building adequacy standards prescribed in section 15-2011.
27 The description shall include:

28 (a) The grade levels and the total number of pupils that the school or
29 addition is intended to serve.

30 (b) The year in which it is necessary for the school or addition to
31 begin operations.

32 (c) A timeline that shows the planning and construction process for
33 the school or addition.

34 3. Long-term projections of the need for land for new schools.

35 4. Any other necessary information required by the school facilities
36 board to evaluate a school district's capital plan.

37 5. If a school district pays tuition for all or a portion of the
38 school district's high school pupils to another school district, the capital
39 plan shall indicate the number of pupils for which the district pays tuition
40 to another district. If a school district accepts pupils from another school
41 district pursuant to section 15-824, subsection A, the school district shall
42 indicate the projections for this population separately. This paragraph does
43 not apply to a small isolated school district as defined in section 15-901.

44 C. If the capital plan indicates a need for a new school or an
45 addition to an existing school within the next four years or a need for land

1 within the next ten years, the school district shall submit its plan to the
2 school facilities board by September 1 and shall request monies from the new
3 school facilities fund for the new construction or land. Monies provided for
4 land shall be in addition to any monies provided pursuant to subsection D of
5 this section.

6 D. The school facilities board shall distribute monies from the new
7 school facilities fund as follows:

8 1. The school facilities board shall review and evaluate the
9 enrollment projections and either approve the projections as submitted or
10 revise the projections. In determining new construction requirements, the
11 school facilities board shall determine the net new growth of pupils that
12 will require additional square footage that exceeds the building adequacy
13 standards prescribed in section 15-2011. If the projected growth and the
14 existing number of pupils exceeds three hundred fifty pupils who are served
15 in a school district other than the pupil's resident school district, the
16 school facilities board, the receiving school district and the resident
17 school district shall develop a capital facilities plan on how to best serve
18 those pupils. A small isolated school district as defined in section 15-901
19 is not required to develop a capital facilities plan pursuant to this
20 paragraph.

21 2. If the approved projections indicate that additional space will not
22 be needed within the next two years for elementary schools or three years for
23 middle or high schools in order to meet the building adequacy standards
24 prescribed in section 15-2011, the request shall be held for consideration by
25 the school facilities board for possible future funding and the school
26 district shall annually submit an updated plan until the additional space is
27 needed.

28 3. If the approved projections indicate that additional space will be
29 needed within the next two years for elementary schools or three years for
30 middle or high schools in order to meet the building adequacy standards
31 prescribed in section 15-2011, the school facilities board shall provide an
32 amount as follows:

33 (a) Determine the number of pupils requiring additional square footage
34 to meet building adequacy standards. This amount for elementary schools
35 shall not be less than the number of new pupils for whom space will be needed
36 in the next year and shall not exceed the number of new pupils for whom space
37 will be needed in the next five years. This amount for middle and high
38 schools shall not be less than the number of new pupils for whom space will
39 be needed in the next four years and shall not exceed the number of new
40 pupils for whom space will be needed in the next eight years.

41 (b) Multiply the number of pupils determined in subdivision (a) of
42 this paragraph by the square footage per pupil. The square footage per pupil
43 is ninety square feet per pupil for preschool children with disabilities,
44 kindergarten programs and grades one through six, one hundred square feet for
45 grades seven and eight, one hundred thirty-four square feet for a school

1 district that provides instruction in grades nine through twelve for fewer
2 than one thousand eight hundred pupils and one hundred twenty-five square
3 feet for a school district that provides instruction in grades nine through
4 twelve for at least one thousand eight hundred pupils. The total number of
5 pupils in grades nine through twelve in the district shall determine the
6 square footage factor to use for net new pupils. The school facilities board
7 may modify the square footage requirements prescribed in this subdivision for
8 particular schools based on any of the following factors:

9 (i) The number of pupils served or projected to be served by the
10 school district.

11 (ii) Geographic factors.

12 (iii) Grade configurations other than those prescribed in this
13 subdivision.

14 (iv) Compliance with minimum school facility adequacy requirements
15 established pursuant to section 15-2011.

16 (c) Multiply the product obtained in subdivision (b) of this paragraph
17 by the cost per square foot. The cost per square foot is ninety dollars for
18 preschool children with disabilities, kindergarten programs and grades one
19 through six, ninety-five dollars for grades seven and eight and one hundred
20 ten dollars for grades nine through twelve. The cost per square foot shall
21 be adjusted annually for construction market considerations based on an index
22 identified or developed by the joint legislative budget committee as
23 necessary but not less than once each year. The school facilities board
24 shall multiply the cost per square foot by 1.05 for any school district
25 located in a rural area. The school facilities board may modify the base
26 cost per square foot prescribed in this subdivision for particular schools
27 based on geographic conditions or site conditions. For the purposes of this
28 subdivision, "rural area" means an area outside a thirty-five mile radius of
29 a boundary of a municipality with a population of more than fifty thousand
30 persons.

31 (d) Once the school district governing board obtains approval from the
32 school facilities board for new facility construction funds, additional
33 portable or modular square footage created for the express purpose of
34 providing temporary space for pupils until the completion of the new facility
35 shall not be included by the school facilities board for the purpose of new
36 construction funding calculations. On completion of the new facility
37 construction project, if the portable or modular facilities continue in use,
38 the portable or modular facilities shall be included as prescribed by this
39 chapter, unless the school facilities board approves their continued use for
40 the purpose of providing temporary space for pupils until the completion of
41 the next new facility that has been approved for funding from the new school
42 facilities fund.

43 4. For projects approved after December 31, 2001, and notwithstanding
44 paragraph 3 of this subsection, a unified school district that does not have
45 a high school is not eligible to receive high school space as prescribed by

1 section 15-2011 and this section unless the unified district qualifies for
2 geographic factors prescribed by paragraph 3, subdivision (b), item (ii) of
3 this subsection.

4 E. Monies for architectural and engineering fees, project management
5 and preconstruction services shall be distributed on the completion of the
6 analysis by the school facilities board of the school district's request.
7 After receiving monies pursuant to this subsection, the school district shall
8 submit a design development plan for the school or addition to the school
9 facilities board before any monies for construction are distributed. If the
10 school district's request meets the building adequacy standards, the school
11 facilities board may review and comment on the district's plan with respect
12 to the efficiency and effectiveness of the plan in meeting state square
13 footage and facility standards before distributing the remainder of the
14 monies. If the school facilities board modifies the cost per square foot as
15 prescribed in subsection D, paragraph 3, subdivision (c), the school
16 facilities board may deduct the cost of project management services and
17 preconstruction services from the required cost per square foot. The school
18 facilities board may decline to fund the project if the square footage is no
19 longer required due to revised enrollment projections.

20 F. The school facilities board shall distribute the monies needed for
21 land for new schools so that land may be purchased at a price that is less
22 than or equal to fair market value and in advance of the construction of the
23 new school. If necessary, the school facilities board may distribute monies
24 for land to be leased for new schools if the duration of the lease exceeds
25 the life expectancy of the school facility by at least fifty per cent. The
26 proceeds derived through the sale of any land purchased or partially
27 purchased with monies provided by the school facilities board shall be
28 returned to the state fund from which it was appropriated and to any other
29 participating entity on a proportional basis. If a school district acquires
30 real property by donation at an appropriate school site approved by the
31 school facilities board, the school facilities board shall distribute an
32 amount equal to twenty per cent of the fair market value of the donated real
33 property that can be used for academic purposes. The school district shall
34 place the monies in the unrestricted capital outlay fund and increase the
35 unrestricted capital outlay limit by the amount of monies placed in the
36 fund. Monies distributed under this subsection shall be distributed from the
37 new school facilities fund. A school district shall not pay a consultant a
38 percentage of the value of any of the following:

39 1. Donations of real property, services or cash from any of the
40 following:

41 (a) Entities that have offered to provide construction services to the
42 school district.

43 (b) Entities that have been contracted to provide construction
44 services to the school district.

45 (c) Entities that build residential units in that school district.

1 (d) Entities that develop land for residential use in that school
2 district.

3 2. Monies received from the school facilities board on behalf of the
4 school district.

5 3. Monies paid by the school facilities board on behalf of the school
6 district.

7 G. In addition to distributions to school districts based on pupil
8 growth projections, a school district may submit an application to the school
9 facilities board for monies from the new school facilities fund if one or
10 more school buildings have outlived their useful life. If the school
11 facilities board determines that the school district needs to build a new
12 school building for these reasons, the school facilities board shall remove
13 the square footage computations that represent the building from the
14 computation of the school district's total square footage for purposes of
15 this section. If the square footage recomputation reflects that the school
16 district no longer meets building adequacy standards, the school district
17 qualifies for a distribution of monies from the new school construction
18 formula in an amount determined pursuant to subsection D of this
19 section. Buildings removed from a school district's total square footage
20 pursuant to this subsection shall not be included in the computation of
21 monies from the building renewal fund established by section 15-2031. The
22 school facilities board may modify the base cost per square foot prescribed
23 in this subsection under extraordinary circumstances for geographic factors
24 or site conditions.

25 H. School districts that receive monies from the new school facilities
26 fund shall establish a district new school facilities fund and shall use the
27 monies in the district new school facilities fund only for the purposes
28 prescribed in this section. By October 15 of each year, each school district
29 shall report to the school facilities board the projects funded at each
30 school in the previous fiscal year with monies from the district new school
31 facilities fund and shall provide an accounting of the monies remaining in
32 the new school facilities fund at the end of the previous fiscal year.

33 I. If a school district has surplus monies received from the new
34 school facilities fund, the school district may use the surplus monies only
35 for capital purposes for the project for up to one year after completion of
36 the project. If the school district possesses surplus monies from the new
37 school construction project that have not been expended within one year of
38 the completion of the project, the school district shall return the surplus
39 monies to the school facilities board for deposit in the new school
40 facilities fund.

41 J. The board's consideration of any application filed after July 1,
42 2001 or after December 31 of the year in which the property becomes territory
43 in the vicinity of a military airport or ancillary military facility as
44 defined in section 28-8461 for monies to fund the construction of new school
45 facilities proposed to be located in territory in the vicinity of a military

1 airport or ancillary military facility shall include, if after notice is
2 transmitted to the military airport pursuant to section 15-2002 and before
3 the public hearing the military airport provides comments and analysis
4 concerning compatibility of the proposed school facilities with the high
5 noise or accident potential generated by military airport or ancillary
6 military facility operations that may have an adverse effect on public health
7 and safety, consideration and analysis of the comments and analysis provided
8 by the military airport before making a final determination.

9 K. If a school district uses its own project manager for new school
10 construction, the members of the school district governing board and the
11 project manager shall sign an affidavit stating that the members and the
12 project manager understand and will follow the minimum adequacy requirements
13 prescribed in section 15-2011.

14 L. The school facilities board shall establish a separate account in
15 the new school facilities fund designated as the litigation account to pay
16 attorney fees, expert witness fees and other costs associated with litigation
17 in which the school facilities board pursues the recovery of damages for
18 deficiencies correction that resulted from alleged construction defects or
19 design defects that the school facilities board believes caused or
20 contributed to a failure of the school building to conform to the building
21 adequacy requirements prescribed in section 15-2011. Attorney fees paid
22 pursuant to this subsection shall not exceed the market rate for similar
23 types of litigation. Monies recovered as damages pursuant to this subsection
24 shall be used to offset debt service on the correction of existing
25 deficiencies as prescribed by section 15-2021. The joint committee on
26 capital review shall conduct an annual review of the litigation account,
27 including the costs associated with current and potential litigation.

28 M. Until the state board of education and the auditor general adopt
29 rules pursuant to section 15-213, subsection I, the school facilities board
30 may allow school districts to contract for construction services and
31 materials through the qualified select bidders list method of project
32 delivery for new school facilities pursuant to this section.

33 N. The school facilities board shall submit a report on project
34 management services and preconstruction services to the governor, the
35 president of the senate and the speaker of the house of representatives by
36 December 31 of each year. The report shall compare projects that use project
37 management and preconstruction services with those that do not. The report
38 shall address cost, schedule and other measurable components of a
39 construction project. School districts, construction manager at risk firms
40 and project management firms that participate in a school facilities board
41 funded project shall provide the information required by the school
42 facilities board in relation to this report.

17 chapter 312, section 4, is repealed.

18 Sec. 10. Section 28-3166, Arizona Revised Statutes, as amended by Laws
19 2005, chapter 137, section 5, is amended to read:

20 ~~28-3166.~~ Driver license content and application; marked
21 licenses; emancipated minors

22 A. The department shall issue a driver license to a qualified
23 applicant. The driver license shall contain a distinguishing number assigned
24 to the licensee, the license class, any endorsements, the licensee's full
25 name, date of birth and residence address, a brief description of the
26 licensee and either a facsimile of the signature of the licensee or a space

31 regularly used by the applicant and that is located in the county in which
32 the applicant resides.

34 shall contain the photo image of the applicant or licensee. The department

43 legal name and date of birth.

44 D. If a person is qualified for a driver license and is under the

1 color, code or design to immediately distinguish it from a license issued to
2 a person of legal drinking age. The department shall indicate on the driver
3 license issued pursuant to this subsection the year in which the person will
4 attain the legal drinking age.

5 E. THE DEPARTMENT SHALL MARK A SPECIAL IGNITION INTERLOCK RESTRICTED

7 (a) In the case of property assessed by the county assessor, values
8 shall be the same as those shown on the last assessment roll of the county
9 containing such property.

13 property located in the county islands in the proposed district as prescribed
14 by section 48-805, subsection E, paragraph 1, after a hearing, the board of

42 from that date, for a hearing on the impact statement. The board of
43 supervisors, at any time prior to making a determination pursuant to
44 paragraph 4 of this subsection, may require that the impact statement be

1 amended to include any information that the board of supervisors deems to be
2 relevant and necessary.

3 3. Upon receipt of the district impact statement, the clerk of the

20 will promote public health, comfort, convenience, necessity or welfare. If
21 the board of supervisors determines that the public health, comfort,
22 convenience, necessity or welfare will be promoted, it shall approve the
23 district impact statement and authorize the persons proposing the district to
24 circulate petitions as provided in this subsection. **FOR A COMMUNITY PARK
25 MAINTENANCE DISTRICT THAT IS REQUIRED TO OBTAIN THE APPROVAL OF MORE THAN ONE
26 COUNTY'S BOARD OF SUPERVISORS, THE PETITIONS MAY ONLY BE CIRCULATED AFTER
27 APPROVAL OF THE BOARD OF SUPERVISORS FROM EACH AFFECTED COUNTY.** The order of
28 the board of supervisors shall be final, but if the request to circulate
29 petitions is denied, a subsequent request for a similar district may be
30 refiled with the board of supervisors after six months from the date of such
31 denial.

32 5. Within fifteen days after receiving the approval of the board of
33 supervisors as prescribed by paragraph 4 of this subsection, the clerk of the
34 board shall determine the minimum number of signatures required for
35 compliance with paragraph 7, subdivision (d) of this subsection. After
36 making that determination, that number of signatures shall remain fixed,
37 notwithstanding any subsequent changes in voter registration records.

38 6. After receiving the approval of the board of supervisors as
39 provided in paragraph 4 of this subsection, the person proposing the district
40 may circulate and present petitions to the board of supervisors of the county
41 in which the district is located. All petitions circulated shall be returned

3 and verification in section 48-266 and shall:

4 (a) At all times, contain a legal description of the boundaries of the
5 proposed district and a detailed, accurate map of the proposed district and
6 the names, addresses and occupations of the proposed members of the
7 district's organizing board of directors. No alteration of the proposed
8 district shall be made after receiving the approval of the board of
9 supervisors as provided in paragraph 4 of this subsection.

10 (b) If a petition of property owners, be signed by more than one-half
11 of the property owners in the area of the proposed district.

12 (c) If a petition of property owners, be signed by persons owning
13 collectively more than one-half of the assessed valuation of the property in
14 the area of the proposed district.

15 (d) If a petition of qualified electors, be signed by more than
16 one-half of the qualified electors within the boundaries of the proposed
17 district.

18 8. On receipt of the petitions, the board of supervisors shall set a

27 setting forth its determination in the minutes of the meeting, not later than
28 ten days from the day of the hearing, and a copy of the order shall be filed
29 in the county recorder's office. The order of the board of supervisors shall

32 COMMUNITY PARK MAINTENANCE DISTRICT THAT IS PROPOSED FOR MORE THAN ONE
33 COUNTY, THE PROPOSED DISTRICT IS CREATED THIRTY DAYS AFTER THE APPROVAL OF
34 THE BOARD OF SUPERVISORS OF THE FINAL COUNTY OF THE COUNTIES IN WHICH THE
35 DISTRICT IS TO BE LOCATED. A decision of the board of supervisors under this
36 subsection is subject to judicial review under title 12, chapter 7,
37 article 6.

38 B. For the purpose of determining the validity of the petitions
39 presented pursuant to subsection A, paragraph 6 of this section:

40 1. Qualified electors shall be those persons qualified to vote
41 pursuant to title 16.

42 2. For the purposes of fulfilling the requirements of subsection A,
43 paragraph 7, subdivisions (b) and (c) of this section, property held in
44 multiple ownership shall be treated as if it had only one property owner, so

1 that the signature of only one of the owners of property held in multiple
2 ownership is required on the formation petition.

3 3. The value of property shall be determined as follows:

4 (a) In the case of property assessed by the county assessor, values
5 shall be the same as those shown on the last assessment roll of the county
6 containing such property.

7 (b) In the case of property valued by the department of revenue, the
8 values shall be those determined by the department in the manner provided by
9 law, for municipal assessment purposes. The county assessor and the
10 department of revenue, respectively, shall furnish to the board of
11 supervisors, within twenty days after such a request, a statement in writing
12 showing the owner, the address of each owner and the appraisal or assessment
13 value of properties contained within the boundaries of the proposed district
14 as described in subsection A of this section.

15 C. The board of supervisors may require of the person desiring to
16 propose creation of a district pursuant to subsection A, paragraph 1 of this
17 section a reasonable bond to be filed with the board at the start of
18 proceedings under this section. The bond shall be in an amount sufficient to
19 cover costs incurred by the county if the district is not finally organized.
20 County costs covered by the bond include any expense incurred from completion
21 of the district impact statement, mailing of the notice of hearing to
22 district property owners and electors, publication of the notice of hearing
23 and other expenses reasonably incurred as a result of any requirements of
24 this section. The requirements of this subsection do not apply to proposed
25 districts having fewer than one hundred qualified electors.

26 D. If a district is created pursuant to this section, the cost of
27 publication of the notice of hearing, the mailing of notices to electors and
28 property owners and all other costs incurred by the county as a result of the
29 provisions of this section shall be a charge against the district.

30 E. If a proposed district would include property located within an
31 incorporated city or town, in addition to the other requirements of
32 subsection A of this section, the board shall approve the creation and
33 authorize the circulation of petitions only if the governing body of the city
34 or town has by ordinance or resolution endorsed such creation.

35 F. Except as provided in section 48-2001, subsection A, the area of a
36 district created pursuant to this section shall be contiguous.

37 G. A district organized pursuant to this section shall have an
38 organizing board of directors to administer the affairs of the district until
39 a duly constituted board of directors is elected as provided in this title.
40 The organizing board shall have all the powers, duties and responsibilities
41 of an elected board. The organizing board shall consist of the three
42 individuals named in the district impact statement and the petitions
43 presented pursuant to subsection A of this section. If a vacancy occurs on
44 the organizing board, the remaining board members shall fill the vacancy by
45 appointing an interim member. Members of the organizing board shall serve

1 without compensation but may be reimbursed for actual expenses incurred in
2 performing their duties. The organizing board shall elect from its members a
3 chairman and a clerk.

4 H. For a county island fire district only, any person may petition the
5 board of supervisors for the county in which the county island fire district
6 is proposed to be located. The petitions shall comply with section 48-265
7 regarding petition form and shall be verified as prescribed in section
8 48-266. If the petitions submitted are verified as having the signatures of
9 more than one-half of the aggregate number of owners of all of the real
10 property located in the county islands in the proposed district as prescribed
11 by section 48-805, subsection E, paragraph 1, after a hearing, the board of
12 supervisors may certify the establishment of the county island fire district.
13 The county island fire district shall be governed by a five member elected
14 district board pursuant to section 48-803, but shall be governed initially by
15 a board appointed by the county board of supervisors from among qualified
16 electors of the county. On formation of the district, the surrounding city or
17 town shall provide fire protection services and emergency medical services to
18 the district. The initial appointed board shall schedule an election to be
19 held on the next consolidated election date as prescribed by section 16-204.
20 That election shall be held as otherwise provided by law. The county island
21 fire district board shall also notify the county board of supervisors of the
22 cost of providing fire protection services and emergency medical services for
23 each household or other structure in the district.

24 I. For the purposes of this section:

25 1. Assessed valuation does not include the assessed valuation of
26 property that is owned by a county.

27 2. Property owner does not include a county and in the case of
28 multiple ownership of a single parcel of property, any one property owner
29 constitutes the entire ownership interest.

30 J. For the purposes of this section, "county island fire district"
31 means a fire district that is formed or proposed to be formed only in those
32 unincorporated areas of a single county that are surrounded by a single city
33 or town or that are surrounded by a single city or town in combination with
34 other publicly owned or sovereign land, and in which the existing private
35 fire service provider has issued a notice to the residents of the county
36 island that it plans to discontinue or substantially reduce service.
