32 parents and guardians of the availability of the resume information and shall
33 make the resume information available for inspection on request of parents
34 and guardians of pupils enrolled at a school. Nothing in this paragraph

37 employee's address, salary, social security number or telephone number.

38 33. Report to local law enforcement agencies any suspected crime
39 against a person or property that is a serious offense as defined in section

41 physical injury and any conduct that poses a threat of death or serious
42 physical injury to employees, students or anyone on the property of the
43 school. This paragraph does not limit or preclude the reporting by a school
44 district or an employee of a school district of suspected crimes other than
45 those required to be reported by this paragraph. For the purposes of this

1 paragraph, "dangerous instrument", "deadly weapon" and "serious physical
2 injury" have the same meaning prescribed in section 13-105.

3 34. In conjunction with local law enforcement agencies and local

18 notice of the time and place of the meeting. At the time and place
19 designated in the notice, the school district governing board shall hear
20 reasons for or against closing the school. The school district governing

32 name on the prescription label on the medication container or on the
33 medication device and annual written documentation from the pupil's parent or
34 guardian to the school that authorizes possession and self-administration is
35 sufficient proof that the pupil is entitled to the possession and
36 self-administration of the medication. The policies shall require a pupil
37 who uses auto-injectable epinephrine while at school and at school sponsored
38 activities to notify the nurse or the designated school staff person of the
39 use of the medication as soon as practicable. A school district and its
40 employees are immune from civil liability with respect to all decisions made

3 authorizes possession and self-administration shall be sufficient proof that
4 the pupil is entitled to the possession and self-administration of the
5 medication. A school district and its employees are immune from civil
6 liability with respect to all decisions made and actions taken that are based
7 on a good faith implementation of the requirements of this paragraph.

21 harassment, intimidation or bullying, except that no documentation shall be
22 maintained unless the harassment, intimidation or bullying has been proven.

23 (e) A formal process for the investigation by the appropriate school
24 officials of suspected incidents of harassment, intimidation or bullying.

25 (f) Disciplinary procedures for pupils who have admitted or been found
26 to have committed incidents of harassment, intimidation or bullying.

27 (g) A procedure that sets forth consequences for submitting false
28 reports of incidents of harassment, intimidation or bullying.

29 41. PRESCRIBE AND ENFORCE POLICIES AND PROCEDURES REGARDING CHANGING
30 OR ADOPTING ATTENDANCE BOUNDARIES THAT INCLUDE THE FOLLOWING COMPONENTS:

41 AFFECTED AREA IN PUBLIC MEETINGS THAT ALLOWS PUBLIC COMMENTS.

42 (f) A FORMAL PROCESS FOR NOTIFYING THE RESIDENTS AND PARENTS OR
43 GUARDIANS OF THE AFFECTED AREA AS TO THE DECISION OF THE GOVERNING BOARD ON
44 THE SCHOOL DISTRICT'S WEBSITE, IF THE SCHOOL DISTRICT MAINTAINS A WEBSITE.

13 as of the date of acquisition, including penalties and interest. The lien
14 for unpaid delinquent taxes, penalties and interest on property acquired by a
15 school district:

16 1. Is not abated, extinguished, discharged or merged in the title to
17 the property.

18 2. Is enforceable in the same manner as other delinquent tax liens.

19 D. The governing board may not locate a school on property that is
20 less than one-fourth mile from agricultural land regulated pursuant to
21 section 3-365, except that the owner of the agricultural land may agree to
22 comply with the buffer zone requirements of section 3-365. If the owner
23 agrees in writing to comply with the buffer zone requirements and records the
24 agreement in the office of the county recorder as a restrictive covenant
25 running with the title to the land, the school district may locate a school
26 within the affected buffer zone. The agreement may include any stipulations
27 regarding the school, including conditions for future expansion of the school
28 and changes in the operational status of the school that will result in a
29 breach of the agreement.

30 E. A school district, its governing board members, its school council
31 members and its employees are immune from civil liability for the
32 consequences of adoption and implementation of policies and procedures
33 pursuant to subsection A of this section and section 15-342. This waiver

36 intentional misconduct.

37 F. A governing board may delegate in writing to a superintendent,
38 principal or head teacher the authority to prescribe procedures that are
39 consistent with the governing board's policies.

40 G. Notwithstanding any other provision of this title, a school
41 district governing board shall not take any action that would result in an
42 immediate reduction or a reduction within three years of pupil square footage
43 that would cause the school district to fall below the minimum adequate gross
44 square footage requirements prescribed in section 15-2011, subsection C,
45 unless the governing board notifies the school facilities board established
46 by section 15-2001 of the proposed action and receives written approval from

1 the school facilities board to take the action. A reduction includes an
2 increase in administrative space that results in a reduction of pupil square
3 footage or sale of school sites or buildings, or both. A reduction includes
4 a reconfiguration of grades that results in a reduction of pupil square
5 footage of any grade level. This subsection does not apply to temporary
6 reconfiguration of grades to accommodate new school construction if the
7 temporary reconfiguration does not exceed one year. The sale of equipment
8 that results in an immediate reduction or a reduction within three years that
9 falls below the equipment requirements prescribed in section 15-2011,
10 subsection B is subject to commensurate withholding of school district
11 capital outlay revenue limit monies pursuant to the direction of the school
12 facilities board. Except as provided in section 15-342, paragraph 10,
13 proceeds from the sale of school sites, buildings or other equipment shall be
14 deposited in the school plant fund as provided in section 15-1102.

22 design-build and job-order-contracting methods of project delivery as
23 provided in title 41, chapter 23, except that the rules adopted by the
24 director of the department of administration do not apply to procurements
25 pursuant to this subsection. Any procurement commenced pursuant to this
26 subsection may be completed pursuant to this subsection.

27 Sec. 3. Section 15-393, Arizona Revised Statutes, is amended to read:

33 who provide instruction on behalf of the district, the salaries of teachers
34 who provide instruction on behalf of the district and the reimbursement of
35 other entities for the facilities used by the district. Unless the governing
36 boards of the school districts participating in the formation of the joint
37 district vote to implement an alternative election system as provided in
38 subsection B of this section, the joint board shall consist of five members
39 elected from five single member districts formed within the joint district.
40 The single member district election system shall be submitted as part of the
41 plan for the joint district pursuant to section 15-392 and shall be
42 established in the plan as follows:

43 1. The governing boards of the school districts participating in the
44 formation of the joint district shall define the boundaries of the single
45 member districts so that the single member districts are as nearly equal in
46 population as is practicable, except that if the joint district lies in part

1 in each of two or more counties, at least one single member district may be
2 entirely within each of the counties comprising the joint district if this
3 district design is consistent with the obligation to equalize the population
4 among single member districts.

5 2. The boundaries of each single member district shall follow election
6 precinct boundary lines, as far as practicable, in order to avoid further
7 segmentation of the precincts.

8 3. A person who is a registered voter of this state and who is a
9 resident of the single member district is eligible for election to the office
10 of joint board member from the single member district. The terms of office
11 of the members of the joint board shall be as prescribed in section 15-427,
12 subsection B. An employee of a joint technological education district or the
13 spouse of an employee shall not hold membership on a governing board of a

25 4. Nominating petitions shall be signed by the number of qualified
26 electors of the single member district as provided in section 16-322.

27 B. The governing boards of the school districts participating in the
28 formation of the joint district may vote to implement any other alternative
29 election system for the election of joint district board members. If an
30 alternative election system is selected, it shall be submitted as part of the
31 plan for the joint district pursuant to section 15-392, and the
32 implementation of the system shall be as approved by the United States
33 justice department.

34 C. The joint technological education district shall be subject to the
35 following provisions of this title:
